SHIRE OF BEVERLEY PRESIDENT'S NOTES

Annual Electors Meeting – the WA Local Government Act 1995 requires local governments to hold an Annual Electors Meeting (AEM) within 56 days of Council accepting the Shire's Annual Report, the purpose of which is to receive and discuss the annual report. In general business electors can raise other matters related to the local government's functions. Thankyou to those who attended this year's meeting on 2nd December. The 2024/2025 Annual Report provides detail of the 24/25 financial year and insight to 25/26 strategic activities and is available on the Shire website or the Shire administration centre when reopened in January.

Swimming Pool – the community would now be aware the Beverley swimming pool remains closed. Stage 1 refurbishment commenced at the end of the 24/25 season and was planned for completion early in the 25/26 swimming season. Unfortunate delays meant the anticipated date for completion, and several extensions, could not be met which is very disappointing for everyone. On a more positive note, Councillors visited the site prior to the December Council Meeting and believe the community will be pleased with the Stage 1 redevelopment when the pool does reopen.

Christmas Decorations – this has been raised at the last two annual elector's meetings and Council has heard loud and clear from members of the community that Beverley lacks Christmas decorations! Initial enquiries and investigations indicate that a planned approach and some creativity would be useful so as not to burden ratepayers (it can be expensive!) nor stretch staffing resources. Collectively let's see what can be arranged!

Various Works Activities – gravel carted for shoulder widening and culvert replacement by shire staff is occurring on a section of Waterhatch Rd which contractors will widen the seal on in January. Contractors will also replace a culvert on Clulow Rd and Caroling Bally Bally Rd and widen and cement stabilise a section of Mawson Rd. Quotes are being sourced for battery replacement for the five solar streetlights installed on Railway St in 2019, which are now starting to fail. When onsite for the netball court refurbishment contractors laid hot mix around the old ticket box into the Oval. There was not quite enough, and Shire staff will complete this when the materials become available.

Theft – unfortunately the four wheels from the Shire's temporary sign trailer were stolen during the work being undertaken on Waterhatch Rd. This creates unnecessary expense and time lost that would be better directed toward more productive outcomes for the Beverley community. It seems this is not an isolated incident with others in the shire having had the same problem. Please report to the police any information so this can be stopped.

December Storm – hot and dry, lighting (a lot), extreme wind, fires, trees and branches across roads – alarming weather conditions throughout the Shire Sunday 14th December. This was one time during harvest when everyone was grateful it rained as it would have been almost impossible to stop some of the fires that started. Thankyou to those who assisted where they could. In addition, the efforts to help clear roads following the storm, including use of machinery and equipment, is gratefully appreciated.

Shire Community Grant Programme reminder – applications open 5th January 2026 and close Friday 30th January 2026 for the second round of the Shire Community Grant Programme. Contact the Shire to discuss your project before submitting.

Happy New Year! – hopefully, if not already then very soon, some leisure and relaxation time is being enjoyed by residents during January after what is generally a busy end to the previous year.

On behalf of Council best wishes to our Beverley community for 2026.

Dee Ridgway

Media Release: Commonage Hill Trail Project Reaches Key Milestone

The Shire of Beverley is pleased to announce the commencement of the Commonage Hill Trail Project, a significant step forward in enhancing recreational opportunities and active transport options in our region.

This project is proudly **jointly funded by the State Government through the Western Australian Bicycle Network (WABN) Grant and the Shire of Beverley**. The feasibility study is nearing completion, and the next stage will involve inviting community members and the wider public to have their say on the concept design.

Consultants Common Ground, highly regarded trail specialists in Western Australia, have been engaged to shape the vision for the Commonage Hill trail network. Their expertise ensures that the project will be both environmentally sensitive and designed to deliver an exceptional user experience.

The trail was identified in both the Beverley Trails Master Plan and broader regional planning documents and is an exciting project for the community and visitors to our region.

We are proud to partner with the Department of Transport and Major Infrastructure to develop the regional trail and encourage active recreation. Further information and community consultation opportunities will be announced soon.

2025 in Review

2025 was an incredible year, packed with exciting experiences for our students. From camps and sleepovers to career days, science incursions, visits to the zoo, Scitech, and the Dead Finish — alongside all the learning in between — it was a year to remember. We hope all our families are now enjoying a well-deserved break.

Goodbye and Good Luck

In 2025, we farewelled an extraordinary teacher and dear friend, Mrs. Sharyn Morrell. For 28 years, she devoted herself to the students of Beverley DHS, leaving an enduring legacy of inspiration and care. Sharyn's impact on all those she taught will never be forgotten, and she will be deeply missed. We wish her every happiness as she embarks on the next chapter of her life.

PERFORMING ARTS

Beverley Station Singers

There were 12 singers who performed at the community Christmas Markets on Sat 06 Dec to

an appreciative audience. They then performed again at the Christmas party at the Station on December 20. The choir will be in recess for the month of January, recommencing in February. Come join us! **WEDNESDAYS** in the **Green Room** at the Platform Theatre **6.00pm – 7.30pm**. No obligations other than becoming a member of BSA (if you decide to stay - just \$30/year).

Beverley Amateur Dramatics

Nunsense: The Musical will take place 6, 7, 13 & 14 March 2026 at the Platform Theatre and promises to be one holy dose of hilarity, as

these sisters are guaranteed to have you laughing from the opening prayer to the final bow. 🙏🙏

Featuring local talent, toe-tapping tunes, and a whole lot of good-hearted mischief, this is a show not to be missed! Perfect for audiences of all ages.

This award-winning musical by Dan Goggin follows the misadventures of the Little Sisters of Hoboken, who find themselves in a fundraising frenzy after a convent cooking accident leaves 52 nuns dead from botulism. With only enough money to bury 48, the remaining five sisters stage a riotous variety show to raise the funds.

TOY OF THE MONTH

Wooden coffee machine

Age range: 2 years

This wooden coffee machine is a popular imaginative role-play toy that fosters fine motor skill development (pouring and pressing), language, social-emotional skills (sharing, communication) and cognitive abilities. This type of toy is inspired by Montessori principles for hands on learning, encouraging creativity and independence in toddlers. Also, after a hectic Christmas and new year period, who doesn't need their toddler to make them a coffee!

This is just one of many toys available to borrow through our amazing Beverley Toy Library at the CRC.

YEAR TWO AND THE OLDEN DAYS 2025 - PART 1

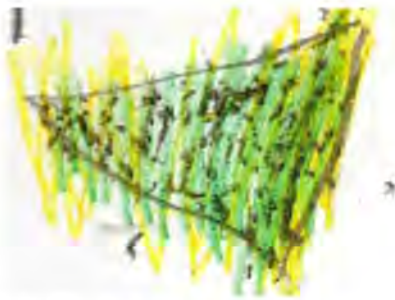

My Visit to the Dead Finish Museum. By Merene.

On Tuesday 16th September 2025 the Year 2s walked to the Dead Finish Museum in Beverley to experience what life was like in the olden days. We did polishing silver, dress up, the old school, and washing. We saw the kitchen and garden. We got a drink, biscuits, a penny, and fairy bread.

Olden Days. By Alex

On Tuesday 16th September on 2025 the Year 2s walked to the Dead Finish Museum in Beverley to experience what life was like in the olden days. We sat and the volunteers spoke to us. Then we went to washing 1st. 😊 And then we went to polishing 2nd. 😊 And then we went to dress up 3rd. 😊 And then ... then we went to the old school. And then we had 'refresh mint'. In the end it was great.

Our Visit to the Dead Finish Museum. By Phoenix

On Tuesday the 16th of September on 2025 the Year 2s walked to Dead Finish Museum in Beverley to experience what life was like in the olden days. We sat and the volunteers spoke to us. We had to polish silver dishes then we moved when the bell rang to a new station. That was dressing up. I didn't really dress up then the bell rang again. Then we moved to old school. We had to write with a nib pen and then the bell rang again. Then we moved to the last station – washing. We had to get a bit of clothing, had to put it in a bucket of water, then we put it on a bumpy thing [washboard] and we put soap on it. Then we had to put it up and down, and then we put it in the water, and then we wring it. Then we put it in another bucket of water, then we wring it. Then we put it in a bucket of blue water, then we wring it again. Then we got two

pegs and hung it on the line. Then we had refreshment. We had fairy bread and ANZAC biscuits. And we got old coins and the surprise was a bag of lollies.

The Dead Finish Museum. By Laeisha

On Tuesday the 16th of September 2025 the Year 2s walked to Dead Finish Museum in Beverley to experience what life was like in the olden days. We sat and the volunteers spoke to us. We went to the first activity which was dressing up. We dressed in bracelets, necklaces, hats, scarfs and skirt. We moved to the next activity which was school. At school we wrote with a nib pen. We went to our next activity which was washing clothes with soap. Then we put it in the next bucket. In the next bucket we twisted the clothes. Then we went to the next bucket. We put the clothes down and got a peg and put down on the dryer. Then we moved to our last activity which was polishing silver. We used toothbrushes to polish silver. We used a rag to polish the soap off the silver. Then we had our snack. We had fairy bread, ANZAC biscuits and a green cordial. Then they gave us an old coin and a lolly bag.

My Visit to the Dead Finish Museum. By Jordan

On Tuesday 16th of September 2025 the Year 2s walked to Dead Finish Museum in Beverley to experience what life was like in the olden days. We sat and the volunteers spoke to us. We went to old school. We learnt about the cane. We did nib pen

writing. We moved to washing. Washed clothes! Polished silver. We polished with toothbrushes. We dressed up in hats, wigs. Then we had refreshment. We got a coin and a lolly bag, then we went back to school.

THE DEAD FINISH MUSEUM. By Emma

On Tuesday the 16th of September 2025 the Year 2s walked to Dead Finish Museum in Beverley to experience what life was like in the olden days. We sat and the volunteers spoke to us and then we went to old school with nib pens. Then we washed clothes with water. Then we polished silver forks with a cloth and toothbrush. Then we dressed up in silly outfits and then we refreshed with fairy bread, cordial and biscuits. My favourite activity was old school because we got to use nib pens and saw the cane and a very old bag students held their books and stuff in.

My Visit to the Dead Finish. By Olivia

On Tuesday the 16th of September 2025 the Year Twos went to the Dead Finish Museum. We walked to the Dead Finish Museum. We went to experience the olden day life. First we sat down and had a chat. The first activity we went to was dress ups. We dressed in gloves, jackets, dresses and jewellery. The second activity was the old school. We had to use a nib pen and we nearly got the strap and cane. Then we washed clothes with water by hand. It was fun. The last activity was polishing silverware with a toothbrush. It was hard but fun. We went to see the

garden. Then we saw the first teachers building, well pretty much a house. The last thing was refreshment, that was fun. We got to have fairy bread, and we got to learn about ANZAC biscuits and they would never go rotten. And we got cordial and it was green. And we got a very old coin, over 55 years old. And my favourite activity was the old school. It was very fun because we got to write with a nib pen and I finished the whole sentence. It was fun, hurray.

The Dead Finish Museum. By Judd

On Tuesday the 16th of September 2025 the Year 2s walked to Dead Finish Museum in Beverley to experience what life was like in the olden days. We talked and sat down. So, we polish silver, and we went to the next activity - dress up. We went to the next activity - old school with ink pen.

My Visit to the Dead Finish Museum. By Charlie C.

On Tuesday 16th of September on 2025 the Year 2s walked to Dead Finish Museum in Beverley to experience what life was like in the olden days. We sat and the volunteers spoke to us. We went to the first activity which was washing. At washing we grabbed a piece of clothing from the bucket and then soaped it and then chucked it in the blue water and the bell rang to go to the next activity. Then we polished a bunch of dishes we washed with a toothbrush. And then to dress ups. We dressed up silly. And then old school and we used ink pens. And then we had refreshments and we drank green cordial and we ate ANZAC biscuits and fairy bread.

Watch out for Part 2 in the next Blarney!

The Beverley Medical Practice is committed to providing quality health services to Beverley and the surrounding areas. As part of our commitment to the community, we support and assist up and coming medical health professionals. We are hosting student GPs in our clinic again this year. These Student GPs are from Notre Dame, UWA and Curtin University. Please let staff know if you are interested in assisting these students by allowing them to sit in on your consult. You may also advise staff if you would prefer not to have them in attendance.

Are you having trouble getting through on the phones? Your calls are important to us.

Did you know you can book appointments online to save phone waiting times? please head to our website beverleymedicalpractice.com.au or use the health engine app.

Skin Checks- With summer here we all need to be vigilant regarding skin care please book an appointment with our experienced GPs to review any suspicious lumps, dry spots, or moles.

Care outside normal opening hours - When the Beverley Medical Practice is closed you can always get medical attention by calling—Ready Care **1800 225 523** or Calling health direct 1800 222 222 or by attending the Beverley District Hospital, located in Sewell Street Beverley where experienced staff will triage the patient and contact the on-call Doctor.

Ministry in the Parish of Beverley – Brookton for January, 2026

St Mary's Church, Beverley

Sunday, 4th January,	9.00 a.m.	Epiphany of our Lord - Morning Prayer
Sunday, 11th January	10.30 a.m.	Baptism of our Lord - Eucharist
Sunday, 18th January	9.00 a.m.	Second Sunday after Epiphany – Morning Prayer
Sunday, 25th January	8.30 a.m.	Third Sunday after Epiphany – Eucharist

St Paul's Church, Edward's Crossing

Sunday, 8th February	5.00 p.m.	Conversion of St Paul -Eucharist
----------------------	-----------	----------------------------------

St Mark's Church, Brookton

Sunday, 4th January	8.30 a.m.	Epiphany of our Lord – Morning Prayer
Sunday, 11th January	8.30 a.m.	Baptism of our Lord - Eucharist
Sunday, 18th January	9.00 a.m.	Brookton Family Festival Service – Eva Pavillion
Sunday, 25th January	10.30 a.m.	Third Sunday after Epiphany – Eucharist

The Epiphany celebrates, by virtue of the arrival of the Wise Men from the East, the fact that Jesus the Messiah for the Jews came to be the Christ for all humanity also.

We recall that Jesus, as with all his followers, was called to be baptised, and so the **Baptism of Jesus** in the Jordan River by John the Baptist is celebrated.

On Friday, 23rd January, a special service to remember the first Colonial Chaplain, **the Rev'd John Burdett Wittenoom**, will take place at Holy Trinity Church, York. Wittenoom was granted 9,000 acres of land which he called "Gwambygine".

The **Confession of St Peter and Conversion of St Paul**, recall how St Peter magnificently confesses Jesus to be the Messiah/the Christ, and St Paul who as Saul the Pharisee had been a cruel persecutor of those who followed in the Way of Jesus Christ, is miraculously converted on the road to Damascus.

There will be a special **Patronal Festival Service** in honour of St Paul at 5 p.m. on Sunday, 8th February at **St Paul's Church, Edward's Crossing**. After the service members of the congregation are welcome to adjoin to a local hotel for a meal.

The **Feast of the Epiphany of our Lord** will be celebrated at Holy Trinity Church, York at 5.30 p.m. on Sunday, 4th January with a service of readings and carols; a reception follows at The Rectory.

SUPPORT WORKERS NEEDED

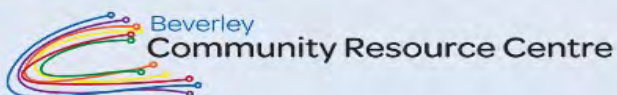

If you're looking for full time, part time, school hours or simply wanting to supplement your pension, there's plenty of flexibility for anyone looking to join our local Mable workforce.

We are looking for registered and enrolled nurses, podiatrists, physiotherapists, carers, cleaners and gardeners.

The 'Staying in Place' program in Beverley aims to keep senior residents in their homes as long as possible with the help from local support workers.

Please contact Samantha Fricker
stayinginplace@beverleycrc.com.au
or 9646 1600 for more information.

Wood Whittling
In the Beverley Community Garden

\$40

Whittling is about creating a shape from piece wood, but with a far less focus on conforming to any preconceived design and is done mostly with a knife.

Whittling is wonderful stress reducer and can introduce the young at heart to the ancient craft of working wood in general, and to the use of knives in particular. It can be done almost anywhere, couch, back porch, at the park while doggo plays with friends, or sitting around a campfire.

Like many simple pursuits, it can be a path to the quiet zone, a place where you're absorbed in what your hands are doing, lost in the moment.

Includes all materials, equipment and some light refreshments

WARRIOR WELLBEING ARTICLE

Our Wellbeing and Money

BY THE REGIONAL MEN'S HEALTH INITIATIVE
January 2026

We work hard for our money; therefore, it is important to know where it goes and how we can manage it, invest it, plan for retirement or a rainy day. As the saying goes, "Money without financial intelligence is money soon gone".

Scams, get rich schemes and a dodgy email from that international prospective partner, are ways other people will try to fleece us out of our money. As with many things in life, if it sounds too good to be true then it probably is. We need to be vigilant and not share any of our personal and banking details with third parties until we have verified, they are who they say they are.

Before making any big financial decisions, don't rush into anything, do your own research and ensure you talk to all those who will be impacted by these decisions. Seeking sound financial advice from a chartered accountant or registered financial advisor is a good way to get an independent professional point of view and allow you to make an informed decision.

Just as we should get a yearly check-up with a GP, it's important to have a yearly financial check-up with your accountant, financial advisor or bank manager. Prepare for the meeting with your questions written down so all your personal and business financial concerns are addressed. This is an opportunity to look at interest rates, refinancing options, new products and tax concessions to make sure you are getting the best "bang for your buck" or the best deal.

Communication is key for so many things in life, so remember to talk to your partner about any personal money decisions if you have joint accounts, credit cards or loans. Uncommunicated expectations are often the main cause of interpersonal conflict.

It is also vital to talk to your business partners about financial decisions and their potential impacts both in terms of financial viability and how they will emotionally affect the business relationship. Failure to do so will have potentially long-term negative effects on your relationship with your business partners as well as your physical and mental wellbeing.

If you are struggling to repay loans, be open and honest and talk to those in your circle including the bank manager. They can't help you if they don't know what's going on.

Financial hardship and other general money worries, if not addressed, can negatively impact our wellbeing and contribute to our situational distress and lead to other problems in our life.

Some signs that financial stress is affecting your health and relationships include:

- Arguing with the people closest to you about money.
- Feeling angry, fearful or experiencing mood swings.
- Withdrawing from others.
- Feeling guilty when you spend money.
- Delaying health care you need, due to the cost.

We encourage a holistic way to look after yourself. Looking at your diet, exercise and time spent on self-reflection are all ways to improve your general health and help manage your wellbeing and money.

JANUARY 2026

000 is the EMERGENCY NUMBER TO CALL IN WESTERN AUSTRALIA FOR AMBULANCE, POLICE & FIRE

Welcome 2026! We trust everyone has had a great Christmas & New Year with family and friends and, as always, enjoyed all the pleasures this time of year brings.

Now we are venturing in the hotter season, please, everyone keep your fluids up and not let yourselves get dehydrated. Have that bottle of cool water with you at all times if you're out and about.

Seems of late we have been unable to provide an ambulance crew during working hours between 8am & 5pm, due to lack of availability of our Volunteers. If you have ever thought about Volunteering give it some very serious thought. Most of our Volunteers work during the day and this is when we are having a problem. So, if you are retired and want something to do, Volunteering to be an Ambulance Officer can be very rewarding not only for yourself but the Community in which you live. Our apologies if you have needed an Ambulance and you are not picked up by a local crew that you know. Volunteers from a near by town are great people as well, but that little bit of security knowing who has picked you up helps relieve a little bit of anxiety one suffers in these situations.

Congratulations to three of the local Volunteers who were awarded Commendations from SJA for their involvement in a Motor Vehicle Accident. The Commendation came from the Crew of the RAC Chopper. Congratulations Jodie, Ian & Jenny.

Have you seen the Defibrillator on the wall outside the Pharmacy? Our small town has a number of them strategically placed around the town. Do you know where they all are should one be needed?

A small presentation was made to our Community Paramedic Ian Dawson to thank him for all his help and encouragement to the Crews, throughout the year. Ian's input and help has been a terrific help to all the Volunteers.

We have changed the Office hours at the Sub Centre of late the Office is now OPEN on Monday 9am to 3pm, except for Public Holidays. This could change early in the new year, but we will advise you either by notification in the Blarney and on our Facebook page.

Until next Month, stay safe, take care and keep your fluid intake up.

With over 2.5 MILLION hectares planted with
ALOSCA Granules you can count on us!

SUMMER SPECIAL - \$100 PER TON CASH BACK

ALOSCA granules provide flexibility like no other inoculant.

Unlike traditional peat based inoculants which are limited in when they can be applied due to the mortality of the rhizobia, ALOSCA Granules can be sown into dry, unfavourable conditions and remain viable in the soil for months until being activated by the same seasonal rainfall that germinates the seed.

WHY CHOOSE ALOSCA DRY LEGUME INOCULANTS?

- ✓ Can be dry sown.
- ✓ Can be used with seed dressings that are typically harmful to inoculants.
- ✓ Simple application.
- ✓ Can be blended with fertilisers, seeds or in a third box for ease of application.
- ✓ Can be stored for months in a cool, dry place.
- ✓ No need to mess around with slurries.

Better legume inoculation solutions for modern farming

Fixtures

Christmas - New Year - Country Week (6 weeks off)

Round 10 - Saturday 31st January -

Beverley v York @ Beverley

Got a free day on the weekend?

Enjoy a cold beer, some top-tier banter, and a bit
of heckling from the sidelines?

Then you're exactly who we're after! 🍻

Our season's underway, and we're recruiting
players/mates/legends to hit the pitch — no skill
required (in fact, that's a bonus). It's all about
laughs, mateship, and maybe the occasional
decent play.

100% Banter | 0% Skill Required

Keen for a hit or just to join the fun?
