SHIRE OF BEVERLEY PRESIDENT'S REPORT

CEO Recruitment 2026

As a result of legislative changes brought in by the then Minister for Local Government, John Carey, any Local Government whose CEO has reached the end of a continuous 10-year term of employment under a contract or contracts, must advertise the position to ultimately engage a new CEO.

The CEO whose term of employment has reached the ten-year termination is eligible to reapply for the position if he or she so wishes.

This is yet another cost imposition on Local Government which places further strain on already strained budgets. Not to mention the upheaval of having to go through the process.

This process must be conducted confidentially through a Recruitment Panel which Council is required to establish. The Panel must consist of some Councillors, if not all, a qualified Consultant, and a person from outside Council who is designated as an Independent Representative.

Accordingly, Council has now established such a Panel which consists of:

- ☆ All members of Council;
- ☆ Mrs. Lydia Highfield as the qualified consultant; and,
- ☆ Mr. Lew Shaw as the Independent Representative.

Mr. Simon Marshall, the Deputy CEO, and Mrs. Ali Lewis, the Executive Assistant will work with the Panel to provide administrative support.

The first formal meeting of the Panel will be held on Wednesday 25th September.

16 Days in WA – Stop Violence Against Women

The Shire will be participating in the Department of Communities 16 Days in WA – Stop Violence Against Women awareness campaign by lighting Moort Wabiny Park in the colour orange. The campaign aims to increase awareness, share knowledge and innovations, encourage advocacy efforts and drive action across Western Australia to end gender-based violence including family, domestic, and sexual violence. It runs from 25th November, International Day for the Elimination of Violence Against Women, to 10th December, International Human Rights Day. For 2024, the campaign theme is Stopping Family and Domestic Violence: Play your part. The campaign has drawn inspiration from the international 16 Days of Activism Against Gender-based Violence. Like the global campaign, the colour orange is used to represent a brighter future: one free from violence against women.

In Brief

- ☆ Maintenance grading has now been completed in the east of the Shire and the crew have moved to the west on Edison Mill Road, Dobaderry Road, and Kokendin Road area;
- ☆ An alert regarding work on the bridge on Bremner road. This is a significant project which will require the closure of Bremner road at this point. Relevant details will be advised once the contract has been let and work is in readiness to commence;
- ☆ On the first weekend of September, three members of the Air Show Committee, namely Mr. Stefan de Beer, Mrs. Jacinta Murray, and Mr. Geoff Overhue, travelled to Mildura to witness an Air Show being held there. Their purpose was to meet with the organisers of the event and management of the airfield. The knowledge gained has proven to be invaluable.

BEVERLEY C.W.A

Well, the sun is shining, the wildflowers are blooming, the farmers are cutting hay, it must be Springtime!! Everyone is starting to think about spring cleaning, a chore no one looks forward to.

Being serious for a moment, the ladies would like to apologise for the notes that were in the last edition of the Blarney, sorry I had a month off but now I am back. We apologise for stating things that were published in previous editions of the Blarney and for the misinformation that was included in the notes.

I would like everyone to know that we endeavour to be truthful in all areas and that we are truly sorry for the misinformation that was printed. To clarify the information regarding the fundraising, yes, we are fundraising towards renovations of our kitchen, and I can assure you that the money we have fundraised through our raffles has been set aside for this and not used for any other purpose. The renovations would not be possible without the support of this amazing community, and we value your continued support. The donations that we have made to Camp Quality and the Royal Flying Doctors Service has been made from members contributions. If you would like any more information, please contact our secretary. We do apologise again, and it will not happen again.

Now, that's the serious business out of the way, on to the fun!

We are holding our next **Community Morning Tea on Wednesday the 9th of October**. So, if you would like to come along to the CWA rooms for an enjoyable morning out catching up with friends with some delicious home-made goodies and a cuppa, then the CWA rooms are the place to be. I promise you won't even have to do the washing up, and **it is FREE!!** Now where else you could you go for a free cuppa? Why not come along, bring a friend, the ladies will be happy to see you.

Over the year we have welcomed some new members to our little branch as we work to help the State celebrate its 100th birthday and we start planning our 100th. The countdown is on for our birthday and how we will mark and celebrate this milestone. So, if you would like to be a part of this, why not come along to our meetings and see what we are about. Our next Meeting is on **Wednesday 16th October** 9.30am for morning tea and 10.00am for the meeting. Even if you just want to ask a question, I'm sure one of us can help you out.

Well, it's time to get out into the garden, do some weeding, some planting or maybe just sit back in a chair and enjoy the warmth with a good book and cuppa before it gets too hot. Just remember to watch out for the snakes! Either way, until next time, stay safe and enjoy the spring weather.

"Working collaboratively to facilitate local opportunities, for 0 – 5yr old children and their families to connect, learn and thrive in our community".

EARLY YEAR'S NETWORK MEETING - STRATEGIC PLAN

At our previous Early Years Network meeting, we successfully completed our Strategic Plan! This marks an important milestone for our group, setting a clear direction for our initiatives moving forward. We are excited about the opportunities ahead and the positive impact we will continue to make for young children and families in our community. Thank you to the Shire of Beverley for their funding and support in completing this process and thank you Carolyn Robinson from 150 Square for her assistance on completing this.

MESSY PLAY AT THE ALEX MILES LODGE

Our Early Years Network was invited to a free messy play session with Magical Messes. The session was a huge hit, the children had a blast, bringing joy and laughter to everyone. Thank you to the Beverley CRC for organising such a fun-filled day.

BEVERLEY STORY WALK

On behalf of the Early Years Network, thank you Beverley CRC for inviting us to the Beverley Story Walk. It was a fantastic experience to join school groups, teachers, parents, and young children on this unique storytelling adventure. A special surprise came from our local Postie, who delivered an egg that will grow as our community engages in reading and creative activities. This initiative promotes literacy for our community, we will be reading and singing to the egg at Storytime and Rhyme Time.

INTERSCHOOL ATHLETICS FUNDRAISER

A huge thank you to everyone who generously donated morning tea on the day! With your support, we raised over \$1,000, which will go towards new activities and equipment for the kids. We also want to express our gratitude to BDHS for providing us with this fantastic opportunity.

RHYME TIME

We had a blast at our recent Rhyme Time, where the kids got to work on using new instruments! Our next session on 01 October will be extra fun as we wiggle along to some Wiggles songs. Plus, don't miss our second Rhyme Time session on 29 October, so be sure to join us for double the fun!

STORY TIME

Our next Story Time session will be held on the 15 October at the Beverley Library at 9.30am. These sessions are free and everyone is welcome to join.

ME @ 1.2.3 - 2024

Beverley Playgroup in partnership with WA Health's Child Development Team, based out of Northam, ran another successful Me @ 1,2,3 session in September. We welcomed a physio, OT, Child Health Nurse, Social Worker, Dietician and Health Promotions Officer for a playful and informative morning hearing about their roles and how they can support early childhood development for our local children and families. We have some amazing resources available to collect at Playgroup for all visitors and members.

We also welcomed Kelly Aaron from BDHS to introduce herself to parents in the lead up to Prindy next term. Staff from the Early Childhood Dental Program also visited. There was a lot of interest in this new pilot program for children ages 6months-17months. We saw a demo about how to lift the lip to check for signs of plaque and decay, and ways to prevent tooth decay. This is an exciting program that will be expanded to 5 year olds over time.

Special thanks to Beverley District High School for providing the wonderful space for us to operate out of and to the Shire of Beverley for their ongoing financial support which allows us to run these important community events at no cost to families. Make sure you stay up to date with future events and Playgroup sessions by visiting our Facebook page, The Blarney and the Beverley Early Years Group Facebook page.

CRC UPDATES AND NEWS

Messy Play Session with Magical Messes

What an event! We fought off the rain and held a messy play session with Magical Messes. This event was for some of our senior residents and some of our littlest members of the community. We hope everyone that attended had a magical time. Thank you to the Alex Miles Lodge and Hospital for their assistance in making this intergenerational event a success! This was a free event for our community to attend thanks to Mia Davies MLA who provided us funding through the Mia's Local Hero Grant round 9.

STEAM Club With Brian Contos

Brian Contos joined us for an engaging astronomy session focused on magnetic fields and sunspots. The children had a blast experimenting with magnets, iron filings, and more. Brian brought three special devices that allowed us to observe sunspots up close, adding an exciting hands-on element to the learning experience. A big thank you to Brian for generously volunteering his time and knowledge.

Beverley Story Walk Morning Tea

We would like to thank everyone who participated in the Beverley Story Walk official morning tea. We had an attendance of over 120 participants who came together for a morning of story telling.

The Beverley Story Walk will continue throughout the year, with five permanent locations that will change every two months, providing an ongoing opportunity for families to enjoy stories together.

A special thank you goes to Monica, our local postie, for the surprise announcement about the arrival of a special egg from Beverley Post News and Gifts, which marks the start of our Paint Beverley REaD initiative. This egg will grow through the community's efforts to read, talk, sing, rhyme, play and draw together with our children. You can visit the egg at the Beverley Library, where it will continue to grow.

This event would not have been possible without the 30 readers who volunteered their time and efforts. We are grateful to our special guests, Lachlan Hunter – The Nationals WA Candidate for Central Wheatbelt, and Nin and her babies from Paint York REaD, for joining us in support of this new initiative.

We would also like to thank Senior Constable R.Safrain for her assistance on the day to keep our community and visitors safe while crossing the roads. Thank you to Beverley District High School and the Early Years Network for their assistance in sharing this event and attendance, we hope you all enjoyed. This project is supported by the Shire of Beverley, and funding by the State Library of WA's Encouraging Promising Practices Grant.

We had a lovely day until mid afternoon for our local show which was a bonus for everyone.

Once again, the community appreciate all the work of the volunteers involved with the Agricultural Society to make the day the success it is.

As this year was themed “Avondale” we combined with the Garden Club to do a joint display, looked great.

Over the last month we have had good attendances through the museum must be the lovely weather.

**Next meeting is the Annual General Meeting at earlier time 1pm at the Museum

Station Gallery Open Hours: 11am – 3pm Thursday, Friday, Saturday, and Sunday

Artists-in-Residence at the Station

September Artists-in-Residence

Tich Dixon and Sheila Monahan enjoyed their time at the Station creating new works and running two workshops – one on knitting wire sculptures, and the other lino cut printmaking, which attracted relative newcomers to town - those just wanting to have a go, and creative people alike. Attesting that 'You don't have to be good at art for the arts to be good for you'!

October Artists-in-Residence

This month from the 4 – 30 September, we welcome back popular mosaic artists Carole Patch and Jean Ross who created our fabulous mosaiced chair.

Carole and Jean will be running workshops - see dates and basic info below. Additional information will be available in the weekly Beverley Bulletin, BSA socials and emails. Or call A-i-R Coordinator

PERFORMING ARTS

Beverley Amateur Dramatics

Following the enormously successful (and time consuming) production of *The Boyfriend*, the BAD group is in recession till December 2024. A sea container to store the myriads of stage props and costumes accumulated over the past few years has now been installed at the rear of the station precinct.

Beverley Station ArtS Singers

BeSASSy is a FREE community choir, open to all abilities which meets weekly in the Green Room of the Platform Theatre on

WEDNESDAYS (note change of day) **6pm – 7.30pm** under the direction of Kelly Shaw. With the Beverley Choir Muster done and dusted for another successful year (almost 250 attended), BeSASSy is now practicing for the annual Community Christmas Party held at the Platform Theatre on Saturday 21 December. Anyone wishing to join this friendly choir BeSASSy please contact Sarah Miller on 0427464078. No weekly charge - just become a Beverley Station Arts (\$30/year).

The picture above shows the crowd of over 200 singers at the Beverley Choir Muster enjoying the scrumptious afternoon tea that BSA has become renowned for! It truly was the most glorious of spring days.

JUST A FARMER 5 October, 2024

A new film that became a community effort 'Just a Farmer' shines an authentic light on Australia's farming community. An uplifting and beautiful story of Alison, the wife of a farmer who suicided; a woman left to cope with the grief, the questions and the anger, as well as the farm, the kids and an alcoholic father-in-law.

Leila McDougall may be Australia's most unlikely filmmaker, the young farmer from Victoria has overcome dyslexia, beaten cancer, won Mrs Australia and Farmer Wants a Wife, and started a charity event to get farmers talking about mental health. Mrs McDougall's journey to 'Just a Farmer' was aired on ABC's **Australian Story** the end of April this year.

BSA is screening this movie during Mental Health Week to coincide with the **Beyond Blue** event **Big Blue Table** with the aim of 'cooking up a conversation for mental health'. By being a host, we hope to raise funds for the Beyond Blue Support Service. Donations welcome. ☺

Beverley Men's Shed

146 Vincent Street Beverley Western Australia 6304

It has been a busy month for the Beverley Men's Shed members, starting with our monthly raffle drawn on Saturday September 7, firstly a big thank you to the guys who joined Merv & Carol at the Lions Kiosk selling the tickets, and not forgetting our wonderful community who often will spend their time chatting before putting their hand deep into their pockets. The Royal Flying Doctor Service and the Men's Shed express their gratitude to the community both being equal beneficiaries for your kind efforts.

And the winners are--- First prize of a \$100.00 meat voucher went to Michelle, Second prize was a meat voucher valued at \$50.00 was won by Ava, third prize of a \$25.00 meat voucher went to Paul, many thanks to T Bone & Sons for their assistance with the meat prizes, 'always buy local', and yes it was fitting that a much well loved local, Anne (who still had a big smile on her face when her win was mentioned the Tuesday after the draw) won the mystery prize---- always a mystery until opened!

The annual Veterans motor cycle reenactment of the early 1900's race from Beverley was

held again this year starting from the Men's Shed, with the riders leaving on Sunday September 8 between 9 and 10am, the first 'race' being held in 1904, back then, the riders would take the train to the 'end of the line' in Beverley for the start point. Today it is more of an endurance for both man and machine, taking their time with extended breaks and finishing in Mundaring (via York & Toodyay) where at least four of the group were seen impressing the locals with their classic machines.

Such names as AJS, BMW, BSA, Norton & Velocette (all bikes must be pre 1931 to take part) were among the group with the oldest bike to participate being a 1903

Minerva Romania owned by Dennis, and the oldest motor bike registered in Western

Australia, and one of only 3 'known' examples in the world, the other two are in Victoria and a Museum in the USA. It is started via 'bicycle pedals' and has no brakes being preserved in its manufactured

condition. These guys are certainly dedicated with Bowe riding his BMW from Donnybrook to take part. And I hear you say 'what does this have to do with the Men's Shed?', at least one of our group is a member of the club and we extend the use of our fully resourced catering kitchen to the guys for their breakfast.

One of the 'perks' of being a Men's Shed member is not only the full use of the facilities including a vast range of tools and equipment, but also the support and knowledge of the group if required.

With spring upon us at last, yet another Motor Cycle group required some of our members assistance with marshalling, this time it was an event held over three days at the Northam Moto X.

Given the average age of our group we are often greeted with sad news as was the case with the passing of founding and life member Bernie Howell, suffer no more and rest in peace. Old age brings health issues to many and our secretary Bob has suffered for several months in hospital in Perth, we were pleased to hear that he has now been moved to a residential centre in Gosnells with specialist staff available to assist in his recovery.

BEVERLEY HISTORICAL SOCIETY presents

The Railway Cottages

The railway came to Beverley in 1886. The town was for several years the terminus of the Government Railway. Passengers who wished to travel between Beverley & Albany on the Great Southern Line had to change trains and stay overnight in Beverley. The town was thus a hub for all types of rail workers – drivers, coalmen, fettlers, signalmen, etc. Rail workers appointed to Beverley on a permanent basis could be allocated one of the Railway Cottages.

The Railway Cottages were located next to the rail line adjacent to the old grain bin & opposite the loading platform (still there). The old Catholic Church in Queen Street was just up the hill.

The cottages were two semi-detached homes designed to house railway workers and their families. They were designed by George Temple Poole, the State Architect from 1885 to 1897. The buildings are typical of his style with high steep-pitched roofs and decorative touches such as brick-framed windows and the symmetrical pattern on the gables. The building as a whole formed a U shape with each cottage having a basic L shape. Each cottage was a reverse plan of the other. There was a corner verandah on the outside of each cottage and a small back verandah. A central chimney was shared in adjoining front rooms, while each had a separate kitchen chimney.

Rear view of the two semi-detached cottages from Queen Street.

The cottages were demolished in December 1981. This rear view, after the roof has been removed, shows the three chimneys.

The Beverley Historical Society is seeking the names of any families who lived in the cottages. Please contact bhsdeadfinish@gmail.com.

Beverley Ag Museum News

A week after the Beverley Agricultural Show on Saturday August 24, only a few of our members (there is a lot of flu about) had the envious task of unloading the show displayed items back to their usual spots, a laborious task considering some of the locations, a big thank you to all concerned.

The next day a small group of Trac Mac members came from far and wide (the number plates were a good indication) to visit the collection of nearly 150 years of Wheatbelt Farming Machinery, many of them 'catching up' after several years, so besides walking around

viewing the items, stories were exchanged from their personal lives. Once again, a big thank you to Bronwyn the National Trust caretaker and the Beverley

Shire volunteers who assisted with the opening for your support.

The second Saturday of September we again opened to the public from 9am to 3pm with many visitors coming out to the Museum from Perth and one from interstate to view the collection. Those lucky enough saw the Twenty-Two Dozer being driven around to the washing area where our newest member Jake was

'shown the ropes' with a can of degreaser and the hose.

While inside Kevin was working on the ex-Ag department Land Cruiser's clutch hydraulics and Gerry continued his work on the Holden 'FX' brakes finding the rear wheel cylinders totally seized up.

With the recent passing of local Bernie Howell, it was decided that his Fordson Tractor he donated many years ago should be relocated to a more viewed area along the 'line up' of Tractors, RIP Bernie, the museum will always remember your efforts.

A big thank you to John at the Beverley News Agency & Post Office for their kind gift of a white board to the Museum, with the ever-increasing public interest and our volunteers now doing research and record keeping, items like this are well appreciated.

With the Museum now open between 9am until 3pm every second and fourth Saturday each month until November, we are experiencing more visitors with many questions about the exhibits, like all subjects, no one person knows everything, and for some of our volunteers Museum and Farming history are quite new areas, so it would be appreciated if anyone 'out there' has knowledge they wish to share regarding the collection, (or even stories of their time spent volunteering in the past), maybe plan a visit or contact John on 9646 0768 please. Likewise, if you or your group would like a private viewing of the collection feel free to call to make an appointment.

BEVERLEY JUNIOR SPORT

2024 NAB AFL 'HALF TIME' GAME AT OPTUS STADIUM

What an exciting moment for our juniors! Especially for 12 lucky Auskicker's and 5 Junior Football players, who go the chance to represent both Beverley and the East Avon during the half time match at Optus Stadium during the Dockers versus Carlton game on the 10th August.

This was an amazing opportunity and experience for our up and coming junior footballers to get feel of what it like playing at a stadium, with a crowd watching and maybe even put an idea in their heads on pursuing an AFL career.

This opportunity wouldn't have been possible without the dedication of our Junior Football Coordinator Tamara Nixon who made it all happen. Her coordination and passion for Junior Football and Women's football on the wheatbelt has been outstanding. Thankyou to the coaches and umpires on the day (and throughout the year), Charlie Horrocks, Simon Marshall, Stuart Murray, Chad Atkinson and Roger Tonkin who also got to experience being on the ground with all the kids.

Our Beverley kids are so lucky to have all these amazing opportunities available, but none is possible without parents volunteering their time.

GO & PLAY HOOKIN 2 HOCKEY CARNIVAL - FLOREAT

Our Year 4 and under hockey players were lucky enough to attend the Go & Play Hookin2Hockey Carnival in Floreat on Sunday 28th July. In some very wet conditions, our younger players were able to play against other kids their own age in what was some fantastic hockey. It was so great to see the kids confidence grow each game, work together as a team and even score some goals!

Huge thanks to Kelly Mann, our wonderful coach who volunteered her time to coach and umpire, even though she didn't have any of her own children playing. We are so incredibly lucky to have Kelly as our Junior coach - her passion and dedication to hockey in Beverley is amazing. Thank you to our Junior Hockey Coordinator Chaise Sattler who makes sure all the kids are getting as much time on the field as possible and the parents know exactly whats happening. Her contribution to Junior Hockey this year has been amazing!

BEVERLEY JUNIOR SPORT

JUNIOR NETBALL AND FOOTBALL

Well done to all the players a great year, to the parents who travelled some big distances to allow their children to play and a massive shout out to the coaches and umpires who teach the kids the skills they need to stay competitive. Well done to all our juniors who played their last junior game for Beverley. We look forward in seeing you wearing the red and black in the senior games in the future.

Here are some highlights from the Ferguson Shield played in Quairading on the 3rd August.
