SHIRE OF BEVERLEY PRESIDENT'S REPORT

Aged Care Services for Beverley residents

Recently, the Beverley Community Resource Centre (BCRC) have been exploring opportunities that would bring a higher level of care into the Community for aged residents. The Shire of Beverley is pleased to support this initiative and would encourage those in the community who might believe they are eligible to receive this service to visit the BCRC in the Cornerstone building and discuss your concerns with the staff.

The service is based upon the concept of 'Staying In Place' which translates into meaning that the Commonwealth Government recognise that, particularly with Aged Care, people can stay in their own homes for as long as possible. Not only stay in their own homes but more importantly, stay within their communities close to family and friends.

In summary, the programme is funded by the Commonwealth Government, engages Health Care Service Providers such as InCasa, Silver Chain, Baptist Care, and others to link those needing assistance with those in the community who are able to provide those services.

In terms of the BCRC, they have a contract with InCasa to assist in providing these services. The advantage of having the BCRC undertake this role means:

- Servicing local residents;
- Building a qualified workforce; and,
- Supporting economic development in Beverley.

At the moment there is a limited local service being offered to those in need but the new programme being offered will offer a greater flexibility for residents and can be specifically focused to particular areas. It isn't about providing just one standard service.

For those residents who are receiving outside assistance through other providers, I would encourage you to visit the BCRC and discuss your needs.

FOR MORE DETAILS PLEASE REFER TO THE ADVERTISEMENT WITHIN THIS BLARNEY EDITION.

Street vandalism

On a more sombre note, it is sad to observe the wilful vandalism that is occurring around the town particularly in Vincent Street. Recent cases have seen damage to fencing, and damage from stones being thrown indiscriminately. Particularly, stones being thrown at people who have chosen to have a game of basketball in the Skate Park. It seems that these cases are not due to residents but blow-ins who seem to find amusement in attacking our community facilities.

Swimming Pool Grants

The Shire has received notification that it was successful in obtaining a grant of \$667,179 under the State Government Community Sporting Recreation Facilities Fund for Stage One of the Swimming Pool redevelopment.

We are also awaiting a decision from the Commonwealth Government on our application for funding of \$11,490,000 under the Regional Precincts and Partnerships Project (RPPP). This application would enable the Shire to carry out the complete redevelopment of the Swimming Pool as per the plan drawn up some years ago.

If this is unsuccessful, the Shire will commence the Stage One plan in April 2025.

BEVERLEY HISTORICAL SOCIETY presents

Tracking PC Hackett's Murderers - A Field Trip

Police Constable Patrick Hackett was murdered in Hunt Rd (opposite today's Police Station) on the evening of 11 September 1884. The two ex-convict murderers, Miller & Carbury, then stole horses & left Beverley in an attempt to escape justice. Over a period of four days, they were pursued by police. They headed south to Mourambine and then circled around by Corbedine Springs where a third ex-convict, Brown, joined the pair. On the Dale River by Waterhatch the three men were met by a party of police officers & local men. A shoot-out ensued & Miller & Brown were killed. Carbury escaped but was caught a couple of days later at The Lakes. He went to trial, was convicted & hung in Perth Gaol.

At Mourambine, Miller & Carbury called in at Mr Floods store where Miller bought new boots & left his old ones to be repaired.↓

Members & friends of Beverley Historical Society took a field trip last month to view some of the sites the murderers were known to have been seen.

One of these was Stock Hill ↑ where Mrs Grath at home by herself with two small children, secretly knew who they were & gave them food.

While at Mourambine we were kindly shown & informed of the history of St Patrick's Anglican Church. This church was built in 1873. The church has no electricity or water but is well-maintained by local parishioners.↓

The wanted men told Mr Flood they were heading to Mr Seabrook's farm.↑

Our party in the new Shire of Beverley Community Bus stopped at Brookton to have morning tea. ↓

Corbedine Spring ↓ flows into the Avon River north of Brookton. In 1884 it was the site of a small settlement where the murderers held up some residents, stealing food & guns. The ill-fated Brown threw in his lot with Miller & Carbury.

On through the valley of the Dale to Waterhatch where we are escorted through the farm paddocks to an area west of the river known as "Battle Flats".

Leaving the bus on the high ground ↑ our group descended to the river's edge ↓ and a large flat area with plenty of trees & rocks to provide cover from gunfire for the Police party, led by Sgt McKenna, & for the desperate fugitives.

Sgt McKenna, David Kilpatrick, Horace Smith & William Smith later received gold watches from the WA Government as a reward for their bravery.

Waterhatch ↑ was the final site of our field trip.

Thank you to Travis Eva, Sue Parsons, Meredith Freebairn, Anne Fisher, Cameron & Paul Broun for arranging access to private properties & the church. Thank you once again to our wonderful driver, Mark Petchell. Photos courtesy of Adam Freeman.

Beverley Agricultural Museum News.

With increasing the openings to twice a month in March naturally additional activity has occurred, initially the extra Saturday was for the benefit of the public to view the large selection of farming machinery used from the early 1820's to mid-1970's in the Western Australian Wheatbelt region, so it is rewarding to see an increase in volunteers willing to give up their time to maintain and restore this exclusive collection.

The meeting on Saturday March 23 was extremely subdued compared to when our visitors from Bakers Hill assisted in starting and running several stationary engines previously on March 9, Eric continued work with the Holden Ute and finally got the Brake Master Cylinder to leave its home of many years nestled by the chassis under the floor, it's removal was quite an undertaking as he had to lay under the vehicle on the gravel floor. John A took it home to dismantle, assess and clean, Tim found a new repair kit at Rare Spares and the conquest is ongoing.

Paul & Bob spent their time between the International C30 Truck restoration with John Hawke discussing the need to repaint several of the panels and starting the 35X Ferguson Tractor. Kevin helped show one of the visitors from Perth around and Bill shared his mechanical knowledge.

Several visitors attended including two French tourists, two very informative members of the caravan club who were visiting the town, five locals and one lady from Perth whose daughter was doing work experience with a local farmer, unfortunately another two locals rocked up after the doors were locked.

Our next meeting on April 13 was certainly busy, hectic would be a better word

to describe the activity, our new friends David Mac and son Jacob brought along another member from the Tracmach group, David Uren, with his knowledge and Jacob's abilities the fun soon began!

The air was filled with the smells and serenading sounds of single cylinder stationary engines popping and banging as Jacob (no stopping the lad!) decided to swing the handle on every motor he cast eyes on,

even the Lister that powers the Shearing Shed which had not been 'fired up' in years, (sorry no picture of the Shearing Shed this time) certainly a welcome sight for my

eyes, and yes not any of the motors from his previous visit either, we lost

count to be honest, everyone (including the visitors) was thrilled, but that is not where it ended, even the John Deere Type 'D' rumbled into life, (well sort of) no crank handle on that one, just the flywheel to spin.

Finally, after many previous attempts by many very competent members and tractor owners, the Field Marshall did purr into life, David Uren has one of his own and pointed out some things that still need fixing, luckily, we do have some parts left on the other Field Marshall outside in the picnic area we can use.

Although we did suffer a few issues with flat batteries and fuel supplies, the day was full of activity. (maybe a good thing or the new guys might get bored if they can start and run every working item all at once!)

Paul got the oil pressure issue solved on the C30 truck and he and Bob continued their efforts sorting out the workshop, although laborious, everyone needs to know where everything is located.

The public interest in our collection has certainly taken off with Bronwyn (the National Trust Warden) showing another family around before that weekend, on the day we had another family staying at the NT Cottages and a further 13 locals, one being Rosco who had read my March article about the Cletrac dozer and kindly gave us some information boards (framed pictures), a big thank you Rosco, that sort of information and display is a positive addition. Also, a big thank you to several people who rang me up with 'starting advice' for that item, I am always willing to accept and share knowledge. And yes, we had another two visitors from Perth arrive after the doors were closed! Are you interested in showing people around the Farming Collection? Or want to book a private visit please call John on 9646 0768 or the Beverley Shire on 9646 1200.

Term 1 Zoo Excursion

Our Year 3, 4 & 5 students have been out and about. Their excursion to the Perth Zoo was lots of fun! Thank you to Kelly FitzGerald and Sarah Aquilina for organising the outing, and to all the parent helpers who joined in the fun.

On Friday the 22nd March we went to the Perth Zoo. There were lots of animals my favourites were the quokkas and the very large turtle. The lady was feeding the giant turtle lettuce at the time. I had lots of fun at the time with all my friends!
Harley

On Friday the 22nd of March, the Year 3,4 and 5s went to the Perth Zoo. We saw quokkas, koalas, snakes, giraffes and even meerkats. We caught a big bus called a coach, when we got off the coach we saw a huge statue of a big gorilla it was cool and everyone wanted to touch it or sit on it. There were 52 kids in total. While we were there, kids were pretending to be monkeys, it was funny. When we were leaving the bus driver gave us a little card with a number on it and if you got your number called out you got a prize.
Tamika-Marie

On Friday 22nd of March the Year 3/4/5s went to the Perth Zoo, it was a long trip, but we had so much fun. Mia and I were acting like the monkeys! We had a big talk from the Zoo Keeper about the meerkats. Then we went to the elephant, we could not see her because she was under the bridge below us, then she poked her trunk up and the whole group jumped.

BDHS Year 6 Camp – Rottnest Island

Our Year 6 students have recently spent 4 days on beautiful Rottnest Island. They jagged amazing weather and had the most incredible fun together. Thank you to Corinna Thomas for her brilliant organisation to make camp happen and Miss Clever for EA Support while on camp. Thanks also to our parent helpers: Ben Murray, Paul Higgins and Matt Davey. Below are snippets of camp activities written by our students...

Rottnest

Did you know that Rottnest was originally called Rattnest because the quokkas look like a rat? Around the accommodation there were a lot of quokkas. Did you know they can climb trees as well? They love sharing land and they are related to kangaroos and wallabies. They're known as the happiest animal in the world. Quokkas are herbivores and eat native grasses and the leaves, stems and bark of a variety of plants. On Rottnest Island, Quokkas appear to live in territories with the areas defended by dominant males.

By Billy & Kody

Oliver Hill Guns

We caught a train up to Oliver Hill to see the World War 2 tunnels. As we got off the train we were split up into groups. My group went underground first. As we were going down the stairs the tour guide explained that the stairs were designed specially so that the men could go down with extremely heavy cannon shells without tripping and falling. They were low in height and there were a lot of stairs. As we went underground our guide told us that they dug the tunnels by hand using with shovels and pickaxes.

Layla

Beach Bath

During the last trip to the beach, Peter and I dug huge holes in the sand with Mr Davey to make beach baths. We were relaxing then 'swoosh' a wave hit us and we got flung all over the place and then the water pulled back in, and it was calm then... Nothing happened... just kidding we were struck again.

Jaxon

Snorkelling

One of the things that we all really enjoyed was going to the beach. I loved it because it was always fun in the sun with friends. When the sun rose, we got ready for The Basin beach. We got excited and leapt right in, some of us went snorkelling and the rest went swimming. I saw a giant shell it was gorgeous; I went to pick it up and when I got to shore I realised it was a giant snail. Amelia found an iPhone in the water. When we went to Kingston Barracks beach Amelia, Charlie H, Carley, Kat, and I went snorkelling with Miss Cleaver and Mr Murray, we found a shipwreck called the Uribes, also we saw large fish and touched the remnants of the ship.

Pippa

Rottnest Food

Walking through the halls that enter the food-filled cafeteria, our bellies grumbled at the thought of food. The first dinner we had was beef, vegetables, and roast potatoes, then for dessert we had ice cream and jelly. The second morning we had toast, eggs, and sausages- if we were lucky enough, we could have seconds. For dinner on the second day, we had potatoes, butternut pumpkin and pasta. Our third morning we had baked beans, eggs, and toast. That night we had chicken, gravy, and vegetables for dessert we had ice cream and lemon cake. Our meals were awesome! After we had our breakfast, we made our lunches every day – we made salad rolls, but we had the option of what to put into them. We were also provided morning and afternoon tea like biscuits, pieces of fruit and muffins.

Pinkies

Snorkelling, swimming and a seagull attack! We slip, slop and slapped and we set our boundaries at the beach. We were out and about in the water! Snorkelling at Pinkies was fun. We saw lots of amazing things, there were pufferfish, clear fish, sea snails, little fish and a phone! As for swimming, we were playing in the waves, splashing about and having fun. At lunch we were enjoying our salad rolls but then the seagulls smelled our food and were attacking us! The boys were chasing them away. At the light house, the views of the oceans were incredible and the bricks in the light house were rough to touch. We had a fantastic time at Pinkies.

Lara & Annabelle

Mini Golf

After a bike ride to mini golf, we were split into groups and the rules were explained: you wouldn't be able to get more than seven hits, the lowest points win, don't lift your ball off the ground and you can't hit your ball out of the boundaries. When we went to play, we got a card to keep track of our scores. The teachers and parents played too! There were 18 holes, and the end hole would swallow your ball, it went down a hole so the mini golf staff could collect it. Mr Higgins had the overall lowest score with 40. Amelia had the lowest score for the kids. Miss Cleaver and Isabella were award a prize for Highest Points – In other words first in reverse!! Ruby and Isabella

The Ferry

At 10:30am the ferry first arrived, I thought it would be massive but it appeared to be tiny and red. When I got closer, I realized how deep it was. There was a deck below water level. After we took off from Perth the ferry went extremely fast and the waves splashed everywhere! After 45mins we all saw Rottneest Island! And the dock too. On the last day 22/3/2024 at 11:00am as we boarded the ferry, everyone yawned and got scared of the height from the ferry and the water. When we boarded, we played with the souvenirs we bought. When we got to Fremantle, we ate afternoon tea. On the way home we stopped at a park to have lunch and play. When left we sang all the way home. Charlie C.

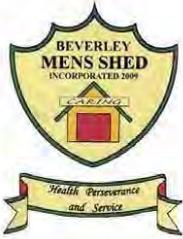

Kingston Barracks

On Monday afternoon, we rode to the Kingston Barracks to unpack all our things. The boys went straight to their accommodation in Governor's Circle, while the girls went left to the Sergeant's Mess. On the first night in the girls' rooms, we had to move a single bed so all the girls could fit in two rooms. There were three bathrooms, two spare bedrooms that Mrs Thomas and Miss Cleaver slept in, a dining/living room and a kitchen. The boys had four bunks (two in each room). On the third day the girls woke the boys up and two Quokkas had a look around Mr Murray's room. The camp experience was incredible and thank you to the parents who came along and to Mrs Thomas for planning the whole thing. Katerina & Carley

Captain Hussey Train Ride

On the Thursday, we walked from our accommodation to the train stop and met Mr Lister, Jack and his sister Lana. We boarded the train which was heading to Oliver Hill's Guns and Tunnels. The train ride was a bit rickety, but it was worth it because there was amazing scenery and there were heaps of spots to take photos of the pink lake and the ocean. On the ride back we got off the Captain Hussey and we took a big group photo then we started walking back to the accommodation - Mr Lister said if anyone was walking slower than him they would have to do 50 push ups when we got back. Amelia and Charlie H.

Beverley Men's Shed

146 Vincent Street Beverley Western Australia 6304

With the recent passing of long-term member (13 plus years) Billy Hobbs, some of our members were able and honoured to attend his funeral, and to assist with the traffic and parking on Westdale Road during the service, a big thank you to the motorists for their respect in slowing down, RIP Billy, a smile that will still shine with us for a long time to come.

With the return of the Beverley Triathlon the Men's Shed answered the call when requested to cater for the event. As well as the traditional Bar Be Que, the fried egg and bacon rolls were a huge success with many coming back for seconds.

All our members who were 'hands on' have undertaken the 'online' food safety course and recognise hygiene requirements and are pretty good at cooking too!

Raffle winners for Saturday April 6.

Committee Member Recruitment

Beverley is well known for having the best show in the region and it takes a dedicated effort by a dynamic team of volunteers to ensure that the tradition continues from one year to the next.

There are currently several vacancies on the organising committee and we are seeking volunteers to join our team.

Leading up to the Show we have a monthly committee meeting and, depending on the position that you take, you may expect to spend several hours a month following up on your area of responsibility. In the week leading up to the Show we ask that you contribute whatever time you can afford.

For those that are new to our town, it is a great way to meet new people from around the district and make a contribution to our community.

For further information contact Bruce Hunt on 0404 044 202.

SOCK WEEK 2024

We are excited to announce that we've been awarded the SOCK Week 2024 grant funding. SOCK, or 'Save Our Country Kids,' is a road safety awareness initiative led by the Narembeen CRC. SOCK Week, held annually in the last week of June, features educational activities aimed at highlighting the impact of poor decision-making on road safety within small communities. Its purpose is to raise awareness, educate road users, and promote safe and responsible road use.

STAYING IN PLACE

Our Staying In Place program is officially up and running! Thank you for your continued support. You can check out our major article in the Blarney for more information on the program.

WHAT WORKSHOPS DO YOU WANT?

We are looking at our upcoming workshops for the next 12 months. We are now taking suggestions via the QR code provided, in-person, phone, and email; hello@beverleycrc.com.au. This is your time to let us know what workshops you want!

Glenys Lane

Glenys Lane was truly unique person and will be deeply missed by the staff, committee, and volunteers at the Beverley CRC.

She was a life member of the CRC, and held the position of Chairman for 15 years until her retirement in 2023 to general committee. Her unwavering commitment to supporting the team and ensuring Beverley had access to essential services was truly admirable.

To John and the family, we offer our heartfelt condolences. We appreciate you for sharing Glenys with us; her humour, warmth, and affection will be dearly missed.

THANKYOU NATIONAL BACKYARD CRICKET ASSOCIATION

In 2023 Jaime secured funding to expand literacy programs in our library, and she started a junior book club for our community through the National Backyard Cricket Association. Junior book club has since grown, and we hold monthly sessions where the group discusses the books they've read, discussing plot intricacies, and exchanging perspectives. This is an amazing opportunity, particularly for those who enjoy reading and need a little extra challenge. There are 7 more sessions of Junior Book Club for 2024. If you are interested in Junior Book Club, get in touch with Alyssa at the Beverley CRC, library@beverleycrc.com.au for an application.

We welcomed author Cristy Burne to Beverley to host multiple special creative writing sessions. She attended Beverley District High School for 2 days and held 5 amazing sessions with the kids, teaching them creative writing. We thank Cristy for her work, teaching the kids how to write and think creatively! To continue this creative writing, we are holding a short story competition for ages 17 and under. Entries are due on the 10 May, we ask that you submit them in person or by email for your chance to win. We have 6 fantastic judges lined up to judge these stories, winners will be announced in the next Blarney edition. Happy writing!

These opportunities for our junior community were possible thanks to the support from the National Backyard Cricket Grant, State Library of Western Australia, Shire of Beverley, and Beverley District High School.

INCASA COUNTRY 'STAYING IN PLACE' IS NOW ROLLING OUT IN BEVERLEY

InCasa Country has partnered with the Beverley CRC to assist older residents to get access to support services and care at home. The CRC is committed to helping our older residents, by cutting through the complexity of accessing federal funding and managing support care workers to better support you living at home.

Step 1 - Make an appointment at the CRC who will arrange an assessment with My Aged Care. To qualify for an assessment, you must meet these age requirements - you are 65 years or older (50 years or older for Aboriginal or Torres Strait Islander people).

Step 2 - My Aged Care assessment team will come out and do an at home assessment.

Step 3 - If you're eligible, My Aged Care will allocate you a Home Care Package.

Step 4 - Sign on with InCasa via the CRC, to develop and activate your Home Care Package.

Step 5 - The CRC will organise and manage a dedicated team of support workers for you.

What things can I access if I'm on a Home Care Package?

If you're eligible for a Home Care Package from the Commonwealth Government, funding is made available to assist with the costs in staying at home. *You may be eligible for:*

Personal Care - assisting you to perform essential self-care tasks

Domestic Assistance - supporting you to complete everyday household tasks

Home Maintenance - Assistance with maintenance of your home and garden

Meal Assistance - Assisting with meal preparation or meal delivery

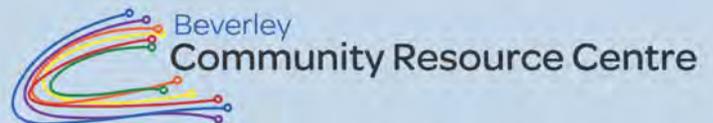

Transport Services - Helping you get to appointments or activities outside the home

Social Support - Keeping you connected to your local community and hobbies

Respite Care - Providing relief to carers

Clinical Care - Access and coordination of key health professionals to suit your individual care plan

In partnership with

How do I know if I could be eligible for a Home Care Package?

If you are over 65 and currently needing help at home due to health or mobility issues, please contact our office to make an appointment. A doctor’s referral is **NOT** necessary.

What if I have a partner, would I still be eligible for a Home Care Package?

Absolutely, if you’re over 65 and currently needing help at home due to health or mobility issue you may be eligible. Both partners, if eligible can receive a Home Care Package each.

What if I’m already receiving some home services but feel I need more help as I’m getting older, am I eligible?

If you are currently receiving home care services but your health or mobility is declining and you’d like more help at home, we can arrange a re-assessment through My Aged Care. Make an appointment at the CRC and we’ll have an informal chat about your circumstances, discuss the next steps to ensure you stay happy and safe in your own home.

How does this program support our community?

InCasa Country are dedicated to supporting local CRC’s, fostering local employment opportunities, purchasing from local suppliers ie pharmacy. It means the funding allocated to local people, is spent locally. The best part..... your plan management and ongoing support is 100% local.

Please call us if you have any questions about the program and how the CRC can help you and your loved ones remain comfortable at home. Appointments are essential.

COUNTRY WOMEN'S ASSOCIATION
OF WESTERN AUSTRALIA INC

THE CWA OF WA STORY

The idea of a Country Women's Association first originated in Canada. A woman named Adelaide Hoodless first had the thought that awakened the difficulties of country women.

The movement moved to Australia in 1922 with New South Wales, then Queensland and then in 1923 Western Australia. The Organisation was slow to start, but through the ongoing commitment of the women, 1924 was the year that the organisation finally made its presence known.

It was Lady Forster, who visited Western Australia in 1923, who first brought the idea to the women in Western Australia. With women like Mrs Manning, Mrs Trouchet, and Mrs Craven-Griffiths promoting the C.W.A, it wasn't long before the first branch would be formed.

The first branch would be formed in Nungarin on July 7th, 1924.

Another 3 branches were formed in that year.

Over the years many branches have formed, disbanded and some re-formed. Even though many members had to travel miles to attend meetings, fundraising events or just to attend events, it goes to show their commitment to the organisation and what they were all working towards, **'To improve the wellbeing of all'**.

Today, the CWA of WA is still working towards the same thing!

COUNTRY WOMEN'S ASSOCIATION
OF WESTERN AUSTRALIA INC

BEVERLEY C.W.A

Well, the sun is shining and starting to get cooler, now all we need is the rain. While we are waiting for the rain, the ladies would like to invite everyone to the **Community Morning Tea for Mother's Day.**

On **Saturday 11th May**, everyone is welcome to come down to the C.W.A Room for a delicious morning tea to celebrate Mother's Day. A **FREE** event, with delicious food and a great way to catch up with friends. Starting at 9.30am, can't think of a better way of spending a morning. At least you know you won't have to do the washing up. There will also be a **raffle on Friday 10th May** at the lion's kiosk. (I know what you are thinking, not another raffle) We will have 11 prizes waiting to be won. So why not come along and have a go at winning one of the amazing prizes.

Next month, on **Wednesday the 12th of June**, we will be holding a Morning tea to celebrate the **CWA of WA 100 years**. With an invite going out to the surrounding towns to join our community to celebrate this milestone, we hope the Beverley community will also come along to help us celebrate this amazing milestone. We will have a display of the history of CWA for everyone to look through as well as the CWA ladies being on hand to help with any information that you would like to know. If you would like any information regarding this event, please contact our President Pat Hambly on 9646 1481.

Our next meeting will be held on Wednesday 15th May.

Until next time, to all mother's, grandmother's, great grandmother's
We wish you all a very Happy Mother's Day!! Sit back and relax and enjoy your day!!

Regional Safety Services

Helping Make Regional Businesses Safer

Business Safety

Are you aware there is another very affordable and practical WA-based business safety option on the market? We are visiting a few businesses in your region and wanted to let you know about the services we offer, in case you haven't heard about us. We are the fastest-growing safety business for many great reasons. Affordability, practicality and a 'friend in the know' to call if an incident occurs are just a few.

We were awarded State Finalists in the 2023 Telstra Best of Business Awards, beating over 20,000 businesses Australia-wide, so we know we are on the right track. We honestly believe that if safety is not affordable, practical, and quick to implement, it just won't happen. The feedback we are receiving is that our approach is very practical and supportive. We won't ask you to throw away any old equipment, just consider it comes with a separate set of instructions for those that use it.

After a 28-year policing career (but starting as a farm hand when I first left school) I am committed to keeping people safe in my business called Regional Safety Services. As you can appreciate, I have seen all aspects of farming tragedies, and the new Industrial Manslaughter Legislation is not something to be taken for granted. Even if you do not hire staff, you can still find yourself subject to this legislation if something happens and you do not have the required safety systems or records in place.

We do everything from farm safety to building safety and we come to you! Our systems are popular because we understand most businesses can't afford to have a full-time safety person taking care of safety. Fact is, you don't need to go that far. We'll help you take 'reasonably practicable steps' (as stated in the WHS Act) to make things safe in your business and then help you to record your effort, knowing it will often be on the run and you don't have time to sit around filling in forms! Then there is the price: Ours is \$880 and we prepare most of the documentation for you. Or you can pay \$6000-10,000 with others, who will ensure you also need a full-time safety person to implement their systems! Whilst that may suit large organisations, it simply isn't needed in small-medium sized businesses.

To make life even easier we have introduced our online safety forms to help capture your current effort in this area. These forms are only \$99.00 to access them for 12 months. These forms have been recommended by business owners like you and most can be done in 1-2 minutes. In April this year, we will launch our new website, inclusive of online training. This entry-level training is designed to help you demonstrate that you are providing both your management team and your staff training that has been offered by a competent provider.

BEVERLEY HISTORICAL SOCIETY

Beverley Historical Society
Dead Finish Museum
bhdeadfinish@gmail.com

Cannot believe it is nearly the end of April, where has the months gone? Since opening the long weekend in March, we have had a steady flow of visitors at the Museum which is good for our little town.

Hopefully soon it will start to get cooler, and we anticipate making a few little changes to our displays. We are always very grateful to the community for their generous donations of history findings, plus any photos or memories written as we can always get copies. Unfortunately lack of room doesn't allow us to take large items.

A BIG thank you goes to our committee and volunteers for all the work they put in behind the scenes BUT like all organizations we welcome new members to join. You are always welcome to come attend a meeting and join us after for a cuppa to see if you are interested before you join.

Next Meeting is Monday 13th May 2024 at 1.30p.m. at the Dead Finish Museum.

Thank you

We would like to sincerely thank everyone who offered their heart felt condolences, and attended the funeral of Glenys Lane.

Your kind words, support and thoughtful gestures were greatly appreciated.

Special thanks to the Beverley Golf Club and Beverley Bowling Club.

Glenys truly loved being part of the Beverley community and she will be greatly missed.

Warm regards
John, Jo, Greg and families

William Herde Hobbs

20-01-1935 to 15-03-2024

Margaret and Family wish to thank everyone at the Beverley Hospital for their wonderful care of Billy.

They would also like to thank the Beverley Mens Shed for their assistance at Billy's funeral, the Dale Ladies for their wonderful morning tea and the Beverley Shire for their help with chairs, gazebo and signs.

We also wish to thank the people who attended Billy's funeral, sent cards, telephoned and helped out on the day.

Good Wood

Winter is just around the corner and soon you will be lighting your fires. Get in early so as not to be disappointed.

The Beverley Men's Shed offers wood at \$300 per 6 x 4 trailer load.

Take advantage of:

- Small and larger size blocks
- Pick your own from our wood yard in town
- Free delivery within a 10km radius of town

All proceeds go to supporting the Men's Shed's community activities.

For orders please call Graham on
0407 445 363

Thank You

Gowri & I express our grateful appreciation to all who came and assisted in extinguishing the recent fire, lit by lightening, which threatened our property.

We extend our sincere thanks, and wish you all a successful year ahead.

Thank You

The family of Kath Veitch would like to express their appreciation for the many kind words, messages of sympathy and beautiful condolence cards they have received.

We also sincerely thank everyone who attended her funeral service. We are grateful Mum/Nanna was able to remain in Beverley, close to her family and friends. We acknowledge this was made possible through the support of our caring community and access to excellent local aged care facilities. Thank you to all the dedicated staff at the Lodge and Hospital who were involved in her care.

LHAG

Local Health Advisory Group

Do you have any concerns about the general health within the population of Beverley, then LHAG could be a community committee that may suit you.

LHAG (Local Health Advisory Group) has representation from the following organisations around town.

Beverley Health Services, Shire of Beverley, St John Ambulance, Beverley Frail Aged Lodge and the Hospital Auxiliary.

Along with other members of the community including representation for aboriginal health and our local optometrist.

Our role is to identify gaps in the health services provided to our community and facilitate changes. Recently we organised a health survey of the community and are working to act on the results.

If you are interest or would like to know more contact

President Peter Tidman 0426 244 869

Secretary John Maxwell 0400 146 253

Ideas Teams

IS THERE ANYTHING EXTRA, NEW OR DIFFERENT THAT YOU WOULD LIKE TO SEE IN YOUR MONTHLY BLARNEY?

IS THERE ANYTHING YOU MIGHT LIKE TO SEE A LITTLE LESS OF?

AS THE BLARNEY IS A COMMUNITY NEWSPAPER, WE ARE LOOKING FOR IDEAS FROM THE COMMUNITY TO BRING FRESH, NEW AND INTERESTING THINGS TO OUR BLARNEY READERS.

PLEASE FEEL FREE TO DROP IDEAS INTO THE SHIRE OF BEVERLEY OFFICE OR EMAIL THEM TO BLARNEY@BEVERLEY.WA.GOV.AU

Thanks, Corretta

Beverley Horse and Pony Club

Avon Zone Showjumping and Dressage Day: Held at Beverley Horse & Pony Club on Saturday 13 April. The day saw our grounds looking A-Buzz with Perfect weather and plenty of horses and ponies. Thank you must go to our wonderful sponsors HEINIGER Jilly Hancock, EQUINE THERAPIES Jo Douglas & the Shire of Beverley. Without your ongoing support days like these would not be achievable. Our wonderful Kitchen volunteers Simone & Hazel we thank you ever so much for all your hard work. Thanks also to all parents who jumped in and helped make the day run smoothly.

Out & About Competing:

Portia riding Charlie at Gidgegannup dressage, show jump & x-country training day. Portia completed a novice dressage test.

OPENING DAY

Saturday 20th April started the golf season for Beverley Golf Club. 39 players started the year off in great fashion in an Ambrose format. The day was kindly supported by T-Bone and Sons Butchers, who have been a great sponsor for the opening day for many years. Their sponsorship is always greatly appreciated. Thank you, Peter and Tania.

The day was opened by our club patron Mike Carthew who hit the first ball of the year. The winners on the day were Ken Carson, Colin Oliver and Paul Jessett from Chequers Golf Club. Thank you to everyone that played on the day and thank you to those that travelled from other clubs to start our season off in style.

Thank you to our Course Committee of Terry Woods, Steve Johnston and Mike Carthew. Also a big thank you to all those that have helped with getting the course and the clubhouse ready for the 2024 season.

SCROUNGERS

Scroungers is still being played into the winter season. Come down for a very laid-back relaxing afternoon of golf every Wednesday and Friday. 6 holes of golf with tee off at 4.00pm. Followed by a few beers at the bar. Everybody is welcome to come down and play.

MEMBERSHIPS

If you would like to become a member of the golf club and be able to utilise the great facilities at the club and on the course then send us an email or message us on facebook and we can send you out a membership form.

Membership is extremely cheap and starts from \$50 for a social member to \$160 full membership (AND) we even discount the first year for full members by 50%. Absolute bargain.

Hope to see you all down at the club during the year whether for golf or Fish and Chip Night.

SUPPORT WORKERS NEEDED

A community-led initiative called "Staying in Place" aims to keep senior residents in their homes as long as possible.

If you're looking for full time, part time, school hours or simply wanting to supplement your pension, there's plenty of flexibility for anyone looking to join our local Mable workforce.

We are looking for registered and enrolled nurses, podiatrists, physiotherapists, occupational therapists, cleaners, gardeners, drivers and carers.

Please contact Sam at stayinginplace@beverleycrc.com.au or 9646 1600 for further information.

BEVERLEY TRIATHLON 2024

A Fusion of Athleticism, Family Fun, and Community Collaboration

On the sunny Saturday morning of March 23, the town of Beverley witnessed the reignition of its annual triathlon - a celebration of sportsmanship, family bonding and collaborative community spirit.

As the sun beat down on the picturesque Beverley landscape, participants dove into the water, pedalled furiously through the countryside, and pounded the gravel with determination and grit. Along the way, they were cheered on by friends, family and neighbours, their spirits lifted by the support of the community.

From the youngest competitors barely off training wheels to the seasoned veterans with years of racing under their belts, the Beverley triathlon welcomed everyone with open arms. With four main course legs - *Long*, *Short*, *Junior*, and *Nippers* - there was something for everyone, whether you were a serious athlete or just out to have a good time. Families turned out in force, with parents and children alike taking part in the various categories.

There were laughs and smiles aplenty as participants crossed the finish line, each one awarded with a medal or a hat and a well-deserved pat on the back for a job well done. In the Shire of Beverley's big green tent we had a delicious selection of refreshments including fruit, muffins, yoghurt and granola.

Of course, none of it would have been possible without the army of volunteers who gave up their time to make the event run smoothly. From marshalling the course, counting laps, photographers snapping action shots to handing out refreshments, their dedication and enthusiasm were the heart and soul of the triathlon.

And let's not forget the delicious hot breakfast rolls provided by the Beverley Men's Shed, offering volunteers, participants and spectators nourishment while also raising funds for the local Men's Shed.

Adding to the morning's vibrancy, Active Farmers joined the event lineup for the first time, leading competitors through invigorating warm-up exercises and stretches. The positive feedback from both participants and trainers

signalled a promising future for this collaboration. A big thank you to Robbie and Ashlyn.

We would like to thank the Beverley Agricultural Society, Beverley District High School, Beverley Junior Sports and Beverley Swimming Club for their assistance with equipment and the boys from the Shire of Beverley who always show up with a trailer of road safety goodies and a big green tent!

Anticipation for securing the triathlon as an annual event reverberates among participants and volunteers alike, prompting proactive discussions with potential corporate sponsors for funding in 2025. Efforts are already underway to strategically outline a plan towards establishing the triathlon as a sustainable fixture in Beverley's events calendar.

Acknowledging the invaluable support of sponsors including the Department of Local Government, Sport, and Cultural Industries, Shire of Beverley, Beverley CRC, Northam Sportspower, and Contract Aquatic Centre, the Beverley triathlon committee, led by Samantha Fricker and Kelly Mann, expresses gratitude for their contributions towards making the event a resounding success.

So as the sun sets on another successful Beverley triathlon, we would like again to express our thanks to everyone involved in reigniting the event. Remember to follow us on our Facebook page 'Beverley Triathlon' and look out for 2025 date.

Netball Catch Up

The Beverley Netball Club would like to thank all those who got behind the Fast 5 comp this year and supported the season, it is now coming to an end and the response we got from the community was fantastic. We would like to thank Glenys Petchell for scoring each week and Zara for being our score board operator! Emma Atkins for organising players and the teams each week and a massive thank you to our umpires, Nat Ashworth and Linda Lewis!

Looking forward to next years Fast 5 comp!

The winter competition in Northam is now underway and the junior team are off to a fantastic start, we are so proud of them! Our senior girls went out and played a great game with some new faces in the team it looks like they will have a promising year as well.

We are gearing up for our Beverley Netball Club reunion as well, which is planned for late next month, we are reaching out to all our current and past members to get together and would really appreciate everyone spreading the word. To help with catering purposes it would be great if those who are attending could RSVP to Glenys Petchell at petchelm@westnet.com.au 0417 973 559

We are looking forward to a very successful and eventful 2024 season!

Our 2023/24 Season has now come to a close. We had an amazing year with 31 registered swimmers. We welcomed many new younger swimmers which was fantastic to see. Congratulations to all the kids on another great year in the pool. So many personal achievements were seen this year.

Many thanks to our ongoing sponsors, Mark & Glenys Petchell and Alan & Jo Sattler. Your continued support to the Swimming Club each year is greatly appreciated!

THANK YOU

- Thank you to all our parents who continue to show up every week to help with set up and the general running of time trials. We cannot run without your help.
- A massive thank you to our amazing coach Jacinta Murray who has dedicated 9 years to our swimmers! Your gentle and positive encouragement to all of the swimmers over the years is something the parents of Beverley will cherish. To watch the kids at their first ever training or time trial to their last is something to be incredibly proud of. Thank you!
- Thank you to our committee for another season at the pool. For every fundraiser and task that has needed to be done, you have all been there to jump in. We say goodbye to our Treasurer Christine Hagan, after 3 years in the job. We will all miss you.
- Thank you to the Shire of Beverley and Pool Manager Brad Miller for always providing great facilities for us to continue to to run the Beverley Amateur Swimming Club.

AGM

We held our AGM after our Wind Up and are still looking for a member to take up the position of Secretary. This position will be supported by an enthusiastic committee who will be there to help with the position. Please contact Hollie Smith if you would like to take on this role.
