# SHIRE OF BEVERLEY PRESIDENT'S REPORT

## **Shire Budget 2024/2025**

At the time of writing, the full Council have not yet considered the final budget for the financial year 2024/2025. A committee meeting held on Thursday 18 August vetted the detail and has made certain recommendations to the full Council.

The discount of 10% on the early payment of rates has been retained but I would ask that ratepayers read their rate notice carefully to note the cutoff date for this discount to be claimed. The date is the date and no discount will be allowed for rates paid after this date. No exceptions.

We do tire of complaining of increasing costs in managing a budget but some of these costs are concerning. In general, the cost pressures for this year's budget have been significant.

Increased costs to:

- materials for road and bridge construction;
- a 30% increase in audit costs;
- an increase for wages and salaries;
- an increase in insurance premiums of 15%; and,
- a decrease in funding of 5% from DFES for the engagement of the CESM Officer.

## **Vincent Street Trees**

A representative from Ellenby Tree Farm commenced formative pruning of the Vincent Street trees and provided training to the Shire gardeners. Two dead Jacarandas have been replaced, and 3 Manchurian Pear trees have been planted in the Town Square. The trees in front of the Town Hall have also been pruned.

It is anticipated that such formative pruning is not required for at least 3 years.

## **Town Square and Civic Centre**

The work to renovate the Old School Building into new Council Chambers and Civic Centre has now largely been completed. The remaining task to develop and landscape the area in front of the building, the Town Square, has commenced.

It is hoped to have the building and area ready for use by the end of August.

## **In Brief**

- Spraying is well underway around the town footpaths, Shire land, and drains. The main airstrip has been sprayed, while the cross strip is yet to be completed. Rural roads are scheduled to commence on 12 August;
- Maintenance grading is continuing in the east of the Shire, including shoulder grading on the Kokeby East Road, Bremner Road, and Morbinning Road;
- In preparation for the extensive work to repair all the storm damage caused in March 2023, gravel is currently being pushed up in readiness for this work. It is anticipated that this work will commence shortly;
- Claims for emergency repairs to two bridges totalling \$24,550 have been submitted to Main Roads. The two bridges in question are the one in Vincent Street and one on Kokendin Road;
- In conjunction with the Beverley Soaring Society, the Shire continues to develop a plan to conduct an Air Show in March 2026; and,
- We have received no indication on the state of our application under Stage 2 of the Regional Precincts and Partnership Program for funds to carry out all the work on the swimming pool.

# BEVERLEY ST JOHN AMBULANCE

## COUNTRY MEMBERSHIP

It's that time of year when country membership renewals will be being sent out. As the renewals now come from the Belmont Office in Perth, we suggest that you check your details carefully. Making sure all your family under the age of 18 are on your renewal. Unfortunately, once your children turn 18, they can no longer be on your family membership and will need to become a single member.

Membership fees are **Single \$64 & Family \$107**. If your children/child reside in Perth they cannot have a country membership and will need to have other health cover, should they ever require an Ambulance.

**IF YOU OR YOUR FAMILY HAVE AN EMERGENCY,  
WOULD YOU LIKE AN AMBULANCE AND CREW TO BE AVAILABLE?**

**HOW MUCH DO YOU WANT & NEED THE AMBULANCE SERVICE IN BEVERLEY?**

The Beverley Sub Centre has 8 active ambulance volunteers who make themselves available for the transfers of patients out of Beverley Hospital to Northam or a Metro hospital, as well as pick up folk from their homes, and attend motor vehicle accidents. On an average week the crews can do as many as 6-8 call outs. Remembering that 6 of our volunteer officers work be it full time or part time. Our volunteers give what time they can, no one is locked in to set times.

Volunteering can be very rewarding not only for yourself but also the community. The Beverley crews, attend stand by events such as football, pony club, motor X, tractor pull and the Beverley Agricultural Show. They make themselves available for up to 6 hours to be at an event just in case someone is injured. A crew is a two man or three-man crew to help anyone.

The majority of the calls we receive are transfers, rarely getting trauma or life-threatening emergencies, but we do occasionally, and all volunteers are highly trained to deal with these circumstances. We have a Community Paramedic that attends training and help us all to learn and be proficient in new skills and update old ones. Support from regional office and local crews should it ever be needed. The training department of St John set a programme each year, that we follow that covers a large range of skills that we learn.

The crews train twice a month on a Tuesday nights from 7pm to 9pm, from February to November. Van checks are conducted every two weeks, so that everyone is conversant with the layout of the ambulances and to replace any stock should it be needed. If being an ambulance officer isn't for you there is always a committee position available to run the Sub Centre.

It is imperative that you have a good sense of humour for coping with call outs and can enjoy the company of like-minded people. The group we currently have are a magic group who work together for the benefit of the Beverley community. Actually, a sense of humour is a must along with a current Driver's Licence. Uniforms are supplied. Willingness to learn and work with a happy group of self-minded people. Should you be keen to see if you would like to be a volunteer come along to a training night.

All we ask is that you help out the community by giving some of your time and attend training at least once a month, preferably twice.

If you want to chat about becoming a volunteer, then contact Jenny 0407 461 371.

## FIRST AID COURSE

A First Aid Course was held at the Sub Centre with 10 participants working very diligently to gain their First Aid Certificate. Congratulations to all the participants who gained their certificate! To help them survive the day our great committee and crew supplied morning tea, lunch and afternoon tea.

If you would like a First Aid Course before the end of 2024, please let us know as we need to book them in advance.

*Thank you!*

Anne Szczecinski and family would like to thank everyone who attended our much loved Vin's funeral, sent cards, phoned or messaged.

Your kind thoughts and support have been overwhelming but very much appreciated.

Thank you.

## 10 & 11 August PAID WORK

*Flag Marshalls*

Beverley Districts Motorcycle Club needs 14 people per day to help us with flag marshal duties - they must be over 16 years (insurance requirements).

Marshalls will be provided with lunch, snacks and drinks during the day and **paid \$100/per day**.

Alternatively if there is another club in town that want to use it as a fundraiser for their organisation it would be great to work with them as well.

## WHAT IS BEVERLEY 2035

Beverley 2035 is a long-term vision for the Shire of Beverley to deliver economic benefit to Beverley over a long time frame. It is anticipated that the Beverley 2035 Concept Plan will provide direction for planning, funding and development over the next 10 years.

Council has identified the following long-term projects that form the Beverley 2035 vision, which are expected to benefit the community:

1. Refurbish the Beverley Aquatic Centre;
2. Industrial land servicing and release for development;
3. Residential land servicing and release for development;
4. Intergenerational Centre – child care to aged care;
5. Essential worker accommodation;
6. Relocation of the Shire depot;
7. Caravan park expansion;
8. Avon River Park development and Trails plan implementation;
9. Creative spaces – Cultural Centre; and
10. Recreation precinct development – Indoor Sports Centre and Function Centre.

\* Please note that roads, bridges, waste and general Council functions remain a yearly top priority and are considered separate to the above planning.

Council has identified a \$5M funding stream called Regional Precincts and Partnerships Program that will allow us to develop the Beverley 2035 plan. It is essential that we determine our Community is in support of Councils strategic vision and understands the projects and the process. The funding program applications are due to be submitted in September.

Council invites the entire Community to attend one of our workshops facilitated by Mark Casserly to discuss the Beverley 2035 plan further including details of each of the identified long-term projects.

Session	Day	Date	Time	Location
1	Monday	12 August	5:30pm	Town Hall
2	Wednesday	14 August	2:30pm	Town Hall
3	Thursday	15 August	10:30am	Amenities

Light refreshments will be provided.

We look forward to seeing you at one of the above sessions!

## BEVERLEY HISTORICAL SOCIETY

Beverley has been very fortunate to have a lovely stream of visitors to the town and many enjoying a visit to the Museum. This week we have opened twice from phone calls, of them were visitors staying in town and requesting if they could they visit, we are happy to do this as long as we have a volunteer available.

Hoping that our members are all recovering from their operations and illness and soon will be back on hand.

We have had many donations over the past few months, so maybe it is time to come back for a visit to see out new additions to the cabinets.

Since the last Blarney we held a Winter Solstice Night at the Museum which I believe was enjoyed by all those that attended. Many thanks to Adam for organizing this event. (Full report is on pages 30 and 31 of this Blarney).

### Next meeting

**Monday 12 August** at 1.30pm followed by afternoon tea. New members are always welcome.

We will be having a light lunch at One Tree Café at 11am on **Monday 12 August** before meeting.

#### Orienteering near Beverley

Do you want to exercise your body AND your brain? Try something different?

Come along to Orienteering WA's next bush event at Hill Park Dale farm off Brookton Highway on Sunday 11 August. Register online until 5pm the day prior, or on the day from 9.30am to 10.30am at the caravan.

**Orienteering** is a map reading **SPORT** where participants have to find their way around a course marked on a map in as short a time as possible. There are various levels and lengths of courses at every event – 'have a go'.

The 'thought sport' is suitable for children from 7 years old, elite athletes and mature aged people up to 80 – a sport for all ages and abilities! Come and have fun with friends and family. Compete individually or in groups – walking or running.

If you want to try something different and see new areas on many Sundays, check out Orienteering WA's full programme of 'events' on the web site at [www.wa.orienteeing.asn.au](http://www.wa.orienteeing.asn.au) and just come along – no experience or equipment necessary – briefing given to newcomers.

**Cook up a conversation for mental health.**

Receive a free host kit!  
**[bigbluetable.com.au](http://bigbluetable.com.au)**

This October, Mental Health Month, Beyond Blue is inviting you to fight the stigma of mental health one meal at a time. Host your guests, share a meal, start meaningful conversations and help raise funds for those facing anxiety, depression and suicide.

Getting together for a meal with friends, family and co-workers can do wonders for your mental health - and now, it can help people all across Australia! Nearly half of us will experience a mental health condition in our lifetime — so let's ensure that no one struggles alone.

Whether hosting a pot-luck lunch at home, decking your office out in blue, or having a picnic in the park, each meal you have can lead to life-saving conversations.

Receive a free host kit with conversation starters, decorations and more to help you host a Big Blue Table.

Register yourself, workplace or school at [bigbluetable.com.au](http://bigbluetable.com.au)

**COVID-19 UPDATE** - Please practice good hygiene and physical distancing at all our events, and use the hand sanitiser stations provided. If you are feeling unwell prior to events, please do not attend.

## **Artists-in-Residence at the Station**

At the end of June Textile Artists Cynda Emsall and Susan Mader held a silent auction of the potholders made by community members during and after (i.e. homework!) the workshops they held on botanical dying on fabric. It was a fabulous afternoon sharing potluck food and stories of the time-consuming stitch work that went into making the potholders. But all for a good cause with the \$305 that was raised from the auction going towards the new gallery.

Our grateful thanks to these remarkable artists.

## August Artist-in-Residence

This month we welcomed **John Toohey** who will be staying till the end of August.

John Toohey arrived at the Station on July 27. John Toohey is an award-winning writer who has published many books and articles on history and photography. Having

gained an Honours degree in History at UWA, he lived in several countries, picking up an M.A in Art History along the way.

As an historian, photographer, documentary maker, and journalist he has previously been shortlisted for the prestigious Vogel Prize.

Whilst at the Station John is working on various projects and he has an exhibition photos of a muster at Kellerberrin – well worth seeing!

He works with analogue photography and will be conducting the following workshops:-

### **Composition in Landscape Photography**

A workshop for analogue and digital photographers on composition, working from the basic rules of the golden mean to circumventing those rules to make your work more interesting. This workshop involves walking around Beverley in search of subjects.

### **Working with Film**

A workshop for people who may have old cameras at home, have discovered or rediscovered film photography, from 35mm SLRs to medium format folding cameras, learn the tricks of the trade, from composing to making the correct exposure for the image you want.

(This workshop requires participants to buy a roll of film).

### **Creating Stories with the Camera**

A story has a beginning, a middle and an end, though not necessarily in that order. Learn how a few still images can be used to tell a story.

**Dates are yet to be confirmed.** Contact John 0444 548 807 [johntooey@hotmail.com](mailto:johntooey@hotmail.com) for further information, or AiR Coordinator Marylou 0427 085 511 and/or keep an eye on the weekly Bulletin.

## **PERFORMING ARTS**

### **Beverley Amateur Dramatics**

Following the enormously successful (and time consuming) production of *The Boyfriend*, the BAD group is in recession till December 2024.

Since last month's newsletter we have in fact found a suitable sea container to store the myriads of stage props and costumes accumulated over the past few years. We are just waiting on Shire Council's approval to install such at the rear of the station precinct.

### **Beverley Station ArtS Singers**

BeSASSy is a FREE community choir which will be recommencing weekly from **25 JUNE** on **TUESDAYS 6pm – 7.30pm**

in the Green Room of the Platform Theatre. The group being motivated under the direction of Kelly Shaw towards the annual Beverley Choir Muster held at the Platform Theatre in September. Community choirs have become so popular in recent years as it's a well known fact that the euphoric endorphin rush you get from belting out a tune is pretty hard to beat. Anyone wishing to join this friendly choir of BeSASSy please contact Hazel Martin who coordinates the group - Ph: 0438 843 333. There is no charge - all we ask is that you become a member of Beverley Station Arts (\$30/year) by the third week of attending BeSASSy.

**BOGAN SHAKESPEARE's** *Romeo and Juliette* on Saturday 06 July was a lot of fun for the 120 or so people through the Town Hall doors. The show is being toured by CircuitWest with Beverley its 2<sup>nd</sup> stop of 16 towns. Cast and crew were very impressed by the venue as well as the Platform Theatre which they visited before heading to Kondinin the following day. Pics below show Q&A with the audience after the show.

Below this, the title 'CHOIR MUSTER' is written in large, white, bold, sans-serif capital letters. To the left of the event details is a colorful illustration of a choir of people singing. To the right, the event details are listed in green and white text. At the bottom, the words 'VOICE MOVES' are written in large, purple, stylized letters, with musical notation (treble clef, notes, and a staff) integrated into the design.

Yes, it's that time of the year when choirs throughout the state are practicing to muster in Beverley for a big sing at the Platform Theatre and to indulge themselves with Station Arts famous afternoon tea! This popular event, organized by *Voice Moves* (WA's major choral association) eight choirs (first in best dressed) sing for twenty minutes each; thus the event finishes at 5pm, giving Perth choirs time to return home. Many choirs, however, opt to stay in town for an evening singing in the pubs!

#### Beverley Station Arts Membership Application/ Renewal

It's membership time and we are very much hoping for your new or ongoing support. Beverley Station Arts has achieved great things during the 2023/2024 season and continues to plan and program for many more. So many highlights as you would have noted in the Monthly Station News.

Supporting BSA Inc is also of course supporting the Beverley Amateur Dramatics (BAD), Beverley Station Arts Singers (BeSASSy) as well as Plein Air Beverley WA.

As a member you will have access to discounted rates at the Platform Theatre events and will be entitled to free entry to the Annual Art Exhibition Opening at the Town Hall plus the various art exhibitions at the Station Gallery.

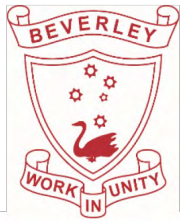

As a member you are invited to BSA Inc's AGM and will have voting rights as well as being eligible to nominate for BSA Committee.

NOTE: Annual membership fee is \$30 p.p. or \$50 per couple (new member), \$25 p.p. or \$40 per couple (renewal), which covers the period 1 July – 30 June.

You can join or renew membership by using this link: [www.trybooking.com/CRZXQ](http://www.trybooking.com/CRZXQ)

OR pick up a membership form from the Station Gallery and either post to the Treasurer, PO Box 112, Beverley 6304, or email to [treasurer@beverleystationarts.com](mailto:treasurer@beverleystationarts.com)

## Some Exciting Activities in Year 2/3

To celebrate reaching our SPARK goal the Year 2/3 students joined in with the rest of the school for our whole school incursion with **Bricks4Kidz** in creating and designing with LEGO. The students were given a range of objects to make and then put them together to create a town, vehicles etc. The students had a fabulous time reading the instructions and following plans to build lots of fabulous things.

On the last day of Term 2, the students were also encouraged to come to school wearing all their fabulous fluoro gear to promote road safety 'Save Our Country Kids'. Mrs Gollan, Year 2/3 Teacher.

# Beverley DHS Student Leaders

Our Student Leaders are always hard at work supporting their fellow students and advocating to improve our school. We are so proud of their efforts, and absolutely love how they strive to achieve a positive and friendly school community for everyone.

Our Student Leaders have specific roles at Beverley DHS.

We have our School Captains – Thomas and Shelby, who are supported by students from Year 6 - 9 in the following roles:

## **Sports Captains, IT/STEM Captains, Community Captains and Library/Arts Captains.**

In Semester One the students have enjoyed showcasing our school at the Beverley and BDHS ANZAC Services, assisting our school Chaplain Wazza with serving Breakfast Club to our students, and getting into the classrooms to talk with their peers about how we can improve our school experience for everyone.

The student leaders are looking forward to more opportunities to provide activities at recess and lunch times, to interact with the other students and provide fun and engaging activities that everyone can get involved in.

A highlight of last semester was being able to support the Beverley CRC and participate in SOCK week! The students and staff all loved dressing up in their fluoro outfits to support such an important message here in the country. Being safe on country roads is important for everyone to remember!

Our Student Leadership Team are looking forward to Semester Two and they have lots of exciting projects that they can't wait to get started on!

Keep an eye out for their hard work in and around Beverley District High School.

Miss Meade, Student Leader Coordinator.

# THE BEVERLEY HOSPITAL AUXILIARY INC

## CELEBRATING OUR 80<sup>TH</sup> BIRTHDAY 1944 – 2024!!!

Following on from the historical Hospital Auxiliary Meeting Minutes published in previous editions of Beverley Blarney, this month we look at.....

### LISTS!! LISTS!! LISTS!! WHO DOESN'T LOVE A LIST!!

We compose all different kinds of LISTS in our daily lives- a shopping list, a bucket list, a To Do list, check list, favourite movies list, reading list, 100 Things to Do Before I Die list, roster list etc, etc, etc, etc.

Take the time to read through *these* lists.

### **Question: “How many volunteers does it take to form and maintain for 80 years, a voluntary organisation?”**

**How Many of These Family names do you Recognise??** NB: These lists **DO NOT** include the dozens of volunteers on the Op Shop Roster list – far too many to mention – but just as greatly appreciated.

#### **Founding Committee:**

Dr Dick Cullen [Cullen Medical Centre], Mrs Judy Cullen, Mrs Nancy Woods, Mrs Leslie Barrett-Lennard, Mrs Jean Edwards, Mrs Elsie Sims, Mrs Phil Wansborough, Mr Fred Bremner, Mr Len Doncon. Some of these community names were the original Hospital Board members.

#### **Some Early Members: 1940's-1970**

Details are unable to be located but some names mentioned in historical notes prior to 1980s include Mrs Lillian Broun, Mrs Tebbit, Mr L Doncon [Roads Board Member], Mr E [Tom] Edwards [Hospital Board member], Mr & Mrs H Doncon, Mesdames Jo Broun, Nancy Woods, Molly McGlew, Lindsay Richardson, Mrs Fred Bremner, Mrs Dawn Edwards [joined 1962 -2020], Dora Barrett-Lennard.

#### **Committee Members: 1960 – 1990 & year joined**

Dawn Edwards 1962, Marge Cooper 1975, Betty Miller 1979, Betty Bremner 1979, Daphne Murray 1980, Maree Hutchinson 1985, Dora Barrett-Lennard, Della Barnsley 1986, Elizabeth Hill 1986, Shirley Smith 1986, Judy Moulton 1987, Joyce Ridgway 1987, Dulcie Fleay 1989, Pat Strauss.

#### **1990 – 1999 year joined**

Lois McLean, Meg Curtin, Roma Kilpatrick, Shirley Carr, Pat Williamson, Rosemary Edwards, Mary Sleep, Anne Szczecinski, Peg Kempton, Heather Mclean.

## **2000 - 2010**

Judith Magill, Dorothy Barrett-Lennard, Sandy Shaw, Val Edwards, Delys Kilpatrick, Amanda McLean, Pam Aynsley, Leita Barrett-Lennard, Jane Murray, Lynda Coppin, Ingrid Bell, Pat Parker, Valerie Moad, Maxine Watts, Rhonda Seymour, Vicki Glassby.

## **2011- 2024 year joined**

Betty Lobb, Glenys Lane, Jan Howell, Anne Armstrong, Glenda Burns, Cherril Paskov, Jan Sherwood, Lyn Wilkinson, Christine Brooke, Betty Wauchope, Gina Adams, Erica Murray, Jo Sims, Donna Williamson, Tarni Young, Sarah Miller, Georgina Stone, Alison Edwards, Jo Sattler, Tracey Fleay, Izzie Freeman, Adam Freeman.

...and how about THIS list!!!

## **Presidents of Beverley Hospital Auxiliary 1991-present day**

E Hill 1991-94, S Smith 1994-97, L McLean 1997-2000, D Barnsley 2000-03, A Szczecinski 2003-06, D Edwards 2006-07, R Edwards 2007-09, Leita Barrett-Lennard 2009-12, Vicki Glassby 2012-14, Sandy Shaw 2014-18, Glenys Lane part of 2018, Sandy Shaw part of 2018- [Acting Pres], Glenys Lane 2019-2022, Sandy Shaw 2022-23, Gina Adams 2023 -present.

... and THIS one!!!

## **Secretaries of Beverley Hospital Auxiliary Inc 1992-present day**

Dora Barrett-Lennard 1992, Joyce Ridgway 1993-95, Anne Szczecinski 1995-2000, Maree Hutchinson 2000-03, Bette Bremner 2003-05, Sandy Shaw 2005-08, Linda Coppen 2008, Sandy Shaw 2008-10, Val Moad 2010-2014, Jan Howell 2014-20, Elizabeth Lobb 2020-21, Jo Sims 2021, Gina Adams 2021-22, Betty Lobb [Act Sec], March 2022, Sandy Shaw [Act Sec] 2022, Jan Howell 2022, Jo Sims 2023 - ....and the LAST List!!!

## **Treasurers of Beverley Hospital Auxiliary Inc. 1992-present day**

[many names from earlier years are not recorded]

Betty Miller, Mary Sleep, E Hill, R Edwards, Heather McLean, Pam Aynsley, Betty Lobb, Glenda Burns, Jo Sims 2019-2023.

\*\*LISTS really do tell a story of historical significance. The Auxiliary does not have a “home” in which to place a giant Honour Board to list the worthiness of our members, but these LISTS in print demonstrate the respect in which we hold our volunteers from the past and the present.

Once again, my apologies for omissions and mix-ups! There are so many names that have helped the Auxiliary to reach this important milestone. The records certainly don't list everyone but you or a family member will know who you are. Please advise me of additional information or corrections.

Sandy Shaw [retired Hospital Auxiliary committee member]

## CRC UPDATE

### Excel Workshop

This month Georgia from RSM Business hosted an Intermediate Excel Workshop for the Treasurers of the town. It was a great information session, thank you Georgia, and those who attended the workshop. For further information, contact RSM Northam 9622 2822.

### Dino Day

Dino Day was a great success down at the Community Garden for the July School Holidays. We had 18 kids participate, they created their own dinosaur eggs (bath bombs) and moulded fossils with clay. This was a great event, thank you to everyone who attended and joined in the activities. Next school holidays we will be hosting a magical Enchanted Garden workshop, stay tuned for more information.

## Regional Traineeship Awards 2024

We are excited to announce that the Beverley CRC won the DPIRD Regional Traineeship Award 2024, for their outstanding contribution to the training and employment initiative throughout regional WA. Amor, the CRC Coordinator, accepted the prestigious award presented by Hon. Kyle Owen McGinn MLC.

## The best SOCK week ever, with thanks to you!

We are thrilled to share the success of SOCK Week 2024. The Fluoro SOCK Week Disco was a highlight event. We would like to thank the Beverley Police and Beverley St John Ambulance Officers for their presence. We are super grateful to the Blue Light Disco York Unit for assisting us and making it a fun and memorable night. A big thanks to the Shire of Beverley for their ongoing support. A special thank you goes to Team Thomas for organising the catering, a fundraising sausage sizzle, drinks and lollies for the energetic. Thank you to the parents, carers, and kids who attended.

A highlight for the younger community members was the Storytime session and reading by Ambulance Volunteer, Linda. Following this the Early Years Network created a lovely display of cars and traffic lights to colour and spread the message in the Library.

We extend our gratitude to Jenny from the Beverley Community Markets for allowing us to attend and share our awareness campaign! We would also like to thank the local businesses, sporting groups, Beverley District High School and community members for their enthusiastic participation in Fluoro Friday, which saw the township wearing fluoro attire to promote road safety.

## BEVERLEY WEIGHT WATCHERS

With winter here, we love all the homemade soups, casseroles & stews. Do we need to start watching what we eat and try not to put on extra weight during the winter months? Why not join Beverley Weight Watchers? Need a bit of encouragement to perhaps loose a little weight and feel better? The group is a small very social group who meet each Monday at the CRC to weigh in and have a chat. There is no pressure to attend every week just when you can.

Membership for the year is \$6 and we pay \$2 every week, so it's not over the top in fees. Come and join us **Mondays at 9.30am**. For further information contact **Daphne on 0487 933 004** who will be happy to explain more to you about this happy little group of ladies.

## RSLWA

COUNTRY WOMEN'S ASSOCIATION  
OF WESTERN AUSTRALIA INC

## BEVERLEY C.W.A.

On Sunday 07 July, Country Women's Association (C.W.A.) of Western Australia celebrated its 100<sup>th</sup> Birthday. With many landmarks around the state light up in blue to help celebrate. Not only has it celebrated but it has also made history! How? As many of you may have heard on the radio, read in newspaper or online, at the recent State Conference held in Joondalup, it was voted that the organisation would have a new constitution and in this new constitution, under Associate membership, men will be allowed to join. It was viewed that many men have helped out at C.W.A. centres around the state and thought they should be allowed to join, in a scaled down way. If you have any questions regarding this topic, please do not hesitate to call. You can contact Pat Hambly on (08) 96461481.

Okay now we have discussed a major milestone in C.W.A. history, which this branch reporter was fortunate to be there for, we will get into the more fun and interesting topics.

Firstly, our new **State President** is local woman, **Felicity Edwards**. Congratulations to Felicity on becoming our next State President. We look forward to working with you.

On Wednesday 10 July, we held a morning tea with a speaker from Comfort Quilts Against Cancer, based in Northam. It was well attended and hope that everyone enjoyed and found it very informative.

The next **Community Morning Tea** will be held on **Wednesday 15 August at 9.30am**, and everyone is welcome to come along for a **FREE** morning tea and a chance to catch up.

The ladies will then turn their attention in getting ready for the Beverley Show. So, out with the cooking utensils, fire up the oven and away they go. All those home-made goodies will be waiting for you. So, while you are choosing what goodies to buy, why not have a look at our raffle prizes. Once again, the ladies have some amazing prizes to be won and as they say, you have to be in it to win it. What else will be available at the C.W.A. table? Come along and have a look.

Want to ask a question? Maybe just want some more information? The ladies will be able to help you out, and if they cannot, they will be able to point you in the right direction. So, till next time, stay safe and enjoy the Beverley Show!!!! We will see you there.

## C.W.A. OF WA

### WOMAN OF SPIRIT

At the recent State Conference at the Joondalup Resort, which may I add that the Ladies at the Joondalup Branch did an amazing job, two new products were unveiled.

Firstly, the C.W.A, Kings Park and Botanical Gardens have released a grevillea, "Woman of Spirit." This is the first of five that will be released. They will be available at many garden nurseries. The price is \$35. What a wonderful addition to any garden. Be on the lookout for the varieties that will be available.

### GENERATIONS IN THE KITCHEN

Secondly, I know what people are going to say, not another one, a cookbook has been printed called, "Generations in the Kitchen." And let me say that the chocolate cake on the front looks absolutely delicious!

This book was created by the members sending in their favourite recipes. With many recipes covering a wide range of goodies from cakes, slices, soups to chicken and meat dishes. It also has gluten free, vegetarian or vegan recipes. Also includes pastry, pickles and jams. A book that has it all. What is the cost of this book I hear you all ask? For **\$35** it will be a great addition to any kitchen. We will have some copies available at the C.W.A. stall at the Beverley Show. FYI, the chocolate cake on front cover is on page 83, for those who are wondering.

## RAISING FUNDS FOR CAMP QUALITY

Our fundraising activities for Camp Quality in 2024 went a little differently, with Graham and I jumping on board as many paid volunteers jobs as possible.

① Our first job was back in October last year, we travelled down to Brunswick Show and both Graham and I did an 11-hour shift on an entry gate, earning \$819 for the day along with an extra \$1,096 from other volunteers who donated to their volunteers' hours to Thomas.

② We held a Bunnings sausage sizzle which added another \$1,280 to Thomas's tally.

③ Catering for the SOCK Week Disco into total those jobs along and helped us raise just over \$3,500 towards Thomas's WesCarpade tally.

We have once again had great support from the people of Beverley, especially our sponsors.

The SOCK week disco was a massive success! The Beverley Community Resource Centre did an amazing job putting this on for the kids with our local police and the blue light disco team putting on a great show.

We want to say thank you to everyone who has pop by to the Beverley Community Markets and or dropped a donation in at the Beverley Post News and Gifts. THANK YOU for your donations. The kids and families at Camp Quality most definitely appreciate your donation. And send love and hugs back to you all. The money means a lot to those families effected by cancer.

Thomas will be at the August Community Markets selling some potted colour, all monies raised will be going to Camp Quality.

We head off to Carnamah on Wednesday 07 August. We go through another lot of scrutineering before trekking and heading to a few remote communities along the way. Day 1 sees us leave Carnamah to Gabbyon Station then to Murchison Settlement to Wooramel up to Kalbarri and back down to Port Dennison, to Moora then finish in the Swan Valley at Pasta in Valley for a kids with Cancer Activities afternoon on Wednesday 17 August.

We will post an update of our adventures in the September edition of the Beverley Blarney.

## *Thomas Rides Again!!*

### *WesCarpade 2024 - grain to Grape*

WOW!! Not long now until our WesCarpade 2024 journey will be upon us. A massive thank you to everyone who has supported us so far on our journey.

As most of you keep asking where we are going this year, well here it is.

We start in Carnamah on Friday the 9th of August.

Day 1 Carnamah to Gabyon Station

Day 2 Gabyon Station to Murchison Settlement

Day 3 Murchison Settlement to Wooramel Station

Day 4 Wooramel Station to Kalbarri

Day 5 Kalbarri (Lay Day)

Day 6 Kalbarri to Port Denison

Day 7 Port Denison to Moora

Day 8 Moora to Swan Valley

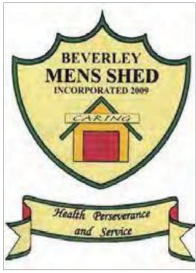

Once again, another amazing trek has been planned for us. Along the way we will be visiting 3 small schools with a combined number of around 150 kids. We also have a couple of community events lined up. So once again a full-on trek is on the cards.

Thank you to our amazing local sponsors who have said they will come back on board again this year. As another fundraiser we have jumped on board with the local CRC to do the sausage sizzle at the Sock Week Disco on the 27th of June. Super excited for this to be happening!!!

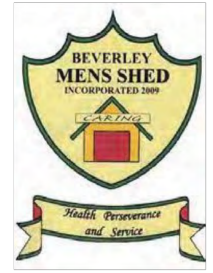

If you would like to Donate to Camp Quality scan the QR code on the page or once again Beverley Post News and Gifts have a Donation tin for Us. Or check out Thomas the Tank WesCarpade Page on Facebook.

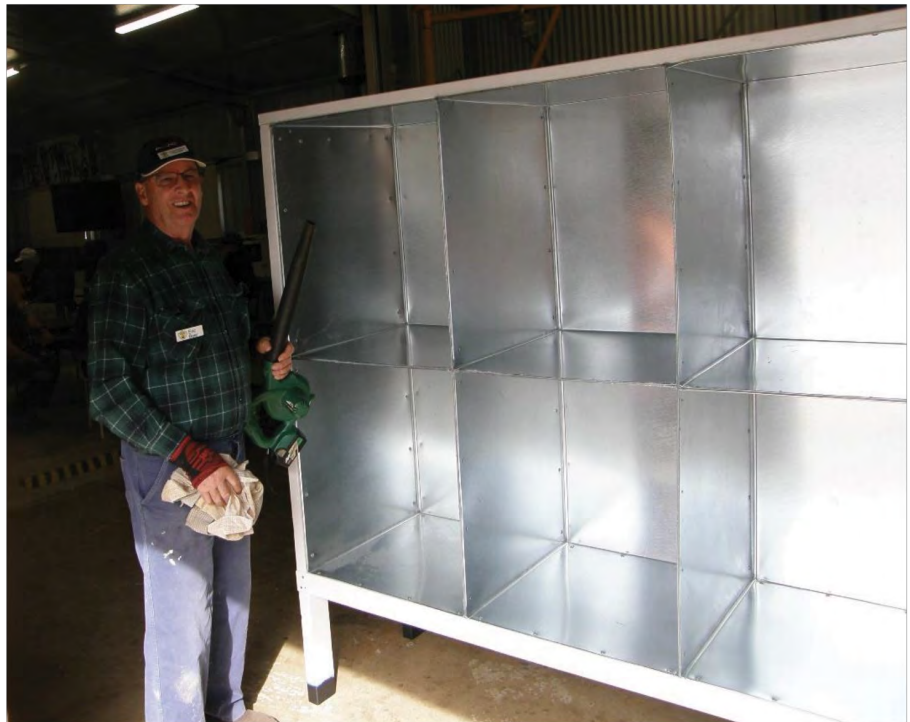

# Beverley Men's Shed

146 Vincent Street Beverley Western Australia 6304

With years of experience in many fields it is not uncommon for Men's Shed members to be called upon by their community to assist with local projects, and with the Annual Beverley Show on August 17 the Beverley Agricultural Society requested we continue with the

replacement of the Fowl presentation boxes where all manner of bird can be displayed for judging and are housed for up to three days. The construction of these boxes is a long-drawn-out process over several weeks given the paint takes time to dry, especially the rubberised type used to seal the floor, although the cages are cleaned regularly the metal can soon rust without this coating, construction time

is limited to those that are able and can attend together at the same time, but we have a dedicated team ensuring the exhibits will be well cared for in their temporary accommodation. Many thanks must go to Eric and his helpers for their willing contribution.

The monthly Men's Shed raffle was drawn on June 30, apologies to everyone who saw the later dates of July 5 & 6 advertised, (also the selection of prizes) with one of our team leaders Bob seriously ill in hospital at the time there was some confusion. And a big thank you to Merv for stepping up and ensuring things ran smoothly, and let's not forget the members who always come and support the raffle ticket sellers.

The results are--- A \$100.00 meat voucher went to Kevin for first prize, Kaye, who was an out-of-town visitor was happy to receive the second prize of \$50.00 in cash rather than the normal voucher. Third prize of a \$25.00 meat voucher from (you guessed it) T Bone & Sons Butchers (always support your local businesses) was scooped up by Mon who picked it up at 'The Shed' along with Salty who won the mystery prize! As always, many thanks to the Beverley Community for supporting your local Men's Shed and the Royal Flying Doctors Service with raffle profits being evenly split between the two.

Next Raffle is scheduled for August 2<sup>nd</sup> & 3<sup>rd</sup> at the Lion's Kiosk and the raffle team will also be attending the annual Beverley Show, (we hope that Bob will be well enough to make an appearance) so bring along your coins to support us, and if you have a credit/debit card we will happily 'bend it' for you and make a note to keep the first Saturday in September free for our combined Raffle/sausage sizzle where we 'give back' to our local community with a Free 'snag in a bun' to show our appreciation for your support during the past year.

At our meeting on Tuesday July 2, a minute's silence was held to respect the passing of member Wally's wife Val, who had suffered in mental isolation for quite some time, rest in peace Val, your positive nature and cooking skills are missed by so many. Also, in our thoughts this past month has been our secretary Bob, who went into hospital for what he thought was routine surgery which led to complications, meaning he got given an 'upgrade' from Armadale to Royal Perth Hospital, many thanks to all those who have visited and wished him a speedy recovery, get well soon Bob. Our members would also like to show our gratitude to Harvey for filling in for Bob while he is away, not an easy task to carry out.

With the cold damp weather of winter upon us our wood sales have been brisk to say the least, a big thank you to the 'Lumberjacks' for their efforts in ensuring the local public can feel warm in their homes, and yes there is still plenty of dry seasoned wood available for those that need it, with a free local delivery service available, see our advert in the Blarney.

***Men's Shed members helping their local community.***

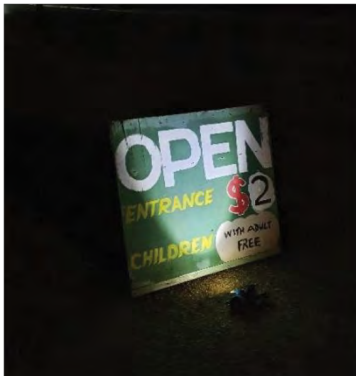

## Midwinter Night at the Museum

AS the bitter chill of winter settled over our little town, the Beverley Historical Society prepared to unveil its treasures under the cover of a mid-winter night. The street, glowed with a golden wheatbelt sunset and twilight set-in..... Slowly, the first visitors arrived at the old hotel entrance, where warmly lit lanterns beckoned with a promise of historical wonders within.

It was the Friday, the 21<sup>st</sup> of June and tonight marked the mid-winter solstice. Tonight, our little Community *Dead Finish Museum* was open.....after dark.

Inside, the air was crisp yet inviting, filled with the faint scent of leather, books, history and the hushed whispers of excited little and big people. The old hotel was alive with movement and voices and the artifacts seemed to hold secrets meant only for those willing to venture into the heart of the past.

The exhibits, bathed in a soft, ambient glow of torches and electric candles, revealed tales of bygone eras: from our ancient Balladong Peoples to local heroes of farming, art and culture. Each display told a story, inviting guests to pause and ponder the profound echoes of history that resonated through the halls.

Outside, the glorious Milky Way glowed in the night sky with the occasional shooting star for luck, which played its part in the spectacle, casting a veil of stars over the museum's courtyard and the nighttime shadows luminated by torchlight, the gardens (*Thanks to the Beverley Garden Club*) and outside displays.

### Shire of Beverley - Rates Information

## Discount rate cut off date - 28 August 2024

Attendees wandered from room to room, their breath visible in the cold air, as they admired the craftsmanship of ages past, and the artistry preserved in each artifact. Conversations sparked between strangers, bound by a shared fascination with the past and the timeless allure of discovery while the resident, zombie caretaker (*actually James Rodoreda!*) stalked about keeping a haunted eye on visitors.

Meanwhile, outside, the magnificent gardens, normally the haunt of ghosts & owls were alive with activity, talking and children laughing. The local ‘wolfhound’ (*Rosie Rodereda*) escorted children as they ventured into the darkness with a curious mix of awe & laughter.

As midnight approached, the visitors shared tales of the building's own history, weaving together anecdotes of its founders and the community that had nurtured it through generations. The night seemed to whisper secrets, each corner holding a promise of revelation for those who sought it.

As the clock struck twelve...*well, nine thirty actually...* signalling the end of this enchanting mid-winter night's journey, guests departed with hearts warmed by the magic of history, community and the enduring spirit of the season.

Such an event not only celebrates the museum's collections but also creates a memorable experience that bridges the gap between past and present, inviting the community to connect with its heritage in a unique and atmospheric way.

It was a great night for all, and the start of a winters tradition for years to come.

## New Process for Dropping of Entries to the Exhibition Shed

All entries need to be received to the Exhibition Shed on the Thursday between 1-6pm.

**ONLY** perishables (produce, flowers and fruit and vegetables) will be received on Friday (before 10am).

Enquiries can be made to Nat Kilpatrick on 0429 056 071

This is an important change to reduce the number of vehicles and congestion around the exhibition shed on the Friday before the show, increasing volunteer safety, which is our highest priority. It also allows our team enough time to set and display the entries before Judging can commence.

# *Beverley Agricultural Museum News*

With a cold very damp start to the day on June 22 the volunteers did not expect any visitors to attend the Museum located at Avondale Farm, but come they did in numbers, locals, from the surrounding towns of Cunderdin, York, Brookton, Mandurah and Perth, (also one of the couples 'clocking in' for an overnight stay at the National Trust Cottages) with two overseas visitors from New Zealand, these gentlemen showed great interest in the Sheep Shearing displays and were totally amused by the Robotic Shearing machine we have, and given some of our volunteers had visited NZ the guys enjoyed interaction with reference to places they knew back home.

An unexpected visitor was a member of the local constabulary, her companion insisted that she be given the chance to operate one of the 'working items', and by doing so it gave us the chance to distract her attention from all the bald tyres around the place!

Some of the visitors were given the chance to see not only the 'Copper' driving the David Brown Market Garden Tractor, but also the 22 dozer in action and our Southern Cross Stationary engine started, but

there is no guarantee that if you visit machinery will be operational, purely a case of 'potluck' depending upon which volunteers are attending on that day.

With a couple of our team feeling the cold and heading for a warmer area up the coast for a while, it was decided to not only list (yes, we tend to be organised) but to provide easy access to remove the items for transportation that we wish to display at the Beverley Agricultural Show on August 17.

With the Museum open to visitors, it is pleasing to receive requests from

groups to attend, one being the **'Moondyne Men Inc'** with 15 of their members coming to view the large collection

of Agricultural machinery on Thursday July 11, together with two families who were staying at the National Trust Cottages during the School holidays. Before everyone arrived a certain local decided to investigate the proceedings wanting attention while warming up in the sun, Moo, she does like a neck rub.

And on Saturday July 13 when we met up as a group of restoration and maintenance volunteers, Moo was there to assist, but be aware she does love to explorer inside vehicles if tailgates or windows are open, Tim soon discovered her picking up some of his 'shinny screws' in her beak!

With the Field Marshall failure to start by conventional methods, it was decided to again give her a tow, this time with plenty of fuel she got a decent run, and as you can see there is nothing like clearing your throat after the many attempts at getting started on a cold morning, the excessive smoke was caused by fuel that

had accumulated in the engine from our manual efforts trying to get her going over the past couple of months, this action was appreciated by several of the

visitors. Regular starting of older engines is part of our 'working Museum' schedule, not only to keep these items running smoothly, but also for the benefit of the public. (bonnets and covers to be refitted).

Restoration continued with our Holden FX Ute, a big thank you to Bill for his machinery skills (yet again) retaping the brake line threads, and supplying new copper washers, we are a long way from getting the

brakes repaired, but hopefully she will be included in next year's show.

For more information or a 'private viewing' (groups accepted) please ring John on 9646 0768.

## Wasps in the regions

European wasps feed on grapes and other fruit, human and pet food, insects and dead animals like rats, kangaroos and bandicoots.

### The European wasp 2023-24 season has drawn to a close with 94 nests found and destroyed in WA. Perth, Bunbury, Albany and Napier were all areas of invasion.

Every year fertilised queens of the European wasp (*Vespula germanica*) hitchhike into WA on vehicles, or in freight and cargo from interstate. They hibernate during winter and get to work on their nest in spring. These nests are predominantly hidden underground and within a few months, wasp numbers will reach the thousands. Locating these nests is like locating a needle in a haystack, except the haystack is 3/4 of WA, and the needle is a nest of angry wasps.

After 46 years of preventing the permanent establishment of this invasive species, the surveillance program has developed efficient early warning trapping systems and nest location techniques. This program targets the highest risk locations in WA, but it cannot cover everywhere. The success of the programs to date is due to continued public awareness and reporting. This is integral in regional and less populated areas, where there are fewer eyes to look out for the suspect signs of European wasps.

The nests located in Albany and Napier (about 20km north of Albany) this season, were due to

public reports of suspect wasps. The department worked quickly to confirm the species, then installed trapping grids to determine the extent of the wasp presence. Nests were located and destroyed, but further surveillance will be needed next season to check if there are more to find.

European wasps were also detected in the Perth Hills and in Bunbury this season. In prior seasons they have invaded Geraldton, Kalbarri, Kalgoorlie, Hyden, Australind, Busselton, Donnybrook and Albany.

### What to look for

European wasps have these distinctive behaviours:

- **Scavenging** on human and pet food, dog bones and roadkill (carrion).
- **Feeding on and damaging fruit** like grapes, apples, pears and stone fruit.
- **Nest underground** - nests are HUGE and grow to the size of a basketball in a single season. Underground nests and have a small (golf ball sized) entrance hole.

### Learn more and report anything suspect

For more information about the eradication program, and how to identify European wasps, see [agric.wa.gov.au/wasps](http://agric.wa.gov.au/wasps) or contact our Pest and Disease Information Service.

## AUSTRALIA TOURISM DATA WAREHOUSE (ATDW)

The Australian Tourism Data Warehouse (ATDW) is Australia's online marketplace for tourism information. Serving as a content tool designed to help tourism operators and businesses enhance their digital presence.

### **WHY DO TOURISM BUSINESSES NEED TO UPDATE THEIR INFORMATION ON ATDW?**

Updating information on the Australian Tourism Data Warehouse (ATDW) is crucial for businesses and groups from a tourism point of view. For businesses, maintaining current profiles enhances visibility and ensures accurate, consistent information across platforms, increasing discoverability and building trust with potential customers. Regular updates allow businesses to highlight new offerings, adapt to trends, and provide an engaging, informative experience that attracts and converts visitors.

### **WHY IS ATDW AN IMPORTANT TOOL FOR TOURISM GROUPS?**

For tourism groups, ATDW facilitates unified promotion and collaborative marketing, optimising resources and reach. It provides valuable data-driven insights for strategic planning and helps strengthen stakeholder relationships. Accurate information supports funding applications and showcases the region's unique attractions, driving visitor numbers and boosting the local economy.

## COMMUNITY ACHIEVEMENT AWARDS

*Celebrating Regional Communities*

### LOCAL ACHIEVER NOMINATED

*Kelly Mann*

The Beverley Early Years Network enhances community support for young children through diverse programs, strong collaborations, and sustainable initiatives, positively impacting families and fostering development.

Kelly Mann has been nominated in the 2024 Western Australian Community Achievement Awards. Her role in the Early Years Network, and her contribution to early years development in Beverley, has been significant. The list of program, events and collaborative initiatives is extensive and too long for this edition of the Beverley Blarney.

Quote from Shire of Beverley CEO – Stephen Gollan *"The Beverley Early Years Network has been a remarkable asset to our community. Their collaborative approach has created a strong support system for young children and their families, ensuring that our youngest residents have the best start in life. The Network's programs and initiatives have significantly enhanced the resources available in Beverley, and we are proud to have such a dedicated group making a positive impact in our Shire."*

We celebrate Kelly and her amazing achievements and we look forward to following her story that will be in the September Blarney. We wish Kelly all the best of luck with judging in August.

# WARRIOR WELLBEING ARTICLE

## Put Yourself Over the Pits – What is the Fast Track Pit Stop?

BY THE REGIONAL MEN'S HEALTH INITIATIVE  
August 2024

A lot of blokes would appreciate the hard work and effort that goes into maintaining something we love, whether it's a new car, a valued piece of machinery, or our weekend toys (boat, motorbike, 4x4). If we don't service and look after our machines regularly it will eventually affect their performance and easy-fix problems may be compounded, costing us time and money.

So why is this any different to our wellbeing and health? To put it simply, if we neglect our wellbeing and health (whether it be physical, mental or social/spiritual) it will eventually catch up with us and could cost us more than just time and money. Do we think about the way this flows on to affect other facets of our lives, whether it be our relationships (family, work or business), loss of function or participation in the things we enjoy?

It is important to recognise that the ageing process throws up all sorts of changes and complications. Sometimes illness and diseases can't be avoided, however, something as simple as a 'routine service visit' or discussion with our GP or treating health professional may assist in the early detection and prevention of certain health and wellbeing issues.

At RMHI we have a simple but effective program that aims to empower men and communities to take responsibility for their wellbeing and health. The Fast Track Pit Stop® is related to the servicing of a vehicle and is a non-clinical, non-invasive way of helping us men become more aware and take charge of our own health and wellbeing. It involves a 3-Point Health Awareness Check:

1. *Waist Measurement/Chassis:* A waistline of more than 102cm (men) and 88cm (women) gives us an increased risk of developing Type 2 Diabetes, some cancers, stroke, heart disease and high blood pressure. Long term storage of internal fat surrounding the heart, liver, pancreas and kidneys is just one indicator;
2. *Blood Pressure/Oil Pressure:* According to the Heart Foundation, high blood pressure is one of the main risk factors for heart disease, stroke and blood vessel disease.

So, it's important to firstly know our blood pressure, but also take steps to manage it if it's getting high;

3. *Coping Skills/Shockies:* We are all affected by life's ups and downs; participants are given 10 questions to help identify stress levels. Encouraging communication and help seeking is part of the problem-solving process.

We think it's about being there, allowing blokes to have a conversation, and listening. Life is hectic, people are busy, but it's about taking a minute to sit down, have a break and think about OUR health and wellbeing.

RMHI delivers the Fast Track Pit Stop® program across rural and regional WA and can be set up on the back of the ute, under a marquee or in a hall. Field days, agricultural shows and a whole range of community events and festivals provide our organisation with the opportunity to go where the blokes are, so look out for our red utes and come and have a chat. It's time to start thinking about our service schedule habits!

As always, remember ... before it all gets too much... Talk to a Mate@!!

# Netball Catch Up

Massive thank you to all the volunteers who helped run the canteen for us last weekend. We appreciate the hard work you all put in and would not have been able to do it without you all.

In May we held our Beverley Netball Club Reunion, we had an awesome turn out, those who came along had a great time, again, we appreciate all the hard work from those who helped make the day possible.

Both our senior and junior teams have been playing great games and gelling well as teams on court. Last week our junior team came away with a great win against Renegade Royals, Beverley 40 - Renegade Royals 20. If you'd like to come and support either team the upcoming rounds are below.

Upcoming rounds -

Round 12-

Juniors - Beverley Vs Toodyay @ 1:00pm

Seniors - Beverley Vs Renegadea Senior White @ 2:30pm

Round 13 -

Juniors - Beverley Vs Renegades York Thunder @ 1pm

Seniors - Beverley Vs Tiger Sharks @ 2:30pm

Round 14 -

Juniors - Beverley Vs Bull Sharks @ 1:00pm

Seniors - Beverley Vs Renegades Black @ 2:30pm

Round 10 was First Nations Round, massive thanks to the Beverley Hockey Club for allowing us to borrow your shirts, the team looked great supporting this round.

# BEVERLEY JUNIOR SPORT

## SOCK WEEK

At the end of term the Junior Sport teams dressed up in bright colours as part of SOCK Week (Save Our Country Kids) Initiative. SOCK Week is a week long campaign of education on road safety and the impact poor decision making can have within a small community.

This was also the last training day for our Net-Set-Go kids. Special thanks to Jamie and Kelly on another great year of teaching and coaching our younger kids the basics of netball. We definitely have some great up and coming netballers in this group.

## NEU-TECH CUP @ CORRIGIN

On Sunday 21st July, 2 teams of footballers made their way to Corrigin for the Annual Neutech Cup. What a great day of football against the many different towns that attend from all around the wheatbelt. Thank you again to our coaches, Charlie Horrocks, Roger Tonkin and Damien Murray for always encouraging our junior kids. It's great to see our Auskickers getting the chance to play against other towns to improve skills learnt.
