SHIRE OF BEVERLEY PRESIDENT'S REPORT

Electric Vehicle Dual Fast Charging Station

With the construction of the Cornerstone Building, provision was allowed for the installation of a charging station for electric vehicles. Inaction on installing this was solely due to the cost of such a station but things have finally changed and Council has partnered with Sonic Charge who will install, maintain, and operate the Charger at no cost to the Rate payer. It will be a dual station allowing two vehicles to fast charge at any time. To the skeptics of electric vehicles who may wonder why even go to the bother of installing this facility, it was a no brainer as it risked Beverley being alone without one thus losing the visits from people with electric vehicles.

Trails Planning

The Shire was recently successful in receiving funding from the WA Bicycle Network Grants Program 2024 for the feasibility, concept, and design of the Commonage Hill Trail Project. Studies are expected to commence in July 2025.

In a separate project, the Shire of Pingelly in conjunction with the Shires of Beverley, Brookton, Cuballing, and Narrogin have developed a scope and initial concept for a transport trail from Beverley to Narrogin, officially called the Beverley to Narrogin Transport Trail. The scope of the trail has been completed including a pre-feasibility assessment, corridor identification and in principle agreement between the respective local governments. This project is also the recipient of successful funding from WA Bicycle Network Grants Program 2024 to further develop the concept plans in conjunction with the local communities and key stakeholders.

Bridge and Road works within the Shire

Everyone will now be aware that the York Williams Road south of the Waterhatch Road is closed to traffic other than local traffic. Work has finally commenced on the construction of a new two-lane bridge to replace the single lane that has been there for many years. A bridge built for horse and cart is finally being brought into the 21st century. We appreciate that over the next six-months this will prove an inconvenience to many with extra distance and travel time but it is a small price to pay for finally having something more appropriate and safer.

The Bremner Road bridge continues to lag due to Ministerial inaction as we await signoff of the Section 18 to commence the work. For the contractors this is even more frustrating as their work timetable does not permit this sort of delay.

Waterhatch Road widening is expected to commence in February, starting at Kokendin Road and heading 2kms east towards the townsite. Reseals of the widening works completed last year on the Mawson, Morbinning, and Waterhatch Roads will commence on 28th January.

In Brief

Main Roads have provided the following updates: Great Southern Highway – Beverley to Brookton; shoulder sealing and road rehabilitation on Great Southern Highway between Beverley and Brookton is currently due for completion by the end of March 2025.

Great Southern Highway – York to Beverley; shoulder sealing is due to commence at the end of January 2025 until May 2025. There will be lane closures, speed restrictions and temporary traffic lights in place, so please allow extra travel time.

State Election

The Shire has received advice that there are still hundreds of casual employment positions across the state available for the upcoming election. To see positions, view pay rates and apply, visit: <https://www.persolkelly.com.au/youve-got-a-date-with-your-state/>

Roads Roadworks

York Williams Road – Road Closure 13 January to June 2025 - Bridge 3197 Replacement

York Williams Road will be closed for a bridge replacement between 13 January and June 2025.

Bridge 3197 is approximately 11 kms from the Great Southern Highway just south of Beverley.

The new bridge will have two traffic lanes unlike the old bridge which is a single lane bridge.

Great Southern Highway – Road Rehabilitation and Shoulder Sealing – Beverley to Brookton

Shoulder sealing and road rehabilitation on Great Southern Highway between Beverley and Brookton is progressing well and is due for completion by the end of January 2025.

We appreciate the patience shown by road users to enable a safe work site.

Timber bridge 311 (near Smart Road) is also due for replacement and the road will be realigned 2 kilometres either side of the bridge. This will be done at a future time.

Great Southern Highway – Shoulder Sealing – York to Beverley

Culvert extensions are currently underway between Young Road and Beverley and scheduled for completion mid-November 2024. Shoulder sealing will shortly commence in January 2025 until May 2025.

There will be lane closures and speed restrictions in place, so please allow extra travel time.

Should you have any enquiries, please contact Main Roads via our website www.mainroads.wa.gov.au or by phone on 138 138.

IMPORTANT NOTICE

Department of Transport Licensing in 2025.

Due to staff leave and the training of new staff, there will be **NO** Department of Transport licensing services until Wednesday 19 February 2025 with the exception of the Practical Driving Test days. The nearest places to complete in-person licensing are Brookton and York. We apologise in advance for the disruption to services and the inconvenience this may cause.

Great Southern Highway – Road Rehabilitation and Shoulder Sealing – Beverley to Brookton

Shoulder sealing and road rehabilitation on Great Southern Highway between Beverley and Brookton is currently due for completion by the end of March 2025.

We appreciate the patience shown by road users to enable a safe work site.

Great Southern Highway – Shoulder Sealing – York to Beverley

Shoulder sealing is due to commence at the end of January 2025 until May 2025.

There will be lane closures, speed restrictions and temporary traffic lights in place, so please allow extra travel time.

Should you have any enquiries, please contact Main Roads via our website www.mainroads.wa.gov.au or by phone on 138 138.

FEBRUARY 2025

New Year is well and truly here and January almost over. January saw three of our wonderful Volunteers celebrate their birthdays and we hope they all had a wonderful day. Ian, Jodie & Amanda.

Training re commences on 4th February with a joint 'Welcome back' BBQ with Committee and Crew. Lets hope the weather is kind on the night, not too hot and not cold.

As always we are looking for folk who would like to join our ranks as a Volunteer Ambulance Officer. Really it isn't hard work but can be time consuming. A trip to Northam is around 4 hours and to a Perth Hospital can be up to 6 hours. Yes we do go to accidents, yes we pick up people from home but mostly we do transfers out of Beverley Hospital to a designated destination. The Volunteers at Beverley are an amazing and great group of people to work and learn with, team work is the motto and everyone works together for the betterment of our small Community. Training is twice a month 1st and 3rd Tuesday each month from 7pm to 9pm. Every fortnight van checks are done to make sure the Ambulances are well stocked with everything that is required and also it keeps the Volunteers up to date with equipment and where everything is in the Ambulances. Volunteering is very rewarding! So if you're thinking that you would like to Volunteer why not ask a few questions of one of our team or better still come and watch us train to see if it is for you.

Lionel taking it easy at Van checks, but he is checking the Oxygen bag has all the necessary equipment in it and is all up to date. With this hot weather that has been around of late make sure you keep your fluids up and keep well hydrated and keep cool.

That's all for this month, but if you have any queries the Sub Centre Office is open each Tuesday and Thursday 9am – 2pm where Jen our Office Administrator would be only too happy to help you.

Harvest Bans And Extreme Fire Danger Warnings

No burning whatsoever is permitted on days of HIGH or above FIRE DANGER or where WINDS EXCEED 20 km/hr. Harvest bans and the prohibiting of vehicle movement in paddocks are broadcasted daily on RadioWest and ABC radio.

Dress Standard for Fighting Fires

The minimum standard of dress for ALL persons attending a fire is:

- LONG PANTS
- LONG SLEEVE SHIRT
- BOOTS

Any person not conforming to this standard and not meeting minimum training standards will be requested by the Fire Control Officer to leave the fire ground. If you choose to remain on the ground, it is at your own liability.

Water supply in a bushfire

This information could save your life

While leaving high-risk bushfires is the safest option, if you plan to stay and defend your home, you must have an **INDEPENDENT** water supply and pumping capability. This typically requires water tanks of at least 20,000 litres, pump and generator.

This is required as mains water supply and pressure cannot be guaranteed during a bushfire due to the risk of power cuts, fire damage and extreme demand.

Use the Department of Fire and Emergency Services resources to develop your personal bushfire plan: mybushfireplan.wa.gov.au
You can also download the My Bushfire Plan app via the App Store or Google Play to access your bushfire plan anytime - even without an internet connection.

To support bushfire plans, if you have groundwater bore access to surface water, you can take and store emergency water without it counting against your annual entitlement. For more information on this, and for the location of emergency bushfire water supplies in dryland agricultural areas, visit the Department of Water and Environmental Regulation website.

Drinking water

We recommend you keep a supply of drinking water on hand throughout summer in case your water supply is interrupted.

Assistance for customers affected by bushfire

After a bushfire, we can assist you with issues such as damaged water meters and payment difficulties. If you have been affected by bushfire please call us on **13 13 85**.

The Emergency WA website emergency.wa.gov.au provides emergency information and community safety warnings. Call **000** in a life-threatening emergency or the SES **132 500** for emergency assistance.

ARE YOU READY TO STEP INTO VOLUNTEERING?

We are looking for Volunteers.

Beverley Health Service

1 Sewell Street, Beverley WA 6304

*Do you have spare time?
Do you enjoy helping others?*

Volunteering offers many incredible benefits and opportunities. Volunteers create, support, and sustain organisations delivering services and activities that are essential to our communities.

We require volunteers, so please do not hold back, contact the Beverley Health Service on 9646 3200 if you wish to volunteer regarding meals on wheels and other ongoing transportation.

Make a difference to the lives of others - Give something back - Help others less fortunate - Feel valued and part of a team - Meet new people and make new friends.

Volunteering gives you the opportunity to become an active member of your community, while helping others and yourself.

Volunteers are the backbone of Western Australian society.

When we consider the benefits gained from volunteering, we are all winners – the impact has a ripple affect starting with the volunteer, the organisation, service and/or people benefitting from the volunteer and the impact this has on our community.

BEVERLEY CWA "CELEBRATING 100 YEARS"

Well, here we go again. The ladies are getting ready for a big year. But, before we get to do all the fun things like our raffles, cake stalls and of course our 100th birthday party, we need to get the official business done first. So, on Wednesday 19th February, we will be holding our AGM to elect our office bearers. After our AGM we will hold our first monthly meeting for the year and this is where we will start planning what we will be doing for the coming year, you know all the raffles, cake stalls etc.

With a special year ahead of us, why not come along just to see what we are about. Come along at 9.00 am for a morning tea and a chat. The AGM starts at 9.30am.

Want to know more about Beverley C.W.A? Why not call our current President, Pat Hambly.

We look forward to seeing you all, either at our meetings or helping us celebrate throughout the year.

Beverley Garden and Tree Society

We wish all members a very productive and happy 2025 and may your gardens survive the intense summer heat.

2024 was another busy and enjoyable year for Garden and Tree Society members as we joined together for many and varied activities. We visited several gardens in town including those of Clive and Linda Nicholls, Lyn and Barry Johnston, Bronwyn, Gerry and Areta. A trip to Government House and gardens in conjunction with the Historical Society was a great success. Another highlight was the Flower Arrangement and Presentation Workshop with Sue Deadman. A visit to CT Nursery in Westdale opened our eyes to a very well stocked and economically priced local business. Once again in partnership with the Historical Society, we presented a beautiful display at the Ag Show.

The Beverly Rose and Quilt show in October was a great success once again.

We are continuing our work on improvements to the Dead Finish garden with a new reticulation system high on the agenda for this year.

The AGM saw little change in the committee being President Linley Thompson, Secretary Dorothy Sampson, Treasurer Valery Seeber, new Vice President Gerry Brennan and Social Secretary Di Colebrook. Betty Wauchope will continue as our very capable morning tea organiser and general assistant to all.

Anyone wishing to become a member is most welcome. Please ring Dorothy on 0429 989 031 for more information.

The first meeting for the year will be held on Tuesday the 4th of March at 10.30am at a venue to be announced.

How do EScripts work?

Your doctor will send you a link by SMS or email. The link has a unique QR code, known as a digital 'token' — this token is your prescription to take to a pharmacy. Your token will get scanned by the pharmacist, so they can access your prescription and give you your medicine.

What is memory loss?

Everyone forgets things sometimes. Perhaps you can't always remember where you left your keys or think of the word you need straightaway.

Some memory loss can also happen as a part of normal aging. These small changes in memory don't interfere with your everyday life.

If you find yourself forgetting important things more often, this is memory loss. Major changes in your memory are not normal at any age.

If you are getting forgetful or confused, you might be worried it's dementia. There are also other conditions that can lead to problems with your memory.

When should I see my doctor?

You should see your doctor if your memory problems are affecting your daily life. It may be a relative or friend who notices your memory problems before you do.

It's best to get it checked as soon as you notice there's a problem. This is because many causes of memory loss can be treated.

Also, getting a diagnosis can take more than one visit to the doctor. Once you know your diagnosis you can find ways to live with it.

Care outside normal opening hours

When the Beverley Medical Practice is closed you can always get medical attention by calling – Ready Care 1800 225 523 or calling Health direct on 1800 222 222 or by attending the Beverley District hospital, located in Sewell Street Beverley, where experienced staff will triage the patient and contact the on-call doctor.

Emergencies call 000

St John Ambulance Australia is offering a new eLearning resource teaching basic first aid skills that can be used in the crucial few minutes post-accident. The online training takes 30 minutes and it is completely free. The interventions taught will create educated drivers who are ready to assist in the event of a road emergency.

DALE COMMUNITY HALL AND
GROUP

UNVEILING OF TIME CAPSULE

DATE-SATURDAY 29TH MARCH

TIME- 11AM

BRING AND SHARE LUNCH.

YOU CAN CONTACT ANNE FISHER -0458472055 OR
YVONNE HOBBS -0438370755

THE TIME CAPSULE WAS PUT AWAY IN 2004 AND WE ARE UNVEILING THE
CAPSULE IN MARCH 2025 INSTEAD OF IN 2054.

THIS IS DUE TO LACK OF NUMBERS IN THE GROUP AND UNCERTAINTY OF THE
FUTURE OF THE DALE COMMUNITY HALL AND GROUP.

Beverley River Care Group

Our waterways hold immense value for our community. The Friends of the Dale have made remarkable contributions to their area, including revegetation, walk trails, and improving habitat for the Rakali. However, the Avon River presents a more significant challenge, and until now, there hasn't been a dedicated community group focused on this river.

In collaboration with the Friends of the Dale, the Beverley Naturalists, our Shire, and community members, the newly formed Beverley River Care Group is committed to addressing the neglect and becoming a central hub for:

- Knowledge sharing
- Action through weeding and revegetation
- Connecting with government departments
- Engaging with the community to foster pride in our rivers

Join us for an hour or so to meet like-minded locals at the Amenities Room, Beverley Recreation Ground, Forrest Street, Beverley on Thursday, February 6th at 4:00 pm.

We welcome your ideas and suggestions. Let's start small with achievable goals. Practical support for the Shire's Tracks and Trails Masterplan being implemented by the Tourism Officer, seems like a promising starting point. Perhaps we can initiate track clearing or organise a weeding event. It's worth noting that over 20 years ago, great scientific research was conducted, yet significant changes haven't been made since then. We don't need to reinvent the wheel; the data and evidence-based solutions are readily available.

Our steering group has met, incorporation has been applied for, and a website will be launched.

Come along on the 6th February to be part of the team. Membership is \$5 from 1st July.

Convenor is Tim Law 0412 747757 tim@peoplehelp.com.au

SUPPORT WORKERS NEEDED

If you're looking for full time, part time, school hours or simply wanting to supplement your pension, there's plenty of flexibility for anyone looking to join our local Mable workforce.

We are looking for registered and enrolled nurses, podiatrists, physiotherapists, carers, cleaners and gardeners.

The 'Staying in Place' program in Beverley aims to keep senior residents in their homes as long as possible with the help from local support workers.

Please contact Samantha Fricker stayinginplace@beverleycrc.com.au or 9646 1600 for more information.

Station Gallery Open Hours: 11am – 3pm Thursday, Friday, Saturday, and Sunday

Artists-in-Residence at the Station

JANUARY 2025 Artist-in-Residence

Laura Heffernan was Artist in Residence during the second half of December, and then, as Timo Rytkonen from Finland was unable to come here for his

residency due to family illness, Laura stayed on till January 20. She loved her time at the Station spending her days embellishing her sculptures with glass beads, sequins and pins, giving them quite a romantic touch.

FEBRUARY 2025 Artists-in-Residence

Maureen (Mo) Faas January 22 – February 17:

Mo been painting and exhibiting since 2019, is continuing her art practice at the Station Gallery studio, though she is keen to paint plein air and asks anyone interested in joining her to pop into the gallery to arrange some outings.

Then from February 19 - March 4: **Lorraine Pichugin**

Lorraine is a multi-award winning Representational Artist who works with dry media and oils in layers of colour on form brought out through the interplay of light and shadows.

Lorraine will be conducting a **WORKSHOP** on **Sun 23 Feb** 1pm to 4pm on **Working with**

Charcoal at a cost of \$65 with all materials supplied.

EXHIBITION: "Beverley in Black and White"-

Lorraine's mostly charcoal pieces that are works of Beverley and the surrounding area, all of which will be available for purchase. **Opening night on Friday 21 Feb 7pm - 8.30pm** at the Station with drinks and nibbles. Additional information will be available in the weekly Beverley Bulletin, BSA socials, and emails. Or call A-i-R Coordinator Marylou Hutchinson on **0427 085 511**.

Beverley Art Prize & 56th Annual Exhibition

Beverley Art Prize & 56th Annual Exhibition entry forms are out for the big Easter Exhibition **Thurs 17 April – Sun 27 April 2025**. (Note that the exhibition will run for a total this year of **10 days!**) We will of course be asking for volunteers to man the exhibition, so if you have a few hours to give during that time it would be most appreciated.

The town's renowned 2D media art show includes the Beverley Art Prize valued at \$5000. Total prize pool of \$14,000 includes six sections with prizes of \$1000 each. Age categories for children - Under 5 years, 5 to 7 years, 8 to 11 years, and 12 to 15 years. Artists aged 16 and above will exhibit in Sections 1 to 8 and will be eligible for the Young Artist Award.

Entries close March 28. Anyone wishing to enter works of art into Easter Art Exhibition can do so via our new entry system at beverleystationarts.com For online entries simply follow the prompts under Beverley Art Prize.

For further information contact Exhibition Secretary: beverley.art.exhibition@gmail.com or Jenny Brown: admin@beverleystationarts.com

Also, anyone wishing to sponsor this important annual event please make contact.

Beverley Plein Air Weekend & Exhibition

Save the date for those interested in attending Plein Air Beverley 4,5,6 April (arrival from Friday 4). This is a participation event, which is self-directed...ie, you are responsible for your own art materials and equipment, catering, transport, accommodation and managing your own risks.

This 2-day format will be capped at 50 painters, so if you are keen to join the fun of painting outdoors in and around our beautiful Beverley, simply send your name, email and phone number to the email mailbox pleinair.beverley.wa@gmail.com

A modest entry cost of \$20 per artist covers meet and greet snacks on Friday and access to Avondale farm on Sunday.

PERFORMING ARTS

Looking for something different to do in 2025? Could you give Elvis a run for his money when singing in the shower? BeSaSSy is back with a fresh look and a new name. The **Station Singers** are ready to go and looking for members like you! Our weekly sessions are free and full of fun, so come along and be a part of our community choir. Everyone is welcome.

We meet every **Tuesday** in the **Green Room** at the Platform Theatre [to the left of the stage] from **6.00pm – 7:30pm**. Please feel free to come along and see if you like it - no obligations. All we ask is that you become a member of the Beverley Station Arts if you decide to stay (\$30/year).

In the past couple of years, we have covered songs by The Police, The McClymonts, Nirvana, Jessie J, Blake Shelton, Gwen Stefani, Adele, Lady Gaga, Nat King Cole, Rod Stewart, John Denver, and many, many more. There is something here for everyone! Musical Director, Kellie Shaw, and all the team will begin again on **Tuesday 18 February at 6pm**. We would love to see you there. If you have any questions, please contact Sarah Miller on 0427 464 078.

Holiday News Items from Early Last Century

Beverley Times (WA : 1905 - 1977), Saturday 28 October 1905, page 5

Children's Holiday.

A committee of ladies and gentlemen recently undertook the work of providing a days entertainment for the children. A subscription list was opened and with a balance remaining over from a previous occasion about £24 was raised. Wednesday last was fixed for holding a days sports and the Minister for Education agreed to it being made a public holiday in lieu of Monday which was a general public holiday. The day was beautifully fine and the children mustered in great force on the Recreation Ground where provision was made for their entertainment. From two in the afternoon, races and various games were indulged in, after which the youngsters were regaled at a sumptuous tea to which needless to say they did ample justice. Mesdames Lennard, Adamson, Mann, Blackiston, Weir, Hine, Langsford, W. Chipper, L. A. Edwards, Groser, and Urquhart who comprised the ladies committee were on the ground the whole of the afternoon and with other ladies looked after the children's wants, and Messrs. Lennard, Weir, Wilson, Chipper, W. Davey, Slater, and Nicholas arranged and carried out a programme of sports for the girls and boys. The following are the results of the competitions:—

HOLIDAY HOBBIES.

The purpose of a holiday is to restore the energy that a year's work has taken out of you and make you fit for another long spell. Some people do nothing in their holiday save have one dip, four meals, and a lounge on the sands, per day. Others go in hard for golf, tennis, cycling, walking, and fishing.

Which is the best? The best, that is for the purpose of re-creating (study that word, as divided) a tired mind and body.

Golf? Well, seriously, is that a re-creating sport? It involves a lot of walking. It may make one's temper fray. It is a trifle strenuous. The mental concentration in "putting" takes a toll. And while to go round in eighty may induce a feeling of self-satisfaction, when the card records 100 or more you are annoyed with yourself, and your round has not only done you no good, but may have done actual harm.

Tennis? Not bad. But there is really nothing in it, unless you meet a player as good as, or slightly better than, yourself. Then you have to work. That's bad. You want to spare your body, and most certainly your mind.

Cycling? You can always cycle. No change—no good, or not much. And unless you get into the by-ways, you will be smothered in the dust of motor traffic. Dust is full of germs.

Walking? Again, not bad, but apt to be over-tiring. The temptation to try to do too much, if yielded to, would harm you.

Fishing? Ah, there is the true holiday sport—the perfect re-creation for mind and body. Fresh air, quiet, rest, sufficient interest to avoid boredom—and the helpful scenery (scenery plays its part!) of the sea-washed pier or the grassy river bank. Then there is the joy of the catch!

If holiday recreations could be weighed on some special machine which would show their value, actually and comparatively, fishing would be an easy first.

"SHORT CUTS" TO DANGER.

With every holiday season there comes the usual crop of holiday accidents. Many of these can be avoided quite easily by the exercise of a very little common sense.

Take the bathing accident, for example. A man decides to go for a swim in strange water without making any preliminary inquiries. He takes a plunge from bank or rock and is seriously injured or killed, because the water is too shallow for a bather. You would not think that anyone could be so foolish, and yet this accident is comparatively common.

Then there is the foolhardy fellow who plunges into the sea and gets carried away by a current. He may or may not be rescued, but at best it is a very unpleasant experience.

Neither of these accidents would ever occur if people took the obvious precaution to make some inquiries before attempting to bathe in strange waters.

Then there are the thoughtless holiday-makers who attempt "short cuts" across tempting stretches of sand between cliffs.

You should always study the nature of the ground and the state of the sea before attempting a short cut like this. If the tide is rising you may be cut off from your cliff pathway before you can reach it. Then you may have to lie huddled up on the rocks for hours, or you may even be swept away by the rising sea.

Again, if you are on top of those cliffs, or walking along a headland, remember that sometimes the turf there is deceptive. It may appear firm and strong from above, while it really is jutting out with little or no support from beneath. Trust your weight thoughtlessly to this headland turf, and down you go to the rocks below.

In the country you may meet with an unpleasant experience when you least expect it. Say that you have been for a long tramp, and want to rest. You find the very spot—a grassy patch with a delightful natural pillow, in the shape of a great green hammock.

Think twice before you make use of that hammock as a head-rest. It may be an ant-hill, and if you sleep on it you will be awakened by myriads of indignant ants biting you like fury.

Beverley Historical Society Notes

VALE HEAT HER. The Beverley Historical Society acknowledges with regret the passing of former member and office bearer, Heather MacDonald. Heather was our Secretary in 2004. She was an active member for several years from 1990s to 2000s with her husband Brian (our Treasurer). Sincere condolences to her family.

MUSEUM BUSY BEES. Members are advised preparation for the 2025 Museum opening begins with the new year clean-up busy bees from 3:30 am, Wed-Fri 5, 6 & 7 March. Dead Finish Museum to hopefully re-open 9 Mar 2025.

BEVERLEY CLAY TARGET CLUB

On Sunday, the First of December, the Beverley Clay Target Association held their Christmas shoot.

The event was well attended with roughly 14 marksmen displaying their skills in a variety of novelty competitions that put even the most seasoned shooters through their paces, while 10 or so spectators offered advice, (from a safe distance of course.)

After the activities, every one settled down to a tremendous Christmas lunch and some locally produced artisan soft drinks.

Many thanks to the Ladies for their efforts.

A highlight of the day was the unveiling of two new target throwing machines, known as "traps", that the Club has recently purchased. The new traps are a great addition to the Club allowing a range of different competitions to be held while also allowing our 20 year old trap to be taken out of service for some much needed TLC.

Being able to upgrade our equipment is a great boost to the Club, which was made possible through funding obtained through the Beverley Shire, via the Community Grants Programme, the support of local businesses, and fundraising by our members in the local community. The Committee and members thank everyone for their efforts throughout the year and we acknowledge and appreciate the support of the Shire and Community

As a novelty Christmas shoot, Competitors were able to win prizes, in the form of vouchers from local businesses, by hitting various differently coloured targets, randomly launched by the trap during their competition. This led to a few amateurs going home grinning, while a few of the Veterans had a scowl.

Once again, a big thank you to the local business that supported the shoot.

T-Bone and Son's Butchers, Beverley IGA, Beverley Tyre and Vulcanising Services & SP Tools, Freemasons Tavern, Avon Trading, Brookton IGA, Steelo's Guns & Outdoors,

We are looking forward to 2025 with our new equipment, If you think you would like to give Clay Target a go, contact Club Secretary, 'H' on 0407 457 427 and have a chat.

Beverley Agricultural Museum News

No doubt many of you will be itching to find out the answers to last months quiz so here they are----

- 1, What is the name of the Car Club that visited in August 2024?--- ***Humber Roots Group Section.***
- 2, What colour is the Land Cruiser? --- ***Blue.***
- 3, What Tractor was our local 'Bobby' seen driving? --- ***David Brown Garden Tractor.***
- 4, Who donated a Tractor to the Museum this year? --- ***Margaret Hobbs & Family.***
- 5, What was the Yellow painted item we displayed at the Beverley Show? --- ***Potato planter.***
- 6, How many Moondyne Men came to visit in August? --- ***15.***
- 7, What Tractor was given a tow to get her started? --- ***The Field Marshall.***
- 8, What Colour is the Caterpillar 22? --- ***Yellow.***
- 9, Who came to visit her families donated Lanz Bulldog Tractor? --- ***Peta White.***
- 10, What Family donated the Stuart Tank? --- ***The Moore family.***

Mid last year I received a phone call at home from a guy who said he would like to visit the Agricultural Museum, and that he was in Meckering and passing through the area, at first I was a little reluctant to oblige given I was busy at the time, but if you put your name to something, you need to follow through with your obligations. Well neither Graham or I were disappointed, (although he did seem a little upset that his fathers Stuart Tank was really hard to view being surrounded closely by other items.....something I intend to rectify) and we chatted for over 2½ hours, and later he provided me with some black and white photos and the complete history.

The Stuart Tank ---

After the second world war had ended the purchase of new agricultural machinery was extremely limited until the industry got back on its feet after many of the factories were used for the war effort.

And with the defence department now having a lot of machinery excess to demand, and with no tractors available, some farmers turned to ex-military vehicles instead.

Tom Moore had land to clear on his farm in Meenaar and so purchased a Stuart Tank from Holtfreeters of Northam for 400 pounds in May 1950, the previous owner being G. McGillan of Bruce Rock. It was railed from Belka to Meenaar.

The Trurret had to be removed before it could be used due to its weight and was sold for scrap. As these Tanks usually had a three person crew, Tom set about doing a conversion to

the controls to a one man operation with him centrally positioned so he could see all around. He found that the Tank would travel well on the Sand Plains when the ground was moist but once dry it was a very different matter, this caused a problem when

needing to fight bush fires, so a Bren gun carrier (seen in background of photo) was purchased and converted for the purpose (this is not the unit that is in the Avondale Farm picnic area) this was later sold for \$500 in the farm clearing sale.

Part two of this interesting story you will have to wait another month to read.

Our restoration and maintenance crew are still working during the 'public closed' period and hopefully we will be able to provide a better and more informative display when we reopen again.

If you have any questions or would like to make a private visit please contact John on 9646 0768 for further details.

Wednesday, 5 th March	7.30 p.m.	St Mary's Church, Beverley

The **Season of Lent**, the season in preparation for **Easter commences with Ash Wednesday**. Ash Wednesday is on 5th March. The day before, Shrove Tuesday, is better known as **Pancake Tuesday**. You are invited to bring to our services your favourite pancakes to share, before or after the services. What is your preference: pancakes with lemon or sugar, strawberries and cream, or nutella? In mediaeval times during Lent, pretzels made of flour water and salt, and configured as the arms of someone praying, were the favoured food.

BEVERLEY POOL UPDATE

Beverley Memorial Pool trusts all had a safe and enjoyable festive season...

After an average start to the summer weather wise, it hasn't all been doom and gloom. We warmly welcome a Pingelly local (don't judge) by the name of Clinton Cheney and his infinite wisdom, deciding to take over Contract Aquatic Services from Mat Mildwaters. Mat and Mark (RIP) have had a long-term healthy relationship with Beverley and our Shire CEO Steve for a lot of years, since 2009 I'm led to believe. To celebrate the new and improved contract formula Clint generously donated the impressive clock pictured. Positive feedback from the Beverley swimming club and public alike.

From a personal point of view, I love it !!! Beverley Electrical Services (Karl Smith) also donated precious time to install the new clock to its temporary spot until the refurbishment completion hopefully by October 2025 (all going well). On the subject of Contract Aquatic Services, I personally would like to thank Mat Mildwaters from the bottom of my heart.

Operating a pool solo in regional WA is difficult at best so you can only imagine how hard coordinating multiple pools spread from the bottom of the Wheatbelt to the top of the Gascoyne and Goldfields was for Mat. He and Mark recruited me from Claremont pool way back in 2010. We all agreed on terms and conditions, by October 2011 myself, Emily, my partner at the time, and baby Keira relocated to commence a 3 year contract. Not about to paint pretty pictures but Beverley pool at the time was a nightmare. The pool you see today is NOT what it was back then. Only for Mat's incredible work ethic and his integrity we both managed to eventually create a pool not only ascetically pretty but safe with quality water second to none. Mat was continually nagging Steve Gollan, and I was forever in Mia Davies (MLA) and Christian Porter's (Federal Representative) ears for much needed funds. Between us we achieved our goals. So again Mat, good luck with downsizing the company and relaxing at Cunderdin Pool as the Manager. If anyone is on a road trip near Cundy pull in and say G'day to a great Bloke.

Our deputy CEO Simon Marsal secured well overdue funds which allows the pool to be given an exciting refurbishment. Beverley pool quietly celebrated 60 years of operation in 2022. Unlike the massive party we hosted back in 2012 for our 50th it was decided those 60 years of continuous patch ups was nothing to celebrate. Covid restrictions didn't help either. Exciting times ahead for our beloved community asset, will be done in two separate increments. The pool, pool deck and plantroom have been wisely prioritised allowing Simon time to get whatever state government is in power at the time to fund the main entrance and changerooms. The plans are posted on our pinup board at the pool entry for anyone interested in getting a sneak peek. By the time this goes to press we would've passed our halfway mark of the season. Unfortunately, our Triathlon has been postponed (again) due to our Labour State Government pulling the measly funds we needed to host this great event. Hopefully next year our regional WA will be looking forward to a more proactive attitude that is less city centric and acknowledges country residents and community events.

KELLY MANN - AVON HOCKEY LIFE MEMBERSHIP

The Beverley Redbacks Hockey Club congratulates Kelly Mann on receiving a Life Membership of the Avon Hockey Association. This is a remarkable recognition of her unwavering commitment and dedication to the sport of hockey, both at the club and association levels. Since 2012, Kelly has served in various committee and executive roles, continually strengthening the association. Her ongoing contributions as part of the committee, along with her involvement in coaching and playing, have played a significant role in the tremendous growth of junior hockey players in Beverley. The Beverley Redbacks Hockey Committee acknowledges and congratulates Kelly on this well-deserved achievement.

The Beverley Redbacks Hockey Club are looking to fill coaching positions for 2025!

Positions available

🌸 2024 Chris Boladeras Memorial Trophy & Christmas Windup 🌸

What a fantastic, warm, and enjoyable afternoon to wrap up our final Mixed Doubles event for 2024! Despite the weather, we had an incredible turnout. A special thanks to our sponsors of the day, Richard Boladeras & family, & Kodie Fleay from Beverley Plumbing & Gas, for their ongoing support of this very fun, but competitive event. Congratulations to our winners, runners-up, and best dressed participants:

WINNERS: Rebekah Aynsley & Brendan McLean

RUNNERS-UP: Taylor Shaw & Marc Edwards

BEST DRESSED: Darci Miler & Drew Kop
