SHIRE OF BEVERLEY PRESIDENT'S REPORT

CEO Position

At the Council meeting on Wednesday 28th May, the Council received a recommendation from the CEO Recruitment Panel that Mr. Stephen Gollan be appointed as Chief Executive Officer of the Shire of Beverley. A formal motion to this effect was passed unanimously with Council agreeing to a term of five years commencing from 27th January 2026.

With this matter now dealt with, Council can continue business seamlessly and incorporate the upcoming elections on 18th October 2025.

Budget 2025/2026

The preparation of the budget for the next financial year is progressing and will be considered at the Corporate Strategy meeting set for Wednesday 16th July; to be presented at the full Council meeting on Wednesday 23rd July for approval. As in previous years, Council attempts to minimise rate increases, recognising the burden to be borne by Ratepayers.

Unfortunately, this is not assisted by the State Government who continue to load Local Government with extra compliance and financial burdens which in the end, adds very little to improving the facilities or amenities for the benefit of the Community. For example; Audit costs for the Financial Year 2024/2025 will be of the order of \$37,000 because of the involvement of the Office of Auditor General. This is an increase of about 110% from the fees paid in 2015/2016.

Swimming Pool

This project is progressing well and is expected to be completed by the end of October 2025.

The earthworks on the ramp/stair access and children's pool are now complete. The earthworks for the balance tank and formwork are due to progress to the end of June with the concrete pour to begin in mid-July. Shade sails have been ordered and ragbolt cages for the shade poles have been delivered to the site and will be incorporated with the bowl concrete works.

The required electrical upgrade request has been submitted to Western Power with the final electrical design being worked through with the contractor. The electrical design will incorporate the requirements for the new building proposed for Stage 2 so that no additional electrical work will be required in the future.

In Brief

- With Local Government elections due in October 2025, information sessions are being considered for the benefit of anyone who may wish nominate for Council.
- The abandonment of PetsWA by this State Government is a huge disappointment to the Administration Staff after all the work they had undertaken to provide information and data to the Department.
- Work is continuing with Landgate to obtain access to the Nurses' Old Quarters. This has proved to be yet another frustrating example of bureaucratic impediment to what should have been a simple granting of a Management Order. The Quarters are a vital component of Beverley 2035.
- Progress with the Air Show is now moving apace with the completion of the Prospectus and ticket sales to go live with the launch of the website anticipated next month.

Activity Notice

Brookton-Beverley airborne electromagnetic groundwater survey

Department of
Primary Industries and
Regional Development

Department of Primary Industries and Regional Development (DPIRD) is using a helicopter to conduct an airborne electromagnetic (AEM) survey in the area from 24 June 2025.

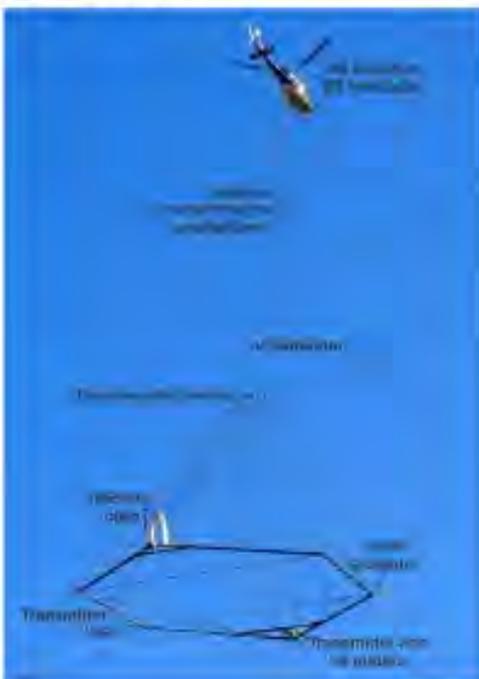

DPIRD is working in partnership with CSIRO and the local governments of Brookton and Beverley to better understand the water resources of the palaeochannel.

Survey Area and Dates

Weather permitting, a helicopter will fly daily, for about 2 weeks, from 24 June 2025.

What you might see

A helicopter flying across the survey area about 60 m above the ground, along parallel lines 300 m apart. The helicopter tows a circular frame beneath it which is about 30-40 m above the ground. The helicopter will keep approximately 300 m from houses and other structures.

Is AEM safe?

Yes. Electromagnetic fields generated are weaker than those from mobile phones and TV antennas. There will be noise from the helicopter.

To notify of potentially sensitive areas within the survey zone, please email exact location and reason for concern.

More information

PLAYGROUP UPDATE

Join us on Thursday July 3rd at 9am, as Beverley Playgroup host a free educational workshop for parents and carers- Keeping Kids Safe on our Roads.

The workshop will cover 4 key road safety topics, and there are free child car restraint checks for attendees.

We look forward to seeing you at Playgroup!

STORYTIME & RHYME TIME

Simultaneous Story time was run at Beverley CRC on May 21st. Children of all ages attended to listen to the story "Truck Cat", with the same story being read across Australia! Once the fabulous story was finished, the children enjoyed making their own truck cat and colouring in. Thanks to the CRC for hosting!

BEVERLEY TOY LIBRARY

Toy of the month- Puppets

Age range: 2 years +

At the Beverley Toy Library, we have a range of puppets available for lending including these colourful birds, safari animals and finger puppets.

Puppets are a great tool for a child's development, encouraging language, social-emotional development and motor skills. They can be used to build conversations and storytelling and enhance social skills through interactive play. Puppets can also be a tool used to improve fine motor skills, hand-eye coordination and self-confidence.

These puppets are some of the many fantastic toys we have available for all ages at the Beverley Toy Library (located in the CRC).

Secondary students - Work Placement to Community Projects

It's been a productive term for our secondary students, filled with a wide range of activities both in and out of the classroom. Several of our Year 10 students have begun their work placements, gaining valuable real-world experience. If you see our students out and about at their workplaces, please feel free to say hello! They've also had the privilege of meeting with members of the local CWA to support the upcoming 100 Years of the CWA display for the Beverley Show – a wonderful opportunity to connect with the community and contribute creatively.

Meanwhile, our Year 9 students are preparing to undertake fire safety training as part of their Cadet program. They are visiting elderly residents of the Beverley Lodge, building meaningful intergenerational connections through their community engagement.

Our Year 7 and 8 students have been busy writing insightful essays on Ballardong culture and history, and we're proud to share some of their thoughtful excerpts below.

In the workshop, woodwork students have been hard at work creating impressive pieces, they are currently working on tool boxes, wall gardens and storage racks.

Many students are participating in the Push-Up Challenge, showing their support for mental health awareness. With the Eagles Cup having taken place recently, our Year 8/9 students—along with selected Year 10 boys—travelled to Northam for a combined team match alongside students from Quairading and Keller/Tammin.

As part of our Containers for Change initiative, students have taken the lead in sorting recyclables, creating awareness posters, and even placing a collection bag at Dome. Their leadership and commitment to environmental responsibility are commendable.

It's fantastic to see our students so actively engaged in such a diverse range of learning experiences and community involvement.

The Ballardong people are the noongar people who live in the Ballardong region. Noongar means person of the south west and boodja means the land. The dancing ground (Noongar keniny) was at Wave Rock.

• **Kody, Year 7**

One of the saddest historical events was the stolen generations and that happened in 1869. Aboriginal and Torres Strait Islanders, children were forcibly taken away from their parents and forced to live with white people.

• **Amelia, Year 7**

Native bush tucker consumed by people in the community of the Ballardong region are witchety grubs, certain types of berries, yongka, and karda. The Noongar peoples used the natural resources that the land gifted them, making sure they never took too much to ensure there was always enough for everyone else.

Viralised

Viralised was started as a school project for a class but quickly snowballed as we saw a demand for the services that far exceeded our expectations, Viralised started with one idea in mind, making companies go viral, more than that, making the visual effects, to make things go viral.

Celebrating Student Success

One of our outstanding Year 11 students, Toby, currently completing his studies through SIDE and supported by our dedicated Education Assistants, has received multiple commendations in one of his classes for exceptional work in website design. Congratulations on this fantastic achievement - we're proud to see such creativity and talent being recognised!

-Screen shot of Toby's commendable website

Inspiring Artistic Opportunities

Our Year 11 students have an exciting opportunity ahead - they'll soon be heading to Perth to visit the WA Pulse 2025 exhibition at the Art Gallery of Western Australia. This exhibition showcases the incredible work of talented Year 12 artists from across the state and is sure to inspire our budding creatives.

One of our own Year 11 students, Sapphire, continues to impress with her exceptional talent and dedication in Visual Arts, excelling in her SIDE-delivered classes. We can't wait to see where her creativity takes her next!

Station Gallery Open Hours: 11am – 3pm Thursday, Friday, Saturday, and Sunday

Artists-in-Residence at the Station

June Artist-in-Residence

From the moment award-winning photographer **Dale Neill** and his wife Margaret arrived at the Station Gallery the cameras never stopped clicking and the story telling reached amazing heights. Here he is chatting to Richard Keeler, also a photographer, who will be AiR for the month of December. The long and the short of it is that June was an incredibly busy month with so many portraits taken by Dale during opening hours, shooting the surrounds outside of hours to capture the essence of country life, writing of his experiences, as well as hosting workshops.

July 2025 Artists-in-Residence

Wilma Motteram is a watercolour artist who studied art at WAIT (now Curtin University) and taught primary school art for many years. Since retirement she has embraced her passion with watercolours and prefers to paint the rich colours of the Australian landscape. Through her art, Wilma invites viewers to experience the beauty and tranquillity of Australia's diverse environments.

Kate Hobbs works in a range of media including watercolour, colour pencil, ink, graphite and oils. She has recently been exploring colour pencil as a medium for a series of whimsical pictures of endangered and threatened animals. She enjoys creating vibrant oil

paintings of Australian wildflowers and seascapes, as well as delicate images of native Australian birds. Kate accepts commissions to depict private houses and gardens in ink, and also pets in colour pencil.

Len Zuks will be at the Station from July 16 -29 and we welcome him back. Len is looking forward to sharing his cultural history and painting "with an irregular attitude of following a flight of fancy".

Additional information regarding our artists in residence will be available in the weekly Beverley Bulletin, BSA socials, and emails. Or call A-i-R Coordinator Marylou Hutchinson on 0427 085 511.

PERFORMING ARTS

Station Singers are back in full swing now that Kelly Shaw is in charge again. New members are always

welcome as they work towards singing at the Beverley Show on 23 August and Choir Muster on 06 September. Weekly sessions are free and full of fun, so come along and be a part of a community choir. **WEDNESDAYS** in the **Green Room** at the Platform Theatre **6.00pm – 7.30pm**. No obligations other than becoming a member of BSA (if you decide to stay - just \$30/year).

THIRST

We were all so disappointed when the production company Yirra Yaakin informed us that the last 4 performances of their *THIRST* tour had to be cancelled.

21 HEARTS: Vivian Bullwinkel and the Nurses of Vyner Brooke – it was to a full house that Theatre 180 returned to the Beverley stage with their compelling true story of our Australian army nurses. Patrons travelled from across the wheatbelt, from Perth and Sydney to see it! The fabulous cast lined up above their banner at the town hall the morning after the show before partaking in some wonderful country hospitality by the Mann family at their farm.

TJAABI Flood Country by Big hART

A celebration of country and culture in song, word and vision, Tjaabi–Flood Country features the tjaabi song form, which is like a musical haiku. Songman Patrick Churnside entwines this tjaabi tradition with his powerful family story capturing the heart of Pilbara life. Raw, gripping and intensely moving, Patrick’s remarkable life is shared through breathtaking music, profoundly personal narrative and humour that cuts to the bone.

On Tuesday last a pleasant evening, in the form of a euchre party, was spent at Mrs Turner's residence, "Hiawatha." A large number of guests were present, and the euchre tournament resulted as follows:—Ladies prize, Mrs. A. White; booby prize, Miss Appleby; gentleman's prize, Mr. S. Anderson; booby, Mr. W. Hutchins. After the tournament refreshments were served and a few songs, etc., were given by Mrs. White, Miss Turner, Mr. Daniel, Mr. White, Mr. Hatfield and Mr. Gamble. The toast of the health of Master Sidney Harold Langsford (who had attained the mature age of one year) was proposed by Mr. V. B. Daniel, supported by Mr. F. W. Clarke, and enthusiastically honored. Mr. H. G. Langsford suitably responded on behalf of his son and heir, and a pleasant evening was brought to a close with a verse of the National Anthem.

Mrs Turner's Boarding House

Mrs Rosina Turner, widow of Sydney Turner, farmer of Popanyinning (formerly South Australia), was left money in her husband's will in September 1905. Their daughter, Sylvia, married Harold Langsford in 1910.

Mrs Turner opened a gentleman's boarding house in Forrest St in December 1905. The house was named "Hiawatha" & had enough boarders & friends to field a cricket team to play a friendly match against the Crystal Palace boarders. It was closed by 1916 when all household effects went to auction. The numbers of gentlemen requiring room & board in Beverley lessened after WW1 began in 1914.

We have been told that the Boarding House had previously been Mrs Annie Lucy Sewell's house behind C Edwards store that is now Avon Trading. Mrs Sewell had opened a fancy goods shop in the side door as seen on the left in an early photo of the corner. ↓

C Edwards new store opened about 1904.

Can You Help? As always, we seek information and photos about these early times. If anyone has information about "Hiawatha", Mrs Rosina Turner (nee Parker), Mrs Sewell's shop or any of the boarders (especially photos) could you please contact bhsdeadfinish@gmail.au.

Wildflower Journeys through the Southwest

Highly-respected author and York resident Simon Nevill has spent the past year compiling a guide to the wildflower hotspots of the southwest. His newly-released book was in demand at his presentation last month at the York Racecourse. Sharing his knowledge is important to Simon. His passion was apparent as he described how the flora of WA has evolved in isolation from the rest of the world, and how rich it is as a result. Australia's climate has changed over aeons from very wet to arid, which has resulted in incredible adaptations, such as lignotubers in eucalypts to survive fire, and plants with leathery leaves to decrease water loss. The book covers the Southwest Botanical Province. This is recognised as one of the world's thirty-six biodiversity hotspots, considered both irreplaceable and threatened. There are over 7,300 vascular plants in this area, 80% of which are found nowhere else in the world. From his extensive travels, Simon has developed ten journeys ranging from one day to 3 weeks in length, where wildflower lovers can see the beauty and diversity of the flora of the southwest. The book contains maps, photos of hundreds of species and peak flowering times. The event was sponsored by Lottery West and Volunteering WA and organized by the York Wildflower Society as a Thankyou to all York volunteers. A big thankyou to the York CWA ladies who provided a magnificent morning tea. Our event was supported by volunteers from RCS, York Garden Club and York CWA. Shire President Kevin Trent thanked our York volunteers and recognized the input the Ballardong people had in caring for country in pre- European times

Any information or knowledge of the following is greatly appreciated.

At the rear of 40 Hunt Road is a very old building locally known as 'The Shepherds Hut'. We believe the building was built around 1880 or possibly earlier. The bricks are hand made and in a severe state of decay.

Does anyone know or have information relating to the history of this building? Please contact Judith at cjwags@gmail.com

I have contacted the Heritage Department, however they need more information to proceed further to provide heritage restoration.

Any information you can provide will assist in preserving this old, local building.

Beverley Community Garden

With the current winter weather, it has been a bit of a guessing game down at the garden as to whether to light the fire, water the garden or cover up the potatoes from a frost, but what you can count on is our caring and dedicated volunteers to turn up and get whatever the job is.....Done xxx

We definitely need to acknowledge Peter, Peter the Compost keeper (haha I told you I was going to say that!).

Seriously though, the compost that keeps our garden looking a bit like Jurassic park is thanks to the dedication of our volunteer Peter and a couple of other contributors.

Peter thoroughly enjoys and delves right into producing the best compost possible, which is not an easy feat. The process take around 9 months and some muscle work to complete, depending on the weather conditions.

The 1st of 4 bins is prepared with layers of discarded local produce, mulched hay and shredded garden waste. These layers are added to weekly and covered to retain and encourage heat. When this bin is full, it needs to rest for a period of 3 months and so a second bin is started.

Once the bin has ripened, it is then turned over into a second bin where it is left to mature for a further 3 months before being turned over again to the final resting bin where we can then use it in our garden.

The garden LOVES it, we LOVE it and hopefully you can LOVE it too by purchasing your \$10.00 basket of fresh veggies.

We are continuing to enjoy our morning teas on Tuesdays and Saturdays at 10.00am and have really enjoyed seeing so many new faces coming down to see what we have been up to and joining in the local banter with a bit of gossip thrown in here and there.

You are welcome to come down to the garden for morning tea, ask some gardening advice, purchase a basket of freshly picked vegetables or you may want to help around the garden.

However you choose to enjoy the Community garden, it would be great to meet you.

We are open Tuesdays and Saturdays from 9am - 11:30 during the winter months.

The new green bins for recyclables has been a big success and we thank those who have dropped off their 10c refund cans and bottles for recycling.

The Beverley Community Garden relies on the community involvement to be able to provide a relaxing, nourishing, informative, friendly environment and sincerely gives thanks to those who provide their time, donations and support.

BEVERLEY NATURALISTS CLUB NEWS

We haven't put anything in the Blarney for quite a while now but rest assured there has been lots happening in our wonderful bush reserves.

Peter has been busy eradicating significant weeds such as freesias and Veldt Grass at the Brooking Street Reserve and what a difference this has made. The freesias are a significant threat to the orchids. With Peter's hard work over the last couple of years, the freesias have been reduced significantly. As part of the fire management plan for this reserve, we have removed some of the fallen timber in the fire protection zone. We have also planted lots of native species in our memorial garden on Dempster Street (part of the Brooking Street Reserve).

We are starting to see the leaves coming through ready for our orchid season. The Bunny Orchids have already been and gone. These are early season orchids and they were in large numbers this year.

Thanks Peter, your hard work is very noticeable and much appreciated by us, the orchids and the biodiversity of this special reserve.

Phyllis has been busy photographing all flowering flora in our bush reserves with the intension of putting together a photographic book of our beautiful native flora. Phyllis has also been doing some weeding and fire risk management in the Carolling Rd Reserve and the Beverley Airfield Reserve. These two reserves are very beautiful and contain some stunning and endangered flora.

Kaitlyn and Phyllis did a clean-up in the Carolling Rd Reserve on the WA Day public holiday. As you can see by the photos, there was a large amount of old and recently dumped rubbish. Thank you to the Shire of Beverley for removing this rubbish so quickly. Watch this space for more info about this very special reserve.

Kaitlyn is also organising a school holiday event for the children in conjunction with the CRC on carnivorous plants like Droseras (sundews) and Trigger plants which we have in our bush reserves. I am really looking forward to this event. Thank you so much to Kaitlyn and the CRC for this event which will be on Thursday 17th July.

SUPPORT WORKERS NEEDED

If you're looking for full time, part time, school hours or simply wanting to supplement your pension, there's plenty of flexibility for anyone looking to join our local Mable workforce.

We are looking for registered and enrolled nurses, podiatrists, physiotherapists, carers, cleaners and gardeners.

The 'Staying in Place' program in Beverley aims to keep senior residents in their homes as long as possible with the help from local support workers.

Please contact Samantha Fricker stayinginplace@beverleycrc.com.au or 9646 1600 for more information.

Well, winter is here, the cold mornings but more rain would be nice. The ladies are keeping warm but still very busy. While we are still preparing for our celebrations, we have been busy catering for events. We are still holding our FREE Community Morning Tea on the second Wednesday of every month. A chance for everyone to come along for a free cuppa and a catch up. When you are ready to leave, you don't even have to wash up! Now where else can you do that for FREE!!

If you are looking for a gift for someone or maybe want one for yourself, we have copies of the C.W.A Cookery and Household Hints available for \$30.00 as well as the new cookbook, Generations in the Kitchen, members recipes for \$35.00. if you would like a copy, please let us know, phone 9646 1481.

For those who are wondering when the ladies will have more home baked goodies for sale, our next cake stall will be at the Beverley Show.

So, while the ladies are deciding on what to bake, and waiting for that rain, stay safe and stay warm, throw another log on the fire.

AVONDALE FARM

REVEGETATION IN THE BUSH RESERVE

12th July @ 9am

550 Waterhatch Rd - 5.5km from Beverley

G'day People,

We are looking for local residents who are interested in volunteering their time to come out to Avondale Bush Reserve to replant an area that needs some rehabilitation.

For those who haven't been to Avondale before there is a bush reserve with a marked walk trail of approximately 1.8 kms. There are some incredible wildflowers to be found here in the spring and there is always an abundance of wildlife and birds.

The National Trust of WA are providing the plants and an employee who is very passionate about this area of Avondale in Pamela Boardman. They will also provide a refreshing morning tea and if the job is still not finished by then a light lunch as well. All you need to bring is appropriate clothing, boots, hat, gloves, a water bottle and a keen sense of community spirit.

We have a couple of people coming but as the old saying goes "many hands make light work"

If you are keen please register your interest with Bronwyn the Caretaker on 0461 421 455.

Beverley Men's Shed

146 Vincent Street Beverley Western Australia 6304

With the recent cold snap, anyone who drove past the Men's Shed on a Tuesday morning could have thought everyone had gone home, this was not the case (the number of parked cars gave it away) more like the guys were huddled around the wood heater drinking hot beverages to try and keep warm, while using up some of our wood from our stockpile (plenty still available) and naturally reducing the profits from some of the recent trailer loads of wood that have been sold, a big thank you to those we were able to help.

A big thank you also goes out the Graham who is in his 90's and our president Peter who still manage to assist others in the loading and delivery of the wood despite health issues.

One recent incentive for members to help has been a Bar Be Que after doing a wood cut. Fancy being involved in this activity, why not visit us on a Tuesday morning and find out what the Beverley Men's Shed has to offer you.

Our other main means of paying our bills (mainly insurances) is our monthly raffle.

Regular participants would have noticed a few changes to our system, with the lower priced tickets and changes in prize suppliers; we hope that this diversity has improved people's interest.

One local who has always supported not only us, but also many other groups in our community is 'Prickle' who was the proud winner of both 3rd and 4th prizes in our June Raffle, being an IGA voucher for \$25 and the Mystery prize respectively, Prickle always puts his hand deep into

his pocket every month to support us regardless if he wins. Ironically, Linda from the IGA won the \$50 IGA second prize, with B Davies taking out the \$100 IGA first prize.

A big thank you to all the Community for supporting us, and don't forget to swipe that 'IGA Rewards Points' card for even more benefits from your local shop.

All profits from our June Raffle went towards the Men's Shed expenses, next month's raffle (first Friday and Saturday held at the Lions Kiosk) will support The Royal Flying Doctors Service with prize vouchers for your local Hardware—support Local.

To all our membership, a gentle reminder to support your Annual General Meeting to be held on July 15 in the 'Shed', get your

nominations in early for vacant positions including secretary. Retired, why not try something different in life, helping others in your community.

It's important to wash your hands

When we touch people, pets or objects, we can spread germs without even realising it. Even if your hands look clean, they can still be carrying germs.

Help stop the spread by washing your hands,

★ After coughing, sneezing or blowing your nose

★ After going to the toilet

★ Before, during and after preparing food

★ After handling or petting an animal.

Regular COVID-19 vaccinations, called boosters, are the best way to stay protected against getting very sick from COVID-19. You can prove your COVID-19 vaccination through your online Medicare services and get your immunisation history statement.

Please call our reception team today to get yourself on our Covid clinic waitlist.

Please be patient
with our staff during
these difficult times

Thank you for your understanding

Our practice is getting really busy, with a high demand for appointments. As a result, it may take longer than normal to get through on the phone or to get an appointment. Our staff are working really hard to provide the best care possible. Please support our practice by being kind, being up to date with your prescriptions and up to date with your ongoing specialist referrals.

Care outside normal opening hours

When the Beverley Medical Practice is closed you can always get medical attention by calling – **Ready Care 1800 225 523** or calling **Health direct on 1800 022 222** or by attending the Beverley District hospital, located in Sewell Street Beverley, where experienced staff will triage the patient and contact the on-call doctor. **Emergencies call 000**

Last Month's Highlights

Congratulations!

Congratulations to the winning team, "Farmers Want a Wife", at the recent Quiz Night held on June 7th. A huge thank you to the Beverley community for coming out in the cold to support the club. It was a fantastic night following a trifecta of wins across all teams against Cunderdin! A shout out to the best dressed team, "We Will Flock You".

After some merch?

Visit: clubshop.net.au/beverleyredbacks or available for immediate purchase at all home games

A shout out to Beverley Auction Centre for supplying a portable massage table for the trainer's room.

Thank you

A huge thank you to Think Mental Health, WA Country Footy and Dan Murphy and Courtney Riggs for bringing the Tackle Your Feelings workshop to our club on Thursday 12th June. It was fantastic to see such strong support from our players, supporters, and the wider community.

We learnt about how important it is to Understand, Recognise and Respond to signs of mental illness within our club and community.

Saturday Night Showdown

York and Beverley put on quite a show on Saturday 14th June during the Mental Health Round. The crowds gathered on the netball courts at sunset to watch an awesome match and enjoy delicious burgers cooked by the boys.

Wednesday 18th June: **Lyn McTaggart Trophy** was won by Jacinta Murray with 31 points. Runner up was Carol Piper.

Our Ladies have been on the road representing our club at many Open Days.

Unfortunately, were not successful in bringing home the major trophies but have had lots of fun and enjoyed their games away.

Scroungers results:

Gil Statham won the **Fred Bremner Trophy** for May with 29 points. Alan Hammond a close second with 28 points.

Still getting healthy numbers with 10 or 12 starters. We have even been blessed with the presence of members we haven't seen at scroungers for over 12 months.

Our thanks to all Sponsors.

BEVERLEY REDBACKS HOCKEY CLUB

JUNIORS RECAP GAME 1-3

Game 4 – vs York Greybacks

👑 Captain: Tate Doncon

🦋 Rusty the Redback: Claire Bailey

A fantastic team win and a joy to watch! Training drills came to life on the field with sharp square and straight passes. Claire and Steele both scored, and the whole team worked together brilliantly to secure the result.

Game 5 – vs York Silverbacks

👑 Captain: Cooper Vandenberg

🦋 Rusty the Redback: David Tasker

A high-energy, exciting game with great forward pressure and confident play. David stepped up to help the opposition when they were short, showing outstanding sportsmanship and giving 110% the whole match. A well-earned award!

SENIORS RECAP GAME 1

Game 2 – vs York Strikers (Loss 4-0)
