SHIRE OF BEVERLEY PRESIDENT'S REPORT

Beverley Shire Council Elections 2025

Congratulations to Councillors elected at the recent Beverley Local Government Elections and thank you to all eight candidates for your participation in the electoral process. The successful candidates filling the four vacancies are returning Councillors Sue Martin, John Maxwell, and Alan Sattler and new Councillor Andrew Shaw.

Currently voting in Local Government elections is voluntary which I believe most of us would prefer to remain the case. Interestingly Beverley had 49.8% of those eligible casting their vote which is a much better participation rate among electors than many metropolitan Councils.

Changes to the Local Government Act in recent years now requires preferential voting in Local Government elections. This complex process has necessitated the Shire to engage the WA Electoral Commission to run our elections, hence a move to postal voting. Whilst this has seen an increased participation rate among eligible electors, it also has come at a notably increased cost to the Shire than the previous "first past the post" method of voting.

Thank you to outgoing Councillors David White and Don Davis for the extensive contributions made during their respective terms as Shire Councillors, both also having served as Shire President. David was elected to Council in 2011 and served as Shire President for four years 2021-2025. Don was elected in 2013 and served as Shire President for two years 2019-2021.

Council for the 2025-2027 term

Beverley Airshow 11 April 2026

Planning is well underway for this significant regional event. The "Beverley Airshow" Facebook page is up and running and can be followed to learn of new details as they come to hand. Visit the website www.beverleyairshow.com.au for interesting information about the event as well as a useful "Frequently asked Questions" section.

In closing ...

Please drive safely and take extra care on the roads. With hay and harvesting operations underway there may be large machinery and equipment being moved on roads around the district and an increased number of road-train vehicles delivering this year's crops. It may take a few more minutes to get where you're going, but your patience in doing so will be worth it.

It is a privilege to again be serving in the role of Shire President, and I look forward to Council's collective contribution on behalf of the Shire and our community.

Dee Ridgway

BEVERLEY HISTORICAL SOCIETY presents

48th Annual General Meeting of the Beverley Historical Society

The 48th AGM of the Beverley Historical Society was held on Monday 13th October at the Society's headquarters, the Dead Finish Museum, with an attendance of 14 members, 2 guests and 4 apologies.

The Treasurer, Leonie Taylor, presented her audited report on the year's financial activities which showed a slight increase in the bank balance for the 2024-2025 Financial Year.

The President, Glenys Petchell, then presented her report on the year's activities:

BEVERLEY HISTORICAL SOCIETY – PRESIDENTS REPORT 2025

Since our last AGM we have had the Beverley District High School Year 2s visit twice.

October last year we had 16 students and this year in September we had 20 students (largest group for a long time). We always enjoy having them visit and teach them about the "Olden Days" A Big thank you must go to our community volunteers Lee, Elaine, Ethel and Debbie who came and helped us.

Not including yesterday our visitors to the Museum for the year were 261 – 202 on Sundays and 59 during the week. Well down on last year.

During the year we received 3 crates of Brownie/Girl Guides logbooks from late 1970s/80s. We then did a display, and it caught the attention of Ella at the ABC radio, which the donor Evelyn Hanwell heard and was pleased.

Together with the Tree and Garden Club we combined our display at the Agricultural Show – theme CWA 100 years and received lots of praise.

We had our Christmas Lunch in March which was very enjoyable and relaxing.

For our September meeting we went to York and visited Sandalwood Yard welcomed by The York Society, where they gave us morning tea (their facilities made us very envious) then lunch at York Mill followed by meeting and afternoon tea hosted by Phillip at the Rectory.

Morag and I are slowly entering the photos on the computer but unfortunately, we can only do it when time allows.

During the year we have had busy bees sorting the clothes into their eras, photographing them, listing descriptions of each item. These mornings have been a lot of fun.

Next year there is the Beverley Air Show, and the Historical Society will have a display there, so we are trying to collect as much info as possible.

My special thanks to our Vice President Joy Smith who is a backup contact person & helps in research, to our Secretary Morag Whitney I don't have enough words for all she does; to our Treasurer Leonie Taylor she keeps our finances in order plus many hours updating our filing system; to Adam Freeman for his Mr Fix It jobs he does for us; and to our auditor Ashlee Carter.

To the Beverley Tree and Garden Club for maintaining the garden; we get lots of lovely comments on how nice it looks.

To all the members of the Historical Society - without all your help to man the museum on Sundays, attend busy bees & contribute to the many requests - we wouldn't have a museum for everyone to admire.

Sadly, on the 20th November last year Bill Whitney passed away, loved husband of Morag, also long time Auditor for the Society. He was also a very handyman with wood and made the shelves in Beverley room, ramp at front door, a gadget for getting the curtains down and the list goes on. He was the behind-the-scenes supporter who never wanted any accolades and always jokingly called us "The Hysterical Society"

Next year we have a couple of outings planned and hopefully we can continue with our sorting the many treasures we have, entering more photos and rearranging the Archives room.

Thanks, Glenys Petchell.

Election of Office Bearers

Our special guest, retired Beverley business woman & continuing St John Ambulance Officer, Jenny Rayner, then took the chair for the Election of Office Bearers for the 2025-2026 year:

President:	Glenys Petchell
Vice President:	Joy Smith
Secretary:	Morag Whitney
Assistant Secretary:	Adam Freeman
Treasurer:	Leonie Taylor
Auditors:	Ashlee Carter
Research Officers:	All members assist with research.
Museum Officers:	Leonie Taylor, Glenys Petchell, Morag Whitney & Adam Freeman to continue with others as needed.

Cost of Admission to the Dead Finish Museum to Rise

Members then considered the issue of the cost to enter the Dead Finish Museum. The Museum has been open to the public since the mid-1980s and in all that time the entry has remained at \$2 for adults, with accompanying children free. Members have felt for a while that this was too cheap – we even have had visitors say it is worth more than \$2 – so the decision was made to raise the admission price to \$5 for adults, accompanying children to remain free.

The AGM finished with a cuppa & a beautiful cake kindly provided by members, Sheila & Ted Sheehan.

Book Week

Book Week had the school in a buzz at the end of Term 3. We had Harry Potters, Indiana Joneses, Dragons, Oompa Loompas and more dalmations than Cruella knew what to do with! As part of Book Week, students were invited to recommend their favourite books in the library. This activity sparked something wonderful, as students stepped outside their usual reading choices and picked up books their friends love. Book Week is always a great day here at Beverley DHS.

Fairy Bread and Ink Wells: A Step Back in Time

In September, the Year 2 class made their annual visit to the Dead Finish Museum and were welcomed by the friendly members of the Beverley Historical Society. Each year, this wonderful group brings history to life for our students, where they are shown how to wash clothes with a washboard, write with ink and nib, and they even introduced them to the nostalgic delight of fairy bread!

This local excursion offers a hands-on glimpse into the daily lives of early pioneers, settlers, and their children. It's a fantastic way to build on our learning about the past and present, while also connecting with the incredible volunteers who help preserve Beverley's rich history. We're so grateful for their time, stories, and the joy they bring to our students.

Year 6s

Our Year 6s wrapped up last term with a fantastic performance for the whole school and their families, showcasing their creativity and confidence. It's been a massive year for them—between Camp, speech nights, math competitions and a trip to the WA Museum Boola Bardip to check out the Terracotta Warriors, they've packed in some pretty unforgettable experiences!

Looking ahead

The **End of Year Presentation Evening** is set for Wednesday, 17th December.

We are again seeking community support to assist us in celebrating the successes of our incredible students.

If you would like to make a contribution toward the purchase of Book Awards for this event, please get in touch with the school on 9646 2500.

TEDDY'S BEAR PICNIC

The annual Teddy Bear Picnic was a delightful day of fun, laughter, and creativity held at the beautiful Beverley Station Gardens. Families gathered with their favourite teddy bears to enjoy a range of themed activities and community connection.

Children began the morning with exciting bear-themed games and crafts, including a Bear Bean Bag Toss, Bear Ear Craft, and Bear Paws Craft. The crowd then gathered for storytime, featuring the much-loved book "Brian the Smelling Bear." The fun continued with children "washing" their smelly bear friends - a highlight that brought plenty of smiles and splashes!

A special treat followed with a visit from local author Michaela Miller and her cuddly bear Woody, who shared their wonderful book about Woody's Adventures in Beverley.

We extend our heartfelt thanks to the Beverley Station Gardens for providing such a charming and welcoming location for this special community event.

BEVERLEY TOY LIBRARY

Toy of the month

Pattern Peg Mosaic

Age range: 2 years +

Pattern peg mosaics are a toy suited to our slightly older children that help with the development of fine motor skills, hand-eye coordination and problem-solving abilities by recreating designs with pegs on a perforated board. This activity can also enhance cognitive skills like colour recognition, patterning, sequencing and spatial reasoning. It is a great, interactive indoor activity for when the weather starts to warm up!

This is just one of many toys available to borrow through our amazing Beverley Toy Library at the CRC.

Please remember to keep the Toy Library as you found it- it is run by our amazing volunteers!

PLAYGROUP UPDATE

We were fortunate to have Smiling Starts this term, which provided us with complimentary dental check-ups, valuable information regarding baby teeth, and access to child-friendly dental treatments or referrals as needed.

Care outside normal opening hours

When the Beverley Medical Practice is closed you can always get medical attention by calling – **Ready Care 1800 225 523** or calling **Health direct on 1800 022 222** or by attending the Beverley District hospital, located in Sewell Street Beverley, where experienced staff will triage the patient and contact the on-call doctor. **Emergencies call 000**

- **Be actively involved in your own health care-** Taking part in decisions that are made about your treatment is the single most important way to help prevent things from going wrong and to get the best possible care for your needs.
- **Speak up if you have any questions or concerns** – Choose a health care professional with whom you feel comfortable talking about your health and treatment. Remember that you have a right to ask questions and to expect answers that you can understand. Your healthcare professional wants to answer your questions but can only answer them if you ask. A family member, carer or interpreter can be there with you, if this helps. You can also ask for another professional opinion.
- **Learn more about your condition or treatments** – Collect as much reliable information as you can regarding your condition, tests and treatments.
- **Keep a list of all the medicines you are taking-** You can use the list to let your doctor and pharmacist know about everything you are taking and Information about drug allergies you may have.
- **Make sure you understand the medicines you are taking-** Read the label; including the warnings make sure it is what your doctor ordered for you.
- **Get the results of any test or procedure-** The Doctor will let you know when he expects your results from tests to be back, don't assume, "no news is good news" call your doctor to find out your results and ask what they mean for your care.
- **Talk to your doctor or other health care professional about your options if you need to go into hospital.**
- **Make sure you understand what will happen if you need surgery or a Procedure**
 - **Make sure you, your doctor and your surgeon all agree on exactly what will be done.**
- **Before you leave hospital, ask your doctor or other health care professionals to explain the treatment plan you will use at home.**

Station Gallery Open Hours: 11am – 3pm Thursday, Friday, Saturday, and Sunday

Artists-in-Residence at the Station

October Artists - in - Residence

Nichole Lubcke certainly made hay while the sun shone whilst at the Station! She was often spotted sitting on the footpaths in and around town with her sketchbook.

November A-i-R

Tarsh Bates and **Susan Hauri-Downing** are Artists in Residence at the Station Gallery for six weeks from **October 16 to Nov 30** to work on a project to which Beverley Station Arts has been commissioned by SPACED. SPACED works with artists and host organisations in a whole-of-community approach to facilitate conversations and possibilities for creation and collaboration. The artists to engage with specific social, environmental, and historical contexts.

Tarsh and Sue are developing and facilitating workshops in the community to better understand the role of smell in experiences of place and how artmaking can be used to understand and guide us through environmental and cultural change, grief, loss and hope. To assist the SPACED artists Sue and Tarsh, local jeweller/artist Rebecca Buglass is working alongside them to support their research and community activities. The artistic outcome of this process will be presented to regional, national, and international

audiences in exhibitions, publications, and online platforms.

The culminating exhibition will be at Perth Institute of Contemporary Arts in 2026.

This professional development OPEN SPACE is a partnership between SPACED and the UWA School of Design.

Additional information regarding our artists in residence will be available in the weekly Beverley Bulletin, BSA socials, and emails. Or call A-i-R Coordinator Marylou Hutchinson on 0427 085 511.

PERFORMING ARTS

Beverley Station Singers

The choir has been meeting weekly to practice singing for the Dunsborough Songfest

on November 07-09. We wish them luck and just know it will be fun as well as a great learning experience with the various singing workshops being offered. From mid-November Kelly will back with a new Christmas song list for the Concert on the **20 December**. We anticipate a return of some old members and welcoming newbies too. Everyone enjoys belting out few Carols! Weekly sessions are free and full of fun, so come along and be a part of a community choir. **WEDNESDAYS** in the **Green Room** at the Platform Theatre **6.00pm – 7.30pm**. No obligations other than becoming a member of BSA (if you decide to stay - just \$30/year).

Beverley Amateur Dramatics

BAD held their casting call on **Sunday 19 October** for the next musical (to be revealed in the coming months, but what we can

divulge is that it's a comedy and promises to be a load of fun for both cast and audience. The musical will take place in early 6, 7, 13 & 14 March 2026 (Save the Date!)

COMING EVENTS!

THE HUMAN HIGHWAY – Playing the Music of Neil Young - SATURDAY 01 NOVEMBER

This is not just another tribute show! *The Human Highway*, led **David Hyams** and **Rose Parker**, pays tribute to all eras of Neil Young's career.

- Gates open to the Platform Theatre 6.30pm
- Show at 7.30pm
- Food & bar available – STRICTLY NO BYO drinks
- Tickets: from Beverley CRC 9646 1600 OR

Beverley Community Garden

How awesome is this weather! Sunny days, Rainy days, Cold days and warm days – This is perfect for our wonderful garden to flourish and that's a win for everyone.

It's been lovely to see the familiar faces of our regular customers and fresh new faces enjoying our garden and collecting their freshly picked veggies for a healthy eating regime.

Some Favorites that people have been enjoying are our beetroots and leaks and the rhubarb is still providing. Also available to purchase while stocks last are some Grosse Lisse and Black Russian Tomato plants at \$2:00

Volunteers at the garden have been busy composting, weeding and planting and getting ready for our National Community Garden Day on the 1st of November. Do not forget to mark this in your diary and come and enjoy a lovely community morning tea. There is also a raffle and a plant stall as well as our popular \$10.00 baskets available. The garden will be open until 12pm.

Once again a big Thank you to those who have donated their 10cent Recyclables. The money raised from this venture, gives us the ability to ensure the garden is at its best to provide a place the community and visitors to Beverley to enjoy.

Have you heard of the Crooked carrots? They are a new addition to the Corporate Bowls currently being held at the Beverley lawn bowls. They are a bit of an "odd bunch" but it has been great to have our Community Garden represented by this awesome foursome. Thank you Don, Wendy, Geoff and Eric for putting your best foot forward and supporting yet another Community event.

The Beverley Community Garden relies on the community involvement to be able to provide a relaxing, nourishing, informative, friendly environment and sincerely gives thanks to those who provide their time, donations, and support.

Beverley Community Markets

Stall holder of the month

I recently recently had the pleasure of talking to Lee Storer one of the original store holders of the Beverley community markets. Lee started doing Markets around 17 years ago at the RSL Hall. She responded "I have always been crafty, I used to sell sausage rolls, home made bread and baskets."

"Back in the 1970s when I lived in Victoria I used to make my children's clothes."

"I enjoy talking to people. I often get asked. Do you do all this yourself?"

"I make a variety of items things like pillowcases, cushions, pencil cases, headbands, table runners, and bowl cozies."

"I got involved with the Beverley community markets after I read about it in the local paper and they said that they needed people who make crafts etc."

"I get a lot of joy out of Sewing different fabrics together and seeing the colours react and I look forward to seeing the end results."

"I enjoy meeting people talking to them and seeing my customers come back a second and third time."

Christmas is Coming!

Donate Early – Help Local Families This Festive Season

As Christmas approaches, we see many parents and families visiting **Beverley Op Shop** looking for toys for their little ones – **especially in the weeks leading up to Christmas.**

We rarely receive toy donations before Christmas, but often an influx after.

Now's the perfect time to clear out old or gently used toys and help make a child's Christmas brighter.

Donation bins are located behind the Beverley Op Shop – down Jutland Parade.

Drop off your pre-loved toys early and spread some Christmas cheer!

Beverley C.W.A

Well, what a celebration we had for our 100th.

With members from other branches coming along to help us celebrate, along with some community members and of course our State President, Felicity Edwards and CEO Trish Langdon, the day was full of celebration.

I would like to congratulate Mrs Lorraine Sims for receiving the Branch Legends Award for her outstanding service not only to the Branch, but also the community. A very deserving recipient of the award. Also, our Branch President Pat Hambly received her Honour Badge for 10 Years of Outstanding Service. Congratulations to both on your awards.

I would also like to thank Jo, Chris and Gail for helping over the 2 days and other occasions through out the year. Your continued support and help are greatly appreciated and we can't thank you enough. To **Annette and Julie from the Crafty Girls, who are coming to town on the 31st October**, we thank you for all the help that you gave us, especially the cooking and setting up. Without the help and support that these people gave us over the 2 days we would not have been able to have the celebration that we did.

To the members, Pat Hambly, Marianne Rohrlach and Helen Rohrlach; with the months of preparations that went into planning this event, without you this would not have been possible. All the work that you did before and on the day was just amazing and you should be proud of your efforts. You deserve all the praise for the day.

To the two members that could not be with us on the day due to illness. We wish you all the best and hope that you both are taking the time you need to recover. You may not have been there in person, but you were there in our thoughts. You both have played your part in supporting the branch and this celebration is for you as well.

To all past members, without you the branch would not be here today. You are a part of the branches history and should be proud of what you have achieved while being a member the Beverley Branch. To the community members that have supported us through raffles, cake stalls and donations over the years, Thank you! Without your continued support we would not be able to do what we have, and we look forward to seeing you at our next raffle. With 100 years of service behind us, we look forward to what the future will bring. - So, till next time, I say a big Thankyou to you all!!!!

P.S Yes, the morning tea is on Wednesday 12th November.

Beverley River Care Group

We're very grateful for the continued support from the local community and reflected by the Shire approving the Beverley River Care Group in this round of Community Grants. The grant is much appreciated. We'll be investing in tree guards and ways to make our activities more visible.

We value the efforts of those who cared for the river before us and continue learning about how it once was and what's changed since settlement. Our website is becoming a growing library of practical recommendations from the past 70 years, many of which are still relevant but yet to be acted on.

Gathering new data is just as important. We had a great turnout for our first river health check, where we used simple video tools to record and count the fish and other small aquatic life. Some of these species feed on mosquito larvae, and we look forward to working with the Shire to help protect them as part of reducing mozzie numbers. Research also shows that many mozzies breed in backyard ponds and pot plants, so we can all help by keeping water containers clean and emptied. We'll keep monitoring the river around town each season to track changes, and check other pools when we have the resources. You can find the videos via our website: www.beverleyrivercare.org.au

If you enjoy spotting wildlife, iNaturalist is a great way to record and share sightings of local fish, tortoises, birds, flowers and other critters. Visit www.inaturalist.org.au and search for our project named 'Waterways and Bushland of Beverley, Western Australia', or use the QR code.

Looking ahead, we're exploring the idea of floating gardens made from local aquatic plants. These can shade the water, create habitat, and absorb excess nutrients that contribute to summer smells and mozzie problems. Let us know if you have experience with these.

If you can help with the watering roster for the young trees along the river pathway, please contact tim@beverleyrivercare.org.au or 0412 747757.

November 2025

**000 is the EMERGENCY NUMBER TO CALL IN WESTERN AUSTRALIA FOR
AMBULANCE, POLICE & FIRE**

Life has been a bit hectic for our crews for the last couple of months. With school holidays as well we were down on numbers and ability to attend call outs. The holidays are over and we are back to our full crews. Thanks everyone who made themselves available over this time.

Training has been going along smoothly. Ian our Regional Community Paramedic attends most of our Training nights and sets up some weird and wonderful scenarios that we could encounter on a call out. As always we hope never to encounter any like the ones he sets up for us. A training exercise was held in York a few weeks ago, with York, Brookton, Pingelly & Quairading. The evening was our actions should the Avon River flood.

After everyone's input let's hope the Avon River never floods and cuts off access to any of our towns. It was a very enlightening evening with quite a few laughs. Training for the year will end for our crews early November and we have a break until February 2026 when it's back into it.

We have had some new folk apply to become Ambulance Officers in the last few weeks, which is fabulous for the Sub Centre. Hopefully in the next Blarney I will be able to introduce them to everyone.

Busy bee was held and lots of tidying and cleaning up in October has been done, but as always there is always more to be done. With cleaning up we have donated excess Training equipment to the local Cadets group at BDHS.

That's all for this month, remember the hot weather is on its way so stay hydrated, wear sun screen and a hat and watch out for those 'joe blakes' that are slithering out in the warmer weather.

Take care everyone.

Tennis

Opening Day

We celebrated Opening Day on Sunday 19th of October. The day was proudly sponsored by Westlands Honey. We all enjoyed the novelty of hard-court tennis followed by a fun table tennis event. While conditions were a little damp it was enjoyable to be back into tennis. Thank you to Westlands for their sponsorship of our opening day and for the delicious honey handed out as prizes. We ended the day with a lovely BBQ Dinner and we look forward to the season ahead.

BEVERLEY REDBACKS HOCKEY CLUB

JUNIOR FINALS JOURNEY

Preliminary Final @ York

Beverley Redbacks vs York Silverbacks

After a hard-fought match, the Redbacks held strong in defence, nil-all at full time and after two periods of overtime. Unfortunately, the result came down to percentage on the ladder, and we just missed out. Our juniors played their best game of the season, leaving everything on the field. Finishing in 3rd place for the 2025 season.

JUNIOR REDBACKS 2025

What a year! The Junior Redbacks had an outstanding 2025 season. With record numbers of minkey and junior players, we needed extra hands—and the club stepped up. Chaise Sattler came on board as Junior Coordinator, easing the load on our coaches, while Jaime Williamson and Courtney Stone guided our youngest players and prepared them for junior competition.

A special thanks to Kelly Mann, who has grown our junior team from its early days, when Beverley had no junior hockey, to reaching the preliminary final this year. Though the team fell just short, Kelly's dedication, skill, and countless hours have been instrumental in the team's success.

We also extend heartfelt thanks to all our coaches for their time, support, and love of hockey. Your passion and guidance have shaped our players and inspired the whole club.

Finally, a big thank-you to our supporters, volunteers, and parents for their energy and commitment throughout the season. The Junior Redbacks wouldn't be where they are without you!

JUNIOR REDBACKS AWARDS 2025

A huge congratulations to all our young hockey stars for an awesome season. We loved watching your skills and confidence grow and can't wait to do it all again next year. Well done to all the parents and carers who grabbed a stick and kicked off our junior sports wind-up with some spirited hockey games.

COACHES AWARD 2025: Hamish Penny

FAIREST AND BEST 2025: Alec Murray

FROM DAY ONE TO TODAY

Throwback to 30 April 2022 - the Beverley Redbacks' very first junior game. In the front row are Steele and Heidi, the only two players still on the team today. Back then we often struggled to field a side and even had to forfeit a few games.

Fast-forward to 2025: our juniors have grown into a strong, competitive team, a testament to the dedication of these players and the incredible work of Coach Kelly Mann. What an achievement for the Redbacks!

GOALS & GLAM - 2025 WINDUP

This year, we celebrated the end of the 2025 season in style at the amenities building with our Goals & Glam night, the one night of the season where we swap water bottles for glasses! It was a fantastic evening, put together by our committee, with delicious catering from Bellissimo to make the night even more special.

CELEBRATING OUR TEAM

A huge thank you to senior coach Brie Hitchcock. Your dedication, skill, and passion have made an incredible impact on the team this year. In past seasons, we were known as a very defensive side, often struggling to move the ball up the field and score. Under your guidance, our team's confidence, skill, and hunger for goals have grown tremendously. Your commitment each week to train and coach is deeply appreciated. Thank you Brie, for sharing your knowledge, time, and love of the game—it has made a real difference to every player.

We also want to thank Captain Ashton Edmonds, for leading the team with energy and enthusiasm, and President Emily Millar, for guiding the committee and ensuring everything ran smoothly throughout the season.

Of course, none of this would be possible without our volunteers, sponsors, supporters, and the playing group. Your energy, time, and dedication keep the Beverley Hockey Club thriving. Every goal scored, every game played, and every laugh shared on and off the field is thanks to the collective effort of our amazing community.

2025 SPONSORS

We would like to take a moment to express our heartfelt thanks to all our 2025 sponsors. Your generous support has been key to helping our club grow and succeed both on and off the field.

Thanks to your contributions, we've been able to provide quality equipment, cover umpire costs, expand our junior program, and maintain our facilities—ensuring players of all ages and skill levels have every opportunity to enjoy the game. Your backing truly makes a difference to the success of our club and the experience of our players.

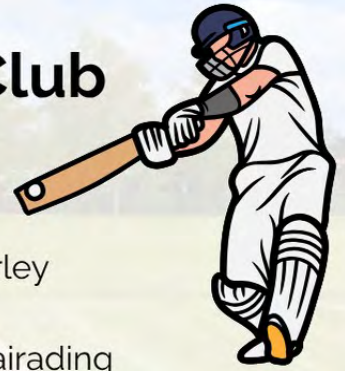

A special thank you to Waterbrae Pastoral, Beverley Transport, Beverley Freemasons Tavern, Beverley Electrical Services, Hutton and Northey Sales, Beverley Gas and Plumbing Services, Di Smith, Avon Trading, as well as our social members and anonymous donors.

Sharing the Road with Oversize Vehicles

The **distance** the pilot and escort vehicles travel ahead of the oversize vehicle and the gap between them **will vary** depending on the speed of oncoming traffic, speed of the oversize vehicle, the road geometry and the availability of pull-over areas for the oncoming traffic. The pilot and escort vehicles should be a **sufficient distance ahead** to enable all types of vehicles to **pull off the road** before the oversize vehicle reaches them.

Example of an Oversize Vehicle Convoy

1 Heavy Vehicle Pilots (Pilots) are used to provide advanced warning to other road users that an oversize vehicle is approaching and facilitate the safe movement of the oversize vehicles by directing traffic in their vicinity.

Directions given by the Pilots are lawful directions and must be obeyed.

Pilot Vehicles are easily recognised by a large yellow reflective sign with the words "Oversize Load Ahead" and amber flashing warning lights mounted on the roof.

Pilot Vehicles escorting loads in excess of 4.5 metres in width will also display white flashing lights on the front of the vehicle.

The number of Pilots accompanying an oversize vehicle will vary depending on the complexity of the load and their positioning will vary depending on where they are needed to safely manage traffic.

2 Traffic Escort Wardens manage the safe movement of larger oversize vehicles, typically oversize vehicles in excess of 5.5 metres in width and/or 40 metres in length.

Traffic Escort Vehicles have red and blue flashing lights on the roof and have "Traffic Escort" displayed on both sides of the vehicle. Most Traffic Escort Vehicles now have a blue and white sign with the words "Oversize Escort".

3 Oversize vehicles often travel in **convoys**, meaning there will be two or more oversize vehicles travelling together, as shown in the above example.

The number of oversize vehicles allowed to travel in a convoy depends on the road terrain. Typically, only two oversize vehicles can travel in convoy, however three oversize vehicles often travel in convoy on Great Northern Hwy north of Wubin, and four oversize vehicles often travel in convoy on Great Northern Hwy north of Newman.

Under the Road Traffic Code 2000, you must follow the directions given by a Pilot and a Traffic Escort Warden when facilitating the movement of an oversize vehicle. So, **always follow directions** given by Heavy Vehicle Pilots and Traffic Escort Wardens, as the directions are being given for your safety.

Take care to ensure you only pull back onto the road or move through an intersection when you are sure all vehicles in the oversize vehicle convoy have passed.

Do not risk overtaking an oversize vehicle. **Be patient** and wait for the oversize vehicle to move aside and the Pilots and Traffic Escort Wardens to clear traffic.

If the rear pilot waves you past or calls you over the UHF radio to advise that it's safe to overtake, proceed with extreme caution. As the driver, **you are still responsible** for ensuring it is safe to cross the centreline and overtake.

Sharing the Roads with Oversize Vehicles

Slow down as soon as you see a Pilot Vehicle or Traffic Escort Vehicle and **be prepared** to pull off the road and stop if necessary.

Many oversize vehicles take up more than half the road width, or they may need to travel towards the centre of the road to avoid power lines, trees or other roadside items.

Road transport is essential to Western Australia's economy.

Due to constraints for oversize vehicles, such as overhead structures, drive over structures, road side furniture etc., they are restricted to the roads they can travel on. If you see them on your local roads, it is because they need to use these roads to manoeuvre through the area.

It is important to be patient when sharing the road with oversize vehicles.

If you need to communicate with an oversize vehicle, the Pilots or the Traffic Escort Warden, they can be contacted on UHF Channel 40.

KNOW WHAT TO DO WHEN IT'S BIGGER THAN YOU

- **Stay alert** - you can't always see what's ahead, so it's important you drive to the road conditions.
- **Slow down** - seeing a Heavy Vehicle Pilot or Traffic Escort Warden vehicle is a warning that there's something big up ahead.
- **Move left** - oversize loads and large agricultural vehicles can take up more than half the road or may need to travel in the middle of the road to avoid power lines or other roadside items.
- **Prepare to stop and follow directions** - Heavy Vehicle Pilots and Traffic Escort Wardens are there to provide directions on how to safely navigate the oversize load.
