# SHIRE OF BEVERLEY PRESIDENT'S REPORT

## Local Government Elections 2025

Elections for vacancies on the Council of the Shire are due to be held on Saturday 18<sup>th</sup> October next. These elections have never been more important for Beverley as there have been more nominations for the four vacancies on Council than we have ever seen in past years. Eight candidates have nominated for the four vacancies.

Councillors Sue Martin, Alan Sattler, and John Maxwell have renominated along with five other candidates. Mr. Adam Freeman, Ms. Alex McKeller, Mr. Geoffrey Newby-Butt, Mr. Andrew Shaw, and Mr. Barry Shardlow are the remaining candidates.

With the WA Electoral Commission conducting the elections it will be solely by Postal Vote. Every person on the Shire's Electoral Roll will receive a Postal Vote so that there will be no in-person voting on the day.

You can either return your vote through the post or drop your completed envelopes in to the Shire Office before the close of business on Friday 17<sup>th</sup>. You may also take your completed postal vote to the Civic Centre (Old School Building) on the Saturday 18<sup>th</sup>. You will be required to follow the instructions issued by the WA Electoral Commission when they send you your Postal Voting papers.

The thing that voters need to know that it is NOT COMPULSORY THAT YOU VOTE. You will not be fined if you exercise your right not to vote but we would encourage you to cast a vote. The more votes that are cast the better view the Shire has of the community's wishes.

When voting, you DO NOT HAVE TO CAST A VOTE FOR EVERY CANDIDATE. YOU CAN VOTE FOR AS MANY OR AS FEW AS YOU WISH. Voting for just one candidate or all eight will be valid. Remember, there are only four vacancies.

When voting please ensure you number the squares and preferably do not X or √ any of the boxes. If you use two or more X or √ and no numbers, your vote will be invalid.

In exercising your vote, just remember you can vote for as many or as few as you wish.

## Beverley 2021 - 2025

With my departure, I would like to take some space to look back over the past fourteen years and reflect on all that has been achieved. For a small Shire like Beverley, it has been a lot.

- The first of these would be the additions and renovations to the sporting complex at the oval including the construction of new netball courts (to which the Netball Club contributed significant funds). The playground area has also been extended beyond its initial establishment;
- The construction of two Independent Living Units in Dawson Street;
- The construction of the Cornerstone Building which houses the Community Resource Centre, Library, Visitor Centre, Day Care Centre, and four leased offices;
- The installation of a dual charging station for electric vehicles at the rear of the Cornerstone building;
- The installation of solar panels on both the Shire offices and the Cornerstone building;
- The construction of the Moort Wabiny Park which incorporates numerous activities for our youth, a project that was driven largely by the community;
- Reroofing the Town Hall and Lesser Hall and the replacement of the flooring in both halls. Also included, the installation of new entrance doors in each hall as well as the replacement of the Stage curtain in the Town Hall, and the complete renewal of the kitchen in the Lesser Hall;
- The re-roofing of the Old School building as well as renovating the building to become a new Civic Centre which includes new Council Chambers and reception area;
- The re-roofing of the old Courthouse building and the establishment of a gymnasium within;
- The construction of six cottages near the caravan park comprising three two bedroom and three one-bedroom units;
- Water Harvesting Project which has reduced reliance on scheme water and consequently saved the Shire money; and,
- The complete redevelopment of Vincent Street with underground power and new drainage system.

In all, these projects, have incurred investment of \$18 million over the 14 years. Pleasingly, our Balance Sheet today is still as healthy as it was at the commencement of these projects with financing coming from Grants, borrowings, and Reserves.

### Future Projects – Beverley 2035

Work completed 18 months ago in preparation for grants under the the Regional Precincts Partnership Programme or rPPP, resulted in identification of several projects needed by the community and for which future Councils will be working. Named Beverley 2035, this plan will be a focus that will underpin future planning and provide continuing benefits to Beverley. It is a plan that is not fixed and future Councils will modify as they see fit.

And, of course, don't forget the big event coming up being the Beverley Air Show on 11<sup>th</sup> April 2026. Please tell all your friends and relatives. With Paul Bennet and his team, it will be spectacular. A big thank you to the Beverley Soaring Society and Rifle Club for their assistance with the event. I would also acknowledge Stefan de Beer and Jacinta Murray for picking up the load of organisation for the event.

To the new Council I extend my best wishes. To all the Staff led by Stephen Gollan, thank you for all your assistance and patience and for the way you keep such a cheerful culture in the office. To the blokes who have worked on the outside crew over the past fourteen years, thank you for your efforts working behind the scenes.

In conclusion I would like to thank the community for the opportunity to serve as a Councillor and especially as President for the last four years. It was never a position I would have sought so I want to "thank" Lew Shaw for his encouragement!

Nominating for **Councillor for Shire of Beverley**  
Election type **Ordinary**  
Enrolment status **ADAM CRAIG FREEMAN is eligible to stand for election as a resident of the Shire of Beverley.**

Also known as 'Indy' Freeman, I spent my childhood in Alice Springs and moved to WA in 1987.

My spouse and I raised two children in Perth before moving to Beverley in 2018.

My primary career has been as an 'Enviro' on a mine in the Midwest, however I have a broad range of working life experience. These include; Station Hand, Archaeological Tech, Lab Manager, Delivery Driver, Teacher, Office Work & Retail to name a few.

Currently, I work with a local agronomy business, am a handyman for Mable and an enviro consultant.

A community-oriented person, I have a long history of volunteering including, Perth Museum, Railway Museum, Rotary youth disability camps, BDHS Cadet instructor and Swan SES.

In Beverley, I am on the following committees: Historical Society, Hospital Auxiliary - Op Shop and Beverley River Care Group. I am also involved with the Station Arts and like to report the rainfall on Facebook.

Now I am keen to continue my contributions to the community as a Councillor for the District.

Ballot paper name **MARTIN Susan**  
Candidate name **Susan MARTIN**  
District **Shire of Beverley**  
Nominating for **Councillor for Shire of Beverley**  
Election type **Ordinary**  
Enrolment status **MARTIN Susan is eligible to stand for election as a resident of the Shire of Beverley.**

Susan has proudly called Beverley home for the past 15 years. Living on a small landholding with her husband, she has enjoyed being part of community life, serving ten years with the Agricultural Society and now contributing as a member of the Community Resource Centre committee.

With a Bachelor of Arts in Education, extensive experience as an Office Manager and eight years in the Army Reserve, Susan brings strong organisational skills and a practical approach to problem-solving.

Since being elected to Council in 2017, she has worked to ensure residents are represented and that community perspectives shape local decisions. Her experience of rural life, together with her professional and volunteer involvement, means she understands the Shire's challenges and is ready to build on its opportunities.

Susan is seeking re-election to continue strengthening resources, supporting community aspirations, and planning for a vibrant, well-resourced, and sustainable future for Beverley.

# Beverley Show Luncheon 1959

A recent donation of a little black notebook to the Dead Finish Museum highlights the thoroughness of the planning for the provision of luncheon to Beverley Agricultural Show patrons in the years from 1959 to 1973. Each necessary item was allocated to various people to produce. Cooking was done on the day. Shown here are the six pages for 1959 with some additions about prices & revenue for 1960 & 1961 at the end. The cost of lunch in 1959 was 5/6 for adults and 2/6 for children (55¢ and 25¢). The takings were £55 (\$110) meaning they must have served between 250 and 300 meals to adults & children. An awesome example of community spirit.

## Beverley Historical Society & Dead Finish Museum Notes

Last month the Society enjoyed a day out in York. We were kindly welcomed by members of the York Society to the Sandalwood Yards precinct where we viewed the old Tipperary School, scale models of York buildings and the purpose-built archive centre.

We had lunch at the Flour Mill Café before having our September meeting at The Rectory thanks to our member, Philip Raymont.

On Tues 16/9 we welcomed the BDHS Year Twos for their "Olden Days" leaning experience. More of this in a later edition of the Blarney.

**The BHS AGM is on 13th October at 10:30am followed by a cuppa then the general meeting. Please note the change to meeting time.**

# **Beverley Agricultural Machinery Museum news.**

After a 'short' spell away from the quill, I felt it was time to get back to work and help promote our Ag Museum with some news.

First, a big thank you to all the guys who covered my usual efforts while I was 'medically interned', it was fantastic to view what you have done at my first visit to the Museum in almost three months.

Second, thanks go out to Karl and his crew for the upgraded wiring and lighting in the Shearing Shed, something that was well overdue.

*Two of our regular volunteers starting the Lister stationary engine which powers our shearing shed, after some heavy-duty cables were fitted to the auxiliary electric motor used to wind over the flywheel, beats a crank handle any day.*

With one of several children that were excited by the old-style coughs and bangs on Saturday September 13 when the Museum was open to the public.

Having so long away it was pleasing to see so much advancement in everyone's projects.

The brakes on the C30 International Truck are now being assessed, after many years of dormancy, I can see a lot of patience and lubrication fluids being used.

Our relocated viewing ramp is now user friendly for those restricted to wheelchairs and gophers, also giving the visitors a much better experience.

Progress in the new extended workshop certainly was a good surprise, simple things like easier paper towel and soap access at the sink, and a dedicated tool board arrangement make life much easier for us all and any new volunteers.

There were many visitors that day with two families who were staying at the National Trust Cottages, it was great to see all the little smiles on the faces when the guys started up some of the machines. A big thank you to visitor

Jason from Ocean Reef who came to our rescue when one of the sliding doors came off its runner, old men and ladders are not a good mix.

If you would like to know more about the Museum or make a group booking, please ring John Alexander on 9646 0768.

"100"  
YEARS*

*17th October 2025*

*Happy Birthday Beverley C.W.A.  
Congratulations on 100 years of Service*

## *BEVERLEY C.W.A*

Well, the time is upon us and here we are celebrating our 100 years of service. On the 17th October is the anniversary of the first meeting held in the Mechanics Institute. With a rich and deep history, both branch and members, the branch has its place in the history of the organisation. With numerous members who have worked tirelessly for branch and organisation, Mrs B Fisher, Mrs M Adamson, Miss M McDonald, Mrs I Human, Miss M Carr and Mrs L Sims just to name a few.

If you wish to know more about what the branch and its members have done or doing, please ask one of our members. They will be happy to talk to you about the branch and the CWA.

For all the past and present members, I wish to congratulate them on the work they have done and continue to do. I Hope you enjoy the well-deserved celebrations and wish you all the best for the future.

"HAPPY 100TH BIRTHDAY BEVERLEY C.W.A"

The Community Morning Tea will be held on Wednesday 8th October at 9.30am. A FREE event for all to come to enjoy a coffee or tea and something to eat and fun! Best thing is you don't have to wash up.

Until next time, enjoy the warmer weather and if you see one of our members, wish them a Happy 100 Years!!!!

**David Clive Vincent**  
**09 01 1957 - 12 09 2025**

David passed peacefully on 12 September 2025 at the Kalamunda Hospital.

David asked me to thank all of those people that have supported him during his many years in Beverley, including his old customers, his many friends and those who have supported him during his recent years of illness.

I personally thank all of David's friends that came to lunch with David at the Hotel Beverley several weeks ago. To Tash and the crew at the Top Pub, thank you for helping our community to come together to say our goodbye's to David.

To the medical teams at Northam Hospital, York Hospital and Dr Sola and his team—thank you for all your support.

A special note of thanks must go to the palliative care team at Royal Perth Hospital and a particular note of gratitude must go to the staff at the Kalamunda Hospital Hospice who helped David through his final weeks. A more compassionate and caring team could not be wished for in one's final days.

To celebrate David's life, members of the Beverley community are invited to the Beverley Men's Shed at 10am on Tuesday 07 October 2025.

## 🌿 Prepare Your Property for Summer & Bushfire Season 🤗🔥

With Spring in full swing, now is the perfect time to get your property ready for the upcoming Bushfire Season.

August rain has been great for the garden, but it also encourages fast-growing grass — and long grass is a *magnet* for fire, snakes, and mosquitoes.

### ✅ Here's what you can do:

- **Keep grass trimmed** to 15cm or less around your property.
- **Prune thick shrubs** and remove any vegetation growing against your home, sheds, or water tanks.
- **Maintain at least a 2-metre gap** between your roofline and any overhanging tree branches.
- **Clear out fire hazards** such as leaves, twigs, bark, rubbish, and other debris that could catch fire or shelter snakes.

### 🔴 Don't forget:

- The Restricted Burning Period commences **3 October**. A permit is required for any burning.
- Firebreaks must be installed by **1 November**. Shire rangers will commence pre-inspections in October.
- Check the Shire website Firebreak Management page or refer to your rates brochure for detailed requirements based on your land size and location.

Let's all do our part to stay safe and bushfire-ready this season!

SHIRE OF BEVERLEY

# Sharing the Road with Oversize Vehicles

The **distance** the pilot and escort vehicles travel ahead of the oversize vehicle and the gap between them **will vary** depending on the speed of oncoming traffic, speed of the oversize vehicle, the road geometry and the availability of pull-over areas for the oncoming traffic. The pilot and escort vehicles should be a **sufficient distance ahead** to enable all types of vehicles to **pull off the road** before the oversize vehicle reaches them.

## Example of an Oversize Vehicle Convoy

**1 Heavy Vehicle Pilots (Pilots)** are used to provide advanced warning to other road users that an oversize vehicle is approaching and facilitate the safe movement of the oversize vehicles by directing traffic in their vicinity.

Directions given by the Pilots are lawful directions and must be obeyed.

Pilot Vehicles are easily recognised by a large yellow reflective sign with the words "Oversize Load Ahead" and amber flashing warning lights mounted on the roof.

Pilot Vehicles escorting loads in excess of 4.5 metres in width will also display white flashing lights on the front of the vehicle.

The number of Pilots accompanying an oversize vehicle will vary depending on the complexity of the load and their positioning will vary depending on where they are needed to safely manage traffic.

**2 Traffic Escort Wardens** manage the safe movement of larger oversize vehicles, typically oversize vehicles in excess of 5.5 metres in width and/or 40 metres in length.

Traffic Escort Vehicles have red and blue flashing lights on the roof and have "Traffic Escort" displayed on both sides of the vehicle. Most Traffic Escort Vehicles now have a blue and white sign with the words "Oversize Escort".

**3** Oversize vehicles often travel in **convoys**, meaning there will be two or more oversize vehicles travelling together, as shown in the above example.

The number of oversize vehicles allowed to travel in a convoy depends on the road terrain. Typically, only two oversize vehicles can travel in convoy, however three oversize vehicles often travel in convoy on Great Northern Hwy north of Wubin, and four oversize vehicles often travel in convoy on Great Northern Hwy north of Newman.

Under the Road Traffic Code 2000, you must follow the directions given by a Pilot and a Traffic Escort Warden when facilitating the movement of an oversize vehicle. So, **always follow directions** given by Heavy Vehicle Pilots and Traffic Escort Wardens, as the directions are being given for your safety.

**Take care** to ensure you only pull back onto the road or move through an intersection when you are sure all vehicles in the oversize vehicle convoy have passed.

**Do not risk overtaking** an oversize vehicle. **Be patient** and wait for the oversize vehicle to move aside and the Pilots and Traffic Escort Wardens to clear traffic.

If the rear pilot waves you past or calls you over the UHF radio to advise that it's safe to overtake, proceed with extreme caution. As the driver, **you are still responsible** for ensuring it is safe to cross the centreline and overtake.

## Sharing the Roads with Oversize Vehicles

**Slow down** as soon as you see a Pilot Vehicle or Traffic Escort Vehicle and **be prepared** to pull off the road and stop if necessary.

Many oversize vehicles take up more than half the road width, or they may need to travel towards the centre of the road to avoid power lines, trees or other roadside items.

Road transport is essential to Western Australia's economy.

Due to constraints for oversize vehicles, such as overhead structures, drive over structures, road side furniture etc., they are restricted to the roads they can travel on. If you see them on your local roads, it is because they need to use these roads to manoeuvre through the area.

It is important to be patient when sharing the road with oversize vehicles.

If you need to communicate with an oversize vehicle, the Pilots or the Traffic Escort Warden, they can be contacted on UHF Channel 40.

Mental Health Week is a national celebration encouraging social connection. This is an opportunity to highlight the important connection between social determinants of health and our mental health and to promote effective prevention strategies to keep people and our communities mentally healthy. The important week aims to increase mental wellbeing in WA communities by:

- Encouraging each of us to support and look out for each other.
- Promoting mental health literacy – learning the 'Language' of expressing feelings, good and bad.
- Continuing to raise awareness of mental health issues and reduce the stigma that can be associated with seeking help.

### **Brian's Teaching Journey Lives On: Retirement Is Just a New Beginning**

Brian Contos - Beverley resident, retired teacher and volunteer at Beverley CRC  
Interview and Report written by Amor Moulton, Coordinator at Beverley CRC

At Beverley Community Resource Centre, every story of connection and growth reminds us why we do what we do. One such story is Brian's—a retired teacher whose journey with us is a shining example of community spirit and the power of sharing knowledge.

Brian first came to the CRC seeking practical support: internet access, emails, and IT assistance. It wasn't long before our team discovered his deep passion for teaching science and astronomy. With funding available from State Library of Western Australia and Backyard Cricket we attained funding for STEM education, especially in hands-on workshops, we invited Brian to lead after-school STEM sessions for our local children.

The impact was immediate and heartwarming. Brian quickly built a warm, trusting rapport with the kids. They eagerly looked forward to workshops exploring the Leeuwin boat, the mysteries of magnetism, and more. Encouraged by this enthusiasm, we explored a new opportunity—a focused astronomy series led by Brian. What made this special was Brian's commitment not only to the wonders of the stars but also to the rich Indigenous astronomy stories passed down through generations of our First Nations people. This blending of science and culture brought a unique depth and respect to the learning experience.

Due to the success of these programs, the CRC secured funding and Brian launched a six-week 'Learn about Astronomy' series tailored for children aged nine and above. His hands-on approach captivated the kids, sparking curiosity and wonder that went beyond the classroom. The workshops became a space where learning was alive, interactive, and deeply meaningful.

While the children's excitement and growing knowledge are wonderful outcomes, what touches our team most, is the transformation in Brian himself. Retirement brought many changes, but his love for teaching has not faded—it has been reignited. Each session ends with a smile of pride and fulfillment on Brian's face, knowing he is making a meaningful difference in the next generation's lives. This sense of purpose and value is the heart of the most significant change.

Brian's story embodies the spirit of Beverley CRC. It reminds us that community is not just about services delivered, but about connections nurtured and lives enriched. When one member of our community finds joy and purpose in giving back, the entire community shines a little brighter.

At Beverley CRC, we are proud to be part of these journeys—where support meets passion, and where every person, regardless of age or stage, can continue to inspire and be inspired. Together, we create lasting change.

**Station Gallery Open Hours: 11am – 3pm Thursday, Friday, Saturday, and Sunday**

## Artists-in-Residence at the Station

### August Artists - in - Residence

Jennifer Hill thoroughly enjoyed month's stay at the Station during September, bringing to town two bus loads of visitors and a caravan club selling a number of works which was great for Beverley businesses.

### October Artists-in-Residence

Nichole Lubcke will be at the Station from Sept 30 to October 12. Nichole Lubcke is a multidisciplinary artist and arts educator based on Wardandi Noongar Boodja in Western Australia. Working across ceramics,

textiles, and printmaking, her practice explores themes of femininity, identity, and collective history. Through hand-built porcelain vessels, layered textile processes, and experimental printmaking, she investigates the tensions between fragility and strength, interior and exterior, and intimacy and universality. Recent works explore shifts in scale, from intimate palm-sized vessels etched with text to larger sculptural forms, inviting audiences to reflect on intimacy, materiality, and the body. Her work is grounded in materiality and process, capturing the memory of touch while evoking narrative and tactile connections.

Tarsh Bates (right) and Susan Hauri-Downing (below) will be Artists in Residence for six weeks from

October 16 to Nov 30 to work on a SPACED project to

which Beverley Station Arts has been commissioned. The art projects that SPACED commission

emerge from programs and residencies that enable artists to engage with specific social, environmental, and historical contexts.

Formally IASKA (International Art Space Kellerberrin Australia), SPACED is operated from Perth with Carnamah, Carnarvon, Esperance, and Narrogin also committed to SPACED for these 12 months.

Local jeweller/artist Rebecca Buglass will be assisting the SPACED artists as emerging producer whilst hands on learning with them. Rebecca will also be working alongside Sue and Tarsh to support their research and community activities.

Tarsh and Sue will **develop and facilitate workshops** in the community to better understand the role of smell in experiences of place and how artmaking can be used to understand and guide us through environmental and cultural change, grief, loss and hope.

This professional development OPEN SPACE is a partnership between SPACED and the UWA School of Design.

The artistic outcome of this process is presented to regional, national, and international audiences in exhibitions, publications, and online platforms.

The culminating exhibition will be at Perth Institute of Contemporary Arts in 2026.

Additional information regarding our artists in residence will be available in the weekly Beverley Bulletin, BSA socials, and emails. Or call A-i-R Coordinator Marylou Hutchinson on 0427 085 511.

### **ARTISTS-in-RESIDENCE till end 2025**

**OCTOBER:** Sept 30 – Oct 12 Nicole Lubcke

**NOVEMBER:** Oct 16 – Nov 30 – Tarsh Bates and Susan Hauri-Downing – with their international SPACED PROJECT

**DECEMBER:** 03 – 31 Richard Keeler (photographer)

## PERFORMING ARTS

**The Beverley Station Singers** continue to meet weekly under the direction of Kelly Shaw and are so very proud of fellow singer

Gemma Ugle on her amazing performance as support act to *An Evening with Lucy Durack*. The choir is now working towards singing at the Dunsborough Songfest on November 07-09. We wish them luck and just know it will be fun as well as a great learning experience with the various singing workshops being offered. New members are always welcome to our weekly sessions which are free and full of fun, so come along and be a part of a community choir. **WEDNESDAYS** in the **Green Room** at the Platform Theatre **6.00pm – 7.30pm**. No obligations other than becoming a member of BSA (if you decide to stay - just \$30/year).

### **Beverley Amateur Dramatics**

Do you love to sing as well as act? BAD is calling for expressions of interest for the next musical with a casting call in late October. The musical (soon to be announced) will take place in early March 2026.

### **Quick RECAP of Station Arts Events in September**

**An Evening with ...LUCY DURACK** – what a night to remember - Lucy Durack was truly amazing plus our very own Gemma Ugle's fantastic singing in her soloist debut as the support act!

**Dreams of a Lonely Planet** had a small but thoroughly enthralled audience followed by Flying Bicycle Collective's workshop that was engaging for all the children.

### **THE HUMAN HIGHWAY – Playing the Music of Neil Young - SATURDAY 01 NOVEMBER**

This is not just another tribute show.

*The Human Highway* is a rare and powerful celebration of one of music's most enduring and influential artists – Neil Young.

Led by devoted Neil Young aficionados **David Hyams** and **Rose Parker**, this exceptional 6-piece band captures the full breadth of Young's music like few others can. From his intimate folk and country ballads to the raw, electric energy of his Crazy Horse-era rock, the band moves seamlessly between styles with authenticity, passion, and precision.

Digging deep into Neil's incredible catalogue, *The Human Highway* pays tribute to all eras of his career – from his early days with Buffalo Springfield and Crosby, Stills, Nash and Young, through to his prolific solo years. This is a show that honours the heart and depth of Neil Young's songwriting, while showcasing the virtuosity of some of Australia's finest musicians. If you're a Neil Young fan – or just love live music played with real soul – don't miss this one-night-only performance at Beverley's Platform Theatre.

- Gates open to the Platform Theatre 6.30pm
- Show at 7.30pm
- Food & bar available – STRICTLY NO BYO drinks
- Tickets: [beverleystationarts.com/tickets.html#/](http://beverleystationarts.com/tickets.html#/) or from Beverley CRC 9646 1600.

### Students Return to School - Term 4!

Book Fair - all welcome

Primary Cricket Carnival

Try-A-Trade Year9/10

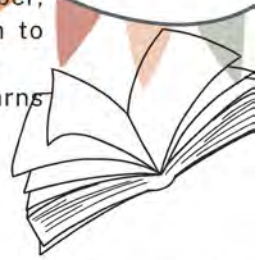

## Book Fair is Back

The Book Fair is coming to Beverley DHS! Join us in the library on the 21st and 22nd of October, everyone in the community is welcome to browse and buy. The Book Fair is open 8.30am to 4.00pm. With loads of great titles, it's the perfect chance to grab Christmas or birthday gifts.

Please sign in at the front office when you arrive. Every purchase through Scholastic earns rewards for our school, helping us stock up on new books and resources for the library.

We can't wait to see you there!

## This term in a nutshell

### Golf in Schools:

Our Year 3-6 students teed off with experienced golfer Megan Henry as part of the Sporting Schools Program. This fantastic Australian Government initiative helps boost kids' participation in sport and connects them with local opportunities.

Students learned the basics of golf and enjoyed every minute, look out Beverley Golf Club ... the next generation of golfers is on its way!

### Sport sport sport:

Our recent Faction Athletics Carnival was a huge success, with jumps and throws held at school and track events run at the beautifully maintained Beverley Town Oval. A massive shoutout to the Shire of Beverley—the oval was in top condition and made the day extra special! Congratulations to Forrest, who took out top spot with 575 points! Dale followed with 501, and Eyre gave a strong showing with 444.

The secondary students competed in the Interschool Athletics Carnival and ended up finishing 3<sup>rd</sup> overall. Mrs Bailey and Miss Black also took a team of primary students over to Brookton for interschool and Beverley ended up finishing first overall! What an achievement.

## School Board Community Member

We're currently seeking a passionate community member to join our School Board. This is a opportunity to contribute to Beverley DHS's strategic direction and help shape the future of our school.

The Board meets just five times a year and plays a vital role in supporting school planning and decision-making. Your voice and perspective could make a real difference.

If you're interested or would like to learn more, please contact the school office, we'd love to hear from you!

## Fathers Day in the KPP

We had a wonderful time welcoming dads, grandpas, uncles, mums, and other special guests into the KPP classroom for a special visit with the students. The room was buzzing with activity—from building projects and pampering shaves to painting and decorating delicious gingerbread cookies.

## Planning for the Future

Our secondary students have been busy exploring pathways beyond school, with some fantastic opportunities recently on offer. As part of the Try-A-Trade program, our Year 9 and 10 students completed their Prepare to Work Safely in the Construction Industry course—earning their White Cards and gaining a valuable head start in the construction field. Meanwhile, some of our Year 7 and 8 students attended the Cunderdin Agricultural College Open Day, getting a firsthand look at what life could be like at an agricultural boarding school. It's exciting to imagine where our amazing students will go next!

## Teaching Aide of the Year Awards

We're proud to share that our amazing Education Assistants (EA) Team has received a 'Highly Commended' in the 2025 Australian Teacher Aide Awards.

This award celebrates the work of EAs and EA teams across Australia. They recognise people who go above and beyond to support students, work closely with teachers, and help create supportive learning environments.

Beverley DHS Lead EA, Mrs Marie Walker has also received a 'Highly Commended' in the individual category for these awards. Marie's leadership, care, and constant support make a massive difference to our school. She's always going the extra mile for staff and students, and we're so lucky to have her as a strong leader of our school.

## Looking ahead

The **End of Year Presentation Evening** is set for Wednesday, 17<sup>th</sup> December.

We are again seeking community support to assist us in celebrating the successes of our incredible students.

If you would like to make a contribution toward the purchase of Book Awards for this event, please get in touch with the school on 9646 2500.

## Beverley River Care Group

Our AGM was a positive start to the season, with plenty of support in the room and from those who couldn't attend, plus a strong committee ready to roll up their sleeves. We passed several required policies that we hope will lead to approval for tax-deductible donations through the ATO in the future.

A highlight of the meeting was a presentation by Dom Heald from the River Science Team at the Department of Water and Environmental Regulation. Dom gave us practical, science-based advice, and with the department much smaller than it once was, we really valued the time he shared with us. We're also very pleased to have received a Community Grant from the Shire of Beverley. This support means we can continue making improvements to our river environment.

September's rains gave the river a healthy boost, and it was wonderful to see four kayakers tackling the flow from Boyagarra Pool to the town pool. Our school partnership plantings are also growing well, and as summer approaches, our focus will shift to caring for the seedlings and keeping them watered when needed.

Visitors staying at Apex Park free camp have been great supporters of our Containers for Change bins, which have been filled several times over. Combined with contributions from larger events in the district – including the Ag Show, the Pavlich game and prelim final, and the Odd Vim Do festival in Mawson – thousands of containers have been saved from landfill while giving our funds a welcome boost. Keep an eye on our website [www.beverleyrivercare.org.au](http://www.beverleyrivercare.org.au) and follow our Facebook page for news and upcoming activities.

## BEVERLEY CLAY TARGET CLUB

The Beverley Clay Target Club rounded out their annual fundraiser at the Beverley Show on the 23rd of August.

Tickets in the Firewood raffle were a hot item, as were the Sausage Sizzles sold throughout the day and into the evening as we dodged a spot of afternoon rain to enjoy an incredible fireworks display.

The Firewood Raffle was won by "Richard B" of Beverley on a ticket bought for him by his daughter, Jackie.

2nd Prize was a voucher from T Bone and Sons, won by "Priscilla" of Beverley.

Congratulations to our winners and thank you for your support.

The funds raised will go towards Range and Administration improvements to allow the Club to remain compliant with the new Firearms Legislation that has come into effect this year.

Fundraising in the Main Street and at the Show was a great opportunity to meet the community and discuss the challenges facing our sport. Many people were surprised by the reach and effect of the new laws that has not been made apparent by the media or the State Government.

Many thanks to everyone who bought a ticket, The Shire of Beverley, Local businesses, (Beverley IGA, T-Bone and Sons And Beverley Tyre Services) for their support. And a special thanks to the Beverley Ag Society and their sponsors for organising a great day.

## Ideas Teams

Is there anything extra, new or different that you would like to see in your monthly blarney?

Is there anything you might like to see a little less of?

As the blarney is a community newspaper, we are looking for ideas from the community to bring fresh, new and interesting things to our blarney readers.

Please feel free to drop ideas into the shire of beverley office or email them to [blarney@beverley.wa.gov.au](mailto:blarney@beverley.wa.gov.au)

Thanks, Corretta

# Beverley Community Garden

Spring has sprung and the members and volunteers have sprung into action pulling out the winter weeds. Murray has been busy mowing and whippersnapping, and Cliff has been busy trimming up our fruit trees and giving them some extra TLC 🍷

The smell of freshly mowed grass and the colourful spring blooms makes the garden a joy to be involved in and a pleasure to those visiting for a wander through or to drop by and get their \$10.00 baskets.

Some Favorites that people have been enjoying are our Sugar snap and Snow peas not to forget the rhubarb which has definitely been a winter Favorite.

We have received a generous donation of wood chips that will be used to protect the garden from the upcoming hotter months leading into summer.

As part of celebrating National Community Garden Day, we will be holding a plant stall along with raffles and a big morning tea, so please pencil in the 1st of November to come and visit the garden and share a cuppa with us. We will be open 9am – 12pm for this event.

Thank you to those who have donated their 10c Recyclables. The money raised from this venture, gives us the ability to ensure the garden is at its best to provide a place the community and visitors to Beverley to enjoy.

**During the Spring months we will be open Tuesdays and Saturdays from 8:30-11:30**

You are welcome to come down to the garden for morning tea, ask some gardening advice, purchase a basket of freshly picked vegetables or you may want to help around the garden. However you choose to enjoy the Community Garden, it would be great to see you there. The Beverley Community Garden relies on the community involvement to be able to provide a relaxing, nourishing, informative, friendly environment and sincerely gives thanks to those who provide their time, donations, and support.

## SUPPORT WORKERS NEEDED

If you're looking for full time, part time, school hours or simply wanting to supplement your pension, there's plenty of flexibility for anyone looking to join our local Mable workforce.

We are looking for registered and enrolled nurses, podiatrists, physiotherapists, carers, cleaners and gardeners.

The 'Staying in Place' program in Beverley aims to keep senior residents in their homes as long as possible with the help from local support workers.

Please contact Samantha Fricker [stayinginplace@beverleycrc.com.au](mailto:stayinginplace@beverleycrc.com.au) or 9646 1600 for more information.

## BEVERLEY AG SHOW

The Beverley Early Years Network hosted the Early Years Tent again this year at the Beverley Ag Show. The tent was a huge success with families having a space to sit and stop for a while during what is always a busy day. Thank you to our volunteers who set up and packed up the tent and items, your support is so appreciated by us all.

Thank you to David & Elizabeth White for their generous donation to the Beverley Early Years Network!

## BEVERLEY TOY LIBRARY Toy of the month-

Rainbow Xylophone  
Age range: 12 months +

Playing a xylophone promotes developmental growth by improving fine motor skills, hand eye coordination and auditory skills. It requires children to hit bars with mallets to produce different pitches and rhythms.

This is just one of many toys available to borrow through our amazing Beverley Toy Library at the CRC. **Please remember to keep the Toy Library as you found it- it is run by our amazing volunteers!**

**FREE EVENT**

**Teddy Bear Picnic,**

**SUNDAY OCTOBER 12**  
**10:00AM**

**Beverley Station Arts & Exhibition Garden**

Free crafts and activities, lots of fun for all!

Bring your favourite teddy, spare clothes(for waterplay!), a picnic lunch and a rug to sit on.

# BEVERLEY REDBACKS HOCKEY CLUB

## JUNIOR FINALS JOURNEY

### **Preliminary Final @ York**

**Beverley Redbacks vs York Silverbacks**

After a hard-fought match, the Redbacks held strong in defence, nil-all at full time and after two periods of overtime. Unfortunately, the result came down to percentage on the ladder, and we just missed out. Our juniors played their best game of the season, leaving everything on the field. Finishing in 3<sup>rd</sup> place for the 2025 season.

## JUNIOR REDBACKS 2025

What a year! The Junior Redbacks had an outstanding 2025 season. With record numbers of minkey and junior players, we needed extra hands—and the club stepped up. Chaise Sattler came on board as Junior Coordinator, easing the load on our coaches, while Jaime Williamson and Courtney Stone guided our youngest players and prepared them for junior competition.

A special thanks to Kelly Mann, who has grown our junior team from its early days, when Beverley had no junior hockey, to reaching the preliminary final this year. Though the team fell just short, Kelly’s dedication, skill, and countless hours have been instrumental in the team’s success.

We also extend heartfelt thanks to all our coaches for their time, support, and love of hockey. Your passion and guidance have shaped our players and inspired the whole club.

Finally, a big thank-you to our supporters, volunteers, and parents for their energy and commitment throughout the season. The Junior Redbacks wouldn’t be where they are without you!

## JUNIOR REDBACKS AWARDS 2025

A huge congratulations to all our young hockey stars for an awesome season. We loved watching your skills and confidence grow and can’t wait to do it all again next year. Well done to all the parents and carers who grabbed a stick and kicked off our junior sports wind-up with some spirited hockey games.

**COACHES AWARD 2025:** Hamish Penny

**FAIREST AND BEST 2025:** Alec Murray

## FROM DAY ONE TO TODAY

Throwback to 30 April 2022 - the Beverley Redbacks’ very first junior game. In the front row are Steele and Heidi, the only two players still on the team today. Back then we often struggled to field a side and even had to forfeit a few games.

Fast-forward to 2025: our juniors have grown into a strong, competitive team, a testament to the dedication of these players and the incredible work of Coach Kelly Mann. What an achievement for the Redbacks!

## What's been happening...

Beverley Horse & Pony Club Combined with York Pony Club to run the 2025 Show Jumping & Ring Events at this years YORK SHOW on 6 September. What a team effort. The weather was kind to us and numbers were a plenty. 3 rings allowed us to showcase some Fancy Dress, Hacking, Show Jumping & a display of Games. A massive THANK YOU from both Beverley & York Pony Clubs goes out to:

- ♥ York Shire For maintaining & providing such a beautiful ground to ride on!
- ♥ York Ag Society Committee For organising such a wonderful show & allowing us the opportunity to run a fantastic equestrian event. With special thanks to Liz Read for organising & overseeing all Equestrian events on the day.
- ♥ Bec Halbert for Co Ordination of this event, liaising between groups & everything you did to make this event happen!
- ♥ Nat W-H & Family organising judges, helping youngsters & helping out throughout the day.
- ♥ Judy Rose Our Amazing Show Jumping Judge who was there from beginning to end.
- ♥ Fred Freeman Our Amazing Show Jump Course Designer.
- ♥ Emily & Lisa Maxwell Our Fancy Dress Extraordinaire Judges.
- ♥ Jennifer Kob & Lauren Neill Our Wonderful Hacking Judges, Along with Josh Duncan & Krista Shephard for Pencilling. Along with all other pencillers on the day.
- ♥ Tess Hawke Our wonderful Games co-ordinator. You managed to pull a good crowd!
  - ♥ Our Spectators for supporting us from the sidelines! It was great to see such a large crowd all day long!
