SHIRE OF BEVERLEY PRESIDENT'S NOTES

Citizenship Ceremony – a citizenship ceremony was conducted in February at the Civic Centre, we welcome our newest Australian Citizen Laurian Barrow.

Swimming Pool Update – at the time of writing the Shire is waiting for sign off from the Department of Health. Updates will be provided as they come to hand.

Community Grant Recipients – congratulations to the successful community groups following the Shire's recent Community Grant Program funding round which is supporting a range of community based projects:-

- Beverley Real Life Church – Beverley Community Youth Group
- Beverley Amateur Swimming Club – New Lane Ropes Project
- Beverley Station Arts – Station Arts Gallery Kitchenette
- Beverley Lawn Tennis Club – Ride on Greens Mower

Netball Courts – the court resurfacing project has now been completed. The courts are looking terrific and hopefully netballers are looking forward to a great year of netball in 2026 and beyond

Beverley to Commonage Hill Trail Feedback – an information "drop-in" session was held by consultants Common Ground Trails at the Lions stand at the end February in relation to a trail that is being proposed connecting Apex Park to the Commonage Hill site. Feedback can still be provided via a QR code or hard copy at the Shire Admin office.

Beverley Airshow – pending operational and maintenance requirements the RAAF are set to bring a Hawk 127 and some PC 21 aircraft to the skies over Beverley as part of the upcoming airshow! Wherever you are in town on the day it will be noisy, there will be a lot of traffic, there will be some road restrictions and closures, your patience may be required, there will also be many visitors staying. The airshow is a one-day event, and it is shaping up to be a fantastic one for Beverley and the region! For all the above reasons and more, make sure 11 April 2026 is marked on your calendars.

Condolences – condolences are offered to Reverend Canon Phillip Raymont following the recent passing of his mother. Phillip tends the Anglican Parishes in Beverley, Brookton, York and Quairading and is a supporter and regular attendee at many community events and activities across the region.

Dee Ridgway
Beverley Shire President

Dear Beverley Resident,

The Beverley Airshow will be taking place on Saturday 11 April 2026 with gates opening at 8am!

We are expecting a big crowd and lots of traffic on Saturday morning; there will be disruption to access in and around the town site as we manage this influx of visitors.

The Shire has engaged traffic management specialists to control traffic on the day.

The Refuse Site will not be accessible, and Bremner Road will be closed to traffic for the duration of the event.

What you can do:

- Visit beverleyairshow.com.au to familiarise yourself with event details and to purchase tickets.
- Secure your property for pets and consider keeping them indoors if they are sensitive to loud noise.
- Prepare for a lot of traffic throughout the townsite and main arteries into Beverley.
- Consider doing your shopping, checking the mail etc during the week leading up to the event.
- Use the refuse site on Sunday or Monday.
- Follow the Beverley Airshow, Visit Beverley, and Shire of Beverley Facebook pages for updates.

What we are doing:

- Engaging a specialist event Traffic Management company to develop and implement an effective traffic management plan. Once finalised, details will be communicated to residents.
- Issuing traffic passes to residents who may be affected by road closures (similar to the Beverley Tip pass).
- Providing regular updates via our Facebook pages, the Beverley Airshow website, and the Beverley Blarney.

The Beverley Airshow promises to be an aviation extravaganza both in the skies and on the ground. Enjoy a vibrant festival atmosphere featuring aerobatic displays, static aircraft displays, car and bike displays, a tractor pull display, kids' entertainment and delicious street food.

We hope to see you at the Beverley Airshow on Saturday 11 April 2026 — it really will be the place to BE!

Wood Whittling
In the Beverley Community Garden

\$40

Whittling is about creating a shape from piece wood, but with a far less focus on conforming to any preconceived design and is done mostly with a knife.

Whittling is wonderful stress reducer and can introduce the young at heart to the ancient craft of working wood in general, and to the use of knives in particular. It can be done almost anywhere, couch, back porch, at the park while doggo plays with friends, or sitting around a campfire.

Like many simple pursuits, it can be a path to the quiet zone, a place where you're absorbed in what your hands are doing, lost in the moment.

They're back! Sue Hauri-Downing and Tarsh Tates have returned to continue their SPACED project. During their previous residency in October/November, they developed and facilitated workshops in the community to better understand the role of smell in experiences of place and

how artmaking can be used to understand and guide us through environmental and cultural change, grief, loss and hope. The artistic outcome of this process will be revealed during this residency when they will be making their art piece to be presented to regional, national, and international audiences in exhibitions, publications, and online platforms. The culminating exhibition will be at Perth Institute of Contemporary Arts (PICA).

Additional information regarding our artists in residence will be available in the weekly Beverley Bulletin, BSA socials, and emails. Or call A-i-R Coordinator Marylou Hutchinson on 0427 085 511.

Plein Air Beverley Weekend & Exhibition

It's on again! For the fifth consecutive year! Plein air artists from several groups will descend upon Beverley for the weekend 18, 19 April (arrival from Friday 17). This is a participation event, which is self-directed...ie, you are responsible for your own art materials and equipment, catering, transport, accommodation and managing your own risks.

The weekend will be in a similar format to previous – that is, a casual meet and greet on Friday evening, painting in or close to town on Saturday, and most likely at the historic Avondale Farm on the Sunday. Numbers will be capped at 50 painters, so if you are keen to join the fun of painting outdoors in and around our beautiful Beverley, simply send your name, email and phone number to the email mailbox pleinair.beverley.wa@gmail.com

A modest entry cost of \$20 per artist covers meet and greet snacks on Friday evening and access to Avondale farm on Sunday.

SHE IS STRONG

Be Involved

Our Story

A few years ago, Rachel (Photographer/ Director) asked Dawn (Performer/Producer) if she'd like to do an impromptu photoshoot while camping. With no shower in sight, no makeup, and no fancy clothing, it was just Dawn as she was. But when Dawn saw the image, she was surprised and said, "Whoa, she is strong!" They started talking about why as women we don't see our strengths until we see ourselves through someone else's lens - why we don't acknowledge the stories that make us who we are and the impact they have on our whole being.

And so 'She is Strong' was born: a show that fuses photography with aerial dance and real stories, has toured to great acclaim, leaving a lasting impact on communities.
and now it's Beverley's turn, and we invite local ladies to be a part of this chapter.

Your Story/How it Works-

It starts with a relaxed chat over a cup of tea. You don't need to prepare anything.

Rachel and Dawn will guide you to share a story about yourself, that you are comfortable with.

These stories will be recorded on a phone and edited together into a tapestry of local women's voices.

Rachel will take photos of you in local outdoor locations. It might be of your hands, your face looking at the paddock, or doing something you love; something which reflects your story.

These photoshoots are very relaxed and often include lots of laughs. Then the images and audio will become be a part of the opening exhibition for 'She is Strong' in May.

Your photos will be made available to you following the show, to remind you of your strength and to thank you for being involved in the process.

A Special Beverley Community Thank You

on behalf of the PECK family.

If the community of Beverley did not personally know my parents, I'm sure you would have heard of them — Bruce and Margaret (Margie) Peck, who both passed away peacefully.

During the most difficult time my family and I have endured, the community of Beverley stood beside us, helping wherever possible. I now see why my parents chose to live in such a gracious and caring place.

A HUGE THANK YOU TO:

- The Beverley C.W.A. — for kindly accepting and helping to move all of Mum's cookbooks (a huge effort).
- The Beverley Op Shop — for kindly accepting and assisting with clothing, linen, bedding, paintings, and other treasured items.
- The Beverley Waste Depot — for kindly accepting and helping with useful items that were far too good for landfill.

THANK YOU TO EVERYONE WHO CONTRIBUTED TO THE GOFUNDME PAGE (Facebook)
created by a much-loved and special community family.

THE BIGGEST AND MOST SPECIAL THANK YOU TO:

- Monica and Graham Camenzuli — we would not have been able to do any of this without you. You have been our saviours throughout this sad journey, and you continue to be.

Mum and Dad continued to support the Beverley community even after their passing, with their wishes being honoured.

A sincere apology to anyone not individually mentioned — as a community, you know who you are, and we are deeply grateful.

Both Mum and Dad are, and always will be, so dearly missed.

A memorial for Mum and Dad will be held in the coming weeks. Details will be shared through Monica Camenzuli.

Kindest Regards, the Peck Family

Annual *General* Meeting

Thursday, 9th April 2026
Commencing 7.30pm
at clubrooms 68 Forrest Street

Beverley Community Garden

We will continue to enjoy our morning teas on Tuesdays and Saturdays at 9:30am and extend a warm welcome to those in our community to come and join us. Visitors to our town are also encouraged to come, sit down and tell us about your travels. Our volunteers have a lot of local knowledge, and many have tales of their own travels in this beautiful country of ours.

We have been very successful, with many zucchinis available to those purchasing a \$10.00 basket. Our local resident, Glenys gifted us a jar of homemade zucchini relish which we will be sure to enjoy with some crackers and cheese as suggested.

We are starting to prepare for the winter vegetables to be planted. Murray has turned the ground with our own garden made compost and the donated sheep manure. To keep this nutrient rich and moist, these preparation beds have been covered in hay. This is so important and we would like to thank David and Gina Adams for their very kind donation of hay bales.

We look forward to meeting you, so why not pop in pick a fresh basket and don't forget to grab a zucchini!
(Recipe below)

We are open Tuesdays and Saturdays 8:00am – 11:00am.

The Beverley Community Garden relies on the community involvement to be able to provide a relaxing, nourishing, informative, friendly environment and sincerely gives thanks to those who provide their time, donations and support.

Beverley C.W.A

Well, can you believe that we are already in March. The first two months have flown by, and the ladies are getting ready for another big year. Let's get the official business out of the way first before we get into the interesting things. On February 18th, the AGM was held and was chaired by Mr Fred Bremner. We thank Mr Bremner for giving up his time to chair our meeting. The new committee for the year is as follows:

- President: Pat Hambly
- Vice President: Marianne Rohrlach
- Secretary: Helen Rohrlach
- Treasurer: Wendy Hambly

As you may have guessed, the media officer has also returned, sorry about that! Now that is out of the way, time for what people really want to know about.

The **"Free Community Morning Tea"** will be returning this month **Wednesday 11th at 9.30am**. So come on down to catch up with a free cuppa and something to eat. The best thing is that you don't even have to stay around to do the washing up.

Once again, the ladies will be holding the Easter raffle and cake stall. On **Thursday 2nd of April**, we will be selling tickets and on **Saturday the 4th April** we will also have a cake stall. So, for all those who have been wanting some delicious home cooking, come on down and have a look.

Don't forget that the C.W.A has the iconic **Cookery and Household Hints books, \$30.00**, available for purchase

as well as the **Generations in the Kitchen, \$35.00**, centenary published, available. (may I add that the chocolate cake on the front is absolutely delicious and so easy to make, just saying).

The **C.W.A. Scone book, \$10.00**, has also had a makeover, with a new cover and some new recipes is also available and we have some on hand. Also now available is a **mug, \$18.00**, and **magnet, \$6.00**, with same design as the Scone book.

The Women of Spirit, stories about the women who have shaped the C.W.A around the state, including our own Mrs Beryl Fisher and Mrs Mary Adamson, is available. \$65.00

We do have some of these on hand but don't worry, if you would like to order any of these, we can order it for you.

Lastly, if you would like to know about the branch or the C.W.A, you can call our President or come along to one of our meetings to see what we get up to. We welcome all to come join us for a cuppa and hopefully answer any questions that you have. We know there are people who have their own stories about the branch, but why not come along and make your own decision.

Till next time, stay safe, enjoy and start hiding those chocolates

Shoo fly, don't bite me

March fly held in hand. Most likely from the genus *Scaptia*, or possibly *Copidapha*. (MyPestGuide® Reporter, 284687)

There are over 6,400 formally described species of fly in Australia, but the number of species in total is estimated at around 30,000. Their roles in the ecosystem are diverse and overarchingly beneficial. It's in domestic or farm settings where some really become a nuisance. Thankfully (and proportionally), there are only a few, commonly encountered flies that bite us! Within these species, it's near exclusively the females who bite, using the blood they obtain as a source of protein for developing eggs.

Meet the culprits

March flies (family: Tabanidae), also called horse flies, comprise 200+ species. They are large (6-25mm) flies with prominent eyes. Found throughout Australia, they live around freshwater creeks, intertidal estuaries and mangroves. Breeding in damp soil, rotting vegetation, sand and rot holes in trees. They are most active on calm, sunny days throughout the warmer months. **Stable flies** (*Stomoxys calcitrans*, family: Muscidae) are slightly smaller than a house fly (generally 5-7mm). Found throughout Perth's Swan Coastal Plain, they breed in moist organic material such as manure, compost, grass clippings, and vegetable waste.

They are a serious pest of livestock and most active late spring through autumn. **Biting midges** (family: Ceratopogonidae), often called "sandflies," are tiny insects (1-3mm). Of the 200+ species in this family, most belong to the genus *Culicoides*. They are present in many coastal and inland areas of WA, commonly near sandy estuarine and foreshore areas, and mangrove swamps in tropical and subtropical parts of the State. They are most active at dawn and dusk.

Shoo fly!

Managing biting flies is incredibly difficult. The easiest way to protect yourself is to wear long, loose-fitting, light-coloured clothing. Include head nets where fly numbers are high. Inspect your property for breeding sources and manage organic material, compost and manure to reduce fly breeding sources.

The WA Department of Health has good information on March flies, sand flies, as well as mosquitoes - how to protect yourself, including the use of repellents, and managing bites. Alternatively, contact your local government's Environmental Health officer for the latest advice. For information on stable fly, look at our website dpird.wa.gov.au/stablefly for management advice.

Libby, Yr 9: As Head of School this year I am excited to take on this role and the responsibilities that come with it. I hope to motivate our school to work together and achieve our very best. My goal for 2026 is to make Beverley DHS more enjoyable throughout the year by creating fun opportunities for everyone.

Moriah, Yr 9: My name is Moriah Fraser, I'm in year 9 and have been at Beverley DHS for two years. One of the best things about being a student here is the community, everyone knows each other and are very supportive of one another. As Head of School at Beverley DHS I hope to achieve many things, I would like to help make our school an even better place for everyone.

Cadets at Beverley DHS

The Emergency Services Cadet Program gives young people an awesome chance to learn real-life skills that help them at school and beyond. All secondary students at Beverley DHS are part of our Cadets Program, and this year we're especially excited to roll out a brand-new cadet uniform.

Through hands-on activities like mapping, First Aid, fire safety, Keys for Life, and working toward their Bronze Medallion, our cadets build confidence while gaining practical knowledge they can use every day.

At Beverley DHS, our cadets meet every Friday and get involved in a wide mix of activities that encourage teamwork, self-reliance, initiative, and community service. Their efforts don't go unnoticed, regular cadet rewards are a big highlight! Last year's adventures included paintballing, Bounce, and plenty of other exciting excursions.

We're also happy to share that planning has begun for a Term 2 Cadet Camp. If you're available to help out with fundraising, we'd love to hear from you, please get in touch with the school!

Happenings from around the school

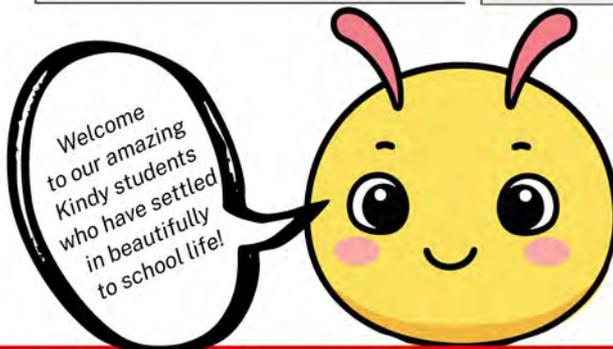

The Scitech Roadshow came to town in Week 2. The students had a fantastic day learning about all things science!

The secondary students are loving their hands-on Home-Ec classes. Here they made creamy herb dip with veggie sticks!

"Working collaboratively to facilitate local opportunities, for 0 – 5yr old children and their families to connect, learn and thrive in our community".

2025 President Report

2025 brought many challenges and successes for BEYN, with our committee making some big structural changes that impacted the way we operate as a group. These changes seem to have worked for the better, for both the community and the Committee, who have worked hard to ensure the kids of Beverley receive the best opportunities available.

This past year has been a learning curve for all of us and has allowed us to find our downfalls and deficiencies and rectify these so that moving forward, we can do better. Some of our great successes were the Giggle and Grow sessions organised by Jenelle that were greatly received, the changing of storytime days which increased our numbers exponentially and the introduction of Toy of the Month by Bec, which combined with the organisation and tidiness of the Toy Library has seen some great enjoyment by our patrons. Well done to everyone's hard work this year, it has not gone unnoticed. It is with a sad heart that we say goodbye to our longest standing members, Kelly and Skye, who are stepping away from BEYN after years of tireless dedication which had been greatly appreciated by the entire Beverley community. We will surely miss your knowledge and commitment within our group.

I look forward to seeing some new perspectives and ideas from committee members in this coming year, ironing out any additional issues that may arise and once again, providing high quality services that support the growth and development of the children of the Beverley community.

Thank you to all out going committee members and a warm welcome to all new members.

BEVERLEY SWIM CLUB

Season Highlights

We had 14 swimmers take part in the Quairading swim meet on Saturday 21 February 2026. A big congratulations to those who took part in their first ever swim meet, and to those who were kicking off their first meet of the season. It was fantastic to see the sportsmanship amongst our swimmers with some swimming in relays for other towns. thanks to our parent timers, like umpires, swimming could not happen without timers.

We will have our Windup and AGM on Thursday 26th March 2026. Please keep a look out for details.

Thank you

We are pleased to announce the arrival of our new timers, and we look forward to utilizing them in our upcoming activities. We extend our sincere gratitude to the Shire of Beverley for their generous Community Grant, which made this purchase possible.

It's not too late to join our 2025/2026 season! It might look a little different this year, but we're committed to keeping things fun, positive and moving forward as a club.
