Edition 483 January 2025 No Charge

A vibrant illustration of a pool party scene. The background is a blue, rippling pool surface. A string of colorful triangular bunting (pink, yellow, teal) hangs across the top. A large, multi-colored beach umbrella (blue, yellow, red) is on the left. A red and white striped lifebuoy is in the center. To the right, there's a green bucket with a red handle and a yellow beach ball. In the bottom left, a blue beach umbrella is partially visible. In the bottom right, another red and white striped lifebuoy is shown.

# SHIRE OF BEVERLEY PRESIDENT'S REPORT

## **Beverley Early Years Network**

Beginning as a small group of concerned Mothers in 2016, the Beverley Early Years Network was formed to promote and assist early learning among pre-school children to better prepare them for their initiation into the education system. From here it has grown with membership of 12 mothers and 3 other interested volunteers.

On the 22<sup>nd</sup> November, the group was successful in winning an Award at the Western Australian Community Achievement Awards for their considerable efforts. Awarded the **Gowrie WA Early Learning Community Award**, the citation for this amply describes their achievements.

*The Beverley Early Years Network fosters intergenerational connections and provides accessible resources for all. Since 2016, the Beverley Early Years Network has been a key resource for families, offering developmental support and educational activities. Starting with a small Storytime, they revitalised the Toy Library and launched programs like "Me @ 1, 2, 3," which brings health professionals together to assist young children's growth. Their free activity tent at local shows has become a popular family attraction. By developing a comprehensive five-year plan, they are working to meet evolving needs and ensure sustainability. Their innovative initiatives make them an integral part of Beverley's support network for children and families.*

Yet another volunteer community group helping to build a better Beverley. Congratulations to them all for this achievement.

## **Breach of Vehicle Movement Ban**

Towards the end of November, the Shire was advised of a breach of the Harvest and Vehicle Movement Ban. To put it mildly, this is disappointing and totally unacceptable. The owners of the property were contacted by phone and a follow-up letter was sent. Those in charge of the movements on the property were unaware of this and have undertaken to speak with the offenders.

For those new to Beverley, these restrictions are sensibly imposed on relevant days, as fire is a very real danger in the Wheatbelt. It is land owners' responsibility to find out if a Ban is in place. A Harvest and Vehicle Movement Ban means you cannot move **any type of vehicle** through a paddock. The Shire of Beverley has an SMS text notification advising on the imposition and lifting of Harvest and Vehicle Movement Bans. Please call the Shire of Beverley Administration Office on (08) 9646 1200 to register for this service.

## **Kokeby Fire 18 December**

Given the above incident, the importance of being aware of circumstances that can result in a fire, there was no better example of that than the fire that occurred within the Kokeby area on the afternoon of Wednesday 18<sup>th</sup> December.

Whilst the cause is yet unknown, the result could have been catastrophic. Thanks go to all the farmers, and Brigade volunteers who reacted so quickly and dealt with the situation as they did. Assisted by the Shire and two water bombers, the fire was contained before it could spread further. Without these efforts the weather conditions of the day could have resulted in the loss of houses and possibly life.

## **Proposed Retirement Village - 18 (Lot 4) Hunt Road**

Public Notification (Planning Advertising) for this proposed development concluded on the 6<sup>th</sup> December 2024 and several submissions have been received, including some objections.

At the 10<sup>th</sup> December Annual Electors Meeting concerns were received from ratepayers as to the details of the proposal. In response to these concerns, the Shire have agreed to an extension of the Public Submission period until close of business on Friday 24<sup>th</sup> January 2025.

**Roads Roadworks**

### **York Williams Road – Road Closure 13 January to June 2025 - Bridge 3197 Replacement**

York Williams Road will be closed for a bridge replacement between 13 January and June 2025.

Bridge 3197 is approximately 11 kms from the Great Southern Highway just south of Beverley.

The new bridge will have two traffic lanes unlike the old bridge which is a single lane bridge.

### **Great Southern Highway – Road Rehabilitation and Shoulder Sealing – Beverley to Brookton**

Shoulder sealing and road rehabilitation on Great Southern Highway between Beverley and Brookton is progressing well and is due for completion by the end of January 2025.

We appreciate the patience shown by road users to enable a safe work site.

Timber bridge 311 (near Smart Road) is also due for replacement and the road will be realigned 2 kilometres either side of the bridge. This will be done at a future time.

### **Great Southern Highway – Shoulder Sealing – York to Beverley**

Culvert extensions are currently underway between Young Road and Beverley and scheduled for completion mid-November 2024. Shoulder sealing will shortly commence in January 2025 until May 2025.

There will be lane closures and speed restrictions in place, so please allow extra travel time.

Should you have any enquiries, please contact Main Roads via our website [www.mainroads.wa.gov.au](http://www.mainroads.wa.gov.au) or by phone on 138 138.

## IMPORTANT NOTICE

### Department of Transport Licensing in 2025.

Due to staff leave and the training of new staff, there will be **NO** Department of Transport licensing services until Wednesday 19 February 2025 with the exception of the Practical Driving Test days. The nearest places to complete in-person licensing are Brookton and York. We apologise in advance for the disruption to services and the inconvenience this may cause.

### Delay to Bremner Road Bridge Construction

Due to a delay in receiving *Aboriginal Heritage Act 1972* Section 18 approval, the previously advertised repair and construction of Bremner Road Bridge 3205, which was due to begin in January 2025, will be delayed. Construction is likely to now start in February 2025 although approval timeframes are not definite. We apologise for the further delay and any inconvenience this may cause.

The York-Williams Road closure for Bridge 3197 replacement is still scheduled to commence from 13 January 2025 as previously advertised.

# Water supply in a bushfire

This information could save your life

While leaving high-risk bushfires is the safest option, if you plan to stay and defend your home, you must have an **INDEPENDENT** water supply and pumping capability. This typically requires water tanks of at least 20,000 litres, pump and generator.

This is required as mains water supply and pressure cannot be guaranteed during a bushfire due to the risk of power cuts, fire damage and extreme demand.

Use the Department of Fire and Emergency Services resources to develop your personal bushfire plan: [mybushfireplan.wa.gov.au](http://mybushfireplan.wa.gov.au) You can also download the My Bushfire Plan app via the App Store or Google Play to access your bushfire plan anytime - even without an internet connection.

To support bushfire plans, if you have groundwater bore access to surface water, you can take and store emergency water without it counting against your annual entitlement. For more information on this, and for the location of emergency bushfire water supplies in dryland agricultural areas, visit the Department of Water and Environmental Regulation website.

## Drinking water

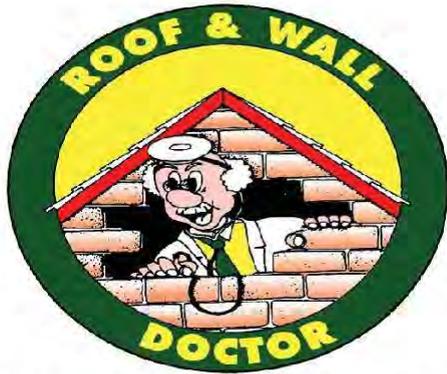

We recommend you keep a supply of drinking water on hand throughout summer in case your water supply is interrupted.

## Assistance for customers affected by bushfire

After a bushfire, we can assist you with issues such as damaged water meters and payment difficulties. If you have been affected by bushfire please call us on **13 13 85**.

The Emergency WA website [emergency.wa.gov.au](http://emergency.wa.gov.au) provides emergency information and community safety warnings. Call **000** in a life-threatening emergency or the SES **132 500** for emergency assistance.

# *Beverley Agricultural Machinery Museum*

## *'November & December' News.*

Firstly, a big apology to our regular readers, between the editor's desk and the printing press the 'November News' got left out, although it was submitted in plenty of time, so here is the scaled down version, --- better late than never, together with the 'December News'.

Alas, by the time you read this article the Beverley Ag Museum located in the grounds of Avondale Farm will be closed to the public until March 2025. As country people are aware the fire risk in our region increases over the warmer months, so given the dryer conditions viewing can only be done by appointment now.

With additional openings this past year (and by special request), the Museum has seen several groups and visitors to our town come out to enjoy the collection, with many being given the opportunity to see items in operation, well it is 'A Working Museum'. One of our latest efforts being to get the 1919 Caterpillar running again, as you can see from the smiling

faces, we are pleased to report that she burst into life relatively easily, something that has not occurred for many years, but alas, as always, some repairs are necessary before she will be seen 'tracking around'. On filling with water, leaks appeared from the cooling system, with both top radiator hose inlets cracked and a leaking core, so the radiator is being repaired as I write.

Given we are now closed (although work still goes on to improve the visitor experience) just a few questions to test your knowledge of the collection news over the past year.

1. What was the name of the Car Club that visited in August 2024?
2. What colour is the Land Cruiser?
3. What Tractor was our local 'Bobby' seen driving?
4. Who donated a Tractor to the Museum in 2024?
5. What was the Yellow painted item we displayed at the Beverley Show?
6. How many Moondyne Men came to visit in August?
7. What Tractor was given a tow to get her started?
8. What colour is the Caterpillar 22?

---

9. Who came to visit her families donated Lanz Bulldog Tractor?

10. What family donated the Stuart Tank?

Every November the Beverley Shire sponsors an end of year bar-be-que to show their appreciation of the time given by our group not only for restoring and maintaining the vast collection of items in the Museum, but also for giving up their time to open to the public and groups wishing to visit. It also gives our members the opportunity to show their wives and partners what they get up to twice a month. Many thanks' guys, with you around the dust is not allowed to settle!

And such is the dedication of some members (you know who you are Kevin & Gerry) who had to be dragged away from their work to eat, yes Kevin has dedicated himself (with the assistance of Eric & Tim) to getting the '2 Ton Caterpillar' running again, alas (as previously mentioned) time had deteriorated the two top hose inlets of the heavy radiator, and with no known parts available new outlets had to be made, many thanks to Rod at Beverley Hydra Boom for the laser cut flanges which Eric then welded two galvanized steel tubes onto, naturally there are a few other water leaks that need to be addressed, but given the system is not under pressure a 'Can of fix it' may well do the job.

The past few months has seen a lot of brake hose issues with two of the items, Tim was able to acquire a new rear hose for the Holden which was blocked solid, and Paul & Bob managed to gently clear the blocked hoses on the Fargo Truck, which saved us quite a few dollars as they would have needed to be manufactured given the age of the vehicle, being built in 1929. Both jobs are still in progress. Gerry's enthusiasm with the Holden continues with him making a special trip to put the engine spark plugs back in to avoid dirt entering the cylinders. And although not mentioned much these days, work continues on the restoration of the C 30 International Truck, many thanks to John H and Paul, a long and tedious task.

Work continues during the summer months with information gathering and 'adjustments' to collection layout. For information about our group please contact John Alexander 9646 0768 Next issue will include the quiz answers and 'part one' of the long-awaited history of the Stuart Tank!

## Artists-in-Residence at the Station

### December Artists-in-Residence

**Paul Innes** enjoyed his time at the Station immensely & produced some lovely work – two such pieces of the Avon River which will be for sale at the 2025 Beverley Annual Art Prize.

Paul's workshop on abstract art was thoroughly enjoyable.

**Laura Heffernan** was Artist in Residence during the second half of December 16 – 31. Laura as a multidisciplinary artist who during her time at the Station continued to develop her arts practice by reflecting on our human need for connection and how this sits alongside our knowledge of death.

Additional information will be available in the weekly Beverley Bulletin, BSA socials, and emails. Or call A-i-R Coordinator Marylou Hutchinson on 0427 085 511.

### January 2025 Artists-in-Residence

**Timo Rytkonen** is an international artist and hails from Finland. Please make him welcome to our country and town. He has experienced residencies throughout the world as he finds a change in scenery important and also a

detachment from everyday life. He finds a month away from home a suitable time.

Timo wants to encounter new possibilities and challenges. He makes art out of lots of different materials and with many diverse techniques.

Recycling is very often part of his art practice. He has exhibited extensively and been successful deposited Timo's works of art, and he has completed

public works in four continents, often as part of the work in artist-in-residences. in art competitions. Several public collections have

# Beverley Men's Shed

146 Vincent Street Beverley Western Australia 6304

Yes it was Raffle time again on November 29 & 30, and being the last one for the year we had 8 prizes on offer. First and foremost we would like to thank all our sponsors this year for their support, the Men's Shed members who turned up to help sell the tickets, especially Merv our Vice President who took over from Secretary Bob when he was hospitalised for an extended period. Merv has worked tirelessly (sometimes out of his 'comfort zone') to ensure each event was a success, and not forgetting by far the most important people of all, you, the investors, who attend in all weathers to support us at the Shed and the Royal Flying Doctors Service, with the proceeds being equally divided between both parties.

The results for our last Raffle for 2024 (back again in February) are:-----

1<sup>st</sup> prize, \$150 voucher for Je Mode Photography Studio won by Rodney.

2<sup>nd</sup> prize, \$100 meat voucher from T Bone Butchers won by Sheila.

3<sup>rd</sup> prize, \$100 Northam Bunnings voucher won by Nathaniel.

4<sup>th</sup> prize, \$100 Beverley Hardware voucher won by Anthony.

5<sup>th</sup> prize, \$50 meat voucher from T Bone Butchers won by Michelle.

6<sup>th</sup> prize, \$50 Beverley IGA voucher won by Amor.

7<sup>th</sup> prize, \$25 meat voucher from T Bone Butchers won by Ted.

The Mystery Prize was won by Frank. Congratulations to all the winners.

A big thank you to the guys from St John's who gave us a demonstration on how to use a Defibrillator at our meeting on Tuesday December 3, together with a talk on general 'first responder' first aid and how the system has changed since many of us took a course, and with so many changes and Defibrillators available it should be said there is a need for everyone to update their knowledge, it is not hard to learn the basics, and like one of the guys said, better being able to help, even if you do break a rib giving Cardiopulmonary resuscitation (CPR) as most casualties would sooner have a broken rib than be dead.

Saturday December 7 saw our annual Christmas Party, this time the membership supported the idea of letting others do the cooking and shared a meal together at the Freemasons Hotel. With Bob & Merv being awarded certificates and badges by the RFDS for their efforts with the raffles.

# THAT'S A WRAP FOR 2024

**Opening date**

**6th Feb 2025**

Playgroup has wrapped up for 2024 and we celebrated with a wonderful Christmas windup and Graduation to Kindy at Beverley Station Arts gardens. There was an excellent turnout of members and family guests. We decorated Christmas baubles, danced on the stage, shared a picnic morning tea, played with bubbles, received gifts and graduation certificates.

**AGM NOTICE**

**6th Feb 2025 9am**

**followed by special general meeting**

While playgroup sessions are on hold, the committee is busy planning and preparing for an exceptionally playful 2025. If you are interested in getting more involved, contact Mel on 0429504063 or email [beverleyplaygroup@gmail.com](mailto:beverleyplaygroup@gmail.com)

## Beverley Community Markets 2024 report

2024 found us in new premises at the Town Hall thanks to the Shire of Beverley. It has been great to have somewhere that provides undercover markets and has attracted new stall holders with the added feature of a stage that has meant we can also showcase local, and Perth based entertainment for the markets.

We thoroughly enjoyed the Perth Gospel Choir earlier this year and they will be back in 2025. Also, Vicki and Alan Primrose have entertained us throughout the year and as a Christmas bonus our local line dancing members gave us a great display. I hope in 2025 we will be able to provide and show off more local talent. If you are interested, please give me a call.

It has been a busy year watching our markets grow, we are attracting more and varied stall holders. Our Easter Markets, held at the Station Arts was a huge success and they will be held there again in 2025. To help our fundraising we also did the catering at the canteen for Beverley Agricultural Show, plus Devonshire Teas at the annual Beverley Rose Show, which brings me to the amount raised throughout our market year for Beverley Junior Sporting Council was \$5,887. We also donated \$1,000 to the Beverley Early Years Network.

We also gave “Thomas”, Monica and Graham free stall space throughout the year, so they could raise awareness and funds for Camp Quality & WesCarpade.

Alyssa from the CRC came and promoted ‘SOCK Week’ in June, plus other children-based initiatives happening throughout the community. So, we are truly about community.

Our Christmas Markets rounded off a fantastic year with lots of fun and fundraising. I would like to give a big thank you to all stall holders and volunteers that have made the year successful. We hope to see everyone back in 2025. Also, many thanks to the CRC staff who have helped with our promotions.

## ‘STAYING IN PLACE’ IN BEVERLEY

InCasa Country has partnered with the Beverley CRC to assist older residents to get access to support services and care at home. The CRC is committed to helping our older residents, by cutting through the complexity of accessing federal funding and managing support care workers to better support you living at home.

**Step 1** - Make an appointment at the CRC who will arrange an assessment with My Aged Care. To qualify for an assessment, you must meet these age requirements - you are 65 years or older (50 years or older for Aboriginal or Torres Strait Islander people).

**Step 2** – My Aged Care assessment team will come out and do an at home assessment.

**Step 3** – If you’re eligible, My Aged Care will allocate you a Home Care Package.

**Step 4** – Sign on with Incasa via the CRC, to develop and activate your Home Care Package.

**Step 5** – The CRC will organise and manage a dedicated team of support workers for you.

### What things can I access if I’m on a Home Care Package?

If you’re eligible for a Home Care Package from the Commonwealth Government, funding is made available to assist with the costs in staying at home. *You may be eligible for:*

**Personal Care** – assisting you to perform essential self-care tasks

**Domestic Assistance** – supporting you to complete everyday household tasks

**Home Maintenance** – Assistance with maintenance of your home and garden ie. cleaning and gardening

**Meal Assistance** – Assisting with meal preparation or meal delivery

**Transport Services** – Helping you get to appointments or activities outside the home

**Social Support** – Keeping you connected to your local community and hobbies

**Respite Care** – Providing relief to carers

**Clinical Care** – Access and coordination of key health professionals to suit your individual care plan

**If I'm worried about my ageing parent/s in Beverley, can I contact the CRC?**

Absolutely, we understand that families don't always live in the same area and are unable to keep an eye on their loved ones. If you're concerned about a parent who seem to be struggling with everyday tasks, feel free to contact Sam at the CRC who can walk you through the process of requesting home support services through My Aged Care.

**I can't get out and about at the moment, can you visit me at home to talk about the Staying in Place program?**

We sure can. If you're unable to visit us at the CRC, we can arrange an at home visit to talk about the program, arrange assessments with My Aged Care, onboard you with InCasa if you've been allocated a HCP or help you change your service providers if you're not happy with your current provider. Call to make an appointment today.

**A loved one or family member suddenly needs aged care. What can I do?**

There are three options for you:

- For urgent medical care, call their doctor or emergency services on 000.
- For emergency respite care, contact Carer Gateway on 1800 422 737. For more information, you can go to the Carer Gateway website [www.carergateway.gov.au](http://www.carergateway.gov.au).
- For ongoing care (longer than respite can provide), call My Aged Care on 1800 200 422 to arrange an assessment. If you want to speak on their behalf, you will need to become their representative.

**I would like an online account to access my My Aged Care account, how can I do this?**

To set up an online account you need to register with My Aged Care first. To register with My Aged Care, call 1800 200 422 or apply for an assessment online. Once you're registered, you can sign in to your myGov account and link your online account to access your My Aged Care information. You only need to do this step once. If you need help setting up your MyGov account, call the CRC to **arrange an appointment** to set up your account.

## Beverley St John Ambulance

Golly gosh, we have all celebrated Christmas and the New Year, we hope everyone had a great time celebrating with family and friends.

As usual our Ambulance Volunteers have been on the go on a regular basis. Lionel, Ian & Peter attended the Men's Shed in December to demonstrate the AED and how to use it should they ever need to.

Hopefully not!!

There have been a few membership renewal queries over the past few weeks. If you are unsure if your membership is up to date, call in at the Sub Centre on a Tuesday or Thursday between the hours of 9am & 3pm, Jen, our Office Admin Officer, would be only too happy to put your mind at rest regarding your membership and check it out. If you are not a member of our Sub Centre and would like to become one Jen can help on that too. New to Beverley and would like to become a member, Jen can also help with this. You joining the Members Benefit Funds helps our local Sub Centre as well.

Our Annual Christmas BBQ was well attended by crews and family and from all reports everyone enjoyed the evening immensely. A highlight of our end of year celebrations are the 'Funny Awards', given to our Volunteers who have done something unusual throughout the year. Most years we have a 'Roo Award', but this year all our drivers were lucky enough not to tackle a kangaroo on a trip hence no 'Roo Award'. Linda received the 'Houdini Award', (for turning the lights handle at the oval the wrong way and breaking it off), Lionel received the 'Mowers Award' (for mowing over his mobile phone and putting it into a thousand plus pieces), Chad received 'The Mohamed Award', (can't really explain this one.), and Jenny got the "Lead Foot Award" (this is self-explanatory)! Over the years we have had some really funny awards for our crews.

A small presentation was made to Drew Doncon for his Service to our Local Sub Centre and unfortunately Sue Eramiha was unable to attend to receive hers. These retiring Volunteers have given many years of service to our Sub Centre and we can't thank you enough for the time you have given the Organisation.

## Thank You Letters from BDHS Year 2s to Dead Finish Museum Volunteers.

31/10/24

Dear Historical Society,  
My favourite was dressing up and washing the clothes. I also liked the refreshments. I liked the fairy bread. Thank you for the gifts.

From Lacey

31-10-24

*Dear Historical Society,  
Thank you for showing us around the museum. My favourite part was the dress up. I also liked polishing the silver. The refreshments were lovely. I liked the biscuits and getting the penny too.*

From Lyric

31/10/24

Dear Historical Society,  
Thank you for showing us around the museum. My favourite part was the school room and the dress up room. I dressed up in a dress, jewellery and a hat. I really liked the fairy bread and the gifts.

From Megan

31\10\24

Dear Historical Society,  
Thank you for showing us around the museum. My favourite part was washing the clothes because I just found it really fun. My other favourite activity was the school room because I enjoyed writing with a nib pen. I also enjoyed looking at the printing press. Thank you for the ANZAC biscuits, penny and lollies.

From Jacob

31/10/24

To Historical Society,  
Thank you for showing us around the museum. My favourite part was the gifts of a penny and lollies. I really liked washing the clothes and pegging them up.

From Faythe

31/10-2024

*Dear Historical Society,  
Thank you for showing us around the museum. My favourite part was dressing ups and I put on a dress and some gloves and a pretty hat. I went to school after that. I went to washing after that and we went to polishing station and then we had some cordial. Thank you for the lollies and the penny.*

From Ellie-Grace

31/10/24

Dear Historical Society,  
Thank you for showing us around the museum. My favourite part was washing the clothes. I liked how you could hang clothes up and dunk them in water. The school was fun because you could write with a different pen. The refreshment was delicious. My favourite bit was the fairy bread. I liked the lolly bags and the penny.

From Lucy

31-10-24

Dear Historical Society,  
Thank you for showing us around the museum. My favourite part was writing with a nib pen in the school room. Thank you for the gifts and I loved the fairy bread, the penny and the lollies.

Dear Historical Society,  
Thank you for showing us around the museum. My favourite part was dressing up and the school room. I liked the nib pens. I really liked the ANZAC biscuits and also the cordial. Thank you for the gifts. My penny was from 1963.

From Orla

31-10-24

Dear Historical Society,  
Thank you for showing us around the museum. My favourite parts were polishing the silver and dressing up. I thought polishing was the best. I also enjoyed the refreshments. I loved the fairy bread and ANZAC biscuits. The gifts were so cool. I got a penny that was made in 1952.

From Theo

31/10/24

Dear Historical Society,  
Thank you for showing us around the museum. My favourite part was silver polishing and thank you for the refreshments. I really liked the ANZAC biscuits, Thank you for the gifts. I also really loved the printing press.

From Aviana

31-18-24

Dear Historical Society,  
Thank you for showing us around the museum. My favourite part was polishing and dressing up. I thought the polishing was the best. When I went outside, I thought the printing press was fascinating. When I had the refreshment, my favourite food was the fairy bread. The penny that I got had the date 1951 on it

From Jagger

31/10.24

Dear Historical Society,  
Thank you for showing us around the museum. My favourite part was dressing up and the old school room. I thought that was really cool. At the dressing up I dressed up as a young lady and I loved the old pens. When I went outside, I loved the old printing press. I don't think I saw the fence but that doesn't matter because I still got refreshment. I really loved the ANZAC biscuit and cordial. Thank you for the penny and the lollies too.

# CRC UPDATES AND NEWS

## Send It – Beverley Pen Pal Program 2024

The Beverley Community Resource Centre would like to extend our thanks to everyone who participated in and supported the Beverley Pen Pal Program – “Send It”. This program successfully created meaningful intergenerational connections for the 21 students and 21 seniors that we paired. We hope that all participants enjoyed the program and meeting their pen pal at the end of Term 4. A huge thank you to Sam Gollan, year 2/3 teacher and Beverley District High School, for collaborating and celebrating the success of the Pen Pal Program. To the staff at Beverley Alex Miles Lodge and Beverley Hospital, your support and assistance have been greatly appreciated in 2024.

## Update for Bingo 2025

In November we hosted our final session of Friday Bingo for 2024, with a massive attendance. A heartfelt thank you to John and Patricia for stepping up as our bingo callers in 2024. We are excited to resume our bingo sessions in February 2025, and we look forward to seeing everyone in the new year!

## Christmas Storytime 2024

We collaborated with the Beverley Early Years Network for the 2024 Christmas edition of Storytime. We enjoyed listening to special guest Jenny Broun read to the group and Paint Beverley REaD egg. We finished the session with making reindeer food and writing letters to Santa.

## Christmas Cooking Competition 2024

Congratulations to Jacinta Murray on winning the \$200 Kitchen Warehouse gift card. We would like to thank those who entered this year’s competition as well as our judges for volunteering their time to judge during this busy time of the year.

## Shop Local Competition

From October to December 2024, we hosted the Shop Local Competition. This initiative aimed to encourage and reward our community for supporting local businesses. Thank you to everyone who participated and to the businesses that helped make this possible. Congratulations to the winner, Sandy Woods! Enjoy your \$200 voucher.

## 2025 Clubs Update

Our staff are reassessing the 2025 after-school programs that we will be offering in 2025. We ask that if your child is interested in these clubs scan the QR code and let us know.

## Beverley CRC Annual Report

If Beverley CRC members would like to receive a printed or digital version of the 2023–2024 Annual Report, please inform our staff. We will arrange a copy for you.

## 0 – 5 STEAM Sessions

Every Monday this February, we will be hosting free, hands-on sessions running from 9:30am to 10:00am, offering exciting activities for children aged 0-5. Don't miss out – RSVP your spot today.

Better legume inoculation solutions for modern farming

## Improve Your Yields Grow Your Own Nitrogen

That's What ALOSCA Technologies Offers

**Order Now to Guarantee Supply and Beat the Price Rise**

ALOSCA granules provide flexibility like no other inoculant.

Unlike traditional inoculants which are limited in when they can be applied due to the mortality of the rhizobia, ALOSCA Granules can be sown into dry, unfavourable conditions and remain viable in the soil for months until being activated by the same seasonal rainfall that germinates the seed.

Contact your local distributor and order now to go into the draw to win 1 of 3 YETI Coolers

### ALOSCA Granules at a glance:

- Can be dry sown
- Can be used with seed dressings that are typically harmful to other inoculants
- Simple to apply and can be blended with fertiliser, seed or applied by a third box
- Can be stored for extended periods
- No need for time consuming inoculant slurries to be applied during seeding
- May be applied in the season prior to growing legumes
- Australian owned and manufactured

For more information on how ALOSCA can benefit your operation, contact ALOSCA Technologies on (08) 6305 0123 or visit [alosca.com.au](http://alosca.com.au)

**Order through your local distributor today and make sure to ask for ALOSCA granules.**

## Beverley C.W.A

Well, another year has begun. We hope that everyone had a wonderful Christmas and New Year. After a restful holiday, the ladies are now getting ready for another busy and eventful year. Along with our usual activities, you know the raffles, cake stalls and morning teas, we will have another big event this year. In October, the Branch will reach a milestone that we would like to celebrate with you all. **The Beverley Branch of the C.W.A will turn 100 years old.**

Here are some quick facts about the Beverley Branch:

- ❖ From October 12<sup>th</sup>, 1925, the C.W.A has been a part of the town and has been involved in many activities and decisions over the last 100 years.
- ❖ The idea of a branch in Beverley was brought to reality by Mrs B Fisher and Mrs Sten, both local ladies who were members of the metropolitan branch.
- ❖ The first President of the Branch was Mrs Beryl Fisher, who went on to become the second State President, gained Life Membership and became one of the most recognisable and respected women of the association.
- ❖ Many other women of the district joined the association and as the years went by the membership fluctuated. In later years, the number of members even reached 120.
- ❖ From the first meeting being held in a room at the Mechanics Institute to the goal of having their own restroom.
- ❖ Before the rest rooms were built where they are now, they could have been built elsewhere in the town. The land was generously donated to the Beverley branch and the rest room finally built in 1936.
- ❖ Over the years, members of the branch have been instrumental in many projects that not only benefitted the people of Beverley but across the state.

The branch, like many other organisations, has had its ups and downs over the years but here we are, counting down to our 100<sup>th</sup> birthday.

So come and join us in celebrating this magical milestone throughout the year!!!!

### Special Celebrations

During January we will have the opportunity to celebrate some very important events in the life and mission of Christianity.

- **The Epiphany**, celebrates, by virtue of the arrival of the Wise Men from the East, the fact that Jesus the Messiah for the Jews came to be the Christ for all humanity also.
- We recall that Jesus as with all his followers was called to be baptised and so the **Baptism of Jesus** in the Jordan River by John the Baptist is celebrated.
- Toward the end of the month, we celebrate momentous moments in the lives of two great Apostles: **Confession of St Peter and Conversion of St Paul** - St Peter magnificently confesses Jesus to be the Messiah/the Christ, and St Paul who as Saul the Pharisee had been a cruel persecutor of those who followed in the Way of Jesus Christ, is miraculously converted on the road to Damascus.

There will be a special **Patronal Festival Service** in honour of St Paul at 5 p.m. on Sunday, 26<sup>th</sup> January at **St Paul's Church, Edward's Crossing**. After the service members of the congregation are welcome to adjoin to a local hotel to share a meal.

## BEVERLEY CROQUET

It's been a busy 6 months for the Beverley croquet group as we've had a couple of interesting novelty events & held our Singles & Doubles Championships.

Singles Championship saw 11 players competing with the eventual winner for 2024 being Vicki Jenkin.

The Doubles Championships saw 6 teams competing with the eventual winning team being Sandy Woods & Vicki Jenkin.

In November we introduced "the player of the month" competition. All players had their scores recorded for the month & on last playing day of the month scores were totalled with Sandy Woods being the winner, runner up Vicki Jenkin. Both received a mystery prize. As this idea has been very well received by players it'll become a monthly event.

The game of croquet involves playing over a set course of 6 hoops from 1 to 6 in a clockwise direction then anti clockwise playing up to 12 hoops in all. Games can be played in teams of 2 or singles.

Only one of the 4 balls need to go through the hoop to score for the team. Then all players play on to the next hoop. This continues till a team (or person in game of singles) scores 7 hoops. In the event of a tie after 12 hoops have been played then to determine a winner the games goes to a 13 hoop.

The intent of the game is to help assist your partner to winning hoops and to keep the opposition away from scoring. There is a common saying amongst croquet groups

*"old age & treachery will overcome youth & skill"*

Croquet is played Wednesday & Friday mornings on the grassed lawn at the Bowling Club.

## You Can Teach an Old Dog New Tricks

BY THE REGIONAL MEN'S HEALTH INITIATIVE  
January 2025

*Celebrate the power of people continuing to learn throughout their lives.* Australian and international research supports that when people take an active approach to learning in their adult years, they develop skills, confidence and courage to live independently, find work and shine at new skills. *Lifelong Learning* encompasses a wide range of learning opportunities from schooling, other formal education institutions, workplaces and through community participation.

Does this mean we all have to enrol in University, TAFE or a certified training course? The short answer is no, as learning is no longer considered an activity confined to education institutions. Rather, it is recognised as happening in the workplace, in the home and during leisure time. This is known as *Informal Learning*, which does not result in a qualification or certificate, but can be considered to embrace a whole range of activities that enhance life skills such as:

- Reading
- Using the computer or the searching the internet (you must be careful here!)
- Watching TV/ listening to the radio
- Visiting libraries or museums
- Playing sport
- Attending community forums or information sessions (guest speakers)
- Joining a Men's Shed / CWA / or other community groups
- Volunteering
- Mentoring within the workplace

It never ceases to amaze me the stories we hear from blokes involved in WA Men's Sheds who have either reconnected with or learnt a new skill. This in turn can create a sense of pride, achievement and that all important sense of meaning and purpose that we all, especially blokes, seek in life's journey.

At Regional Men's Health we talk about our social / spiritual wellbeing which is one important aspect to our overall health and wellbeing. It is this aspect of our health that is unique to the individual and can be what each of us wants it to be. It is where we get our identity, individuality, sense of self, meaning, purpose, passions and interests. Sometimes though these things do not just simply appear or develop by themselves without effort; some of us will have to spend time to grow and nurture our passions and interests.

Learning experiences may not always come our way. We may need to actively seek them out or expose ourselves to the right environment to provide this opportunity, and this could mean trying more than once. Like the old saying 'If you do what you have always done, you will get what you have always got'. Getting out of our comfort zone, trying something new, and revisiting the things that used to get us excited can help enhance our sense of fulfillment and happiness.
