# SHIRE OF BEVERLEY PRESIDENT'S REPORT

## **New Civic Centre**

The Old School building has now been completed internally. The three rooms consist of:

- a Function room for any formal events such as Citizenship Ceremonies. This room will also serve as the Public Gallery for Council meetings;
- the new Council Chambers with a new Board table and improved technology to enable video meetings with multiple attendees; and,
- a multipurpose room which contains a kitchen and will also serve as a work room for Councillors between meetings.

The front of the building which we refer to as the Town Square, has finally had new turf laid which will take time to settle. Reticulation is complete and when the last two seats are installed the area will complement Vincent street. All that remains is to develop the garden beds either side of the new turf and the bed in front of the building.

Originally this area was a part of the Vincent Street redevelopment but due to cost had to be removed from the plan. It would seem that this has proven to be positive because the original design had the area covered with concrete similar to that of the footpaths. In the new design we have grass instead which would seem to be a more sensible covering. The best part is the new design and work is only a fraction of the cost of the original.

## **Local Government Convention**

This event was held at the Convention Centre in Perth from Tuesday 8<sup>th</sup> October until Thursday 10<sup>th</sup>. Organised and run by the Western Australian Local Government Association (WALGA), it is an important occasion to meet Officers of WALGA and other Councillors to discuss the many issues confronting Local Government. I attended this convention along with CEO Stephen Gollan and Councillors Dee Ridgway, Chris Lawlor, and John Maxwell.

On Friday 11<sup>th</sup> the CEO and I attended a special forum run by WALGA to highlight the specific problems faced by all the smaller Councils in the Band 4 level. Our dependence on recurring Grant funding to be able to deliver services our communities expect is not well understood by State or Federal Governments. It proved to be a useful event although getting the message to the other two levels of Government is what matters.

## **In Brief**

- MC Civil Contractors recently commenced work on remediating all the storm damage to roads and culverts which occurred in March 2023. The cost of this remediation is in excess of \$5 million and was due to be completed by 30<sup>th</sup> June 2025 but with delays, an extension has been granted.
- Bremner Road bridge. The contract for this repair has been let to Advantearing Contractors the firm that rebuilt the bridges on the York / Northam road. Given the proximity to harvest, this work will not commence until mid-January 2025.
- Bridge 3197 – York-Williams Road. Main Roads are conducting this project directly and are yet to let a contract. In any event, the work was not expected to commence before mid-January 2025.
- The Shire crew are currently working on the shoulders of the Kokeby East road in readiness for harvest.
- Currently the Shire are applying for more bridge funding.

### **Public Notice – Intention to Dispose of Local Government Property**

In accordance with section 3.58 of the *Local Government Act 1995*, the Shire of Beverley gives notice of its intention to dispose of vacant land, Lot 230 on Deposited Plan 33113, Volume 962 Folio 78. Details of the proposed disposal are as follows:

Property: Lot 230 on Deposited Plan 33113, Vincent Street, Beverley

Consideration: \$10,000.00

Market Value: \$10,000.00

Purchaser: Maya and Fabian Houbrechts

Public submissions on the proposed disposal can be made in writing to Chief Executive Officer, Shire of Beverley, PO Box 20, Beverley WA 6304 or emailed to [dceo@beverley.wa.gov.au](mailto:dceo@beverley.wa.gov.au) Submissions close 4:00pm, Thursday 14 November 2024. Late submissions will not be considered.

### **Main Roads Roadworks**

#### **York Williams Road – Road Closure 13 January to June 2025 - Bridge 3197 Replacement**

York Williams Road will be closed for a bridge replacement between 13 January and June 2025.

Bridge 3197 is approximately 11 kms from the Great Southern Highway just south of Beverley.

The new bridge will have two traffic lanes unlike the old bridge which is a single lane bridge.

#### **Great Southern Highway – Road Rehabilitation and Shoulder Sealing – Beverley to Brookton**

Shoulder sealing and road rehabilitation on Great Southern Highway between Beverley and Brookton is progressing well and is due for completion by the end of January 2025.

We appreciate the patience shown by road users to enable a safe work site.

Timber bridge 311 (near Smart Road) is also due for replacement and the road will be realigned 2 kilometres either side of the bridge. This will be done at a future time.

#### **Great Southern Highway – Shoulder Sealing – York to Beverley**

Culvert extensions are currently underway between Young Road and Beverley and scheduled for completion mid-November 2024. Shoulder sealing will shortly commence in January 2025 until May 2025.

There will be lane closures and speed restrictions in place, so please allow extra travel time.

Should you have any enquiries, please contact Main Roads via our website [www.mainroads.wa.gov.au](http://www.mainroads.wa.gov.au) or by phone on 138 138.

## CRC UPDATES AND NEWS

### Enchanted Garden

Our September school holiday workshop was fully booked, and we had an absolute blast creating take-home potion kits! The day was filled with magical potion-making, exciting explosions, wand crafting, plaster painting, and even a nature hunt in the garden. A huge thank you to everyone who joined us—we hope you had as much fun as we did! And a special thanks to the community garden for hosting us in such a wonderful setting.

### Araluen Bus Trip

Thank you to the Shire of Beverley for the amazing community grant that made our trip to the Araluen Tulip Festival possible! The purpose of this grant was to help our residents get out and about, reconnect with friends, and taking time to stop and smell the tulips. It's so important to take time to enjoy life, and this trip did exactly that!

Our group hopped on the bus bright and early, eager to explore the gardens and see the beauty of the vibrant tulips. After a delightful lunch and a coffee, we shared stories and laughter on the way back to Bev Town. A big shoutout to our wonderful bus driver, Neil, for making the journey smooth and enjoyable.

### Baby Sign Language

Congratulations to Jaime and the Beverley Early Years Network on receiving funding through the WA Association for Mental Health with the support of Lotterywest as part of Mental Health Week 2024. We collaborated with the EYN to host the well attended baby sign language session at the CRC.

### Staying In Place Information Session

Last month, we held a successful Staying In Place session for the community, featuring special guests Dex and Misty from InCasa. It was a great opportunity for both new and existing clients to ask important questions and share their personal experiences. If you're looking for extra support at home or want to learn more about this program, feel free to reach out to Sam at the Beverley Community Resource Centre. We're here to help!

### Tiny Tots First Aid

Last month, we partnered with WANSLEA to host a fully booked first aid session specifically for children aged 0-5 years. Thank you to WANSLEA and St John's for organising and delivering such an important workshop. A special thank you goes out to all the participants who joined us for the session.

### Staff First Aid Training

Our staff recently attended a lively training day at the Beverley Sub Centre, where they successfully completed their First Aid and CPR certifications. A big thank you to the Beverley Volunteers for providing delicious catering and plenty of laughs throughout the day. Special thanks to our trainer, Jacqui, for making the session engaging.

## What's coming up in November at BHDS...

- 5th November Whole School Assembly
- 8th November Pop-Up Canteen
- 12th - 13th November Year 9&10 Try-a-Trade
- 22nd November Wheatbelt Ball
- 18th - 29th November In-term Swimming Lessons

## Class in focus - Year 5/6

The Year 5/6s have had a busy year and are looking forward to the final term for 2024. Of course this is the last term of primary school for our Year 6s and we can't wait to see what the future holds for these students. A look ahead for the rest of the year:

- The Year 5s have been busy fundraising for the 2025 Year 6 Camp at Mornington Adventure Camp Grounds, scheduled for March 4th-7th. They are making good progress toward their goal. Don't forget to support the Sockable Fundraiser and participate in the Silly Sock Selfie photo day on December 6th. A reminder to bring cash for icy poles (\$1) each Friday for the remainder of term—your support is much appreciated!
- On December 6th, The Year 5s and 6s will have a camp out, giving the Year 6 students a chance to celebrate, and the Year 5 students an opportunity to learn about camp routines. Together we will enjoy games, outdoor movies, and tents.
- Currently, the students are studying the Solar System and Extreme Events.
- Please watch for the Year 6 Graduation invitation coming soon!

## Breakfast Club

Breakfast Club has become very popular here at Beverley DHS. Our Chaplain Wazza bought this incredible initiative to our school earlier this year. It is a program run by Food Bank with extra support from the school. Students are able to access a free breakfast (toast, beans, spaghetti) every Tuesday at recess.

## News from the School

The Beverley DHS community raised an incredible \$2,137 for Telethon—far exceeding our goal of \$1,000! The last day of Term 3 was extra special, with students and staff dressing up in their PJs to show support for this amazing cause.

Last term the Secondary Girls attended the She-Hoops Basketball Clinic in Northam, where they were surprised with the opportunity to learn from

Australian basketball legends Lauren Jackson and Abby Cubillo! Students from Year 3 - 8 have started participating in a five week tennis program as a part of their Physical Education curriculum. The sessions are run by tennis coach, Mr Keith O'Brien and assisted by Mrs Bailey. Thank you to the Beverley Lawn Tennis Club for the use of such fantastic facilities.

Our Year 4-6 students also had the chance to participate in an interschool modified cricket carnival in Pingelly!

## Beverley DHS Presentation Evening

The Beverley DHS Presentation Evening is scheduled for **Wednesday 11th December, 2024**, to be held at the Beverley Town Hall.

If you would like to make any contributions to Book Awards on the night please contact the school on **9646 2500**.

## Playtime in Kindy

The P&C's KPP Committee members have been diligently working to raise funds for new KPP equipment.

We're excited to announce that the new Shop Play Panels have been installed, and our Kindy students are absolutely loving them.

## *Beverley Agricultural Museum News.*

For quite a while it has bothered me that the advertising boards for the Ag Museum had pictures of Horses on them, and for several years we did not have any at the Farm for the public to see (and pat), so when our National Trust caretaker Bronwyn told me of her intention to have her four Clydesdales at the Farm the thoughts of false advertising and having to explain to people why we had no horses to see soon went away.

But to every positive in life there is always a negative, and as you can see from the photo, one of the 'girls' is hungry, and with all the paddocks still under crop by the lessee, and little feed around any **bales of hay** would certainly be welcomed to keep these wonderful Farm

Horses alive, as anyone who has horses knows how empty your pockets can be, so if you are visiting the farm don't forget that odd carrot or apple, and please feel free to contact Bronwyn for donated local hay pickups on 0448 897 077.

There are many items in the Museum collection associated to these fine steeds, this breed of horses together with bullocks and sheer hard work by humans opened up the land for today's generation to be able to eat, cereals (and other products) don't just appear on the supermarket shelf by themselves, but I am sure the reader already knows that, so bring along the younger generation to not only enjoy meeting these fine beasts, but also to learn about our Wheatbelt Farming History in the Museum.

It is not unusual for donators of items in the collection to visit them, on Thursday October 10, Bronwyn and I were privileged to meet up with Peta White, (together with her partner--- many thanks for your generous monetary donation) her family having donated the 'Blue' Lanz Bulldog Tractor, they were in town on their way to meet up with friends before

transversing the Gunbarrel highway so could not stay long enough to see the whole collection, alas to my embarrassment I found myself having to explain the 'bandage' around the engine, many years before my time the fuel

injector was removed and sent to Perth for servicing and was lost, (well that is the story I was told), we are working on getting a replacement so all donations are gratefully received.

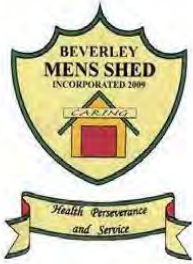

With many of the group having sickness and other commitments during the past month not a lot of work has been done given the low numbers, and with finding replacement parts always an issue, progress with restoration has ground to a halt, but this did give us time to reflect on the 'bigger plan' for the future of our exhibits, plus there is always a broom or a rake waiting to be used.

Although at one of our more recent get togethers the tones of the Southern Cross Stationary Engine could be heard, many thanks to Paul for making a fine effort on the starting handle.

With Summer on its way the Ag Museum will be closed after Saturday November 9 to visitors because of the fire hazards

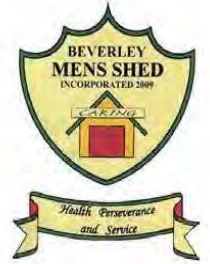

associated with the farm, special viewings can be arranged under the right weather conditions, for these details and any information concerning the Beverley Agricultural Museum feel free to contact John Alexander on 9646 0768.

# *Beverley Men's Shed*

146 Vincent Street Beverley Western Australia 6304

On Sunday September 22 the Men's Shed Catering Corp enjoyed 'a day at the races', well not quite that, the venue was the old Beverley Horse racing track where the Tractor pull was being held, and our small group of volunteer food providers were asked to keep the hungry hoards at bay, and although attendance numbers were low, those that came certainly had an exciting afternoon.

Our very popular annual 'Free sausage sizzle' (where we give back to the community for their support) was held on Friday October 4 and coincided with our monthly raffle which was drawn on Saturday October 5, this month the prizes were all meat vouchers (apart from the Mystery 4<sup>th</sup> prize) from our local Butcher Peter at T Bone & Sons (support local) with the first prize worth \$100 going to Doug, John picked up a \$50 meat voucher, and third prize of \$25 went to Natasha, with Darren finding out what the Mystery Prize was this month. As usual all proceeds were divided evenly between the Royal Flying Doctors Service and the Beverley Men's Shed. Thank you to the community (and visitors) for their support and also our members for their efforts.

---

A social event we often have is our social 'Movie afternoon', one of which was held on Sunday October 6, when a small group of members and partners got together to watch 'the big screen' (well the TV's are bigger these days!). And after the equipment failure at the last movie event a new DVD player was purchased, so we were all eager to catch up with an Auz movie from one of our members collection, but alas, with poor eyesight and none of us finding the right buttons – and no 5 year olds around – we ended up watching a movie from the TV, but it was still good to sit and chat while the not so tech savvys got frustrated!

One of our community based activities is the sale of Firewood (yes not on anyones mind

given the recent warm stuff), our stocks are still plentiful if you want to get in early for next years cold snap, and as you can see we have been busy maintaining and sharpening our equipment in readiness for next Autumn---shown is the 'left handed' version!

On Saturday October 19 our Catering Corp service was called upon again, this time for the Station Arts promoted Beccy Cole concert, with a slightly different crew on board it took several burgers before we got into a routine, thanks to the customers for your patience and support, and to our team for your efforts.

An upcoming event this year is the last monthly raffle to be held on Friday 29<sup>th</sup> and Saturday 30<sup>th</sup> November at the Lions Kiosk in town, this raffle has a bonus second ticket draw, so if you win a prize your ticket is placed back for a 2<sup>nd</sup> chance, so come along and support us and the RFDS.

The Beverley Men's Shed Annual Family Christmas Party this year will be held at the Freemasons Pub, with a sit down meal at noon on Saturday December 7, this is a non subsidised event so please ensure your pockets are full before ordering your meal and drinks, and to guarantee a seat at the table, write your name and number of people in your group on the list at the Shed by Saturday November 23.

As this is the last article before Christmas, the Shed Committee would like to wish all the members and their families a happy Christmas and safe new year.

## **Beverley Men's Shed President's Report 2023/2024**

As my second term as President comes to a close, I have looked back over the past year and reflected on our achievements.

The year has been one of success with membership growth, financial stability, projects completed and, most importantly of all, our shed continues to be a place where the men of Beverley can gather in fellowship and support. New members are essential to progress the development of an organisation and the new members that we have welcomed during the year have enlivened and enriched the Beverley Men's Shed.

We are a community focused organisation and our commitment to the community is represented through various projects during the past year, including:

- Raffles for fundraising for the RFDS in which we raised \$2,795.
- Free community sausage sizzle.
- Assembly of chicken cages for the Beverley Agricultural Society.
- Helping community members with gardening.
- Supporting the Moto X event held at the Northam Moto X track.
- Supporting the local triathlon with a warm breakfast.
- Sausage sizzle for the children's Halloween party.
- Catering for ANZAC day dawn service breakfast.

Additional to our community projects a range of activities has been organised for members:

- Visit to Men's Shed at Wundowie.
- A talk on Roman aqueducts.
- Social events: Christmas dinner; 15th year celebrations and movie afternoons.
- Visiting and calling members who have had the misfortune to be hospitalised.
- Taking members to hospital appointments.
- Cutting, sawing and splitting wood as a fundraising activity.

I would also like to thank all those who have participated in the various community projects. A special thanks goes to our wood team which raises a significant proportion of the funds required to keep the shed running and to finance new projects.

I thank Graeme Dasborough who, at 92, is our most senior member. Graeme allows us to the use of his property for storing and processing the wood and provides us with the use of his circular saw and block splitter which has made the task so much easier. Robert Blight has kindly donated wood from his property, delivering it directly to the wood yard in town. Thanks for your support Robert. I would also like to thank Graeme and John Roki for the consistent contribution of their vehicles for transporting the wood.

Eric Beer deserves a special mention for his significant contribution to the assembly of the new poultry cages for the Beverley Agricultural Society. Bob Green and Merv Menz have been stalwarts of the raffles, organising regular sales of tickets at the Lions Kiosk on the main street and raising considerable funds for our shed and the RFDS.

There are some members who appear at just about every event and are there helping out behind the scenes, week in and week out. Rudi Morgan is one of these people who is either at the shed or helping out around the community nearly every day. Thank you, Rudi, for helping our members and the community.

Our friends across the road at the CWA have assisted with catering and prize donations for our raffles throughout the year. Thank you, ladies.

We are in a stable position to continue our work in supporting the community and each other during the coming year.

I would like to thank my fellow executive of the committee, John Fricker has supported me as Vice President and stood in for me when I could not attend. Bob Green has again undertaken the secretarial role effectively and Jon Rothwell, as Treasurer, has ably looked after our finances. I also thank the general members of the committee for their contributions throughout the year. To all of our members, thank you for your support and individual contributions and I look forward to our continued success in the year ahead.

## ‘STAYING IN PLACE’ IN BEVERLEY

InCasa Country has partnered with the Beverley CRC to assist older residents to get access to support services and care at home. The CRC is committed to helping our older residents, by cutting through the complexity of accessing federal funding and managing support care workers to better support you living at home.

**Step 1** - Make an appointment at the CRC who will arrange an assessment with My Aged Care. To qualify for an assessment, you must meet these age requirements - you are 65 years or older (50 years or older for Aboriginal or Torres Strait Islander people).

**Step 2** - My Aged Care assessment team will come out and do an at home assessment.

**Step 3** - If you're eligible, My Aged Care will allocate you a Home Care Package.

**Step 4** - Sign on with InCasa via the CRC, to develop and activate your Home Care Package.

**Step 5** - The CRC will organise and manage a dedicated team of support workers for you.

### What things can I access if I'm on a Home Care Package?

If you're eligible for a Home Care Package from the Commonwealth Government, funding is made available to assist with the costs in staying at home. *You may be eligible for:*

**Personal Care** - assisting you to perform essential self-care tasks

**Domestic Assistance** - supporting you to complete everyday household tasks

**Home Maintenance** - Assistance with maintenance of your home and garden ie. cleaning and gardening

**Meal Assistance** - Assisting with meal preparation or meal delivery

**Transport Services** - Helping you get to appointments or activities outside the home

**Social Support** - Keeping you connected to your local community and hobbies

**Respite Care** - Providing relief to carers

**Clinical Care** - Access and coordination of key health professionals to suit your individual care plan

### **If I'm worried about my ageing parent/s in Beverley, can I contact the CRC?**

Absolutely, we understand that families don't always live in the same area and are unable to keep an eye on their loved ones. If you're concerned about a parent who seem to be struggling with everyday tasks, feel free to contact Sam at the CRC who can walk you through the process of requesting home support services through My Aged Care.

### **I can't get out and about at the moment, can you visit me at home to talk about the Staying in Place program?**

We sure can. If you're unable to visit us at the CRC, we can arrange an at home visit to talk about the program, arrange assessments with My Aged Care, onboard you with InCasa if you've been allocated a HCP or help you change your service providers if you're not happy with your current provider. Call to make an appointment today.

### **A loved one or family member suddenly needs aged care. What can I do?**

There are three options for you:

- For urgent medical care, call their doctor or emergency services on 000.
- For emergency respite care, contact Carer Gateway on 1800 422 737. For more information, you can go to the Carer Gateway website [www.carergateway.gov.au](http://www.carergateway.gov.au).
- For ongoing care (longer than respite can provide), call My Aged Care on 1800 200 422 to arrange an assessment. If you want to speak on their behalf, you will need to become their representative.

### **I would like an online account to access my My Aged Care account, how can I do this?**

To set up an online account you need to register with My Aged Care first. To register with My Aged Care, call 1800 200 422 or apply for an assessment online. Once you're registered, you can sign in to your myGov account and link your online account to access your My Aged Care information. You only need to do this step once. If you need help setting up your MyGov account, call the CRC to **arrange an appointment** to set up your account.

# ST JOHN AMBULANCE BEVERLEY SUB CENTRE

Firstly, my apologies for not having any notes in the October Blarney, time got away for me and the Blarney was out before I realised that I hadn't done any notes.

The Sub Centre had its AGM in late August. Ian Frizzell is once again our Chairperson for the coming year, Sue Eramiha as Secretary but due to health reasons Sue has relinquished her position, and at present Anne Armstrong and Jenny Rayner are filling in until we can fill this position. Anne Armstrong is Treasurer, and we welcome Chad Vandenberg onto the Committee. This coming year our Committee is Ian, Jenny, Anne, Jodie, Tarni, Peter, Chad, & Linda. Unfortunately, we bid farewell to Drew who has retired from the Committee. We also wish Sue a speedy recovery.

Regional Office in Northam compile each year the number of calls our Beverley Crew have attended, from July 23 to June 24 the Beverley Volunteers have attended 239 call outs. Average this out and it is 15 per month. For a small group of Volunteers this is an amazing commitment to the town.

Early in October the Sub Centre held a First Aid Course and we have now 11 new First Aiders in town. Congratulations to all that attended the course. Maybe we may see you in the future volunteer to become involved in our Sub Centre, as you are all aware we can never have too many volunteers.

Training has been well attended by all Volunteers and as the end of the year approaches all have maintained their qualifications with skills being continually practiced and recorded to keep them accredited.

We welcome two new Volunteers who will be an asset to our Crews. Welcome Annette & Dawn.

As harvest time is fast approaching, we all need to be very aware of the extra traffic - trucks and oversized loads on the roads, so please take care we really don't want to meet you at an accident.

Also, with the hotter weather on the increase we suggest that everyone keep well hydrated during the summer period, take that bottle of water with you on your walk or have it in the car we all need to keep hydrated during summer and more so if you are on medications and need to keep your fluids up.

Beverley is fortunate to have a number of AED around town, these will be serviced in the next few weeks to keep them all in good working order. Should you need to know where these are around town, there is a poster in the foyer of the CRC and Shire Offices showing where they are situated.

The Sub Centre is open to the General Public on Tuesday and Thursday 9am -2pm, Jennifer our Administration Officer is only too happy to help with any concerns you may have during these hours.

## **PRESIDENTS REPORT 2024.**

Another year has been and gone, not sure where but here we are at our Annual General Meeting.

Thanks to Jenny Rayner for officiating at our 2024 AGM Election of Office Bearers.

In November we did a Bus Trip to the Churches in the District which was very enjoyable. We appreciate the work put in by the volunteers to keep them in good condition.

Our Christmas-in-November lunch was held at Bedford Arms in Brookton on a very hot day. Lovely meal and cake supplied by Viv.

In the summer break we had 4 blinds installed which makes a big difference on appearance and easier for volunteers to open.

Early in the year we had a lovely Morning Tea and tour of the Old Methodist Church as it was having painting done when we did the other churches. Thanks to Mel and Bev Vivian.

Another bus trip saw us retracing the trail of the Hackett Murderers; again, very interesting to see how far they travelled. I personally learn a lot from these experiences.

Thanks to Adam Freeman and his helpers, we held our first Winter Solstice Night which was attended by approx. 20 and had lots of good reviews.

Some of our members joined the Garden and Tree Club for a visit to tour Government House and the Gardens, enjoyed by all.

We have purchased a stick Vacuum Cleaner and small microwave oven to make life a little easier for our volunteers.

The theme this year for the Agricultural Show was "Avondale" so combined with the Garden and Tree Club which I feel worked well.

Attendance at the Museum this year is a little down on last year. Bus and midweek visitors were 102, Sunday visitors 276 giving us a total of 378.

My special thanks to our Vice President Joy Smith, Secretary Morag Whitney with her wealth of knowledge Treasurer Leonie Taylor who keeps our finances on track from afar. To all the members once again a BIG Thank You for your support in Sunday Roster, Busy Bees, helping with the Year 2s because without you all we would not be able to keep the Museum open.

Glenys Petchell

# Beverley Community Garden

## **Our Thriving Community Garden: A Spring to Remember**

As the warmth of spring settles in, our local community garden is flourishing like never before. Lush rows of leafy greens, vibrant herbs, plump fruits, and colourful flowers line the garden beds, showcasing the care and dedication of the many hands that nurture this space. This thriving garden is a powerful reflection of our community's spirit, with neighbours coming together to create something truly special.

## **A Warm Welcome to Our New Beverley Members**

We are especially excited to extend a warm welcome to the Beverley community members who have moved here in the past two years. It's been inspiring to see new faces join our efforts in the garden, bringing fresh energy and ideas. Whether they've been watering the seedlings, joining in on weekend clean-ups, or offering their skills, their contributions have made an immediate impact.

## **Volunteers: The Heart of the Garden**

At the heart of the garden's success are dedicated volunteers whose tireless efforts in organizing the planting schedule, maintaining the garden beds, and leading the weekly harvest sessions have ensured that our crops are not only abundant but thriving in harmony. Without their hands-on involvement, we wouldn't have the amazing selection of produce that we do.

A special mention goes to Murray Young and Cliff Doncon, who have been making great progress in creating the Mediterranean garden. Their vision for a space filled with drought-tolerant plants, fragrant herbs, and vibrant colours is well underway. Murray even crafted a long, massive wooden table for the area, using recycled wood from an old sheep shearing shed that his grandfather had built many years ago in his youth. This beautiful, repurposed piece has become a centrepiece, reminding us of the deep roots that tie us to both the land and our community's history.

We're also thrilled to announce the garden's acquisition of four grape vine cuttings from an old vine planted in 1909 at the old tennis club in York. These historic vines will eventually grow over the logs surrounding the Mediterranean garden, adding both beauty and a touch of living history to this special space.

Additionally, a heartfelt thank you goes to Margaret Hobbs for her generous donation of an old quince tree and several plum trees. These trees have already begun to show signs of life, with sprigs of green shooting from their branches—a hopeful sign of the bounty to come.

# Beverley Community Garden

## Community Celebrations: The Agricultural Show

This spring also saw the return of the much-anticipated Agricultural Show, where our community garden proudly showcased its finest produce. It was a day to remember! Not only did our vegetables win several ribbons, but we also held a booth where visitors could sample our harvest and learn more about the garden's mission. The overwhelming support from both long-time residents and newcomers, like the Beverley families, made it a true celebration of what we've achieved together.

## Bountiful Harvest: Fresh Produce and Popular Sales

This season, our crops have been especially fruitful. Tomatoes, zucchinis, peppers, and strawberries are growing in abundance, and many community members

are taking home baskets brimming with fresh, organic vegetables. The weekend vegetable sales have grown increasingly popular, with eager buyers arriving early to secure the best produce. It's become a cherished weekly tradition, offering not only great food but a chance for neighbours to connect and support the garden's continued growth.

## A Shared Vision for the Future

With the funds raised from the sales, we've been able to reinvest in the garden, purchase new tools, and plan for more community events throughout the year. As more Beverley residents and long-time volunteers continue to contribute, our shared vision for the garden is growing stronger. We invite everyone—whether you're new to the area or a seasoned member—to visit, lend a hand, or simply enjoy the fruits (literally!) of our labour.

Together, we'll keep making this garden thrive for seasons to come.

## EARLY YEAR'S NETWORK UPDATE - STRATEGIC PLANNING GROUP

After completing the 5-Year Strategic Planning Review with Caroline Robinson from 150 Square last term, a small working group from our committee has been meeting work through the details to streamline our governance and enhance communication among members. Our Strategic Planning group includes Skye Carlshausen, Jaime Williamson, Jenelle Alexander, Sinead Enright, Siobhan Marshall, Melissa Blechynden, and Kelly Mann. This group will meet weekly to continue discussions and address the action items identified in the review. Exciting times ahead as we work towards a more efficient and cohesive future!

## 2024 GOWRIE WA EARLY LEARNING COMMUNITY FINALIST

The Beverley Early Years Network has been selected as one of the top four finalists for the 2024 Gowrie WA Early Learning Community Award! These prestigious awards recognise, encourage, and celebrate the positive achievements of regional and rural Western Australia. A heartfelt thank you to our wonderful community for their ongoing support—we couldn't have done it without you!

## PARENTS GROUP

Join us for our first Parents Group on Wednesday mornings, at 9:00am at Moort Wabiny Park. This free group is a great opportunity for parents and babies (aged 0-2 years) to socialise. Please bring your own drinks and snacks.

## BABY SIGN LANGUAGE

Last month, the Beverley Early Years Network received funding from the WA Association for Mental Health, with the support of Lotterywest, to host a baby sign language session during Mental Health Week 2024. Led by Debbie from Signing Hands, 10 attendees participated in learning how baby sign language can benefit early communication. Babies can express their needs long before they can speak, reducing frustration for both parent and child. This early skill-building also boosts babies' self-confidence, strengthens the parent-child bond, and supports the development of gross and fine motor skills through the use of hands and arms. Thank you to the Beverley CRC for supporting us on this project.

## RHYME TIME

Thank you to everyone who attended our last sessions. Our next session will be held on 26 November starting at 9.30am, don't miss out on the fun—we can't wait to see you there!

## STORY TIME

In October's session, we enjoyed reading books from the Story Box provided by the State Library of WA. Along with the stories, we had fun singing songs and playing with bubbles! Our next Story Time session will be held on the 12 November at the Beverley Library at 9.30am. These sessions are free and everyone is welcome to join.

## Beverley C.W.A

Well, here we are already in November. Where has the year gone? As we all get ready to either cart hay, harvesting or just getting ourselves ready for Christmas, the busiest time of year is here!!

If you are looking for a break or just some time to sit and have a coffee, why not come down to our **Community Morning Tea, on the 13<sup>th</sup> of November at 9.30am.** Come on down for a free cuppa and some home-made treats. A chance to sit down for a **FREE** cuppa and catch up with some friends (and the latest gossip). **EVERYONE** is welcome to come. The ladies are waiting to catch up also before they start the washing up. Yeah, forgot to tell you, you don't even have to do the washing up. A **FREE** cuppa and no washing up, what more could you ask for? See you all on **Wednesday 13<sup>th</sup> November.**

Now I know that Christmas is still over a month away, but the way the year has gone it will be here before you know it. So, for the last time this year, the ladies will be having their **Cake Stall on Saturday 7<sup>th</sup> December.** A delicious range of home-made goodies will be waiting for you all to choose and enjoy!! Also, on Friday the **6<sup>th</sup> and Saturday 7<sup>th</sup> December,** we will be holding our **Christmas Raffle.** With some amazing prizes waiting to be won, you either keep them for yourselves or use them for those last-minute gifts that you have forgotten. So why not come on down in December for the **CWA CHRISTMAS RAFFLE and CAKE STALL** for some very yummy home-made goodies and a chance to win some of the amazing prizes on offer.

Lastly, if you are looking for a place to hold a party or a get together, the CWA Hall just may be the place. Why not give us a call on 96461481 to find out more information. **The next meeting is on Wednesday 20<sup>th</sup> November.** Till then stay cool.

**100 years uniting women and strengthening communities**

**Station Gallery Open Hours: 11am – 3pm Thursday, Friday, Saturday, and Sunday**

## Artists-in-Residence at the Station

### October Artists-in-Residence

Mosaic artists Carole Patch and Jean Ross thoroughly enjoyed their stay at the Station and kept themselves busy with collaging, besides their mosaic workshop days. And by opening the gallery doors at all hours meant they sold many of their creations whilst here.

### November Artist-in-Residence

This month from 4<sup>th</sup> Nov to 2<sup>nd</sup> December, please join us in welcoming Fenella Dexheimer.

Fenella has found that by attending various courses presented by local and interstate artists and through experimenting

with various media, she is most comfortable when working with soft pastels. She says it is a very forgiving medium to work with and one which panders to her impatience of wanting to get work on paper. No drying time is required and allows an easy variation in application by using different strokes or by blending the pastel together. And it is fun to manipulate the pastels in order to capture the desired outcome.

Fenella first started painting seascapes but over the last three years she has branched out to other subjects which has been challenging but very enjoyable.

Much to her delight, her first solo Pop Up Exhibition at

The Gallery, Mary Lindsay Homestead, Yanchep in 2021, has led to many sales and commissions.

Whilst in Beverley at the Station Gallery, Fenella will be holding open studio on Fridays from 10am to 12pm when people can join her with any work they are doing or just pop in for a cuppa.

She is happy to show and talk pastels to anyone who might be interested!

Additional information will be available in the weekly Beverley Bulletin, BSA socials, and emails. Or call A-i-R Coordinator Marylou Hutchinson on 0427 085 511; or email Fenella direct at [fenelladexheimer@gmail.com](mailto:fenelladexheimer@gmail.com) if you prefer another day of the week.

### **ARTISTS-in-RESIDENCE for remainder 2024:**

NOVEMBER: 4 – 2(Dec) Fenella Dexheimer

DECEMBER: 3 – 15 Paul Innes

DECEMBER: 16 – 31 Laura Heffernan

All of 2025 is now fully booked and some of 2026.

## **PERFORMING ARTS**

### **Beverley Amateur Dramatics**

The BAD group is in recession till December 2024, however the directors Britt Hadlow, Jo Sims and Mark Kont

have begun planning for next year's production which will probably be a series of one act plays.

### **Beverley Station Arts Singers**

BeSASSy is a FREE community choir, open to all abilities which meets weekly in the Green Room of the Platform Theatre on

WEDNESDAYS (note change of day) **6pm – 7.30pm** under the direction of Kelly Shaw. BeSASSy is now practicing for the Senior Luncheon and the annual Community Christmas Party held at the Platform Theatre on Saturday 21 December. Anyone wishing to join this friendly choir BeSASSy please contact Sarah Miller on 0427464078. No weekly charge - just become a Beverley Station Arts (\$30/year).

## JUST A FARMER

The screening of the award-winning film on 5 October was publicised as a free community event to support mental well-being. As it cost \$2000 to hire, the Beverley Hospital Auxiliary offered to pay half of the fee and we thank them for such generosity. Unfortunately, the film didn't attract a very large crowd due to other events in the town, but for those who did attend were certainly left with its powerful message of the impact of suicide by authentically depicting the challenges faced by resilient *farmers* in rural Australia.

## BECCY COLE

Beccy Cole and her son Ricky performed to a full house at the Platform Theatre on Saturday 19 October. It was a fantastic concert on the most perfect balmy night for this time of the year which was appreciated by both the musicians and the audience, some of whom had travelled from afar to see them and Shenai Johnston (says she's still buzzing) who wowed us with her pre show act. Delightful Beccy and Ricky both had a great night and are very thankful, plus opted to stay in Beverley rather than return to Perth after the show - as well as meeting a few locals at the pub!

Above is Shenai Johnston and Beccy Cole getting to know each other back stage; and right is Beccy's son Ricky Albeck who is based in Melbourne with his band the Belair Line Band.

## THANK YOU TO THE SHIRE OF BEVERLEY AND LOCAL CLUBS

We would like to extend our heartfelt thanks to the Shire of Beverley for their generous Community Grant, which has enabled us to install lighting and power in the sports storage shed.

This upgrade will greatly benefit our sporting clubs by allowing them to safely charge equipment, such as the line marker, without any hazards.

A big thank you also goes to the Beverley Football and Netball Club and the Beverley Cricket Club for their contributions to this important project. Thank you to Beverley Electrical for completing this project for us and being so accomodating.

## The 2024/25 Tennis Season has certainly kicked off with a bang!

### 🌟 2024 Beverley Lawn Tennis Club Open Day Success 🌟

Absolutely fabulous way to start off the season. Our Open Day saw an incredibly welcomed full house at the club, with a rotation of games from 2pm through to 6.30pm. We ran a very fun, unformatted competition, to bring the fun, competitive spirit to the club & had \$100 up for grabs for all our winners.

Well done to all the winners Ali Lewis & Carissa Shaw, Chad Vandenberg & Lachlan Coopes. They also won a jar of honey each to accompany their cash. Thank you very much to Laura McLean & John Enkelmann from Westland Honey for sponsoring the very fun day had by all!!

Our club Patron, Keith Murray officially opened our season with a beautiful serve on court 4, door prizes were won & then the evening was topped off with the celebration of Graeme Lewis 50th birthday, followed by a delicious BBQ & shared salads 🥗 such a beautiful family-oriented club to be a part of.

We already have 128 members signed up for the season, with many more still coming in. Everyone is still most welcome. Never too late to join in on the fun 🎉🏸

### Mid-week Ladies Tennis:

Mid-week Ladies Tennis has been a hit again this year, seeing 9 teams of 4 (and 10 wonderful fill ins) from all surrounding towns, coming together for a social, yet competitive tournament. Keep an eye out for our Beverley Ladies Open Day Tournament Information (on Facebook), which will be held on 20<sup>th</sup> November.

All tennis abilities welcome.

### Hot Shots Junior Coaching with Chantelle Meade:

Our 4 & 5 yr olds have started their coaching with Chantelle Meade, on Thursday afternoons. It is absolutely lovely to see them all having a go, and having fun! So many happy faces after their sessions. Thanks Chantelle!

### Sub-Junior Tennis Coaching with Keith O'Brien:

Our sub-junior members have been lucky enough to get some extra, one on one, coaching with Keith O'Brien on Tuesday afternoons.

**Junior Northam Tournament:**

Well done to this group (and the fabulous support crew!) of the Beverley kids at their first Junior Tournament for the season, in Northam...great effort, great day!! Keep an eye out for other upcoming Junior Tournament: 3<sup>rd</sup> November is Meckering Junior Tournament, followed by 9<sup>th</sup> November, our Beverley Junior Tournament.

**Sunset Cardio Tennis:**

Cardio Tennis has been running at maximum capacity of 14 participants. 3 sessions of 1 hour work out sessions on Thursday evenings. Fun, Fitness, Movement, Laughter, Friendship & Community Connection, plus Great Music 🎵. Thank you Fuel to Go & Play, and Tennis West for the funding to be able to run such phenomenal, valuable sessions in our town, and a huge thank you to Megan Henry – Tennis Australia Tennis Coach for running the sessions. Tennis is for Everyone 💕🎾

**Sunday & "Friday" Social Tennis & Sunday Junior Coaching with Keith O'Brien:**

The Sundays that we have Social Tennis & Junior Coaching at the same time brings quiet a vibe to the club, with many Mums & Dads now joining in on a social hit. We had our first Friday Night "Twilight Tennis", which was an absolute hit 🍷. Such a beautiful evening, with the huge supermoon in the background. The vibe, the camaraderie, but best of all, the new faces, the fun had on the court & the kids involvement topped the evening off. We even got to celebrate Matty Davey's 40th Birthday 🎂🥳
