# SHIRE OF BEVERLEY PRESIDENT'S REPORT

## Vandalism and Neighbour Watch

Given the recent rise in 'misbehaviour' around the town, some members of the community have enquired about the possibility of starting a formal Neighbour Watch in Beverley.

At the time of writing this report, the Council has not had time to consider this matter but it will be discussed at the meeting on Wednesday 22<sup>nd</sup> May.

## Nurses' Quarters

As we have previously advised, the Shire is progressing the application to receive a Management Order over this building and land. It is a crucial part of the development of the Beverley 2035 concept. Unfortunately, the application has been held up in the Department for some time. Recent correspondence from the Department of Planning, Lands, and Heritage has raised the possibility of heritage listing for this building, which will delay our application even further.

## Swimming Pool

An aquatic safety assessment was conducted at the Beverley Swimming Pool on 5<sup>th</sup> February 2024 by Royal Life Saving Western Australia. While this detailed report raises some serious concerns around safety, it fails to acknowledge that standards today are vastly different from those existing when the pool was first constructed. In fact, some of the detail can only be described as overstating the obvious.

The Shire has been aware of the need to attend to the needs of an old facility which is why a detailed plan was developed some years ago and why the Shire is seeking funding to address the redevelopment of the whole centre. One approval for a Grant has been received and the Shire awaits another decision for funding under the Regional Precincts and Partnerships Project (rPPP).

## In Brief:

- Investigations have begun on the requirements to organise and conduct an Air Show in Beverley in March 2026. A proposal has been received from Paul Bennet Airshows;
- The Shire Planner has submitted a Crown Land Enquiry to the Department of Planning, Lands, and Heritage regarding the tenure of the Avon River Park for the purposes of allowing private boating/kayak rental;
- Tree Lopping – The rural lopping has been completed for this year. The areas were along Piccadilly, Northbourne, Kennedy, Wyalgima, Simms, Potts, Mills, Glencoe, Kokendin, and Dobaderry Roads;
- Footpath programme – the final expenditure for this programme this financial year will be the construction of a new footpath on the east side of Short Street;
- Vincent Street bridge – Main Roads bridge division have identified nine piles that require attention under this bridge. Two will require propping and the remaining seven will require steel banding. Failure to rectify these matters would have meant the lowering of the weight limit on this bridge. Given that this bridge received significant reconstruction to the surface about five years ago, it is hard to comprehend how these faults were not noticed then;

Cr David White  
Shire President

# ST JOHN AMBULANCE BEVERLEY SUB CENTRE

As I pen this month's notes I am happy to say we have both our ambulances back on the road and the technology all sorted. Now the State Operations Centre can track us when we are out and about.

Kitchen renovations commenced on the 22nd of April and all should be finished by mid May.

Training is going well as usual with attendance still being at an all time high. We sure have a very committed group of people. Chad is off to his EMT Course in the next few weeks, good luck Chad we know you'll come back a winner.

Our Crews are happy to do what is called a 'stand by event', this is being in attendance at Pony Club, Football etc. It comes with a small fee and should your club or organization need our Services please email our President Ian to make a booking. Email address :- [Beverley.Chairperson@stjohnwa.com.au](mailto:Beverley.Chairperson@stjohnwa.com.au)

Anzac Day has come and gone and a big thank you to our Crew & Committee who showed their respect by Marching in Beverley.

It is with heavy hearts that we share the news of the passing of Marylyn Wilson MStJ of Beverley.

Marylyn was an extraordinary individual, a cherished life member of the Beverley Sub Centre. Her dedication to serving as an active volunteer ambulance officer from 1986 to 2018 speaks volumes of her character. Throughout her tenure, she accumulated numerous qualifications, averaging approximately two trips each month and providing crucial assistance at around 12 local events annually for over a decade.

Beyond her frontline service, Marylyn played pivotal roles within the organisation. She served as secretary for five years and played a key role in the planning and establishment of the new Beverley Sub Centre. Over her 19 years as a committee member, she consistently demonstrated her commitment through regular attendance and valuable contributions. Marylyn's dedication was further evident as she accepted a second three-year term as Secretary in 1998.

An avid first aid trainer, Marylyn passionately mentored new volunteers, leaving an indelible mark on the next generation of responders. Despite juggling the responsibilities of single parenthood, she remained steadfastly available for transfers 24/7, embodying unwavering commitment to the service. Marylyn's tireless efforts extended to local events, fundraising endeavours, and the meticulous care of our building, earning her a reputation as a staunch defender of our mission within the community.

Her impact went beyond her immediate responsibilities. Marylyn was instrumental in implementing significant improvements, including the establishment of a new mobile phone service and roster system. Additionally, her pioneering efforts in mentoring new volunteers during ambulance operations set a new standard for our organisation.

Marylyn's legacy will endure through the lives she touched and the countless contributions she made to the Beverley Sub Centre and the broader community. She will be dearly missed but forever remembered for her selflessness, dedication, and unwavering spirit.

\* Apologies to St John Beverley - this article was unintentionally left out of the May 2024 issue.

# ST JOHN AMBULANCE BEVERLEY SUB CENTRE

We have a new Administration Officer at our Sub Centre, Jennifer Donaldson commenced work early May. The front door is once again open on Tuesday and Thursday from 9 am to 2 pm. Please note the new day from 30/5/24 Should you have any query or wish to pay your Benefit in person, maybe you need a First Aid Kit! Call in and introduce yourself to Jennifer, she would be only too happy to help you.

The kitchen renovations are almost complete, Lindsay has been working super hard to install the cupboards and benches, along with the new electrical equipment, with Kody, & Aaron making sure the water and power are all connected ready for us to 'christen' our new re-vamped kitchen area. Sue & Anne had the onerous task of selecting the colour scheme for the benches and cupboards as well as the new stove, fridge, microwave etc. I'm sure you will agree that they look great even in the photos. Tarni volunteered to do the shopping for the new crockery & cutlery, which when all completed will be placed in the cupboards. This has been a rather large undertaking for the Committee over the past 12 months but not long now until fully completed & we can't wait!

The Crews Training is progressing very well, each Training night we learn more and more. During the first half of 2024 Crews have covered Patient Assessment, Medication Management & Administration, Corpuls Operations. This possibly sounds very technical to most folk but it is essential that we all have the same knowledge in being an Ambulance Officer.

Congratulations Chad - who has completed his Emergency Medical Technician Course over 2 weekend, and he is now a qualified EMT. Awesome Chad!!

Have you seen our signs on two road entrances into Beverley?  
Becoming a Volunteer, is very rewarding, not only do you form great friendships you also learn so much and the Community benefits with locals giving of themselves to help others in need. Think about it!

Beverley Sub Centre are holding a First Aid Course on Saturday 13th July from 8.30am to 4.30pm at the Sub Centre in John Street, Beverley. Cost is \$170.00, - Morning Tea, Light Lunch and Afternoon Tea Supplied. Students can register on the website or by calling our customer care team on 9334 1233.

It is very disappointing that some people think it is humorous to make a Triple Zero call in our town. Sunday 19th May we received one such call and a Crew was dispatched to the scene only to find it was a hoax/prank call.

When making a Triple Zero call it is answered by State Operations Centre and from there it is allocated out to the closest Centre. So a call like this is rather annoying for all those involved from the initial contact to the allocation of a Crew who attend to the address to find it a prank.

Should this occur in the future be warned that the Police will be notified and you could have charges brought against you!

Volunteers are hard to attract to any Community Organisation these days without them having to deal with such calls.

Enough said!!

## BEVERLEY LOCAL & RURAL NEIGHBOURHOOD WATCH.

Hello beautiful Beverley Community.

As you all know we have started our own Neighbourhood Watch both Local & Rural. On Wednesday the 22/05/2024 I went before our beautiful Shire asking them to back me with their support. The turn out of support by residents & business owners in this new venture of ours was truly amazing. The vote from the shire council was a unanimous YES!!! Our aim is to create a community that is safe for each & everyone of us. We need to look out for our neighbours, our friends, our families & our visitors. We have such a beautiful, friendly & caring community. We all have the right to feel safe in every part of our town including schools, parks, businesses & surrounding rural areas. Our farmers also have the right to feel safe on their own farms. Unfortunately we are not immune to criminal behaviour. We have thefts, break ins, damage to our public spaces & local businesses. If you are unaware we now have a new Police Sargent. So on behalf of our beautiful Beverley Community I would like to say welcome to Sargent Shane Peets. I've had the pleasure of meeting him & he has assured me that he looks forward to not only helping our community but also being part of our community. He has asked for our assistance in reporting any & all illegal behaviour. Unfortunately with limited services in the Wheatbelt our police station isn't manned 24/7. But that doesn't mean they can't help us day or night. In an emergency you need to dial Triple 0!! If you wish to report a crime thats not an emergency please call 131 444. You need to leave all your contact details when reporting a crime. Give as much information about your incident as possible. And be sure to ask that you want the Sargent to call you back as soon as possible in regards to your report. You will also be given a job number when calling 131 444 so be sure to keep that information it will help the police & yourself in keeping track of your report. There is also an App you can download on your phone to help report criminal activity. It called "**Eyes on the Street**" you can report via the App just be aware its not manned 24/7 so it can take up to 48 hrs before you hear back from the Police. There is also another App worth having on your phone & that's the "**First Responder**" App. This is for accidents requiring emergency help. Using this App gives first responders your exact GPS location as well as helpful information that can help you in assisting in an emergency. Now we all have a part to play when it comes to the safety of the residents & community in Beverley. We all need to take notice of any unusual activities. Don't be afraid to report it. You can remain anonymous if you so wish. Please do not put yourself in harms way. Your safety is your number 1 priority. Do not engage with anyone who is committing a criminal offence. If safe to do so record all relevant information & then report by calling police. We do have a new Facebook page called **Beverley Community Local & Rural Information Alert**. You can join by answering a few questions & agreeing to the page rules. You can then post information about your concerns with illegal activity. You can report illegal activity. If you are worried about reporting information you can contact admin on our page & will we pass your information on to the police or anonymously if you so wish. In the coming weeks I will be creating a committee for our Neighbourhood Watch so we can better assist you all with more resources. Please be patient with us as we are all learning as we go. We are lucky to have so many residents happy to volunteer their time & lend their knowledge to help us get our new Neighbourhood Watch Local & Rural up & running to benefit us all. Thank you to all of you that have supported me & helped me in getting this up & running I appreciate each & everyone of you. Much 🍀 AMANDA

# Beverley Community Garden

Hello, from all the volunteers at your community garden.

Our garden is a symbol of the cycles of life. The weather is in transition from autumn to winter, all the amazing changes that we see, and smell are slowly unfolding. Letting us know it is now time to plan your winter garden and stock up on your wood and woollies.

The Beverley Community Garden has put aside a garden bed in memory of Glenys Lane.

If anyone in the community would like to come and place a cutting or plant, in memory of Glenys you are very welcome to do so.

The Beverley Community Garden is thriving in this slightly cooler weather, it certainly makes it easier to weed, in the cooler temperatures.

Silverbeet, rhubarb, Asian greens, fennel, lettuce, aubergine, kale, zucchini, and herbs, perennial basil, parsley, chilli, coriander, sage are available and plentiful. A few heads of garlic are still able to be had and yes, they are this year's crop. The corn is growing thick and lush, so we are hoping for a good harvest.

Murray Young and Cliff Doncon have gone above and beyond, in their efforts to connect all our new water fittings and then back filling all the trenches. It was no small effort. The garden once again, looks visually great due to these two gentlemen. A very big thank you.

Our winter veggies have been planted, we stand back and watch the magic happen all over again. So please come to the garden and see for yourself or even just pop in for a cuppa and a chat. Thank you to all those people who purchase our vegetables, \$10/basket.

The garden received a lovely donation of Digger seeds from Dalene Davies, thank you for your generosity, the seeds will be put to good use. Thank you to all who have donated their recyclables, these funds help us maintain and grow our community garden. Anyone thinking of joining our garden community will be welcomed with open arms.

Our policy is, the more the merrier

Regards from

All the volunteers at BCG

## INCASA COUNTRY ‘STAYING IN PLACE’ IS NOW ROLLING OUT IN BEVERLEY

InCasa Country has partnered with the Beverley CRC to assist older residents to get access to support services and care at home. The CRC is committed to helping our older residents, by cutting through the complexity of accessing federal funding and managing support care workers to better support you living at home.

**Step 1** - Make an appointment at the CRC who will arrange an assessment with My Aged Care. To qualify for an assessment, you must meet these age requirements - you are 65 years or older (50 years or older for Aboriginal or Torres Strait Islander people).

**Step 2** - My Aged Care assessment team will come out and do an at home assessment.

**Step 3** - If you're eligible, My Aged Care will allocate you a Home Care Package.

**Step 4** - Sign on with Incasa via the CRC, to develop and activate your Home Care Package.

**Step 5** - The CRC will organise and manage a dedicated team of support workers for you.

### What things can I access if I'm on a Home Care Package?

If you're eligible for a Home Care Package from the Commonwealth Government, funding is made available to assist with the costs in staying at home. *You may be eligible for:*

**Personal Care** - assisting you to perform essential self-care tasks

**Domestic Assistance** - supporting you to complete everyday household tasks

**Home Maintenance** - Assistance with maintenance of your home and garden

**Meal Assistance** - Assisting with meal preparation or meal delivery

**Transport Services** - Helping you get to appointments or activities outside the home

**Social Support** - Keeping you connected to your local community and hobbies

**Respite Care** - Providing relief to carers

**Clinical Care** - Access and coordination of key health professionals to suit your individual care plan

In partnership with

## HERE'S SOME MORE FREQUENTLY ASKED QUESTIONS REGARDING HCP'S

### **What's the difference between CHSP (HACC) and a Home Care Package (HCP)?**

A key difference is: when you describe your level of need, it can determine which initiative you are eligible for: CHSP is intended for seniors requiring 1 or 2 basic services, either in the short-term or on an ongoing basis. HCP are for people who need more services. There are 4 tiers of HCP to meet varying levels of need: basic, low, intermediate or high.

### **What are the average waiting times to receive an assessment?**

Once your ACAT assessment request has been lodged through My Aged Care, the waiting time is between 6-8 weeks. You can call My Aged Care on 1800 200 422 or if preferred, the CRC can do this on your behalf.

### **What is the average waiting time to receive my package once I've had my ACAT assessment?**

If you're approved for a Home Care Package, you're placed in the Government's national queue until your package is allocated to you. Wait times vary depending on what level of package you're approved for. For people with a **medium** priority, the expected wait time for an approved Home Care Package (starting from the date on the letter of approval) is:

- Level 1: Less than 1 month
- Level 2: 3-6 months
- Level 3: 12-15 months
- Level 4: 6-9 months

### **Once I've been allocated a Home Care Package, when can I expect home support services to start?**

Great news, once you've received your approval and referral code from My Aged Care, the CRC can get you signed up that day. After lodging your details to InCasa Country, we can have support workers within a week or two depending on your needs and availability.

BEVERLEY HISTORICAL SOCIETY presents  
Visiting WA Government House & Gardens  
With Beverley Garden & Tree Society

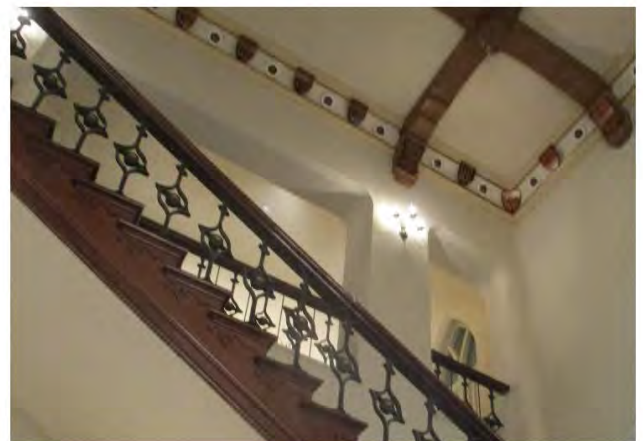

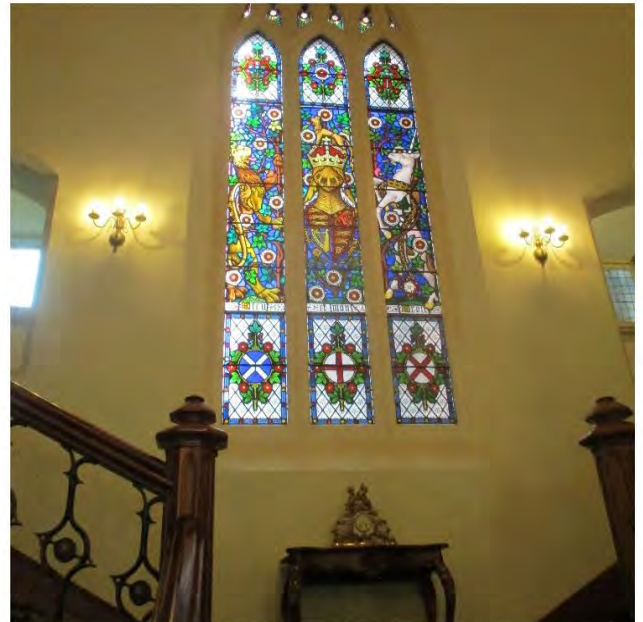

Last month the Beverley Garden & Tree Society with the Beverley Historical Society organised a tour of WA Government House and Gardens for members & friends of both societies.

This Government House , described as Fonthill Gothic style, was completed in 1863. It replaced a smaller house that was located closer to the gate lodge . Near this Government House vehicle entrance, there is a statue dedicated to Balbuk Yooreel, considered the most important Whadjuk woman of the 19<sup>th</sup> century.

The grand Entrance Hall of the House encompasses a stained-glass window that features Queen Victoria with symbols of Great Britain. The double staircase is made of jarrah & wrought iron  with tiny shields representing monarchs from William 1 to Queen Victoria decorating the cornice.

The yellow Drawing Room  is most often used to welcome dignitaries & guests to Government House.

The painting by WA artist Owen Garde ↑ in the ballroom anteroom shows one of the first meetings of the WA Legislative Council. The portrait features WA's first Governor, Sir James Stirling, and the four men he appointed to help him administer the Swan River Colony. The painting shows, from left to right, Peter Broun, William Mackie, Captain Frederick Irwin, John Septimus Roe, James Stirling (standing) and Mark Currie, Clerk of the Council. Peter Broun, John Septimus Roe and Mark Currie were among early landowners in the Beverley district.

A formal rose garden ↑ lies adjacent to informal plantings of exotic & native trees. The Government House Gardens sit across 3.2 hectares and have been open to the public since the 1960's. ↓

Beverley residents outside the main entrance. ↑

Many thanks to the Beverley Garden & Tree Society for arranging this most interesting & informative tour and to our fantastic driver (& parking expert), Diana Smith.

--oOo--

Government House was built by the Swan River and this pond ↑ in the gardens retains a few metres of the original bank of the river. ↓

# *Beverley Ag Museum News*

With several of our volunteers away on April 27 and visitor numbers in single digits there was little activity until a small group of overseas back packers arrived, one from the United Kingdom and a couple from Germany all staying locally being given the opportunity to visit by their accommodation host and his grandson, who took a keen interest in the collection, this lead to John Hawke starting up

several items including the 22 crawler, David Brown market garden tractor and the ex Ag department Land Cruiser.

A big thank you to Eric for gathering and raking the leaves into piles at the front of the building, but no doubt they will be replaced by many more in the future, not all the chores are

mechanically based, there is plenty of diversity for everyone and we all 'chip in' with our efforts, however mundane.

Sunday April 28 saw the 'plein air' painters from Perth utilising Avondale Farm for their artistry, John A opened the Museum for some of the partners that wished to view, while taking advantage of the calm weather conditions to burn the leaf piles.

With the volunteer group now meeting twice a month there is naturally more achievement, plus some members cannot always attend every session giving them a choice of day, and on Saturday May 11 the guys were certainly busy, Bob & Paul assessed the parts we need for the Field Marshall from her sister located in the picnic area before again giving the starter on the 35X Ferguson Tractor a workout.

Bill & Kevin removed the leaking water pump from the International C30 for Bill to work his magic on, John Hawke welded the 'home-made' C 30 top hose outlet up that had a pinhole in it. John A gave the air compressor a run pumping up all those deflated looking tyres,

before we all helped relocate the Chamberlin 9G and Field Marshall back to their designated areas, both still in need of repairs before gallivanting around the place again!

At our shared morning tea, discussion was had concerning the upcoming Beverley Agricultural Show in August

and our display, also attention was given to the electrical items due for Testing & Tagging which was carried out on Tuesday May 14, many thanks to the Beverley Shire and Karl and his team from Beverley Electrical.

Again, that day visitor numbers were down with only a family of 5 staying at the National Trust Cottages attending, a big thank you to Bronwyn the NT warden for also showing some vacationers around during 'closed hours', the Machinery Collection and Wheatbelt Farming history is there to be shared.

If you are interested in visiting, want to participate, or maybe have memories you would like to share with us, check the local weekly Bulletin or ring John A on 9646 0768 for more information.

## Committee Member Recruitment

Beverley is well known for having the best show in the region and it takes a dedicated effort by a dynamic team of volunteers to ensure that the tradition continues from one year to the next.

There are currently several vacancies on the organising committee and we are seeking volunteers to join our team.

Leading up to the Show we have a monthly committee meeting and, depending on the position that you take, you may expect to spend several hours a month following up on your area of responsibility. In the week leading up to the Show we ask that you contribute whatever time you can afford.

For those that are new to our town, it is a great way to meet new people from around the district and make a contribution to our community.

For further information contact Bruce Hunt on 0404 044 202.

#### BEVERLEY C.W.A

Well, what a month! We are still waiting for the rain, with no luck, but have been kept busy.

The ladies had an invite from the Beverley Playgroup, to come along and make scones. The ladies had fun making scones with the kids and it was an enjoyable morning. We hope the kids had as much fun as the CWA ladies. We thank the Beverley Playgroup for inviting us.

We held our Mother's Day Raffle and Morning Tea again earlier this month. Nice sunny weather, even though we hoped for rain, we hope that everyone had a wonderful day. We had some wonderful prizes that were won. We hope everyone enjoyed the morning tea and thank them for coming. Isn't it nice when you can go out and enjoy a cuppa and not have to do the washing up.

Without the efforts of Alisa, Dianne, Marianne and Pat H, the morning would have not run as smoothly as it did. I would also like to thank Chris Alabach, who stepped up and helped those ladies mentioned to clean up at the end. It is because of the continued efforts of these four ladies, Alisa, Dianne, Marianne, and Pat H that the Community Morning Tea's continue to happen every month. They deserve every thanks that they are given.

I would like to thank those who continually donate these amazing prizes, without these donations we would not be able to hold these raffles and we hope the winners of all our raffles are happy with what they have won. We know that we cannot have prizes that everyone likes, but we are extremely thankful to those who donate prizes so we can hold our raffles.

The next **Community Morning Tea** will be held on **Wednesday 12<sup>th</sup> June at 9.30am** at the **RSL Hall**. This morning tea is held as a **Celebration of 100 years of CWA of WA**. Along with the usual amazing homemade goodies and Free cuppa's, we will have a raffle, invited members of surrounding branches and head office. We will have guest speakers and entertainment, along with a small display of CWA history, it is sure to be a great morning out for all. So why not come along, bring friends, to help the Beverley ladies celebrate!!

While we are on the subject of CWA of WA, I would like to tell you about the raffle that they are holding. Every year at the State Conference, they hold a raffle with some great prizes up for grabs and this year is no different. The raffle will be drawn on July 10<sup>th</sup> and the **tickets are \$5.00 each**. With a **total prize pool of \$5,700**, why not have a go. They will be available for sale at our morning tea on the 12<sup>th</sup> of June. What are the prizes? Well, let me tell you.

**100 years uniting women and strengthening communities**

COUNTRY WOMEN'S ASSOCIATION  
OF WESTERN AUSTRALIA INC

**1<sup>st</sup> prize – outdoor escape package** portable fridge/freezer, portable gas BBQ, coffee maker, esky stand, BBQ utensils set, 2 x sleeping bags, 2 x folding chairs, portable toilet & toilet chair, 4 x cycle helmets and beach umbrella. Total value at \$2,550

**2<sup>nd</sup> prize – Losari retreat, Margaret River** two nights' accommodation in a luxurious spa villa. Available from Monday to Thursday during non-peak times valued at \$1,150.

**3<sup>rd</sup> prize – WA visitor centre** \$500 travel vouchers expiring 25 June 2025. Redeemable for any tours, accommodation, and land transport

**4<sup>th</sup> prize – diamond dotz** framed cleopatra and tigers valued at \$500.

**5<sup>th</sup> prize – diamond dotz** framed wolf waterfall valued at \$500.

**6<sup>th</sup> prize – patchwork bed quilt** handmade by a member of the CWA Joondalup and districts branch valued at \$500.

Before I go, I would like to make mention of a wonderful charity, **Comfort Quilts Against Cancer**. It is an Australian registered Not for Profit charity, 100% run by a dedicated team of volunteers. They provide care packages, **Free of charge**, for children and adults, fighting against cancer. Each package is gifted by the charity and consists of a handmade quilt, beanie, and scarf. Packages are mailed or delivered directly to recipient anywhere in Australia.

**Comfort Quilts Against Cancer Inc** honours all those people who have had or still have the dreaded "C." If you would like to help, either being a knitter or quilter or, if not that good with a needle or thread, you can donate to them, by contacting them by email [cqaccancer@gmail.com](mailto:cqaccancer@gmail.com).

If you would like to nominate someone to receive one of these packages, you can once again email them or go to their Facebook page or web page [comfortquilts.org.au](http://comfortquilts.org.au).

A group of wonderful people doing what they can for others.

Well, that's about it for this month. Between getting organised for our morning tea and trying to find another way to make it rain, the rain dance obviously did not work, I will leave you with a little something I found in an old CWA Magazine. Stay safe everyone!

#### Four bones

Someone has said that every organisation is made up of four bones.

- 1 – There are the "Wish Bones" who spend all their time wishing someone else would do all the work
- 2 – There are the "Jaw Bones" who do all the talking but very little else
- 3 – There are the "Knuckle Bones" who knock back everything that anybody else tries to do
- 4 – Finally, there are the "Back Bones" who get under the load and do all the work!

## Cristy Burne Incursion

The creative and entertaining Science guru and author, Cristy Burne, visited our Year 1-6 students recently. She enthralled with her stage show, and inspired with her STEM meets Writing workshops. Our students loved Cristy's visit! A shout out to our wonderful Beverley Community Resource Centre for obtaining a grant for Cristy's visit so that our students could enjoy this fantastic experience at no cost.

# KPP Mother's Day Afternoon

What a wonderful turn out of Mothers, Grandmas and Nannas to our annual Kindy & Pre-Primary Mother's Day at Beverley DHS. It was a very successful, highly enjoyed afternoon full of love and laughter. There was plenty to do, with lovely nail painting of all colours and massages at the salon, painting, playdough, puzzles, an outdoor library, a bean bag toss game and the very popular decoration of yummy cup-cakes! We hope you all enjoyed your Mother's Day with loved ones and enjoyed your special homemade gifts.

### Faction Cross Country ~ 14th May 2024

Perfect weather and a new venue enabled students, staff and spectators to have a great morning for our Faction Cross Country carnival! Thank you to the Beverley Golf Club for allowing us to set a new course for our races and giving our students access to the grounds for trainings. Timely rain prior to the carnival saw the fairways thankfully change colour!

Forrest came away faction cross country champions yet again...they are proving hard to beat over the longer distance events!

Our Pre-Primary students did a fantastic job running their 500m as well! So lovely to see some of our older students run alongside them.

As always, a huge thanks to parent helpers: Chaise, Sarah P, Jacinta, Alex K and Skye. Thanks also to BDHS staff for all your assistance on the day, and to our school community for supporting our fabulous students.

### *WesCarpade 2024 - grain to Grape*

WOW!! Not long now until our WesCarpade 2024 journey will be upon us. A massive thank you to everyone who has supported us so far on our journey.

As most of you keep asking where we are going this year, well here it is.

We start in Carnamah on Friday the 9th of August.

Day 1 Carnamah to Gabyon Station

Day 2 Gabyon Station to Murchison Settlement

Day 3 Murchison Settlement to Wooramel Station

Day 4 Wooramel Station to Kalbarri

Day 5 Kalbarri (Lay Day)

Day 6 Kalbarri to Port Denison

Day 7 Port Denison to Moora

Day 8 Moora to Swan Valley

Once again, another amazing trek has been planned for us. Along the way we will be visiting 3 small schools with a combined number of around 150 kids. We also have a couple of community events lined up. So once again a full-on trek is on the cards.

Thank you to our amazing local sponsors who have said they will come back on board again this year. As another fundraiser we have jumped on board with the local CRC to do the sausage sizzle at the Sock Week Disco on the 27th of June. Super excited for this to be happening!!!

If you would like to Donate to Camp Quality scan the QR code on the page or once again Beverley Post News and Gifts have a Donation tin for Us. Or check out Thomas the Tank WesCarpade Page on Facebook.

## MY MEDICARE

**We have joined the MyMedicare community and we want you to join us too**

### What is MyMedicare?

MyMedicare is a voluntary patient registration system that aims to formalise the relationship between patients, their general practice, general practitioner (GP) and primary care teams. Seeing your GP regularly and formalising the relationship you have with your GP and general practice through MyMedicare can lead to better health outcomes.

By registering as a patient of your chosen general practice and selecting a preferred GP, additional funding will be available from the government to assist your primary care team to deliver the care you need.

It is voluntary and free to register in MyMedicare, and registration is open to Australians with a Medicare card or Department of Veterans' Affairs (DVA) Veteran Card. To find out if you're eligible for MyMedicare read the Registering in MyMedicare factsheet.

MyMedicare is a registration system and won't hold any of your clinical health information. Your clinical health information will continue to be stored in your My Health Record, if you have one. All personal information recorded in MyMedicare, including your chosen healthcare providers, will be kept secure and your privacy will be maintained.

Read the MyMedicare Privacy Notice at [health.gov.au/mymedicare-privacy](https://health.gov.au/mymedicare-privacy) for further information.

### Benefits of registering for MyMedicare

Many general practices across Australia have registered in MyMedicare to support them in offering tailored care and services to fit the needs of their regular patients.

By registering in MyMedicare, you may benefit from:

- A formalised relationship with your general practice or GP, which has shown to improve health outcomes.
- Longer Medicare Benefit Scheme (MBS) funded telehealth consultations with your GP.
- Incentive for longer telehealth consultations for children under 16 and Commonwealth Card Concession card holders, from 1 November 2023.
- More regular visits from your GP and better care planning for people living in a residential aged care home, from August 2024.
- Connections to more appropriate care in general practice for people who visit hospital frequently, from mid-2024.

Longer funded telehealth consultations may be particularly beneficial for people seeking assistance with their mental health, people with disability, older Australians and people in rural or remote Australia.

Further registration benefits for patients will continue to be added as part of the Australian Government's commitment to strengthening Medicare. If you choose not to register in MyMedicare, you'll still be able to access the same quality of care from your healthcare providers.

Talk to your regular general practice or GP about registering in MyMedicare, or find out more at [health.gov.au/mymedicare](https://health.gov.au/mymedicare)

# Beverley Men's Shed

146 Vincent Street Beverley Western Australia 6304

One long time tradition on ANZAC Day is the Gunfire breakfast held after the dawn service, and the Beverley Returned Servicemans League (RSL) always pride themselves by holding this event to show their appreciation to the community on the day, with financial support provided by the Lotteries Commission of WA, so when Men's Shed member 'Billy T' requested assistance with the event from the Beverley Men's Shed Catering Corp there was great enthusiasm to take up the challenge.

Given it was our first experience catering for so many, we apologies for 'short

falls' with certain fine delicacies (more baked beans next time maybe!), as we had totally underestimated the size of some appetites or the number of visitors that showed up for a 'free feed'. Our guys (all health & safety checked) totally enjoyed

serving our community that morning (early starts don't worry us) and would like to thank the many people who popped their heads around the kitchen door with a smile and a big thank you, it is our pleasure to serve as did those that gave us the freedom we enjoy today.

---

The results for **The Men's Shed raffle** held on Saturday May 11 are---

Ist prize of \$100.00 meat voucher went to Caz, who upon hearing of her win showed extreme appreciation.

2nd prize of a \$50.00 meat voucher went to one of our regular (and very supportive) purchasers Prickle.

Corrine was the very lucky winner of both the 3rd prize being a \$25.00 Meat Voucher and our Mystery Prize. (all tickets are impartially drawn).

Many thanks to all those who took part, you are not only supporting the Beverley Men's Shed and their Community based activities, but also the Royal Flying Doctors Service with all profits from the raffle being distributed equally between the two organisations,

and lets all support our local businesses, many thanks T bone and everyone who participated.

The next Men's Shed raffle will be held at the Lions Kiosk on **Friday May 31 and Saturday June 1**, given a good signal and a well charged battery, Eftpos is now available for those who are now 'coinless'!

For all Beverley Men's Shed advice, or maybe want to become a member? (18 years plus and male---sorry ladies) contact secretary Bob on 0429 441 253.

### ***Beverley Men's Shed Member update---***

To all those members that often forget or are unable to attend our Tuesday meetings (old age can do that to you) there are two additional social events coming up in June, Movie afternoon on **Sunday June 9** (partners welcome), and members have been invited to the Wundowie Men's Shed on **Tuesday June 18**, if you would like to go, or for further details contact secretary Bob.

**COVID-19 UPDATE** - Please practice good hygiene and physical distancing at all our events, and use the hand sanitiser stations provided. If you are feeling unwell prior to events, please do not attend.

**Station Gallery Open Hours: 11am – 3pm**  
**Thursday, Friday, Saturday, and Sunday**

Unfortunately, Station News wasn't published in the May edition of the Blarney, but if you wish to read it, please go to our Facebook page Beverley Station Arts.

The last weekend of April was a biggie for BSA. Not only was it the last two performances of the hugely successful production of Sandi Wilson's *THE BOY FRIEND* by Beverley Amateur Dramatics at the Platform Theatre, but it was also Beverley Plein Air based at the Station. Upon arrival Friday evening the 35 artists were treated to a meet and greet drinks at the Gallery before two full days painting in and around town and at Avondale Farm.

Above pic shows Leon Holmes international award winning plein air artist demonstrating the medium of oil; and below pic is Alan Pickering who instigated Beverley Plein Air, now in its third year.

Barb Thoms, one of the founding members of Plein Air Downunder in Mandurah, enjoying the paint-out.

The following weekend 20 watercolourists gathered in York to paint plein air under the instruction of world-renowned artist Chan Dissanayke from Canberra. The workshop was organised by previous Beverley Artists-in-Residence Steph Boyle and Cas Gartner, and three BSA members had the privilege of attending. Below pic shows Jenny with Chan, Marylou, James after painting the Avon River from the footbridge in York.

## Artists-in-Residence at the Station

### May Artists-in-Residence

During the first half of May, AiR Jane Li and artist friends from the WA Watercolour Society very much enjoyed their two weeks in residence.

Jane Li instructing Kylie in Botanical drawing/painting

**Craig and Betty McKeough** preparing for their Botanical Printing workshops 26, 27 and 29 May. Then due to a cancellation, Betty stayed on into June to focus on designing and creating components for a new jewellery collection, incorporating metal and textiles.

The months of May and June appear to have been dominated by botanical art, however, coming up in July, you can join popular artist, Andy Dolphin in getting back to basics drawing, classroom style, followed by pen and loose watercolour washes. Weather permitting, Andy might be able to venture outside to do some skills and techniques on urban sketching.

### Artists-in-Residence

**June 12 - July 1**

Visual and Textile Artists Cynda Emsall and Susan Mader invite volunteers to

**Pot Luck - FREE**

**Community Workshops** at the Beverley Station Gallery. The aim is to explore the simplicity of botanical dyeing drawing plant material from your natural environment to dye cloth. Using hand stitch, slowly stitch areas of interest on the dyed cloth in preparing to make potholders to be available for a community silent auction. Pic below is a work in progress and shows stitching that may be used:

Cynda and Susan believe their workshop, 'Pot Luck' is a metaphor for the warming of the heart, nourishment of home cooking and coming together.

The community will be invited to view the finished potholders to be exhibited at the Beverley Art Gallery on **Saturday 29 June 2024**. Register of silent bids to be placed from 10am – 1.00pm. The highest silent bid on each potholder will become its owner! This will be announced at 2.00pm.

Pot Luck food sharing will follow and the proceeds of the silent auction will be donated back to the community.

**WORKSHOP DATES:** Saturday 22 and Sunday 23 June

**Botanical Dyeing:** Saturday 22 at 10am – 1pm

**Slow Hand Stitching:** Sunday 23 at 10am – 4pm

**PERFORMING ARTS**

**Beverley Station Arts Singers**

BeSASSy is a FREE community choir which will be recommencing weekly from **mid-May** on

**TUESDAYS 6pm – 7.30pm** in the Green Room of the Platform Theatre. The group will be working towards the annual Beverley Choir Muster held at the Platform Theatre in September. Community choirs have become so popular in recent years as it's a well known fact that the euphoric endorphin rush you get from belting out a tune is pretty hard to beat. Anyone wishing to join this friendly choir of BeSASSy please contact Hazel Martin who coordinates the group - Ph: 0438 843 333. There is no charge - all we ask is that you become a member of Beverley Station Arts (\$30/year) by the third week of attending BeSASSy.

**Beverley Amateur Dramatics**

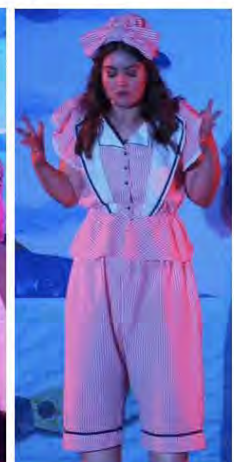

Our very own BAD group of talented cast and crew outdid themselves in the production of Sandi Wilson's *THE BOY FRIEND* performing to an audience of 468

over the four shows. Congratulations and well done to one and all! The below photo is of the full cast and crew prior to the first act in their second last performance.

**THE MAGICAL WEEDY SEADRAGON**

In the Town Hall on Tuesday 30 April a kids show with some beautiful messages was being performed but unfortunately the ending was left unseen as the power went out! The Breaksea cast were wonderful by talking and singing without accompaniment in darkness to end the show. Hopefully the experience of live theatre was a positive one for the students who attended from Beverley and Brookton schools, and caregivers, parents and grandparents albeit a situation out of our control.

An Evening With... MARINA PRIOR in the Town Hall on Friday 17 May was truly magical and one to remember for a very long time. Marina, accompanied by Piano Maestro David Cameron took 350 of us through a musical journey with song and storytelling. Well done Hazel capturing some great shots...especially the one from the stage looking into the audience!

## OFFICIAL BEVERLEY MEDICAL PRACTICE THANK YOU

Massive thanks to all the hard-working wonderful staff at Beverley Medical Practice for saving my life.

My journey started during the summer of 2022/23. I couldn't understand why my energy levels both mentally and physically were so low. Running the pool is demanding but for my age I'd like to consider myself fit and healthy. Never smoked or taken illicit drugs and a social drinker. I kept making excuses not to visit the doctors like the old "I'll get over it", or I'm just tired after a fourteen-and-a-half-year relationship break up etc.

By the end of the 2023 season my 14-year-old daughter Keira gave me 2 ultimatums, I either book myself into see a doctor or she will call an ambulance. Keira has a bit of her mother in her, so I decided not to argue and booked myself a visit to Dr. Sola Oyetunji. Immediately it was obvious I wasn't too well; I was diagnosed with pneumonia in both lungs and taken to Northam hospital for an overnight stay. The promptness and professionalism displayed by all staff at the Beverley Medical Centre was second to none, they literally saved my life.

To quote Dr. Sola: Brad, it was a simple chest infection and you ignored it, a dose of antibiotics and you would've been on your way. You are not 30 anymore, if you feel sick you need to see a see a doctor especially when you're in your 50's. Because I tried to tough it out, I've spent the past 12 months struggling to physically operate at my optimum. The pneumonia eventually attacked my heart causing me to recently endure the pain of open heart surgery receiving 2 brand new valves. A message to all men in their 50's or older.... When in doubt check it out !!! I can tell you right now nobody is going to pin a bravery award on your chest for ignoring medical issues, you need to seek medical advice even for the most basic of illnesses. I learnt that lesson the hard way so please, don't be like me and get yourselves sorted.

Again, thank you to Doctor Sola Oyetunji for pulling strings to get one of (if not the best) heart and lung surgeon in the country. An operation that didn't need to happen if I'd just listened to my body and got it sorted straight away. Thank you to all my friends, family and people I barely know for their messages, prayers and thoughts. And finally, I can't thank Sheila and Ted Sheehan enough for their love and support and for looking after Keira during these difficult times.

I cannot wait to commence the 2024 summer, this will be my 15th season as Beverley's Pool Manager. Hopefully with some much-needed State Government funding our pool can receive some life saving treatment too ...

THANK  
YOU

The season is well and truly away with great numbers playing and enjoying golf in both the men's and women's days. It's great to see new members join and being apart of a great club.

June and July are typically our busiest periods for golf at the club, so I hope you can all make it down and enjoy the course and the clubhouse.

#### **TIME TO LEAVE**

After 4 years as president and playing golf at the club since I retired from Football in 2013, it is time for me to leave the club and head to Mandurah with the family to start the next chapter of our lives. Christine maybe happy that I will spend more time at home then at the golf club. But I have enjoyed my time helping the golf club be as strong as it can be and go from strength to strength. I know the club will continue to grow with the dedicated group of committee members, members and volunteers that ensure the success of the club.

Christine, Charlie, Alex and I do want to thank everyone for allowing us to be a part of the golf club and the community in generally. Beverley is a fantastic place to live and raise a family. Thank you for making us feel a part of the Beverley family.

Regards , Darrell Hagan

#### **SCROUNGERS**

Scroungers is still being SCROUNGERS

Scroungers is still being played into the winter season. Come down for a very laid-back relaxing afternoon of golf every Wednesday and Friday. 6 holes of golf with tee off at 4.00pm. Followed by a few beers at the bar. Everybody is welcome to come down and play.

#### **MEMBERSHIPS**

If you would like to become a member of the golf club and be able to utilise the great facilities at the club and on the course then send us an email or message us on facebook and we can send you out a membership form.

Membership is extremely cheap and starts from \$50 for a social member to \$160 full membership (AND) we even discount the first year for full members by 50%. Absolute bargain.

Hope to see you all down at the club during the year whether for golf or Fish and Chip Night.

# Netball Catch Up

With this week being volunteer week we would like to thank all our volunteers, Our club's achievements would not have been possible without the dedication and commitment of our volunteers, who have worked tirelessly behind the scenes to ensure our club's success. We extend our sincere appreciation to each of them for their unwavering support and hard work. We would especially like to make mention of Glenys, Nat and Ethel who help run the canteen as a fundraiser opportunity to the club, without these ladies it would not be possible.

Round 5 saw our Beverley Juniors vs. Renegades Royals with a score of 24 - 31 unfortunately not coming away with a win but the girls put in a great effort. Our Beverley Seniors vs. Renegades Seniors Black with a score of 7 - 59 again unfortunately not coming away with a win but the girls played a good spirited game against a very impressive team.

**Round 4 - Pip Murray**

The start of the season has been an exceptional start for the juniors! This is just the third year of the Beverley Hockey Club having a junior team. It is amazing to see the kid's knowledge and skills improve week by week. This season we have seen many new players take their hockey debuts, after being able to learn hockey skills in our minkey program.

Thank you to all the parents, carers and supporters who have attended our games to cheer on the team. We also thank those who have helped with setting up and along the sidelines.

The first goal was scored for our junior Redbacks career, this is the first of many for our growing and expanding junior team. The hockey spirit in Beverley is electric, bring on the rest of the season!

# BEVERLEY JUNIOR SPORT

Our netball girls have had any amazing start to the year, under the guidance of their coaches Jo Copping (Yr 6 team) and Narelle Bailey (Yr 5 and under team).

The girls have been listening at training sessions and putting their skills to the test during games. There have been some exciting games and we are excited to see how the girls perform for the remainder of the year.
