# SHIRE OF BEVERLEY PRESIDENT'S REPORT

## CEO Recruitment

Under changes to the Local Government Act, Councils must advertise the position of CEO once the incumbent CEO has reached the end of a ten-year contract. This is the case in Beverley where Mr. Stephen Gollan will come to the end of his current contract on 26<sup>th</sup> January 2026.

While it might seem to be early, Council is conscious that the matter be settled before the elections in October 2025 so the position can be filled seamlessly to take effect from the 26<sup>th</sup> January 2026.

As such, the position will be advertised next month and the closing date for applications will be late in May 2025. Mrs. Lydia Highfield has been engaged as the consultant to manage the process and she will initially receive all the applications which will then go to the Recruitment Panel for consideration. The advertisement appears in the May Blarney.

## Air Show 2026

As a result of the serious accident at the Avalon Air Show, the Shire provided the Paul Bennet organisation with breathing room to regroup from that accident before making contact again. Paul Bennet's organisation is now communicating with us and focusing on 2026. A contract has now been signed with them and they will now prepare the Prospectus and Logo we are going to need to promote the Air Show to potential sponsors.

An agreement is yet to be concluded between the Shire and the Beverley Soaring Society whose members are fully supportive of the event and who will be providing much of the logistical support for the day. Without their inclusion it is doubtful the Shire would have sufficient resources to manage alone.

The Avalon accident has also caused the Shire to investigate a specialist medical company to quote on dedicated paramedics and ambulances whose focus will be specifically on pilots and aircrew.

## In Brief

- **Vincent Street crossings.** Markers will soon be received that will be placed on both sides of all Wombat Crossings in Vincent Street clearly stating that Wombat Crossings do not provide pedestrians with a right of way over motor vehicles. Pedestrians, legally, must give way to motor vehicles at all times.
- **WA Vintage Speedster Car Club.** Some members of this club visited Beverley on Friday 11<sup>th</sup> April to inspect the site of the Old Racecourse with a view to holding events there. Being impressed with the site it is now to be arranged how best to accommodate their events with the Tractor Pull and Lawn Mowing Racing events.
- **West Dale Dirt Drags.** The public event normally held in May each year will not occur this year. The owners of the property have decided instead to hold a members' only event.
- **Caravan Industry Association Inc.** The Caravan and Camping Show was held recently in Perth and was attended by Mrs. Jacinta Murray, the Shire Tourism Officer. Jacinta reported that the responses from the public were positive with many indicating an interest in either return visits or a first-time visit to Beverley. Most pleasing this year was the fact that nearly all people knew Beverley's location as opposed to previous years where the leading question was, "Where is Beverley"!
- **Bridge Work.** Work on both bridges is progressing well and it is anticipated that work on both will be completed on time or near to it.
- **Swimming Pool.** As most people will be aware, work has now commenced on the upgrades to certain of the swimming pool structures and it is anticipated that there should be no delays to enable the work to be completed in time for the next summer season.

May 2025

Well, that's a wrap for Easter 25! Thanks everyone our Crews had a very quiet Easter and we appreciated being able to spend time with our families and friends. We never mind helping you no matter what time of the day or night though.

We have had an interesting April, some of our new training and van equipment has arrived and at last training were able to have a little 'play' with it all. The new Raizer Chair is awesome and will be of great value helping to get a patient off the floor. Modern technology is sometimes most helpful in line of work. This is one of them.

The new manakins also are amazing we now have an adult & child manikin that has all the bells and whistles. We can practice just about anything now and hone our skills even higher.

We have a new generator should we have a power outage & need open the roller doors in the garage. Thanks Ian and the Electrician for installation.

Unfortunately for us Steve has decided to call it a day from Volunteering, we are sad to see him go, but wish him all the very best in retirement. We also welcome back Keith who has had a bit of a break and is rejoining our small group, and welcome Emily who is a qualified EMA also joining us.

Anne & Jen have been touring around Beverley bringing all the AED's up to date, with Battery and pad checks. Thanks ladies.

For those who don't know we have a number of AED's around Beverley should they ever be needed, Here is where they are situated and their availability:

- Recreation Centre: inside
- Shire Offices: Outside main entrance Available 24/7
- Portable Held at Shire Office
- Town Hall: Inside main entrance
- Gym: Inside
- Beverley Pool: Inside
- Caravan Park: Near Toilets Available 24/7
- IGA: Inside available during business hours
- Freemasons Tavern: Inside
- Beverley Bowling Club: Locker Room
- Sub Centre: Outside Main entrance 24/7
- Freemasons Lodge: Inside
- Beverley Soaring Society: Pie Cart
- Beverley Tennis Club: Outside Available 24/7
- Avondale: At entrance
- Golf Club:
- Beverley Men's Shed outside available 24/7

To access the AED's in an emergency, you must call 000 to have them unlocked. All AED's are triggered with an alarm system.

Just a little reminder should you call 000 for ambulance attendance at a home or any where, please have the correct address to give to the call taker as the calls are taken by St John Call Centre and they are unaware of the layout of our town. Correct street name and house number is a must. This enables us to reach you as quickly as possible.

Unfortunately the First Aid Course that was scheduled for April has been cancelled due to lack of participants. The next course is envisaged to be held in July 25, so if you require a current First Aid Certificate please go to the Web site and enrol as soon as possible. For courses to be held 6 participants is the minimum number for the course to go ahead.

Should you like to Volunteer with St John be it as an Ambulance Officer or help around the Sub Centre, please contact our Chairperson Ian or once again go to the Website and apply through there. We are always in need of more folk to join our small but vibrant group of Volunteers. Believe it or not we do enjoy what we do for the Community and we do learn heaps and are always there to encourage and help our fellow Volunteers.

As always our Crew will be attending the Anzac Day Service in Beverley in full uniform to honour our War Veterans.

That's it for this month. Take care.

# Beverley Community Garden

April has been a busy month down at the Community Garden with a good quantity of seedlings now planted, Potatoes are in the ground and we have a new addition of a Toodyay Stone gas BBQ, kindly donated by Cliff and Viv and thanks to Marcus for delivering it the Community Garden. We look forward to having it all in good working order very soon 😊

There has also been a lot of “behind the scenes” work in preparing and organising our market stall for the Easter markets.

A special thanks to Julie and Heather who with their creative minds and craft skills, made the new banner for our table...It was certainly eye catching.

Many of our volunteers have dedicated their time growing succulents and plants, creating craft items, donating “bric n brac” and some homemade marmalades and chutneys.

Thanks also to those who helped to set up and pack away our trestles and wares.

We had a very lovely morning with lots of visitors and buyers out enjoying the sun and cooler weather and hope that you all had a very happy and safe Easter.

Once again, we have enjoyed some lovely community morning teas with volunteers bringing cakes, scones and even some bakery items – Thanks Wendy, Viv and Don.

We are selling a record number of \$10.00 baskets and have some very happy customers returning to purchase from us again.

Please visit the garden on Tuesdays and Saturdays 8:30 – 11:30 and have a walk around, buy a basket of fresh veggies and say hello....We would love to see you there.

We also welcome donations to the garden which can be dropped off on Tuesday or Saturday mornings or phone Beth on 0400 569 971 to arrange collection.

The garden is also accepting donations of recyclable cans, plastic bottles and glass bottles with the 10C refund stamp. You can drop your recyclables at the garden or call to arrange for a pick up

The Beverley Community Garden relies on the community involvement to be able to provide a relaxing, nourishing, informative, friendly environment and sincerely gives thanks to those who provide their time, donations and support.

## **Crohn's and Colitis Awareness**

**WARRIOR STRONG**

Each May is a chance for Australians to understand a little more about what it is like to live with Crohn's disease and ulcerative colitis, collectively known as inflammatory bowel disease (IBD). Many people living with these illnesses stay silent about the day-to-day issues they face but during May, we can help them speak up.

## **What are the first hints of Crohn's?**

Abdominal pain is a hallmark sign of Crohn's disease in every stage, including the very earliest. Belly pain can present as a dull aching, but typically, you'll feel cramps, often in the lower right part of your belly.

## **How do they test for Crohn's disease?**

### **Capsule endoscopy:**

This test involves swallowing a capsule with a camera in it. The camera takes pictures of the small intestine and sends them to a recorder worn on a belt. The images are then downloaded to a computer, displayed on a monitor and checked for signs of Crohn's disease.

Please help welcome our new nurse Fridah to the practice. Fridah has many years' experience and will be at the practice 3 days of the week. Come say hello at your next visit

## Beverley River Care Group

April brought the start of the autumn rains, though not quite enough yet to get the river flowing.

With support from Adopt-a-Spot and the Keep Australia Beautiful Council, a group of us rolled up our sleeves to clean up along the riverbanks — stopping debris from flowing downstream, spoiling the view, and harming wildlife.

The Australian Charities and Not-for-profits Commission (ACNC) has registered BEVERLEY RIVER CARE GROUP INCORPORATED (ABN: 94859599668) as a charity. This means anyone donating to us can claim a tax deduction.

The Beverley River Care Group has a website collecting both current and historical documents to help us all understand the river's story — from past management efforts to the native plants and animals that call it home. It's also a place to share ideas for how we can protect and improve this precious waterway. Check it out as we add new records.

Visit us at: [www.beverleyrivercare.org.au](http://www.beverleyrivercare.org.au)

And stay connected via our Facebook page: Beverley River Care Group

We are proudly hosting  
a StrokeSafe Speaker

In Australia, a stroke occurs every 19 minutes. In 2020, more than 27,000 Australians, of all ages, experienced stroke for the first time... But the good news is that it doesn't need to be this way. More than 80 percent of strokes can be prevented.

We're proud to be hosting a @StrokeFoundation StrokeSafe Speaker, Francisca Wirihana-Wilson in Beverley on **Friday 23 May 2025** at 10am at the Beverley Cornerstone, 141 Vincent Street Beverley.

StrokeSafe Speakers are trained in public speaking and experienced in delivering lifesaving messages about stroke.

Many have either had a stroke themselves or are close to someone who has, so while they will present common information about stroke and its prevention, they will also draw on their own personal experiences so every talk is different – and very powerful.

Don't miss out on your chance to learn how you could help save the life of a friend, family member or colleague and how you can reduce your own stroke risk!

# Beverley Men's Shed

146 Vincent Street Beverley Western Australia 6304

The newly priced Beverley Men's Shed Raffle tickets were a big hit with many people, offering those with less coin available the chance to be in it (to win it), and more chances to win for less cost.

Our raffle supporting the Beverley Men's Shed this month (next month we will be supporting the Royal Flying Doctors Service) was drawn on Saturday April 5<sup>th</sup>, with two of our winners donating back their prizes, many thanks to Alina and Murray, and as always our thanks go out to our community for your continued support.

Raffle results were---First prize of a \$100 meat voucher for purchases from our local butcher won by Sheryl.

Second prize of a \$50 meat voucher was donated back by Alina, who was visiting our town with Plein Air Artists.

Third prize of a \$25 meat voucher was won by Chris and our mystery prize won by Murray who also donated his prize back.

Another area of our fund raising activities is our 'wood division', with winter approaching fast we have already sold four trailer loads, but don't despair there are adequate supplies available still, and with a yard clean up at 'Jerry's' by the guys more wood was aquired and split at our local supply point in town, for sales please ring Graham 0407 445 363.

New to town? Or maybe a past member of the Shed?

Why not come and join us on a Tuesday morning for a cuppa, sit and 'chew the fat' or join others with their projects, maybe learn a new skill and take advantage of the 'Sheds' vast range of equipment including both wood and metal lathes and a car lift hoist for those inclined to get 'down & dirty', or try your skill on the Pool table, borrow a DVD or a book from the Library, endless possibilities to pass the time.

Check the place out first before deciding whether you want to join!

Once a month (first Tuesday) we hold a breakfast (small fee) for everyone to share especially those who lack company at home or don't usually eat a cooked morning meal.

Need a trailer for that 'Tip run', members get to hire the Sheds two Trailers.

The only qualities you need to be a member are, being over 18, pay your annual fee and always show respect, no one knows what others have or are going through in their lives.

Come along and approach Peter Cashmore, Rudi Morgan, Graham Dasborough or anyone with a smile on their face.

BEVERLEY HISTORICAL SOCIETY presents

## Beverley Girl Guides & Brownies

Robert Baden-Powell, founder of the Boy Scouts movement, asked his sister, Agnes Baden-Powell, to form a separate Girl Guides organisation which was registered in Britain in 1910. The movement was quickly embraced around the world and by 1916 there was a girl guides troop operating in Beverley. The girls met on Saturday afternoons in the Methodist Hall and an early leader was Mrs B Copley of Station House, the wife of the station-master.

The enthusiasm for Guides & Brownies waxed & waned over the years. By 1928 the formation of a local company was again in progress with girls being encouraged to join Guides (10-18 years) and Brownies (9 years and under) with Mrs Sten as Captain.

**Beverley Girl Guide Company 1928**

*Back:* Nancy Cooper (Woods); Mary Hodgson (Weaver); Nita Carson; Molly Weaver; Cavell Green; Freda Twine; Joyce Ferguson (Kilpatrick); Lily Diprose; Winnie Hine; Miriam Gale (Abbey).

*Middle:* Lois Green; Rene Slee; Phyllis Duffield (Woods); Dorrie Jewson; Mrs Sten (Captain); Miss Julia Henry (1<sup>st</sup> Lt); Winnie Gale; Joyce Davey (Oliver); Annie Jordan.

*Front:* Peg Weaver (Smith); Peggy Lennard; Gwen Broun; Pixie Weaver; Barbara Adams (Lennard); Phil Swan (Walters); Enid Allen; Rene Allen; Marge Slee (Noonan); Hazel Ferguson (Edwards); Addie McMullen.

By 1929 the captain was Miss Sutherland and the Lieutenant was Miss M Blechynden. The first meeting for 1930 was held in the Mechanics Institute & days later they joined the ANZAC Day March. Some of the older guides progressed to Rangers and in 1931 their Captain was Miss De Lisle, with M McKinnon as Guides Captain and Miss Snook as Brown Owl (Brownies leader). In ensuing years guides & brownies met in the Town Hall & in the CWA Rooms.

The Beverley Girl Guides and Brownies continued in good strength throughout the 1930s and into the 1940s. They attended meetings; earned merit badges for learning new skills in signalling, camping & craftwork; went to Annual Rallies in Northam, Quairading & Dargin; had a monster day out at McDonald's farm 'Dunbeath' in East Beverley and continued to form part of the ANZAC Day March Past right up to 1945.

In 1947, the *Beverley Times* announced "Former Girl Guides will regret to learn that the local organisation has closed down and transferred all its assets to the headquarters of the Girl Guide Association in Perth where they will be held in trust for the Beverley branch ... until such times as a trained Guider is available to start the movement here."

*The annual meeting of the above Association was held in the Rest Room on March 25th. It was the most representative general meeting that has been held in the district for many years, Mrs. Adamson (president of the Association) presiding over an attendance of over thirty. Interesting addresses were given by the President and Commissioner (Mrs. C. F. Bailey) The officers of the different companies gave a resume of the past year's work. Resignations of Captain and Lieutenant, of the Guide Company were received with regret from Mrs. McKinnon and Miss M. Blechynden respectively, and appreciation of services rendered were recorded. Mrs Adamson was again elected as President of the Assn. Committee:— Mesdames Ferguson, Rea, Williams, Hodgson, McKinnon, Twine, Hack, Elphick, E. Edwards, Gulliver, H. Blechynden, and Miss M. McDonald. Miss Coe was elected Captain of the 2nd Beverley Company. A strong local association was formed. A vote of thanks was passed to the secretary (Mrs. Crisp) for the splendid service she has rendered the Guide movement in the past years. The Brownie Pack resumes on Saturday afternoon, April 22nd, and the Guide company will commence on Friday evening, April 28th, both at the Rectory schoolroom. Captain Coe will be pleased to welcome to the Guide company any girls between the ages of 11 and 16 years.*

There was a brief revival of the association from 1951 to 1955 when leaders included Joyce Scrivener & Peggy Weaver. Meetings were held in the Exhibition Shed at the Showgrounds. There was then a lapse until 1984 when local schoolteacher, Miss Julie Smith, reinvigorated the movement with a new Brownies Pack. The meeting place was in the RSL where a specially decorated room was bestowed upon Brownies. This very active group lasted more than 10 years.

The annual finale of the Beverley Bowling Club 2024/2025 season is the Carnival Weekend which was held on weekend of 12 & 13 April.

Teams from Beverley and other country/ outer metropolitan Clubs participated in the following:

Saturday- Open Pairs competition which saw 22 teams competing for the Ferndale Farming Co Shield.

After what was a hotly contested competition consisting over 4 games played each of 12 ends with the eventual winning team being Damien Murray and Daniel Fleay.

The evening also saw Club President, Damien Murray, present Gregory Moulton and Richard Smith with Life Membership of the Beverley Bowling & Croquet Club.

Both Gregory and Richard have made a significant contribution over many years serving on the Committee. Richard is a Past President of the Club. They have also put in many hours of voluntary maintenance work around the Club, which they still do, for the betterment of all members.

Sunday - Open Fours competition which, with rain threatening most of the day, saw 12 teams competing over 4 games each consisting of 10 ends.

Sunday Fours - Karradale Transport, Whitebourne Fencing (David Britza), Aviso, Milne Feeds and Nutrien Ag Solutions.

# Beverley Early Years Group

"Working collaboratively to facilitate local opportunities, for 0 – 5yr old children and their families to connect, learn and thrive in our community"

## STORY TIME

Story time and Rhyme Time have had low numbers the past few sessions and unfortunately we were unable to do our Easter Hunt as anticipated. With winter coming, these could be the perfect opportunity to get out of the house and socialise, not only for kiddies but parents too!

## PLAYGROUP UPDATE

Beverley Playgroup - Term 1 Highlights!

Term 1 at Beverley Playgroup has been filled with fun, connection, and engaging activities for families! Parents and children alike have enjoyed casual play sessions, fostering a relaxed and welcoming atmosphere.

A special visit from Smiling Minds dentist ensured little smiles were well looked after, with check-ups for 6-17 month-olds. Another visit later in the year will provide dental assessments for children aged 6 months to 5 years.

The water play session was a fantastic way for children to cool off during the warmer days, offering both fun and relief from the heat.

Our Easter egg hunt at Beverley Station Gardens was a definite highlight! Children delighted in an Easter-themed story time before setting off on a hunt –searching for carrots to trade in for Easter eggs. The morning was made even sweeter thanks to a generous donation from Beverley IGA, allowing families to enjoy a delicious fruit platter and Easter treats.

We're looking forward to another exciting term as we reopen on May 1st at the Moash Building, Beverley School. Join us every Thursday during term from 9 AM to 11 AM for more play, learning and fun!

## MUMS & BUBS WALKING GROUP

Mums and bubs walking group has taken off with a bang! We have had a lot of people join in the walks around the oval and coffee and cake after. There was suggestion for additional days for others who couldn't make a Wednesday to join in so we have added Monday! Feel free to contact Jaime for more information 0416 461 146. As the weather is changing there will be discussions with attendees as to what we might substitute the walk with so we don't all miss out so make sure you reach out so we can keep you informed.

## BEVERLEY TOY LIBRARY

### Toy of the month- Pikler

Age range: 6 months to 6 years.

From 6 months to 1 year babies can use the lower rungs to pull themselves up, strengthening their arms, legs and core.

At 1-2 years toddlers will use the rungs to climb and play, practicing building their confidence and coordination.

From 3-6 years of age children can use the Pikler for creative play, using their imagination and developing more complex climbing. The Pikler is one of many fantastic toys we have available for all ages at the Beverley Toy Library (located in the CRC).

## **Artists-in-Residence at the Station**

### **April 2025 Artists-in-Residence**

**Rachel Waller and Jo Rhodes** really enjoyed their month long stay at the station, as did their visitors – Jo showing some young ones the art of weaving.

Starting mid-April to the end of the month, we were fortunate to have **Carollyn Rhodes-Thompson** keeping the gallery open - particularly during Easter when there were too many to count as they came through the doors – at least 300. Carollyn's paintings and artifacts displays, always make the gallery a joy to visit.

### **May 2025 Artists-in-Residence**

#### **Peter and Deborah Allen**

Peter was born in Sydney and currently lives and works in Perth, and has been studying painting since 2018.

Deborah lives and works in Perth, and has been exhibiting printmaking since 2022. She was awarded the Printmaking section in our recent Beverley Art Prize. Whilst at the Station Gallery, Peter and Deborah will open the studio between hours of 9am to 11am Monday to Wednesday for visitors and locals to

drop by to watch and chat whilst they are working. Depending on demand, this could be extended to Thursday and Friday.

### **HAVE A GO**

Peter and Deborah have provided a 'Have a Go' table for printmaking and watercolour painting during gallery opening times or by prior appointment. Visitors, locals (and children) can have a go at printing or painting small works which can be made into greeting cards. All materials will be provided.

They would also like to experience some plein air painting when times and weather permit.

Additional information will be available in the weekly Beverley Bulletin, BSA socials, and emails. Or call A-i-R Coordinator Marylou Hutchinson on 0427 085 511.

## **Beverley Art Prize & 56th Annual Exhibition**

Well, the 56<sup>th</sup> Annual Arts Exhibition was an amazing feast for the eyes with many visitors saying it was our best ever! With just 286 entries it was a delight to curate. There were over one hundred attending the opening night with most of the prize winners there to accept their awards from our new member for the Central Wheatbelt Lachlan Hunter. As the exhibition won't close till 27 April it is yet to be counted the total number of people through the doors, but over the Easter period were 620 when 36 paintings were sold. Our thanks to all artists and visitors for keeping the arts alive and thriving in our town. And of course, grateful thanks to our wonderful DONORS/SPONSORS for making the Beverley Art Prize possible!

Winner of the Beverley Art Prize (\$5,000) this year was Andy Conlin with his artwork 'Liminal Space'.

Winning local artists were Jenny Broun awarded Best Local Artist, and our local kids Sidni Garwood, Zac Smith, Luke Atkinson, and Riggs Thompson for winning their respective age sections.

The winners Public Choice and the raffle by are yet to be determined. Many thanks to Shane Moad for donating his painting to raffled – it was very popular! And a big thank you to Jenny Foster for the great job coordinating the Easter Market held on the Station grounds that contributed to the buzz of Saturday.

## Beverley Plein Air Weekend & Exhibition

We were lucky with the weather as it mainly rained at night for this year's Plein Air weekend. It was attended by 33 painters and 5-6 partners, and our grateful thanks to Alan Pickering for coordinating it all - incidentally he was the winner of the Plein Air section at the Art Prize. Along with Andy Conlin taking out the main award it is great to have such accomplished artists having spent time here as artists in residence.

## PERFORMING ARTS

The Station Singers, under the direction of Kellie Shaw, are found practicing on Wednesdays at the

Station for the ANZAC Service. New members are always welcome as we work towards the Choir Muster on 06 September. Our weekly sessions are free and full of fun, so come along and be a part of our community choir. Reminder...we meet every **WEDNESDAY** in the **Green Room** at the Platform Theatre **6.00pm – 7.30pm**. Feel free to come and see if you like it – no obligations other than becoming a member of BSA (if you decide to stay - just \$30/year).

## Beverley Amateur Dramatics

Though not the greatest of attendances over the two weekends, the BAD production *A Season of One Act Plays* at the Platform Theatre. A last-minute cancelation of the first Friday's performance due to inclement weather resulted in a handful of people already on the road from Perth not notified, so they watched a rehearsal from the shelter of the kiosk. Soft rain fell on Saturday too, but it was a warm night and marquees and umbrellas saved the day. Great performances in all three plays from our local dramatic group. Congratulations to you all!

## The Beverley Folk Festival

Held at the Platform Theatre on the Saturday of Easter following the Community Markets were four 60-minute performances by popular Perth bands playing original indie rock music. A beautiful sound from all of them but such a shame more people weren't there to see them.

## **TWO EVENTS COMING SOON IN JUNE!**

Patron Mike Carthew set the scene for a great Golf season, on the 12<sup>th</sup> April, as he hit the Opening drive for the season straight down the middle of the fairway.

24 players, played in an Ambrose in 2's competition in what was rather warm weather to be playing Golf. However, it was very pleasing to see both new and younger faces among the players, and we certainly hope to see more of you all.

Winners for the day were Mel Vivian and Steve Johnston with 60.5 and runners up were Marc and Alison Edwards with 61.75.

The day was sponsored by T-BONE and SONS Butcher, who have been long sponsors of the club, and who we thank most sincerely for their wonderful support.

The ladies commenced their season on Wednesday 16<sup>th</sup> playing Stableford for the Delys Kilpatrick Trophy, which was won by Yvonne Hobbs with a remarkable score of 40 points. Runner up was Lorna Barrett-Lennard with 35 points. Thank you to Delys for her continued support.

Our 2025 Val Strange Open Day will in Friday 16<sup>th</sup> May. Please mark this important date on your calendar.

Patrick Farr won the Scroungers Fred Bremner trophy for March with 30 points. Runner up was Jeff Hoey with a credible 26 points. That was the end of the summer scroungers season with the winter season starting from 1<sup>st</sup> April, where all players revert to their G.A. handicaps.

Great time to join in.

The first Fish and Chip night will be Friday 2<sup>nd</sup> May. Looking forward to seeing you then.

# EASTER TENNIS SUCCESS

WITH THANKS TO OUR MAJOR SPONSORS - BEVERLEY TRANSPORT AND R&L HIAB SERVICES

Four days of tennis was played over the Easter weekend and the weather could not have been any better. Despite the cold nights, conditions during the day were wonderful and made for an enjoyable tournament for both players and spectators. This year we had 225 competitors across 23 events hit the courts, with many familiar faces returning. It was also great to welcome along new entrants for the first time. Players young and old all enjoyed the event with many complimentary acknowledgements made to the match office throughout the weekend.

## THANK YOU

Our Easter Tournament is a huge effort to pull together but the members and supporters of our club pride themselves on holding a well-run tournament.

Lead wonderfully by our president Megan Vandenberg, we must thank everyone who moved sprinklers, mowed lawns, cooked, cleaned, volunteered in the kitchen, painted lines (some even by hand) served in the bar and every other job in between. The committee appreciates all your work. The success and enjoyment of all our players and visitors is in no small way thanks to the huge effort that everyone puts in!

Special mention must be made of Brett Shaw, Chad Vandenberg, Keith Murray, Sandy Shaw and Graeme Lewis for the extra efforts in watering and rolling our courts to get them in the best shape possible for Easter. A huge effort, that did not go unnoticed. Thank you Laura Mclean for coordinating the kitchen and providing spectacular food all weekend! And lastly, to our wonderful match committee! Mandy McLean, Carissa Shaw, Bec Smith, Nat Ashworth, Aliesha Murray & Chantelle Meade, congratulations on another successful event, scheduled to perfection.

## LIFE MEMBERSHIP HONOUR MRS SANDY SHAW

On Easter Saturday our President, Megan Vandenberg had the honour of presenting our newest Life Membership for the Beverley Lawn Tennis Club. Mrs Sandy Shaw was recognised for her long and dedicated service to our club.

An active member since she moved to Beverley, it was wonderful to acknowledge all of her contributions over the years with her family, other Life Members and a spectacular crowd watching on. It was an extremely exciting occasion with many stories of commitment and dedication to a club that Sandy says has never felt like a chore, but a club that she has always loved being involved with.

It was wonderful to have fellow Life Members, Eric Heal, Lew Shaw and Mary Blechynden in attendance.

The Beverley Lawn Tennis Club members and committee congratulate Sandy on her Life Membership. Truly, well deserved!
