SHIRE OF BEVERLEY PRESIDENT'S REPORT

SWIMMING POOL REDEVELOPMENT

It is unfortunate that I must alert the community that there are now some significant delays that have arisen affecting this redevelopment. Up until recently we were confident that the project would be completed in time for the new season. This has now changed.

The revised opening is now January 2026. The factors which have contributed to the delay include additional excavation and fill work, delay in concrete pouring due to wet weather and delays in the supply of the pool liner/drainage system and water features. We have stressed the imperative to get the project completed as soon as possible and the contractor will add additional labour on to the project to try and gain some time.

Air Show April 2026

Paul Bennet, Kate Fraser, and Glenn Graham from the Paul Bennet Airshow team visited Beverley on Wednesday 20th August for a meeting with the members of the Shire Committee, the Soaring Society, the Gun Club, and the local Police. Meeting at the airstrip, a full day was spent investigating every aspect of the proposed Show and the layout of the airstrip ensuring that all services that are required for the day, and the accommodation of a large crowd could be managed and coordinated.

Beverley Agricultural Show 2025

Congratulations to President Lorretta Adams, Secretary Bruce Hunt, all members of the Committee, and all the volunteers who assisted in turning on one of the best Shows ever. The layout seemed to work well with the whole area used to benefit exhibitors and patrons: not so much crowding in a restricted area. This meant the crowd did not seem to be too big but observing the parking on Forest Street and surrounds indicated otherwise.

This a wonderful event for not just the Beverley Community but bringing in so many interested people from far and wide. The work and effort required of such a small group is a credit to them and future Shows will continue to depend on more volunteers willing to come forward and participate. Having reached 148 let's hope there is a continuing participation by willing bodies to ensure Beverley is able to conduct this event for years to come.

Local Government Elections 2025

Elections will be held on 18th October 2025 for vacancies on the Council of the Shire. This year five vacancies reduce to four as Beverley completes the transition from nine Councillors to seven. Nominations open on Thursday 28th August and close at close of business (4pm) Thursday 4th September.

In Brief.

- **Infrastructure Development Fund – Hunt Road Village.** The project received the go-ahead from DPLH and the final Financial Assistance Agreement was executed by the Shire on 16 July 2025. The project is now live, with Geotech Consultant Structerre appointed to commence with Geotechnical investigation – scheduled to be done on 1 September 2025
- **Beverley River Care Group.** Are pleased to announce the launch of the new Reference Library on the Beverley River Care Group website. Brings together nearly 70 documents from a variety of sources, both historical and current. The documents represent just a fraction of the investment of knowledge, effort, and care dedicated to our river and region over many decades.
- **Verge Spraying.** Rural roads have almost been completed, about 600km both sides have been sprayed. Most town streets have also been completed including Shire controlled blocks and reserves.
- **Grading Maintenance.** Grading is currently progressing in the west of the Shire.
- **Dumped Tyres.** 28 light vehicle tyres have been dumped in the Poison Hill Reserve, corner Morbinning Road and Aiken Road. This kind of stupid behaviour brings added costs to the Shire in having to clean up the mess.

Beverley River Care Group

Collaboration planting with the High School.

What a terrific experience it was for all of us involved in the tree planting along the river walk way north of the bridge towards the Golf Course on Friday 8th August.

With 14 River Care helpers, and over 22 Cadets and teachers from the high school, we managed to plant well over 700 trees. You'll see them marked with canes or covered in tree guards along the way. Thanks goes to all involved, including the Beverley Naturalists for advising on the tree selection and providing them, York River Conservation Group for equipment and the Shire for preparation of the area. The drenching rain the next day will give these trees a good start, let's hope you'll be able to see them growing well into the future.

First Annual General Meeting

Join us on Wednesday 3 September 2025 at the Amenities Room, Recreation Ground, Forrest Street, Beverley. Doors open at 10:00am for a cuppa, with the meeting starting at 10:10am.

After a short welcome, our guest speaker from the Department of Water and Environmental Regulation will share expert insights into the Avon River - its plants, animals, and practical ways we can help protect and locally restore this important regional waterway.

There will also be time for questions and discussion as we explore ideas for caring for the river in the year ahead. Come along, join the team, and be part of this growing community effort!

Public Notice – Beverley Swimming Pool Construction Delayed

The Shire wishes to inform the community that the completion of the Beverley Swimming Pool upgrade has been delayed. The revised opening date is now scheduled for January 2026.

While the recent wet weather has been welcomed, it has unfortunately caused delays to excavation works and concrete pouring. In addition, there are supply delays related to long lead time items including the pool liner.

The Shire has emphasised the importance of completing this project as quickly as possible. In response, the Contractor has committed to increasing labour on-site in an effort to recover lost time.

We understand that this news may be disappointing to the community. However, we appreciate your patience and are confident that the completed upgrade will be worth the wait.

1st - 5th September 2025

Jean Haile's Women's Health Week is Australia's largest event dedicated to the health and wellbeing of all women, girls and gender-diverse people. This year, the theme is 'Say yes to you' and each day we will focus on a different health topic to help women prioritize their health and wellbeing.

Prioritizing women's health involves a combination of healthy lifestyle choices, regular checkups, and awareness of specific health concerns. This includes maintaining a balanced diet, engaging in regular physical activity, prioritizing sleep, and managing stress. Additionally, women should be aware of potential health issues like cervical cancer, breast health, and urinary tract issues, and seek appropriate medical advice and screenings.

11th September 2025

R U OK?

The campaign encourages Australians to have meaningful conversations with people they care about to see how they are really doing, especially when they might be struggling.

Inspire and empower everyone to meaningfully connect with the people around them and start a conversation with those in their world who may be struggling with life.

You don't need to be an expert to reach out – just a good friend and a great listener.

Use these four steps and have a conversation that could change a life:

- * Ask R U OK?
- * Listen
- * Encourages action
- * Check in.

BEVERLEY HISTORICAL SOCIETY presents

Celebrating Beverley CWA

100 years of Support, Friendship and Community Service by
the Beverley branch of the CWA

In 1925 the Beverley Branch of the CWA formed after a meeting in the Mechanic's Institute with Beryl Fisher (left) as first President.

The establishment of a Rest Room became the main objective of most branches, not only for a meeting room but to give much needed facilities to farming families.

For most country folk, the trip by horse and cart or open truck into the nearest town was a major event. This often meant setting off early in the morning because what is now a trifling distance, in those days, took hours. Before the day was half over many a mother sighed for a place where she could feed a baby or sit in sheltered comfort while waiting for her husband.

A temporary Rest Room (small but very central) opened in March 1927; and a new Rest Room in the Fire Station opened in December.

Purpose-built Rest Rooms opened on the corner of Vincent and Dawson Streets in 1936 at a cost of £500. →

Over the years the Beverley CWA has organised many successful community and cultural events. Very popular were Debutante Balls in the Town Hall where debutantes and their partners were often presented to the current Governor of Western Australia. Grand Floral and Industrial Exhibitions were mounted in the same venue with awards for flowers and floral arts as well as domestic arts and crafts. Lady Mitchell, wife of the Governor, opened the 1939 Exhibition.

The CWA catered for women of all ages and in 1940 a CWA Younger Set was established with Mrs R Tebutt as the President.

The famous stone seat in front of the Shire building was a CWA gift to the people of Beverley in 1974. The seat features in many a reunion photograph.

Beverley Historical Society & Dead Finish Museum Notes

Some answers to the locations of the mystery photos of last month have been found. The newly built stone house was 'Annbrook' at Morbinning, then the residence of 'Bubs' Edwards & family. The next building & the lattice stand were possibly at the Beverley races.

Members have had more Busy Bees at the Dead Finish Museum and progress has been made in identifying and recording the contents of our storage boxes.

It is confirmed that we are to go to York on our next meeting day, 8 September

PLAYGROUP UPDATE

We've been busy bees lately preparing our show display — hope you had a chance to see it at the Beverley Show! It was a joy to showcase the creativity and fun that fills our playgroup each week.

Everyone's welcome to join us for some relaxed, casual play. Whether you're a regular or just curious, we'd love to see you. Keep an eye on our Facebook page for the latest updates!

BEVERLEY TOY LIBRARY

Toy of the month-

Age range: 2 years +

The Alpha-Abacus is a developmental toy designed to help young children learn letters, numbers, and early literacy and numeracy skills. This interactive toy encourages tactile learning, letter and number recognition, and the development of early reading and math skills through play.

If you haven't yet, don't forget to sign up for our Beverley Toy Library membership. Only \$20 per year to access the vast number of toys on offer.

EXPLORE THE STARS: ASTRONOMY WORKSHOPS IGNITE CURIOSITY IN BEVERLEY KIDS

Beverley CRC is delighted to be hosting the STEM series “Learn About Astronomy” workshops for children, led by retired science teacher Brian. We have completed two lessons learning about discoveries about light, lenses, and the night sky.

This series introduces new concepts in astronomy and optics—from understanding how glass forms from sand, to using microscopes and telescopes. The kids have enthusiastically explored magnifying effects, the inner workings of telescopes, and even learned about celestial movements like the South Celestial Pole and the unique patterns of the Southern Cross.

Brian notes the group’s strong engagement and quick grasp of complex ideas, highlighting their growing confidence in handling delicate telescope controls—an essential skill as they prepare for upcoming moon observations.

Parents and carers have warmly appreciated the hands-on learning experience, expressing gratitude for the chance to nurture their children’s curiosity and passion for science.

This astronomy workshop series is a shining example of Beverley CRC’s commitment to empowering our young community members through inspiring, accessible education that brings the universe just a little closer to home.

AWESOME 07 & 08 OCTOBER

We are thrilled to partner with the Beverley Station Arts Group for the 2025 AWESOME Festival Hub coming to Beverley these October school holidays.

Thanks to grant funding from the State Library of WA, we have brought on board authors Deb Fitzpatrick and Kylie Howarth. We will host open “Meet the Author” events and interactive workshops featuring these two talented children’s authors and illustrators. These sessions will aim to nurture a love for reading, enhance storytelling skills, and encourage creative expression through exploration of various concepts.

Claire's Journey Supporting Beverley's Older Community

Claire Thomas - Care Coordinator at Beverley CRC, Beverley resident and enrolled nurse
Interviewed and report written by Amor Moulton, Coordinator at Beverley CRC

Photo: Claire Thomas, Staying in Place client John Lane and his dog Lola

At Beverley Community Resource Centre, our commitment to supporting every member of our community drives everything we do. Claire, one of our dedicated Care Coordinators and enrolled nurse who divides her time between Beverley and Perth, embodies this commitment through her vital role in the Staying in Place program. This initiative is close to our hearts, aiming to help older residents remain comfortable in their own homes for as long as possible, surrounded by the people and places they love.

Claire's perspective offers a clinical insight into the challenges and triumphs of delivering care in a rural community. Having worked extensively in regional aged care as well as in metropolitan hospitals, she was astounded by the limited health and community services available here in Beverley—especially considering our relative closeness to Perth. Essential services such as podiatry, physiotherapy, and age-specific supports are often scarce or unavailable except through hospital admissions. This scarcity leaves our older residents without crucial resources in their day-to-day lives.

For Claire, the true significance of the Staying in Place program lies in filling these gaps with compassionate, local support. By matching older clients with support workers from within the community—people they often know—the program brings more than just practical help. It offers trusted relationships, regular social connection, and a caring face that visits weekly. This human connection is what sets the program apart and makes a lasting difference.

“I know everybody in the community knows Samantha, our original Care Coordinator, and now people are starting to know me. It's wonderful to see that our older residents feel truly listened to and valued—not just another stranger on a phone call,” Claire shares. The program delivers the basic services every person deserves, while also fostering a sense of belonging and respect.

Most importantly, Staying in Place helps keep our older community members out of hospitals or aged care facilities, where family and friends might find it difficult to visit. Being cared for at home by local carers is powerful—it strengthens intergenerational bonds and community ties. Claire finds great joy in this work, valuing the chance to hear each client's unique life story, to bring a smile, and to offer moments of comfort and companionship.

Yet Claire also reminds us of the risks of isolation: “Sometimes I worry that our older community are the forgotten ones. As people age and mobility or transport limits their social circles, it's so important we show up for them.” Each visit is more than a service call—it's a moment to affirm that our elders are seen, heard, and cherished within Beverley.

The most significant change, seen through Claire's eyes, is not only in the services delivered but in the human value restored—the joy of connection, the dignity of being cared for locally, and the reassurance that comes from knowing you matter to your community. This is the heart of Beverley CRC's work and a shining example of what can happen when we come together to support one another.

At Beverley CRC, we don't just serve a community—we are part of it, committed to strengthening every individual's place within it. Together, we create meaningful change, one relationship at a time.

HOW TO PREPARE ROSES FOR SHOWING

If you have roses in your garden but have never entered them into the Rose Show because you are unsure of what is expected or how to go about it, below is a list of some hints/tips on preparing roses for exhibition.

When picking the roses it is best done in the early morning, as this is when the plant will be holding the most water.

Select blooms that are nearly fully open, the optimal word here is nearly. If the blooms have not opened at all, then you risk them staying that way. If you pick them when they are fully open they are going to deteriorate rapidly and possibly won't last for the 2 days of the show.

Use a sharp cutting tool, secateurs are the best option. Cut the stem on a 45 degree angle without crushing the stems. Once cut put them straight into a tall container of lukewarm water. Don't overcrowd the container to allow air for air circulation, and remove any foliage that is going to be below water level.

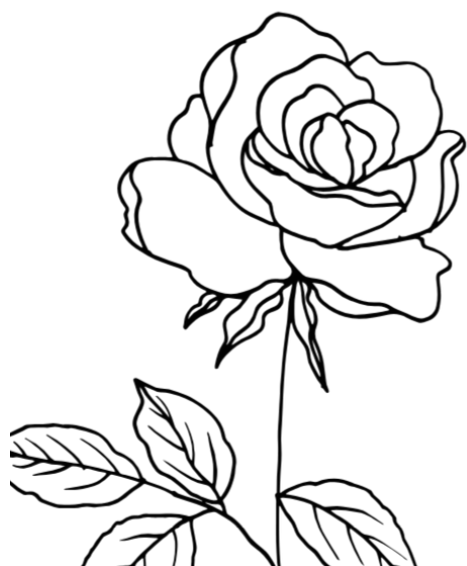

Store the roses in a cool dark place overnight. If you are storing them for a longer period then they can be put into a fridge. This ensures that the flower does not open any further and they can be stored refrigerated for a few days. However..... don't put them in with any fruit/vegetables and the temperature of the fridge should be between 1 - 5 degrees Celsius.

You can add apple cider vinegar and sugar to the water in equal quantities at a rate of 1 tablespoon of each per 2-3 litres of water.

Check daily and change water if needed.

All single roses entered into the show are to be displayed in glass bottles that are supplied on the day. These bottles come in 2 sizes, they are old cool drink bottles. So when cutting your roses from the bush try to maximise the length of the stem. This allows the rose to sit up out of the bottle for the best display.

Any arrangements or vases of roses that you wish to enter will have to be in your own containers. There are no vases or bowls supplied for these entries.

What do the judges look for?

Judges examine the rose for its typical shape, looking for a symmetrical and balanced bloom.

The petals should unfurl in a spiral from a central point. The colour should be rich, vibrant, and consistent throughout the bloom, with no fading or discolouration.

The size of the bloom should meet the standard for its variety, with larger blooms often favoured where size is a key factor. The rose should be fresh and free from blemishes, diseases, or wilting.

LIGHT THE NIGHT

Date: 10th September 2025

Time: 7pm onwards

This World Suicide Prevention Day we encourage households, businesses, schools, and community spaces to display a single light or lights in a window, driveway or outside area from sunset as a collective show of remembrance, connection, and hope.

We are shifting from silence and stigma to openness, empathy, and action - ensuring those who are struggling feel heard, supported, and connected.

It is encouraged to share a photo of your lights on social media and email a copy to Holyoake's Wheatbelt Suicide Prevention Team (wcdsprevention@holyoake.org.au) to be included in a photo collage.

Free webinars for Parents & Carers

What is the Teen Mental Health Matters Webinar about?

Parents and carers play a pivotal role in recognising the wellbeing of their teen, yet many struggle to understand how they can support their young person with their mental health.

Co-designed with parents and co-delivered by a clinical psychologist facilitator and youth lived experience advisor, our parent presentation is an opportunity for high-school parents and carers to learn more about adolescent mental health and how to best support and connect with their young person during tough times.

2025 Beverley Agricultural Show

THANK YOU!

On behalf of the Beverley Agricultural Society, we would like to extend our heartfelt thanks to everyone who contributed to making the 148th Annual Beverley Agricultural Show such a wonderful success.

- **To our sponsors** – your generosity and ongoing support make it possible to deliver a show of this scale and quality for our community.
- **To our volunteers** – your time, energy and dedication behind the scenes ensure that the show runs smoothly from start to finish - especially those who help man the gates.
- **To our exhibitors and entrants** – your hard work, creativity and commitment bring colour, life and competition to every corner of the grounds.
- **To our committee** – your countless hours of planning and coordination made this year's show a reality.
- **And to our visitors** – thank you for joining us, supporting local talent, and celebrating all that makes Beverley unique.

Together, you've helped us uphold the proud tradition of the Beverley Show, and we look forward to welcoming you all back in 2026 for another memorable event.

With gratitude,
The Beverley Agricultural Society Inc. Committee

LOCAL GOVERNMENT ORDINARY ELECTION CALL FOR NOMINATIONS Shire of Beverley

An Ordinary Postal Election will be held on Saturday, 18 October 2025 in the Shire of Beverley to fill the following vacancies:

District

4 Councillors

4 year terms

Nominations Open on Thursday, 28 August 2025

Nominations Close at 4:00pm Thursday, 4 September 2025

Nominations must be lodged with the Returning Officer:

- at any time during the above period by arrangement; or
- between 2:00pm and 4:00pm Thursday, 4 September 2025 (close of nominations) at the Shire of Beverley, 136 Vincent Street, BEVERLEY.

Nomination Requirements

Candidates are required to lodge with the Returning Officer:

- The Commission's preferred method for candidates to nominate is through the Commission's Nomination Builder. This tool assists candidates in completing their nomination form, including their profile and additional information. The Nomination Builder can be accessed via <https://lgportal.waec.wa.gov.au/noms>. Candidates can complete their nomination details and profile, print the completed form with the allocated reference number, and lodge it with the Returning Officer. Alternatively, a copy of the prescribed nomination form is available from the Returning Officer or via www.elections.wa.gov.au/LGE25Candidate-Information
- a single A4 page profile of not more than 1,000 characters (including spaces) containing information about the candidate.
- a nomination deposit of \$100 (cash, EFT, bank cheque or postal order).
- a recent passport-sized photograph (optional).
- every candidate must complete the online course titled *Local Government Candidate Induction*, available at [Induction for prospective candidates | LGIRS](#), prior to nominating and prove the course code on the nomination form; and
- in addition to your A4 profile, you may provide additional information that you consider to be relevant to your candidature. This written statement cannot be more than 2,000 characters (including spaces), must be in the English language and is for publication on the local government's official website only. (optional)

Please Note:

Where an agent lodges a nomination on a candidate's behalf, it must be in the prescribed form with a written authorisation signed by the candidate. The documents may be hand delivered or posted to the Returning Officer and must be received by the close of nominations.

Information

Full details about eligibility and nomination procedures for prospective candidates can be obtained by contacting the Returning Officer, **Mrs Natalie ASHWORTH** on **0400 192 107** or the Western Australian Electoral Commission on 13 63 06.

September 2025

000 is the EMERGENCY NUMBER TO CALL IN WESTERN AUSTRALIA FOR AMBULANCE, POLICE & FIRE

Well the Show has been and gone, it is hoped that everyone enjoyed the day and didn't get too wet. That's two years in a row it has disrupted our Show the rain. Maybe next year the sun will shine all day.

Life for our Volunteers has been very hectic in the last 2 months. The Sub Centre is in urgent and desperate need of new Volunteers. Please give it some serious thought, we are down to 5 Volunteers for Ambulance Duty, of which they all work, hence should you require an Ambulance it may quite possibly have to come from a near by town ie Brookton, York or Quairading, we have even had crews from Wundowie and Wooroloo help on the odd occasion.

Feel free to come to a Training night held every 1st & 3rd Tuesday of the month from 7pm to 9pm. Think about it folks we may not be able to help you in your time of need because we just don't have the Volunteers to carry the work load.

We held our Annual Review Meeting in August and Executive and Committee are the same as 2024/25: Ian Frizzell Chairperson, Vice Chair Jenny Rayner, Sec/Treasurer Anne Armstrong, General Committee, Tarni Young, Chad Vandenberg, Peter Jenkin, Jodie Bell and Linda Lewis.

Feel free to talk to any of these wonderful people regarding joining our Sub Centre.

Have you seen Lindsay Doyle and his crew at the Centre of late, we have had a bit of a problem with the eaves around the building and Lindsay and his workers, have had the onerous task of repairing and replacing. Lindsay hopes to have all the work completed in the next couple of weeks. We have had Lindsay do work previously and his workmanship is amazing.

Training as always is going along smoothly with only a very small group we achieve quite a lot on a Training night and manage to have a few laughs. Cliff Fishlock came to our August training and put us through our paces with CPR, he gave us some great hints and was very impressed with the skills of all our Volunteers. As always great feed back for everyone being praised for their skills.

Beverley Sub Centre has received a generous donation from the Beverley Line Dancers, and we thank them ever so much for this.

They held a day out at Talbot Hall dancing and donated their taking to our Sub Centre. Thank you ever so much.

That's it for this month. Take care, stay warm and hope we don't see you in the field in need of our Volunteers.

PAV PLAYS FOR BEVERLEY!

What an incredible day and night! A huge thank you to the Beverley Football and Netball Club for the opportunity to host the dinner at the Pav Q&A Event. We are so grateful to our amazing volunteers who gave their time and prepared dinner for everyone, what a great success.

KEEP AN EYE OUT

Follow our Facebook page to stay up to date with our Junior Redbacks exciting finals journey! We'll be sharing updates, match recaps, photos, and highlights. Plus, we'll also be sharing upcoming end-of-season events. Thank you to our supporters and sponsors.

ELIZA'S GAME POWERED BY FERN VALLEY CONTRACTING - YORK

Eliza's Game is a full day of hockey, heart, and community - one continuous match lasting over 8 hours, with hundreds of players taking the field throughout the day. This event is happening Saturday 13 September at the York Recreation Centre, raising awareness and funds for childhood cancer support through two incredible charities: for Hurt to Help and Eliza's Sparkle. Beyond the hockey, enjoy food, raffles, live music, guest appearances, kids' activities, and more. A true family fun day! Everyone is welcome to join, whether you want to register to play (all ages and skill levels are encouraged) or come along to soak up the atmosphere.

PAV'S REDBACK RUMBLE SATURDAY 16TH AUGUST

As part of the Carlton Draft, Matthew Pavlich joined the mighty Redbacks on August 16th! It was a fantastic day, with close to 600 people coming through the gates. The weather turned it on, and so did Pav. Although our league side went down by just 9 points against Quairading, the day was filled with highlights. After the game, we were treated to a Q&A session with Pav, hosted by Blake and Kodie, who interviewed the AFL legend. Robbie then put on a show with his auctioneering skills, raising funds for the club through the sale of signed Pav merchandise. It was a brilliant day out, and we extend a huge thank you to everyone involved in the setup and running of the event.

There has certainly been mixed golfing weather this last month, with some very wet and windy days, and some absolute glorious days for golfing.

Men's Results

Saturday 27th July: **Wayde and Kathryn McLean Trophy** was won by Ryan Sheriden and Gus Simkin from Brookton as the Nett winners and runners up were Keith Johnson and Neil Hamel from Quairading.

Sunday 28th July: **AVGA Springdell Trophy** sponsored by Andrew and Kellie Shaw, and Aviso W.A. Insurance Broker. Unfortunately, due to the unfavourable weather conditions and temperatures plummeting to 9 degrees, the scheduled 27 hole event was reduced to 18 holes. Darrell Hagan was victorious with 37 points. Runner up was Seve Getwanuson.

Friday 15th August: **Elders Ambrose in 3's day** was won by Gil Statham, Terry Woods and Fred Woods. Runners up were Noel Morton, Jarryd Morton and Mitch Morton.

Sunday 17 August: **Darryl Sims Trophy** was won by Alan Hammond with 33 pts and runner up was Paul Burns with 31 pts.

Ladies Results:

Like the Men our ladies have been playing away at many open days within our Association, however the Ladies have been far more successful than the men.

Sue Metchalf, Carol Piper, Glenys Collins and Yvonne Hobbs were the gross shield winners at the **AVLGA Championships in Brookton** held over three days, 15-17th August. Sue Metchalf was also winner of the best gross on the Saturday and Carol Piper the winner of the best Nett on the Saturday.

Wednesday 23rd July: **Marg Peck Trophy** won by Carol Piper with a Nett 73. Runner up was Maxine Watts.

Wednesday 30th July: **Glenys Collins Trophy** was won by Maxine Watts with Nett 74. Runner up was Glenys Collins.

Wednesday 6th August: **Carrissa Shaw Trophy** was won by Carol Piper, Runner up was Glenys Collins.

Wednesday 13th August: **Chantelle Meade Trophy** was won by Lyn Mactaggart and runner up was Carol Piper.

LADIES CHAMPION: Carol Piper

Runner up Champion: Glenys Collins

Nett Winner: Maxine Watts

Runner up: Yvonne Hobbs.

Scroungers Results:

Mike Carthew took out the monthly Fred Bremer trophy with 35 pts. Alan Hammond was close runner up with 34 pts. Numbers has been down, due to recent rain events.

Sincere thanks to all our Sponsors.

Court Refurb!

During the off season, Brett and Kingsley have been working hard to get the court refurbishment underway. The club wish to extend a huge thank you to the team of helpers who installed new sprinklers at the start of August. The upgrade to the irrigation system will ensure more even water coverage and is the first step in improving our grass courts. The project will also see the courts vertical-mowed, aerated and levelled before being ready for action in season 2025/26.

Junior Coaching

Junior coaching will take place during Term 4. Keep an eye on Team Reach for all the junior coaching information that will be coming out shortly. Kindy-Year 1 (Blue Stage) coaching will be with Chantelle Meade on Thursday afternoons. Year 2 and up will be with coach Keith O'Brien on Sundays.
